Maybe Your Farm Doesn't Need Liming

THERE'S a good way to find out—have it tested. Dig a V-shaped hole 6 or 8 inches deep with a shovel, spade, or trowel. Then cut a thin slice down one side of the hole and place in a bucket.

Repeat the operation over the entire field so you get at least one sample from each acre. Mix all these samples thoroughly and place not over a pint of the mixture in a clean container. A paper bag, ice cream carton, or glass jar is suitable.

You can find out if your fields need liming by taking or sending the sample to:

COUNTY AGENT OFFICE
Burlington, Ky.

We are anxious to supply you with the needed amount of agricultural limestone, but we don't want to sell it unless it is needed. The test will tell.

THE GREATEST FORCE

By Dr. Norman Vincent Peale

(Editor's Note: Dr. Peale is minister of historic Marble Collegiate Church on Fifth Avenue, New York City; and author of the current best seller, "A Guide to Confident Living.")

A friend of mine, a great minister and a wise man, Dr. Raymond B. de Ovies, who for many years was the Dean of the Cathedral of the Protestant Episcopal Church in Atlanta, tells a marvelous story about a custom of boys in England who go into cemeteries around old churches at night to catch sparrows. Their mothers make sparrow pies with them. It takes about twenty fat sparrows for a good pie. These sparrows roost at night in the vines around the old churches. When the sparrows are half asleep the boys sip up and catch them. Usually the boys go together in a group.

One night Dr. de Ovies' mother wanted some sparrows and unable to find any of his companions, he went to the cemetery alone. Suddenly his feet shot out from under him and he found himself at the bottom of a deep hole. He realized that he had fallen into a newly dug hole. Terror filled his heart at being in a grave on a dark night. But even in his youth Dr. de Ovies was level-headed and reasoned that it couldn't be a grave until there was a corpse in it, and that now it was nothing but a plain hole in the ground. This cool reasoning comforted him slightly, but trying his best to get out, he found that he could get almost to the top where the loose dirt would crumble under his fingers and he would fall back in. He exercised all of his youthful strength, but just could not get out of the grave. Philosophically he decided to remain there, and sat down in a corner to meditate.

Presently along came a boy whistling. When he heard the whistling he knew the boy was alone, because otherwise he would not have been whistling. One only whistles to keep up one's courage under such circumstances. Recognized the boy by his whistle as a friend of his named Charlie. His first thought was to call out to him, but then he realized that a voice coming from the grave would immediately depopulate the cemetery. Therefore, he decided he would wait until his boy chum came near and then in a quiet voice would say, "Charlie, old boy, I am in a bad way. I am down here in this grave."

While he was deciding on this, all of a sudden there was a cry, a struggle, a sliding sound and he realized that Charlie, too, had fallen into the grave. It was so dark that Charlie could not see him.

Charlie made several futile efforts to clamber out, without success. The first boy could not resist the temptation, and in a deep sepulchral voice growled, "Can't you let a man enjoy his own grave in peace?" The response was electrifying. Charlie went out of that grave as if on wings. Never before had he exerted such power. Fear had done it. Terror gave him an energy which came from hidden and previously untapped sources.

Faith can do the same thing, only more so. People get down into many holes in this life, and the word "grave" is not inappropriate to them either, because it is death to all ambition, to all dreams and to all hoops. People, many times to all intents and purposes, fall into graves of their own digging. But fear will not get them out of that kind of a grave. Only Faith can lift them out. Every individual has in him the power to overcome every difficulty encountered. All that is needed is some great force to release power. Jesus Christ is the great force—the greatest force—to release that power.

Local Youth With Destroyer Squadron

New Orleans, April 2—Charles Maynard, Jr., seaman, USN, son of Mr. and Mrs. Charles B. Maynard, Route 2, Burlington, Ky., is among regular crew members of Destroyer Squadron 16 who today helped hang up some sort of record for training cruises ,when they docked here to complete the squadron's thirty-first trip to the Caribbean in 17 months.

Five ships of the squadron—the 2,200-ton destroyers Haynsworth, Sperry, Ault, English and Waldron —arrived at the Naval Station here after a two-week training cruise which included battle maneuvers in the Gulf of Mexico and Caribbean, firing practice off Guantanamo Bay Cuba and a two-day shore liberty at Tampa, Fla.

Aboard were approximately 600 Naval Reservists from 15 Midwestern and Southern states, on annual training tours of active duty. They brought the total of reservists who have made two-week cruises with the squadron to just under 8,000.

Destroyer Squadron 16, famed as the Sea Horse Squadron of the Pacific war, is based here to conduct reserve training cruises.

Rules of Temperance

Lesson for April 24, 1940

THERE IS REALLY something funny about it. Consider a First Church congregation singing: "Jesus, I my cross have taken, All to leave and follow thee; Destitute, despised, forsaken, Thou from hence my All shalt be." Oh, come, come, ladies and gentlemen! Your cross? Where is it? "All to leave"—? You are going right back to your homes for an extra-good Sunday dinner. "Destitute"—? (Some congregations, believe it or not, actually sing "naked, poor," instead of "destitute.") Not a one of you ever has been on relief; you probably have more money in the bank than most of the people who didn't come to church.

Dr. Foreman

• • •

Some People Cannot be Christians

IT MAY BE FUNNY to compare what the congregation is singing about themselves with what they really are. But it is sad, too, because that hymn illustrates how foggy-minded some Christians are about their own "cross."

They can sing blithely about it, and even complain (in song) about their own condition as something for the Salvation Army to look into, when they don't mean a word of it.

The fact is, Jesus did demand just the thing the hymn describes. He said, in so many words, "Whosoever doth not bear his cross and come after me cannot be my disciple."

• • •

What Did Jesus Mean?

THERE ARE TWO ways of misunderstanding Jesus here. One wrong line is taken by those who think Jesus did not mean a word he said. The other wrong line is taken by a very few people, a very few indeed, who take Jesus absolutely literally. They believe that no one can be a true, 100 per cent Christian, unless and until he gives up all his property, all his family, and lives alone and wild, a hermit in the wilderness. The facts show that both these interpretations are false. The world has never been really made better, either by selfish, comfort-loving, worldly Christians, or by the wild and woolly hermits who are clean "out of this world."

• • •

"Love Thyself Last"

THE WISEST, the most devoted Christians, have known better what Jesus meant. Jesus' own parable of the "rich fool" gives us the hint. He tells of a man who had everything he wanted . . . but when he came to die, discovered he had nothing. In that little story Jesus shows us a man who put himself before all other persons; who put himself before God; and who put things before character. He lived for his body, he lived for his comforts, he lived for himself.

The neighbors, maybe, called him smart because he was rich; but God called him a fool, and what God calls a man, that he is.

Taking the cross means living as Jesus lived, not as that fool lived.

• • •

Christians and Liquor Don't Mix

CONSIDER JUST ONE illustration of what Jesus means. Should a Christian drink alcoholic liquors? If you are not a Christian, you can try to answer this from non-Christian reasons; but that is not the question. Shall a Christian drink? Just think about this in the light of what Jesus said. The disciple of Christ will deny himself; does the drinker deny himself? The disciple of Christ will put Christ first always; but what does the drinker put first? Jesus called a man a fool who lived for his bodily pleasure, lived for himself; what would he call the man who thinks he can "take it or leave it" but who is actually tied to his bottles?

It is true, a selfish man may perhaps (for selfish reasons, such as saving money) deny himself liquor, tobacco, or even tea and coffee, and still be no Christian.

But a man who really denies himself, who loves himself last, will find that other self-denials follow as a matter of course. A man who lets his appetite dictate to him, especially his appetite for alcohol, is a man who is letting real self starve.

Conservation Conversation

By J. O. Agee

Row Crops

When we speak of row crops we instantly think of corn, tobacco, and vegetables. These of course are our cash crops, and without them Boone County farm income would be reduced by better than half. However, in the production of these crops we immediately set up one of the major causes of waste of our soil and at the same time take from our stored treasures in the form of food nutrients. Of course lose more of our soil, indirectly by plowing than any other way. This could be eliminated ninety percent if we would only plow land that is suitable for cropping, and even if we only plowed or cropped classes one, two and three land, certain restrictions must be followed and conservation practices applied. These conservation practices are so important that they will be taken up separately at a later date.

Assuming now that we will plow only the first three classes of land (slope varying from level to thirteen percent) we must think of future years and not of just what we will get from the field this year. We must figure out just how often a field can be cropped. Can we use a certain field annual for tobacco or corn or will we be doing less damage by using a four, six or eight year rotation? Experiments have have shown that in order to keep up fertility and texture of the soil we must use grasses. This has been offset by using cover crops in many cases. However, the best results have been on practically level land. Then if we are going to plow a certain field, why not plow with the lay of the land rather than down the fence row or the long way of the field? It has been proven time and again that it does not take as much time or gas to plow a field on the contour as it does incorrectly. The saving in soil and moisture pays big dividends.

As stated before soil conservation practices will be discussed later, so let's talk about our soil as if we have no erosion or leaching problems. Every time an ear of corn, a leaf of tobacco, a watermelon or a bean leaves the farm you are taking deposits or assets out of your farm bank that is entrusted in your hands.

In order that we can get down to the dollars and cents of the thing, let's make a few comparisons. We know fairly well the prices of commercial fertilizers and we know by looking at the tag on the fertilizer sack and it states that it is a 4-12-4 ration that we are getting four pounds of nitrogen, twelve pounds of phosphate, and eight pounds of potash. In other words we are getting twenty-four pounds of fertilizer when we buy a hundred pound bag, and this, by the way, is a fairly high analysis. Buy more of it.

Now let's look at two of our cash crops. We pride ourselves on high yields and rightly so for we do less harm and save time by harvesting a thousand bushels of corn from ten acres than we would by harvesting a thousand bushels from twenty or thirty acres. By chemical analysis it is figured there are approximately fifty pounds of nitrogen, eight pounds of phosphate, ten pounds of potassium and three-tenths pounds of calcium in fifty bushels of corn, or one and a half tons. In like manner one and a half tons of corn stover or fodder contains twenty-five pounds nitrogen, eleven pounds of phosphate, thirty-four pounds potassium and thirteeen and two-tenths pounds of calcium. Can we afford to rawe and burn our corn stalks or give them away to someone for shucking our corn? Again a thousand pounds of tobacco leaves has thirty-five pounds of nitrogen, three and a half pounds of phosphate, thirty-four pounds of potassium, and thirty-five pounds of calcium and six hundred pounds of tobacco stalks has eighteen pounds of nitrogen, two pounds of phosphate, twenty pounds of potassium and ten pounds of calcium. Can we afford to leave the tobacco stalks under the eave of the barn (this seems to be the easiest place to leave them) so they will leach out and be of little value, or even to try to fill up hollows with them?

Offhand one might think, if we know how many pounds of each element is required why not apply them. Very quickly that can be answered. You can't buy a manufactured product to produce a raw product of the same chemical making. Neither can we make a complete chemical analysis of our soil and determine just what spices are needed. Fortunately many soils have far more of the chemical elements necessary for good crop production for many years but fortunately again they are not available. One of the essential elements and also the most costly, can be developed and claimed on the farm. This element is nitrogen. Again be careful in handling manure, practically all the potash is left on the farm. Phosphate is one of the must elements in Boone County.

• • •

By careful observation it is doubtful if our soils are hurt to a large extent by the production of tobacco and vegetables. We are different from the pioneers. The pioneer to toobacco for two or three years, then cleared a new piece. The modern farmer puts most of his manure on his tobacco patch and adds most of the commercial fertilizer he purchases. In most cases he puts on more than he takes off unless there is too much loss from erosion and leaching. But how about corn? Can Boone County farmers or even Northern Kentucky farmers raise corn profitably? Possibly five percent might raise corn profitably, but even these might make more over a period of years by raising grass, not to sell as hay, but to feed to stock. Think this one over. If it were possible "would you rather have what you lose on your farm or what you make?"

RATHAWAY HOMEMAKERS

The Rathaway Homemakers held their second monthly meeting Wednesday, April 6, at the home of Mrs. Edna Butler. We conducted our business meeting in the morning and added two new members, Mrs. Lillian Hubbard and Mrs. Myrtle Marsh. We were very glad to have Mrs. Virgil Kelly with us in our meeting.

After the business session, we enjoyed a very nice lunch hour. After lunch we were instructed on wiring old vases and lamps for electricity. Those present were Mrs. Virgil Kelly, Mrs. Bessie Stephens, Mrs. Eunice Love, Mrs. Will Snyder, Mrs. Aline Stephens, Mrs. Alma Frances Smith, Mrs. Alberta Love, Mrs. Lillian Hubbard, Mrs. Myrtle Marsh and the hostess Mrs. Edna Butler.

Our next meeting will be held Wednesday, May 4 at the home of Mrs. Aline Stephens.

NOTICE TO ALL ASSOCIATED WOMEN OF BOONE COUNTY FARM BUREAU ORGANIZATION

Perhaps you are wondering who are the Associated Women of Farm Bureau! Every wife, mother or daughter of Farm Bureau members is an Associated Woman and this message is intended for each one of you.

The women are fixing and serving refreshments at our annual meeting on April 22 at 8:00 at the courthouse in Burlington, and I, as your chairman am asking you to help make this a big success. We are having an officer from the State office as our speaker, also the president of the Associated Women, Mrs. Albert Hatcher will be here. Ladies, this is the first real job the men have given us. So show them that we, too, know how to work, and help them have a successful meeting. Please come!

FREE— To our first purchaser of a Maytag Dutch Oven Range each week we will give you two 100 lb. tanks of gas —FREE

New tricks with *gas*... your favorite cooking fuel! And it's unexcelled by any modern gas range in conventional cooking methods.

Glorious cooking results which made colonial Dutch Ovens famous are yours... *automatically*... with Maytag's new gas range.

Just Arrived! The Sensational New

Maytag Dutch Oven Gas Range

It cooks *ON*... with the gas *OFF* *Automatically*

See It Today!

You can see *immediately* how handsome it is ... how well the new Maytag Dutch Oven Gas Range fits into your better-living plans.

And a closer look reveals how much work it will save you ... how much extra leisure you'll have when you let the automatic controls take over.

Come in and see it during this special showing!

Kitchen's cooler, cleaner! Retained heat is the secret of Maytag's heavily insulated Dutch Oven. Vents close automatically when gas goes off. Kitchen stays cool and free of cooking odors.

Cooks while you're away! Dutch Oven control dial automatically turns off gas, yet foods keep cooking by retained heat until deliciously done. (Safety patch small children can't reach controls.)

Full meal on one burner! The thrifty Dutch Cooker Well cooks an entire meal (including meat, vegetables and dessert) on one top burner. Also ideal for cooking fruits, cereals and puddings.

Wipes clean in a jiffy! Heat-focusing Spiral Flame burners and chrome grids lift out so burner bowls and range top can be wiped sparkling white with a damp cloth.

Yes, I'm talking about myself . . .

Since 1931, my average wage per hour has come down almost one-half. During the same period, my hours of work in the average home have doubled. So the average user of my services is getting about twice as much for his money now as in 1931.

Perhaps you haven't realized that my wages have come down that much. That's because you've been adding more and better lights and more appliances all along. Your monthly bill may have stayed about the same or even gone up some, but you're getting about twice as much for your money now, if yours is the average family.

And that's a real bargain any way you look at it.

Northern Kentucky Well Represented At State Meeting

Of Parents and Teachers Held in Louisville, April 20-27.

Northern Kentucky will be well represented at the State Convention of the Kentucky Congress of Parents and Teachers in Louisville, April 20-27. At least one representative of each of the 62 local units and the two councils in the district will attend as well as district officers and board members.

Miss Sara Rives, Supervisor of Intermediate Grades in Covington Public Schools, is chairman of the State Convention program.

Miss Helen May Young, R. N., Nurse of the Covington Public Schools, is to speak at the Tuesday morning session on "The Parents Responsibility for the Health of the Child." She will also have charge of the "Health Workshop" to be held before the morning session Tuesday.

Mr. J. H. Ross, of Covington, President of the Sixth District of Kentucky Congress of Parents and Teachers and president of the District Presidents' Club of Kentucky Congress will preside over the program to be given by the District Presidents at the Wednesday morning session.

Mrs. Oscar Rumchell of Silver Grove, past president of the District, is State Recording Secretary and Mrs. Grady Hodges, Publicity Chairman of the Sixth District of Kentucky, is a member of the State Convention Publicity Committee.

Convention headquarters will be the Brown Hotel where all sessions will be held except the opening one on Monday evening, and the Wednesday day sessions which will be held at the Warren Memorial Presbyterian Church.

"United We Stand for Youth," the convention theme, will be presented by Mrs. John Kirkner, State President, at the opening session.

The National Congress Representative to the State Convention will be Mrs. Charles A. Snyder of Omaha, Nebraska. "The Child Grows Where He is" is the topic of her address to be delivered at the opening session. She will also take part in "Parliamentary Procedure" which will be discussed at the Tuesday afternoon session. Mrs. Snyder is vice president from Region V and immediate Past President of the Nebraska Congress of Parents and Teachers. She has been active in P.-T. A. since 1930 when she became secretary of a local association. Later she served as local president, council treasurer, council president, state program chairman and state treasurer, before assuming the office of State President.

Dr. Bruce Underwood, State Health Commissioner, will speak at the Tuesday morning session.

Camille McGee Kelley, Judge of the Juvenile Court, Memphis, Tenn., will give the principal address at the closing session on Wednesday evening. Judge Kelley was the first woman south of the Mason and Dixon line to hold the position of Juvenile Court Judge, and the second in the nation. She has been elected seven times without opposition. Her court is known as the "Heart Center of Memphis." In January 1945, Judge Kelley instituted a Counsel Guidance Clinic in conjunction with her court in Memphis.

Weak Feet Affect Body

N. TULCH

Foot Comfort Specialist at—

PEOPLE'S SHOE STORE

814-816 Madison, Covington

When feet are permitted to pronate inwardly, the bony structure of the foot goes down, shutting off the nerve and blood supply in the bottom of the foot. When you cramp or choke the blood stream and slow up circulation, there is a lack of bone repair; chemical deposits or waste matter form at the joints. Next inflammation sets in at these joints causing pain. That inflammation is often mistaken for rheumatism, arthritis and many other ailments. Altho when you cramp the blood supply you shut off the food supply to the nerves.

When nerves are impoverished, muscle tone is impaired because sensory nerves indirectly control motor nerves which in turn control the muscles. When muscles in the feet have lost their tonicity due to impoverishment of the nerves feet are no longer subconsciously held in normal position.

Surgical shoes give support to the vital arches in the feet releasing cramped nerves and blood vessels to promote better circulation. Gradually as circulation improves, muscles grow strong and regain their tonicity.

With foot health improved the person feels better all over. Research has shown that no less than eighty-seven diseases are indirectly caused by bad feet.

Don't take chances with your health, happiness and peace of mind. With foot comfort you'll live longer and feel better.—Adv.

The yield of corn per acre in Knox county in 1948 was the highest on record, increase due to the use of hybrid seed being about 33 percent.

For the past three years, John Hendricks of Breckinridge county average 2,442 pounds of tobacco per acre on 2.4 acres, income per acre averaging $1,073.90.

J. Craig and Reuben Jones, quota $50, and final report $33.00; Hebron, Mrs. Wilbur Dennison, quota $300, and final report $159.95; Petersburg, Miss Allie Mae Watts, quota $100 and final report $65; Richwood, Mrs. Ernest Fogle, quota $100 and final report $103.10; Union Mrs. Herbert Anderson, quota $300, and final report $201.95; Verona, Mrs. Fred Hamilton, quota $200.00 and final report $170.00, and Walton, Mrs. D. L. Maddox, quota $500 and final report $434.60.

Sunday School Meeting Planned At Big Bone Church

Sunday Schools of Boone County Baptist Churches will meet at the Big Bone Baptist Church Monday night, May 2nd at 8:00. A very fine program is being arranged.

Rev. T. H. Shelton, Superintendent of Sunday Schools in North Bend Association will be the guest speaker. The men's chorus of Northern Kentucky will sing. This group of men was present at the last meeting at Verona and by request will appear on the program at Big Bone.

May 2nd will be the last meeting until September, so every church is asked to to attend in large numbers. Three hundred fifty-seven were present at the last meeting, and the goal for this meeting has been set at 400. This goal can be reached, and it is believed that it will be reached. Baptists of Boone County are urged to make this the greatest meeting yet.

Verona and Walton Chalk Up Victories In Opening Games

Bob & Gene Nine Suffer Defeat At Hands of Hudepohl Nine.

Verona and Walton chalked up their first victory of the season in the newly formed Kentucky Athletic Goods Semipro Baseball League Sunday, defeating Constance and Aetna Oil, respectively. Bob and Gene suffered defeat at the hands of the Hudepohl nine.

Three pitchers worked on the mound for Verona, allowing only three and four runs, while their teammates collected 11 runs from 12 hits from the offering of D. Deck on the hill for Constance. Those seeing mound duty for Verona were Stollings, six innings, Mumm, two innings and Ryan 1 inning.

Gulley and Reibling collected a circuit trip each, Gulley driving in four runs. Bauman had 3 for 4 and Hayes had 2 for 3. Constance collected four runs in the third inning when Peeno slammed out a home run with three on base The final score of the game was Verona 11, Constance 4.

Belleview chalked up an easy victory over Schoenling team by a score 12-6 at the Belleview park. Bill Lenhoff pitched eight innings for the winners allowing eight hits. Williamson pitched the final inning. Measner, McKinney and Dulaney served them up for the losers.

Walton rode roughshod over the Aetna Oil nine Sunday by a score of 17-7. Walton banged out 21 hits from the offerings of Aetna Oil pitchers. Petty was the starting pitcher for Aetna Oil but was forced to leave the game.

CANDIDATE FOR CO. ATTORNEY

John E. Crigler

John E. Crigler Seeks Office of County Attorney

Has Filled Unexpired Term of the Late Chas. W. Riley.

John E. Crigler, who for the last two years has filled the unexpired term of the late Charles W. Riley, officially announces his candidacy for re-election to the office of County Attorney in this week's issue subject to the action of the Democratic primary, Saturday, Aug. 6, 1949.

Mr. Crigler is well acquainted throughout Boone County, by reason of his having served as County Attorney for the last two years and as secretary for the Boone County Agricultural Conservation Association for over thirteen years previous to that time.

He has spent his entire life in Boone County and was educated in the Hebron High School and Chase Law School, Cincinnati, Ohio. He is a member of the Hebron Lodge F. & A. M. He is married and has three children.

In announcing his candidacy to the voters of Boone County Mr. Crigler makes the following statement: "I have served as County Attorney for a partial term during the last two years and I feel that this experience further qualifies me for the office, and if elected I hope to serve the people of Boone County even better than in the past. I earnestly solicit the support of all voters in Boone County and will appreciate your continued cooperation and help."

Richard D. Gardon

Funeral services for Richard D. Gordon, 73-year-old retired Boone County farmer will be held today (Thursday) at 11:00 a. m. at the Stith funeral home, Florence. Interment will be in Mt. Zion Cemetery, Grant County.

Mr. Gordon, a native of Grant County died Monday at St. Elizabeth Hospital after a brief illness. He had made his home with a son, Robert K. Gordon, state highway patrolman, 22 Main Street, Elsmere, for the past 14 years.

He was a member of the Verona Baptist Church and Junior O. U. A. M.

Besides his son he is survived by a brother, Brach Gordon, Grant County and three grandchildren.

Burlington Eagles To Hear C. Q. Smith At Basketball Banquet

C. Q. Smith, head football and basketball coach of Georgetown College, will be principal speaker at the Burlington High School's Eagles basketball banquet to be held at the school cafeteria Tuesday evening, May 3, it was announced by school officials this week.

A number of other county and northern Kentucky coaches and officials will attend the Eagle banquet. A very interesting program has been planned those in charge stated.

The banquet dinner will be served by members of the Burlington school home economics club under the supervision of Miss Frances Horlacher, club sponsor at 7:30 p. m.

Fans desiring tickets to the banquet honor the Eagles may obtain them at the Burlington Grill, McBee's Service Station or at the school. (Get a ticket, come out and show the boys your appreciation for their splendid record the past season. The Eagles had a season record of twenty wins against four losses, they won the Boone County News blind tourney and were co-winners of the Boone County Conference).

Nonagenarian Answers Summons Thursday Morning

Funeral Services Held Saturday At Florence; Burial at Bullittsburg.

Mrs. Ida Baisly, 91, well known Burlington lady died Thursday at her home, after an extended illness.

She was a lifelong resident of Boone County and was well known throughout this section.

She is survived by a foster son, Dr. S. B. Nunnelley, and a cousin Dr. Lewis Crisler.

Funeral services were held at 2 p. m. Saturday at the Chambers & Grubbs funeral home, Florence. Burial was in Bullittsburg Cemetery. Rev. R. H. Carter, a lifelong acquaintance officiated at the services.

The following paragraphs were written by Robert Brown, a close friend of Mrs. Baisly:

"For God so loved the world that He gave His only begotten Son, that whosoever believeth on Him should not perish but have everlasting life. Anyone who departs from this life with their trust in Jesus Christ has the assurance of spending eternity with Him in the majestic glories of heaven.

"Mrs. Baisly and I became close friends more than a year ago and I am confident as I look now upon her lifeless earthly body that in that day beyond the days of this life I will again renew that close friendship which has been precious to me as I, a young man found an understanding friend in one who was so far along in years. She died with her faith in an Almighty saving God. Her's was not a deathbed confession, for I have never entered her room that she did not express her trust in the Lord. I prayed in her presence, by her bedside and always she was a trusting soul in the mercy of our loving God. When she became ill she reassured me several times of her faith in God and her expectations of the future life.

"Last Sunday she called for me to come to her bedside, which I did. Upon entering the room she told me that she realized that she wasn't going to live long, but she wanted me to comfort her in her last hours. We discussed several things of common interest after which I asked her if everything was alright between her and God. She answered in a clear voice, 'Yes everything is alright with me and God.' After which she quoted Romans 8:28, 'All things work together for good to them that love God.' She attempted to quote and did say parts of the 23rd Psalm and I then went through the great Psalm and she said it with me. 'Now Bobby everything is alright now—I'm ready to go,' she replied. I began to pray and as I prayed she clasped by hands tightly. As I concluded my prayer she again said, 'I'm ready to go,' then closed her eyes and I observed a look of peace which I hadn't seen on her suffering face for days. She died with her hands in the nail-scarred hands of Jesus and her trust in the living God. He that believeth on the Son hath everlasting life, John 3.36. She found comfort in the scriptures and prayer, that is where we, in these days of sorrow must now seek comfort.—Bob Brown."

June 7th Last Day To Register For August Primary

Approximately Five Hundred County Vaters Not Registered.

Approximately five hundred voters in Boone County are ineligible to vote in the August primary, due to improper registration or failing to register changes in precincts, etc., according to C. D. Benson, County Court Clerk.

June 7th is the closing date for registration, and all voters are urged to see the County Clerk before this date, making proper changes in their registration.

Persons required to register are those reaching 21 years of age prior to November 2, 1949, those moving from one precinct to another, or those who have moved into the county and have failed to register.

Persons desiring to change party affiliation must also change registration prior to June 7th, in order to participate in the August primary.

Mrs. William Townsend and son Billy, of Falmouth, spent the weekend with her parents, Mr. and Mrs. A. B. Renaker.

Ten Baseball Teams Open Season In Saturday League

League Constitution Adopted At Meeting Monday Evening.

Boone County Saturday Afternoon League baseball fans will hear the "batters up" cry at 2:30 o'clock Saturday, April 30, at five league parks when the following opening day schedule of the ten-team league begins activities.

Florence at Hebron
Big Bone at Petersburg
Burlington at Union
Pleasant Haven at Verona
Constance at Belleview.

According to advance notices all ten teams stack up strong amateur ball clubs and according to team managers it appears a wide open race.

At a meeting of league officials last Monday evening the league constitution was adopted and final league rules and regulations were decided upon.

League officials are: Robert Eads, president; Edward Rogers, vice president; Ralph Maurer, secretary; Sam Ryle, treasurer; C. D. Benson, chairman of protest board and Les Ryle, Frank Sayers and Hubert White, league directors.

Team managers are: Hebron, Myron Garnett; Florence, Roy Brooks; Pleasant Haven, Virgil Judge; Union, Robert Moore; Constance, Red Layne; Big Bone, Dale Williamson; Petersburg, Eddie Deck; Belleview, Eddie Rogers and Burlington, Sam Ryle.

Notice to Managers

All team managers are notified to send player contracts into the secretary's office before opening day. Players whose contracts are not in the hands of the secretary before Saturday's opening game are not eligible for participation, league officials stated.

Sand Run Team Enters League

At a meeting of the Boone County Saturday Afternoon League Monday evening of this week it was officially decided to accept the Sand Run team, under the leadership of George Stahl, into the league to replace the Verona team which withdrew. Sand Run will fill the schedule of the Verona team, it was announced.

Also it was announced that the game between Florence and Hebron scheduled for this week will be played at Florence instead of at Hebron as the above schedule indicates.

Red Layne, manager of the Constance club, stated that all Constance home games will be played at the Petersburg park.

The league's next meeting will be Monday evening, May 2, at Burlington.

Last Appeal Made In Boone County Cancer Campaign

Chairman Stresses Importance of Giving To Fight This Disease.

A continued, concerted effort of science and society can defeat cancer. Each year the American Cancer Society must have increased support from those whose lives are threatened. Anyone can have cancer—everyone can do something about it. Your dollars given in 1949 will help save lives in 1950.

As the month of April draws to a close, so does the Cancer Fund Campaign in Boone County come to an end. Your County chairman again stresses the importance of your giving to fight this dreadful disease. Kentucky is at the top in the fight against cancer. Your dollars will help to keep us in this position.

Below is the list of chairmen or volunteer workers in various localities that you may contact. If they missed you—don't hesitate to call the chairman nearest you or send your contribution to them. Do your share to raise the $1,500.00 quota for Boone County: Burlington, Mrs. Noel Walton; Bullittsville, Mrs. S. B. Nunnelley; Beaver, Mrs. Jake Cleek; Constance, Mrs. Henry Kottmyer; Grant, Mrs. W. B. Rogers; Florence, Mrs. Wm. E. Davis or Mrs. Luther Bach; Hebron, Mrs. Bessie Acra or Mrs. John Conner; Hamilton, Mrs. Howard McCubbin; Union, Mrs. Eve Grater; Richwood, Mrs. Preston Woods; Petersburg, Mrs. Dorothy Christy; Verona, Mrs. Clayton L. Renaker or Mrs. Mildred K. Taylor; Walton, Mrs. Clayton Jones. For the negro division please contact Mrs. Anna Pearl Ross, Walton.

Austin Scroggin Tosses Hat In Ring For Jailer

Served Two Years As Deputy and Two Years By Appointment.

Austin Scroggin, Burlington, officially announces his candidacy for Jailer of Boone County in this issue of The Recorder, subject to action of the Democratic primary, Saturday, August 6, 1949.

Mr. Scroggins, a native, of Grant County moved to this county 12 years ago, and was actively engaged in farming until four years ago, when he accepted the position of deputy jailer under Joe Huey, which position he filled until Mr. Huey's death in November 1947. He was appointed by the Boone County Court to fill out the unexpired term, serving four years in all.

In making his formal bow to the voters of Boone County Mr. Scroggins issues the following statement:

"During the past four years I have gained considerable knowledge in the office I am seeking, and if elected believe that I will be better qualified to serve the people of Boone County, due to this experience.

"It will be impossible to see all the voters of the County due to my position as jailer, having no deputy. However, I will make an honest effort to see all the voters, and should I fail to see anyone, I wish to state that it will be unintentional and that I sincerely solicit your support in my campaign for Jailer of Boone County."

William Bishop

Services for William Bishop, 10, son of Mr. and Mrs. Fred Bishop, former residents of Erlanger, were held at 3 p. m. Wednesday at the Tallaferro funeral home, Erlanger. Rev. W. H. Lodwick, pastor of Elsmere Baptist Church officiated. Burial was in Highland cemetery.

The youth was reported killed when struck by an auto at his home in Harriman, Tenn., Sunday.

Wheat Acreage Allotments May Be Necessary

According To ACA Committee; Cooperation Of Farmers Requested.

Because of some recent changes in the farm program it may be necessary to establish wheat acreage allotments for the next year. The Boone County A. C. A. Committee has been given the task of securing the information necessary for establishing these allotments. The committee requests the cooperation of Boone County farmers in order that this information may be secured as promptly and accurately as possible.

A worksheet is being sent to all farmers of the county. All farmers who have planted wheat in the fall of 1948, 1947 or 1946, should fill out this worksheet as accurately as possible and bring it to the A. C. office at Burlington. Farmers are requested to mail these forms in, only if it is impossible for them to come to the office.

It will be necessary for these forms to be completed for farms that plant wheat only as a cover or green manure crop even though no grain is harvested.

This program is for the farmers' benefit and for the success of the farm program and their cooperation is necessary in order that it may be carried out effectively.

4-H Spring Rally Announced For Saturday, May 14

Delegates To 4-H Week Will Be Selected At Rally.

The annual 4-H Spring Rally will be held at the Burlington school from 10:00 a. m. to 3:00 p. m. Saturday, May 14th, according to Bill Davis, County Agent.

The Spring Rally is an annual get-together of all 4-H leaders, 4-H club members and their parents. Four-H delegates to 4-H week at the University of Kentucky will be selected at Rally Day.

Contests for the girls will include the style revue, open to all girls who have 4-H clothing to model; canning judging, clothing judging and individual demonstrations. All contestants will be dividend in two age groups, 13 years old and over, and under 13 years.

Contests for boys will include poultry judging, dairy judging, seed identification and team and individual demonstrations. All contestants will be divided in two age groups, 13 years old and over, and under 13 years old.

Winners of the boys' and girls' contests, who are 13 years old or older, will attend 4-H week at Lexington June 7-11. All expenses of the trip will be paid for the delegates.

Each club member is asked to bring a basket lunch; leaders will bring sweetened fruit juices.

Each club member, parent and leader who attends will win 50 points for their respective club, 100 points will be won by each club member who enters a contest. The points will be figured in the year's total for each club and the club with the highest total per club member will win the Bankers' award that is presented each spring by the Boone County Bankers' Association.

Miss Lulie Logan and Miss Dorothy Gentry, field agent from the University will assist with the girls' contests, and Mr. Estill Noffsinger, County Agent of Gallatin County, will assist with the boys' contest.

Boone County Road Contract To Be Let May 13

Bids will be received by the Department of Highways May 13 on relocation of alignment near Constance, a distance of 0.054 mile. The job will require grade, drain and traffic bound surface, according to a release by Kentucky Department of Highways.

At the same time the state will receive bids covering 126 projects, including nine federal aid, 84 state, and 23 to be financed from the new rural road fund.

Firemen Follies Expected To Attract Large Crowd Friday

Final Arrangements Have Been Completed; Lawrence Aylor Director.

Tickets are going fast, and the time is getting short. If you miss the Florence Firemen Follies, you will have missed the best fun revue of them all.

Friday evening at 8:00 p. m. is the time—the date is April 29 at Florence High School auditorium. All your neighbors and friends are going, come along won't you. Everyone is pulling together to fill the auditorium to its capacity. By patronizing the show, you will not only have the time of your life, but will be aiding the Fire Hall and Community Center Fund. Florence will soon have the finest building in this section, and you can proudly say, "I have helped to make it so."

Final arrangements have been completed under the direction of Mrs. Louella Houston, president of the Auxiliary, working in close harmony with the director, Lawrence L. Aylor producer and director of the revue.

Variety is the theme of the revue plus music, dancing, acrobatics, drama and instrumental music of the finest type. It's the surprise show of the year.

A special vote of thanks goes to Miss Zelda Barre' of the Kentucky School of Theater Arts, Covington for sending eight of her finest feature acts. Many local artists will be featured. You have seen them before and they are returning by popular request, to sing and play the music you have asked for. Give them your wholehearted support.

Mr and Mrs James Rogers had as guests recently, Mr and Mrs James Hall and son, of Addyston, O. Kenneth Brett of Scott Manor.

Johnny Martin, of Erlanger and a friend of the former at the U. of C., Cincinnati, have concluded a pleasant vacation of two weeks in Florida.

Miss Stella Carpenter motored out from Covington Saturday and was a guest of her sister Mable and brothers.

Fred and Mrs W. B. Davis, of Dixie Highway, passed to visit his mother at Lathrange enroute home from the KBA convention at Louisville.

The teachers of this vicinity attended the 77th annual Kentucky Education Association Convention at Memorial Auditorium, Louisville, Thursday and Friday. A very enjoyable feature of the session was a concert on Thursday evening by the All-State Orchestra conducted by Orien Dalley. The convention closed Friday night with an address by Vice President Alben W. Barkley in which he predicted that Congress would soon pass legislation for federal aid to education to equalize opportunities for youth in all states.

Mrs. Eldridge Carpenter and daughter, Mrs. R. O. Royer were calling on relatives Saturday, including Mr. and Mrs. Wm. Ruth, Mrs. Francis Dixon, Mrs. Earl Carpenter and Mrs. Theodore Carpenter.

R. O. Stephenson was transacting business in Irvine, on Monday.

Earl Carpenter and family are now occupying the property they recently purchased of Mr. Bradley formerly the Dickey farm just off Dixie Highway at Kensington.

Mr. and Mrs. Hobe Roberts entertained with a fried chicken dinner Sunday evening honoring their son Tommy Wayne on his 8th birthday. The occasion was also in celebration of the 15th wedding anniversary of Mr. and Mrs. Sterling Rouse. A special feature was a cake decorated with candles. Guests were Mr. and Mrs. Sterling Rouse, Harold Tanner, Tommy Wayne and Terry Roberts and the host and hostess. We join in wishing the celebrants many happy returns of the day.

Charles Bradford is driving a new Oldsmobile car.

Guests of Mr and Mrs Sterling Rouse Sunday were Mr and Mrs. Marvin Tanner and Miss Lelia Tanner and boy friend of Erlanger and Mrs. W. A. Fox and son.

Leslie Stephenson was guest of his parents, Mr and Mrs. J. T. Stephenson, Tuesday.

A group of relatives surprised Mrs J. L. Jones at her home the past week with a dinner in honor of her 87th birthday. The community joins in extending best wishes.

Mr and Mrs. Wallace Ayler (nee Loretta Pendry) are receiving congratulations over the arrival of an 8 pound 3½ oz. baby girl, born Sunday morning, April 24th at St. Elisabeth Hospital. Mother and baby are doing fine. The new arrival has been named Reta Mae.

Mrs. J. L. Jones, of Dorotha Ave., Florence celebrated her 87th birthday Wednesday, April 20th. Her children helped her enjoy the happy occasion.

Registered Jersey Purchased For Florence Farm

R. D. Edwards, of Florence, Ky., has purchased the registered Jersey female County Colonial Rose. The animal comes from the herd owned by Robert Yeuell, Ludlow, Ky., R. 3.

The purchase adds to the steadily growing number in this area. Dairymen buy Jerseys because of the high quality of the milk they produce.

Purebred Jerseys are registered by The American Jersey Cattle Club which has its national headquarters in Columbus, O. Several programs are available through The American Jersey Cattle Club to help breeders get the most profit from their Jerseys.

Junior Red Cross Sponsor Contest

The Boone County Chapter of the Junior American Red Cross is sponsoring a contest for Sophomores and Juniors in the Boone County schools.

Essays of 250 words and not more than 300 words on the subject "What Junior Red Cross Means To Boone County," will be judged by Mrs. Alice Treleaven, executive director Kenton County Chapter and Mrs. Zechford Bond, Jr., Red Cross chairman Kenton County. The winner will be given an all-expense trip to the National Convention of the American Red Cross to be held in Atlantic City June 25 to 30th.

This is a grand opportunity for students in our schools and well worth their time. Teacher-sponsors are: Burlington, Mrs. Mary Belle Porter; Florence, Miss Clara Watts; Hebron, Mrs. Hannah Rodamer; New Haven, Mrs. June Moore, and Walton, Mr. Baker.

Dean Bloss is Junior Red Cross chairman in Boone County.

Dairy Spring Pasture

A successful dairy enterprise is built around an adequate, efficient, and well balanced forage program. Pasture is the cheapest and best roughage; it can supply over half of the annual feed for dairy cattle and costs only about one-third as much as other feeds, according to Bill Davis, County Agent.

By spring, many cows and heifers in Kentucky are thin and run down from lack of feed and deficiency of vitamin A. Some of these cows may have failed to conceive or may have gone long periods without coming in heat. With the coming of spring grass these conditions may be corrected.

Close grazing of bluegrass in the cool periods of early spring weakens the grass and inhibits later growth. It is best to keep cows off permanent pasture in the spring until the grass is at least four inches high.

Early flush pasture may contain 80-85% water and for this reason a high producing cow cannot eat enough of it to provide all the nutrients needed for heavy production. Hay and grain feeding should be continued for 2-3 weeks after the cows are turned on spring pasture. This practice will also help prevent bloat and grass tetany. Grass tetany is a highly fatal disease of cows occurring principally in the spring during the first two weeks after animals are turned to luxuriant pasture, especially that which has been fertilized. The initial symptoms are nervousness, lack of appetite, unsteady gait, rolling of eyes, twitching of the muscles, and frothing at the mouth. Within 24 hours there may be inability to rise, general spasms and convulsions, and later coma followed by death. Prompt treatment by a veterinarian is usually successful.

Grain feeding, of course, should be continued for cows producing more than three gallons of milk a day.

It is a good practice to place a box of free salt and steamed bone meal where the cows may have ready access to it.

Calves should not be turned out to pasture until they are at least 4 months old. Calves and heifers on pasture will usually do better if they are given some hay and grain until they are one year old.

O. E. S. SPONSOR PARTY

O. E. S. members are invited by the Ways and Means committee of Evadell Chapter to a Tacky Party Saturday, April 30th at 8:00 p. m. at the Masonic Hall, Hebron, Ky. Dress tacky or be taxed.

Cad Berkshire and Warren Flick have been quite ill the past week.

Miss Lucinda Burcham was the week-end guest of Mr. and Mrs. Bud Scheben and family, of Erlanger.

Garden Tips

Insects will be a major problem to the home gardeners with the coming of warm weather. DDT, while not a cure-all for garden insects, is excellent for the control of some of these pests, according to Bill Davis, County Agent.

DDT dusting or spraying of potatoes should begin immediately and continue at ten-day intervals to control fleabeetles and Colorado beetles. New set tomatoes and sweet potato slips should also be dusted or sprayed with DDT to keep fleabeetles in check.

The striped cucumber beetle is certain death to cucumbers, squash, cantaloupes and watermelons. A 3% DDT dust is the best control measure. Five dustings are needed as follows: (1) When the seedlings crack the ground; (2) three days later; (3), (4) and (5) at five-day intervals. It is important to get the dust down in the soil cracks.

The Mexican bean beetle can be controlled with rotenone either ¾% or 1 percent strength.

Some good varieties of vegetables for home gardens are: Tendergreen, Tenderpod and Logan beans; Golden Bantam Corn; U. S. No. 5, Hale's Bestt, Tip Top and Benders Surprise cantaloupes.

Straight 8-slicer cucumbers, Chicago Pickling pickles, Golden Summer Straightneck, Scallop Bush and Acorn squash; Cos Trianon summer lettuce, and New Zealand summer spinach.

Crops Look Yellow?

If so, they probably are starving for nitrogen, the plant-food element that produces lush, dark green plants.

In the atmosphere over every acre of land there are 35,000 tons of nitrogen in the form of gas. But plants can't use it as gas. It must be converted into a chemical compound which they can absorb through their roots.

Legumes (the clovers, alfalfa, leapedeza, etc.) are a family of plants that can efficiently convert this nitrogen gas into a usable form. Good farming requires that at least one legume crop be grown in every rotation.

Don't waste money by sowing expensive legume seed on lime-needy land. The first step is to apply the required amount of limestone. We will be pleased to serve you.

250 Attend Annual Farm Bureau Session Held Friday Night

One of Most Successful Meetings Ever Held By Organization.

One of the most successful meetings the Boone County Farm Bureau ever held took place in Burlington on last Friday night. There were about 250 persons present, including several distinguished guests.

Counties represented at the meeting included Campbell, Gallatin, Carroll. Each organization was represented by its president and six or eight members, comprising a splendid group of visitors.

After the welcoming of the guests by Lassing Huey, president, the secretary gave his report. Mr. Crigler reported 458 members to day and urged members to continue their efforts in securing new members, to attain the goal of 500 for '49. Boone County has 56 Blue Cross Hospitalization and well over 300 auto policy holders.

Mr. St. Clair brought a splendid down-to-earth talk on Farm Bureau. He stated that our membership fee should not be considered dues or a luxury, but should be considered a sound investment, a privilege that should be enjoyed by every farmer. Anyone failing to hear Mr. St. Clair missed a great opportunity to hear a fine speaker.

Some of the folks present, especially the children, were disappointed when it was announced that the magician's car had broken down and he would be unable to get here. Their spirits were lifted, however, when the young people of the Farm Bureau (all Utopia members) appeared on the program. Bob McCrann entered dressed in female attire, playing his accordian in his usual fine manner. Mrs. Cordie Taylor imitating Cass Daley sang "A Good Man's Hard to Find," then who should appear but the celebrated Andrew sisters, played by Grant Maddox, Bill Griffith and John Taylor, who sang, "I Didn't Know the Gun Was Loaded." Group singing followed accompanied by Bob McCrann. The Farm Bureau thanks these young people and their leader Mildred Taylor for their efforts put forth in this hilarious entertainment.

It was indeed gratifying to the Associated Women of Boone County to hear so many fine compliments on the beautiful flowers and the nice refreshments. The women were glad to be of service to the Farm Bureau and their guests. All in all the meeting was very successful, those who were absent missed something.

REA Manager Urges Supporters To Write Local Congressmen

Concerning Rural Phone Co-Ops Under REA Program.

"If you want you and your neighbors to have a telephone sometime in the future, write your congressman and urge him to support the Poage Bill," is the advice given rural people by J. K. Smith, executive manager of the statewide REA office in Louisville.

This statement was prompted by the fact that the bill which would set up rural telephone co-ops under the REA program, is "bogging down" for lack of "grass-roots" support.

"The people can pass any legislation they want, if they express themselves, but no congressman can read the minds of his constituents—they must tell him what they want him to do," Smith said.

The Poage Bill, he explained, has been misunderstood by many people. "It will not force an REA electric co-op to turn itself into a telephone co-op. In fact, independent and mutual telephone companies, rather than electric co-ops, will be given first preference on the money which the bill is to make available."

Smith quoted figures from a recent survey conducted by the Statewide REA newspaper, the Kentucky Electric Co-op News. The poll showed that something less than 15 percent of the rural people in Kentucky have phones, but that a good three-fourths of those who do not have a phone, want one.

"From 1920 to 1940, the total number of rural phones in the U. S. dropped from 2½ million to 1½ million, because the small, local companies were bought out by the larger companies, which promptly stopped serving the thinly-populated sections. The proposed telephone co-ops would restore the idea of 'area coverage'—which means that everyone in a given area who wants service will get it, as is the case with electric co-ops," Smith said.

He pointed out that people in this district who favor the Poage Bill can either write their own congressman, Representative Brent Spence, or the author of the bill, Rep. Robert Poage, and that only address needed is "Washington, D. C."

County Students Do Well In Regional Festival Last Week

Mary R. (Bing) Prosser won a "superior" rating for alto saxophone solo at the Regional Music Festival held last week at Holmes High School. She was accompanied by Mrs. Ralph Maurer. This entitles her to compete at the state festival next month.

John Ed Carver of Hebron and Beverly Markesbery of Florence received "excellent" rating in piano and voice respectively.

Burlington's Glee Clubs under the direction of Edwin Walton and the Florence Glee Club under the direction of Dean Bloss received excellent ratings. Accompanist for Burlington was Miss Welch and Miss Carolyn Rouse was accompanist for Florence.

Mrs. Mollie Day Bonar

Funeral services for Mrs. Mollie Day Bonar, who died Sunday at her home near Walton were held Thursday at 2:30 p. m. at the Walton Baptist Church, with Rev. Burton Garrett officiating. Burial was in Walton Cemetery.

Funeral services were held at 2:00 p. m. Thursday at the Sand Run Baptist Church, with burial in the church cemetery.

The Catherman funeral home, Ludlow, was in charge of arrangements.

Florence Seniors Will Present Comedy May 6

The Florence senior class will present "For Pete's Sake," a 3-act comedy Friday, May 6th at 8 p. m. in the school auditorium.

You will get many laughs at Peter the handsome, jolly, young collegian, who is always in hot water because of the lies he tells. The director is Miss Clara Watts.

Watch for more details in this paper next week.

Mrs. Nan Kloak

Mrs. Nan Kloak, native of Boone County passed away at the home of her daughter in Cincinnati, after an extended illness. She was 80 years old.

Mrs. Kloak was born in Constance, Ky., but spent most of her early girlshood in the Petersburg neighborhood. She was known as Nannie Ruth.

Besides her daughter she is survived by two brothers, Chas. Ruth, Petersburg and Leonard Ruth, of Lawrenceburg, Ind.; a sister Mrs. Hoffman of Cincinnati.

Funeral services were held in Cincinnati, with burial in Vine St. Hill, Cemetery, Cincinnati.

BULLITTSVILLE HOMEMAKERS

The Bullittsville Homemakers met at the home of Mrs. James Stevens, April 14. Report of treasurer showed that $113.20 was made at Mrs. Nelson sale. Mrs. Earl Southerly gave the lesson on recovering old lamps. The club will meet at her home May 11th.

BELLEVIEW

Deepest sympathy is extended to Mrs. Mary Huey in the loss of her brother.

Rev. and Mrs. Toney Conley and daughters and Misses Genetta and Charlotte Asheraft were Sunday dinner guests of Mr. and Mrs. Allan Rogers and daughter.

Mr. and Mrs. Paris Kelly and family entertained guests, Sunday.

EAST BEND W. M. U.

The East Bend W. M. U. met at the home of Mrs. Mary Cunningham, April 14. At the noon hour a lovely meal was served.

The meeting was called to order by our president, Mrs. Sally Scott. There were eleven members present. We were glad to welcome two new members, Mrs. Bessie Ashcraft and Mrs. Bettie John Allen.

The meeting in May will be at the home of Mrs. Carrie Ogden.

The theme of our program was "Christ in the Rural Communities."

We were dismissed in prayer by Mrs. Mary Cunningham.

—Publicity Chairman.

Hill Top

Easter Sunday five new members were united with the Constance Christian Church. They were Mrs. Richard Kreimyer by statement; Miss Janet Detwick, of Ft. Pleasant by confession; Mr. and Mrs. Herbert Heisel and Benny Turner, by confession.

Mr. and Mrs. Elmo Jergens and daughters, Mrs. W. D. Carter and Mrs. A. D. Kissick were among the large crowd Saturday evening at the wedding reception given in honor of Mr. and Mrs. Bob Kite (nee Wyona Reeves) at the Brethren Church, Constance. They received many beautiful and useful gifts. Congratulations!

After several weeks' illness at the home of her daughter, Mr. and Mrs. Everett Hayes, Mrs. Ray Rolfs has recuperated enough to return to her home at Hebron.

Mrs Charles Moore, Sr., called on Miss Ina House and Mrs. Isabelle Huffnagel of Limaburg, Saturday afternoon.

Henry Vahising, of Riverside, visited his nephew, Mr. and Mrs. Herbert Heisel, Saturday afternoon.

Mrs. Truman Lucas is spending several days with her little granddaughter, Nancy Lynn, who arrived at the home of her proud parents, Mr and Mrd. John Dewey Riddle of Crescent Springs April 1, weighing 8 pounds 10½ ounces.

Mr. and Mrs. Elmer Reeves, of Constance called on her mother, Mrs. Mary Hays, Sunday.

Mrs Minnie Daleid remains quite ill. Others who have been on the sick list were Roscoe Newland and the little daughter of Mr. and Mrs. Norman Hornstrell.

Miss Joe Ann Rogers is the proud owner of a Baby Grand piano.

Mr. and Mrs. Robert Moore and children of Bromley spent Sunday with his parents, Mr. and Mrs. Charles Moore, Sr.

Verona

The seniors of Walton Verona High school took their senior trip last week-end. They went on the "Cherry Blossom Special" from Northern Kentucky. The seniors from Verona this year are Mildred Porter, Iona Patton, Ralph Adams, Jim Cole, Jessie Lunsford, Thomas Leathers and Marion Arch Waller. They were accompanied on their trip by their class sponsor, Mrs. John Meador.

The W. M. S. of New Bethel Church met at church last Wednesday, April 20th to study the book "To Whom Much is Given" by Thomas. The book was taught by six members. There were 18 members present and all realized from the study hour very much we owe our Lord and how we fail to give what we owe Him. Those in attendance were Mesdames Rose Hamilton, Alice Chapman, Ura Roberts, Lizzie Neal, Pearl Lassa, Blanche Ransom, Grace Benaker, Susie Clore, Arcilla Hayden, Mattie Orr, America Blandivant, Lillian Stephenson, Geraldine Harris, Gertrude Brewster, Allie Chandler and Pattie Waller.

Ronnie and Jim Kannady spent a few days last week with their grandparents, Mr. and Mrs. J. C. Kannady and Son.

Uncle Ernest Forster returns to St. Elizabeth Hospital this week to prepare for his second operation.

Marion Wells and family have moved back to their farm south of Verona.

Mrs. Louella Watson remains in a critical condition at her home just off Route 18.

Chandler and Hayden are having their store painted.

Mrs. Lizzie Neal spent from Sunday until Tuesday at the W. B. Waller home.

Conservation Conversation

By J. C. Acree

Make the water walk. Experiments and common sense tell us that the faster water runs off a piece of ground the more soil will be moved. The steepness of slope increases momentum as well as the length of the slope. Walking water or slow moving water is the objective then if we are to bring soil erosion to a minimum. Most all farmers will agree that forests retards water runoff to a minimum and a good thick sod a close second. But we can't have all our land in woodland and sod although there are thousands of acres in Boone County that would net our farmers more actual cash if they were in woods and sod than row crops.

Most of our erosion is in the form of sheet erosion on sloping land. When we see gullies in a field the most severe erosion has already taken place. This year has been a land destroyer in Boone County, due largely to the large corn crop and being unable to seed cover crops. One of the simplest methods of checking this erosion wash on crop land is of course contour planting, but we need in many cases a more severe method of making the water walk. That is the prime reason that terraces and diversion ditches are often recommended.

Terraces are constructed on land that has a slope of one to 12 percent, while diversion ditches are built farther down the hill with the slope sometimes as high as 30 percent. Terraces are wider and are constructed usually with a fall of four to six tenths of a foot to the 100 linear feet of terrace. The aim, remember, is to make the water walk. There is enough slope in the terrace to walk the water around the hill with a large portion of the water soaking into the ground.

Diversion ditches due to the slope must have a narrower channel and for this reason walking water must double time in order to get around the slope and out of the way so the structure will not run over the average grade on diversions is 1½ feet to the 100 linear feet. These forms of mechanical erosion control are often unpopular with farmers until they have actually put them in and have seen the value of them. It is true that if you have diversions and terraces built on your farm you will have to crop correctly because an abused terrace can cause you considerable harm.

One only needs to travel awhile in Grant County to see how popular their mechanical structures are becoming. The Grant County Soil Conservation District has two terracing outfits at work now and can't near meet the demand. The Boone County District supervisors have purchased equipment to start to work again in Boone County. Mr. Smith will take over this equipment April 15, and will operate it for terrace and diversion construction, and this summer pasture mowing will be pushed. All layout work will be done by the Soil Conservation Service.

Thomas Slayback has a request for a mile and a half terrace and diversion construction. After the winter rain, Tom has experienced severe erosion on his silage corn field and even in the field sowed to meadow last fall. Chas Patrick near Hebron is building terraces on what appeared to be a meadow, but close observation shows only wild grass due to sheet erosion. A large bottom will also be protected from seepage water as well as runoff water. Many other requests are on file in the local Soil Conservation office.

Recently the soil conservation service personnel helped lay out contour guide lines on the Ware farm near Bullitsville. Several thousand feet of terraces have been built on this farm and the land is plowed and cropped on the contour. Cash Sullivan has been on this farm several years and he says that the farm looks four hundred percent better than it did when he first came there. Phosphate and lime is applied as soil tests indicate and a fine job has been carried out according to the plan made four years ago by the Soil Conservation Service. Let's double time to make the water walk.

More than 1,400 cows were bred artificially in Fleming county during the past two years.

Bullittsburg Church Threatened By Fire Saturday Night

Two Outbuildings Leveled In Blaze; Volunteer Firemen Battle Blaze.

Bullittsburg Baptist Church, off State Route 20, near Idlewild was threatened by fire Saturday night when two outbuildings in the rear of the church was destroyed. The church is 156 years old.

The Hebron Volunteer Fire Department led by Chief Earl Aylor prevented the blaze from causing heavy damage to the main structure, although both outbuildings were leveled.

The Burlington Volunteer Fire Department answered a summons for assistance, but were unable to reach the scene, due to the road being blocked by autos parked on the highway by sightseers.

It is believed by chiefs of both the Burlington and Hebron Fire Departments that the fire started in an outbuilding, spreading to a shed which house some of the personal effects of the pastor. Loss was estimated at $1000.

Damage was reported as slight to the main structure. Origin of the blaze was not determined.

Nicholas T. Welsh

Nicholas T. Welsh, retired lineman for the Western Union Telegraph Co., died Monday at his home in Walton. He was 78 years old.

Mr. Welsh leaves his widow, Mrs. Kathryn Bolington Welsh; a daughter, Miss Edna Agnes Welsh, Cincinnati; two sons, Nicholas Welsh, Walton, and Lawrence M. Welsh, Milwaukee, and one grandson.

Funeral services were held at 2 p. m. Wednesday from the Chambers and Grubbs funeral home, Walton, with Rev. Fred Nicholas of Walton Christian Church officiating. Burial was in the Walton Cemetery.

Lloyd Senior Class Will Present Three-Act Play Friday, May 6th

Plans have been completed, and all persons attending the play will receive a real treat in entertainment. The Lloyd Swing Band will furnish music.

The public is cordially invited to attend.

Boone County Nines Chalk Up Victories In Sunday Games

Verona, Bob & Gene and Constance Are In Win Column.

Verona moved into a tie with Grants Lick for leadership of the Kentucky Athletic Goods Semipro Baseball League Sunday afternoon by scoring a 4-2 victory over the Hudepohl nine at the Verona park.

Verona collected four runs off the pitching of Beyer and Witworth while Hudepohl had two runs from five hits, off the offerings of Mumm and Reibling for Verona.

Mumm led the hitting attack for the winners with two hits, while Gulley collected the most timely hit of the game, a double in the fifth to drive in two runs. Three errors were chalked up against the winners which probably cost the team two runs.

Walton suffered defeat at the hands of Bob & Gene Sunday by a score of 6-2 at the Florence field.

Bergfeld and Urlage were on the mound for Bob and Gene, allowing four hits. Bergfeld gave up one hit and fanned six. Buford Smith was on the hill for the losers, allowing 12 hits while fanning nine.

In a second inning drive Constance scored five runs against the Aetna Oil nine team at Glencoe, to win by a score of 5-4. Ziegler had the most timely hit of the game, slamming out a home run in the second frame with two men on base giving Constance their five runs. Gillett was on the mound for Constance, while Moore served them up for Aetna Oil.

Next Sunday

Verona will play Aetna at Warsaw, Walton at Grants Lick, Constance at Bob & Gene's (Florence grounds) and Queen City Chevrolet at Belleview.

Louisville Man Arrested In Stolen Car Sunday

State Patrolman Miller arrested John H. Gatewood, 33, colored, Sunday afternoon on U. S. 42 after he had received a message over his radio telling him to watch for a stolen car proceeding north on U. S. 42.

Patrolman Miller was on cruising duty on U. S. 42 when he met a car weaving back and forth across the highway. He was forced to drive his cruiser completely off the highway to avoid a collison. Giving chase to the car, he found it to be the same one described in the radio police call.

Gatewood was reported to have stolen a car in Jefferson County, wrecked it near Warsaw. After the wreck he called a garage, who sent an employee to repair the wrecked car. While the mechanic was working on the damaged car, Gatewood leaped into his car and drove away.

When apprehended by Patrolman Miller, Gatewood resisted arrest, which charge along with a drunken driving charge will be brought against him at his trial. He was returned to Gallatin County to be arraigned on a stolen car charge after which he will be returned to Jefferson County to face a similar charge.

Petersburg Blanks Big Bone Nine In Season Opener Sat.

Hebron, Sand Run Belleview and Burlington Victors.

The Boone County Saturday Afternoon Baseball League got off to a flying start last Saturday with several close ball games, plenty of potential power-house teams and some pretty fair country pitching in spots.

Scores

Petersburg 7, Big Bone 0.
Hebron 12, Florence 6.
Sand Run 9, Pleasant Haven 8.
Belleview 12, Constance 11.
Burlington 8, Union 1.

Deck Stars

Highlighting the opening day hostilities was the pitching and hitting of D. Deck of Petersburg as he goose-egged the visiting Big Bone nine and weighed in with two hits himself to help the home team offensive. His brother, L. Deck, the Petersburg catcher, also had two safeties. The winner's infield clicked with precision and hung up three double plays. For Big Bone, Black and Stephens did the pitching with Stephens and Sprague handling the slants.

Buckler Homers

A fourteen-hit barrage off the Hebron bats, including a two-run homer by Buckler, was too much for Florence's three pitchers, Clayton, Utz and Roland. The winners had 12 runs, 14 hits and 3 errors. Florence had 3 runs, 4 hits and 7 errors. Goodridge and B. Hogan divided mound duties for Hebron with J. Hogan and Junior Garnett behind the plate. C. England was in the catcher's garb for the losers.

Errors Aplenty

Sand Run trimmed Pleasant Haven 9 to 8 in a loosely played contest at the winner's park. The Sand Run nine touched Gullion and Gruelle for 16 hits. Pepper and Smith gave up 12 safeties to the Haveners with Smith getting credit for the win. Howard caught for Pleasant Haven while Smith (the winning pitcher) and Judy handled the job for the Sand Run team.

Extra Innings Needed

Belleview needed 12 innings to defeat a stubborn Constance team 12 to 11 at the winner's park. It was a slugging match all the way with Belleview getting 13 hits and Constance 18.

S. Ryle went the distance with J. C. Rogers behind the plate. Blobaum and Peeno were on the mound for Constance with Peeno and Kenyon on the receiving end.

Burlington Wins

Burlington had little trouble with Union as J. Smith and Bob Brown limited the losers to 1 run and four hits while their mates got 8 runs on 7 hits. Burlington's offense was led by J. Woods who banged out three hits. Ryan and Moore formed the Union battery.

Games This Week

Sand Run at Big Bone.
Belleview at Burlington.
Constance at Pleasant Haven.
Hebron at Petersburg.
Union at Florence.

H. E. White Seeks Re-Election To Office Of Magistrate

Has Served Second Magisterial District For Past Sixteen Years.

H. E. White, Burlington, Magistrate from the Second Magisterial District for the past sixteen years, makes his formal announcement to the voters of Burlington, Florence and Union precincts for re-election in this issue of The Recorder, subject to action of the Democratic primary, Saturday, August 6, 1949.

Mr. White is well known, not only in his own district but throughout the county, having served for many years as president of the Wool Pool Association of Boone County, and having been active in 4-H and Utopia work.

After having served sixteen years as magistrate of his district, we feel that Mr. White needs no introduction to the voters. He was born and reared in the Burlington precinct, in which territory he has spent his entire life.

In making his formal bow, Mr. White makes the following statement:

"In making my announcement in this issue, I feel that I can honestly say that I am better qualified to fill the position which I seek than ever before, due to my sixteen years' experience in this capacity.

"During these sixteen years much progress has been made in road building through my district and the county as a whole. This work has been accomplished through the efficient management of the court, where spending the taxpayers' money has been rigidly supervised. Plans are for further improvements on roads in this district and other districts in the county as rapidly as funds will permit. All road construction has been completed at a minimum cost, thus giving more roads for less money.

"If elected to the office which I seek, I will endeavor to cooperate with other members of the court in further road construction and maintenance in the Second District and the entire county.

"Your support is earnestly solicited in the coming primary, August 6, 1949 and will be greatly appreciated."

Five Added to Burlington Church In Revival Effort

Five members were added to the Burlington Baptist Church in the Youth Revival of one week which closed at the church Sunday evening. Those coming by confession were Judy Walton, Carol Black, Bobby Maurer and Morton Oliver. Billie Black united with the church by letter.

Robert Brown, pastor of Visalia Baptist Church brought the messages each evening, while Ray Moore, Georgetown student conducted the music.

Large crowds were in attendance each evening, and the meeting was reported as very successful.

Baptismal services will be held Sunday, May 8th at 3:00 p. m. at Florence Baptist Church. All members of the church are urged to attend.

Burlington Takes Game From Visalia Nine Sunday 16-3

E. & W. Nine Trounces Pleasant Haven By Score of 24-14.

The Burlington entry in the Northern Kentucky Semi-Pro Baseball League got off to a flying start Sunday afternoon with a 16 to 3 win over Visalia at the loser's park. Led by Dud Rouse who belted two triples and a single, the locals were never threatened. Buddy Brinkman and Roscoe Akin divided mound work for Burlington with Gulley doing the receiving.

The Burlington nine, managed by Sam Ryle, collected 16 runs and 28 hits off the offerings of Redmond, Visalia starter, and a trio of other moundsmen.

E. & W. Team Wins

The E. and W. team, sponsored by Bob Eads, and Pleasant Haven, another county entry, had a field day, scoring 38 runs with the Eads backed nine getting 24 of them. Doyle led the winners with five hits, including two triples and a double.

Games This Sunday

Brun's Jug at Pleasant Haven.
E. & W. Trucks at Rock Bar Cafe.
Charlie's Cafe at Burlington.

CORRECTION

A story appearing in this publication last week stated that the Red Cross quota for Belleview was $100 and that their final report showed $161. This report should have shown that the Belleview final report was $144.80, and that the Bullittsville quota was $100 and their final report showed $101.

Boone County Growers Reach High Average

Average Tobacco Yield Per Acre Is 1588; Average Price $47.09 A Hundred.

Tobacco growers in Boone County, doing an excellent job of tobacco production, produced 3,342,136 pounds of tobacco on 2,104.1 acres, according to Bill Davis, County Agent.

The average yield per acre was 1588 pounds and the average price $47.09 per hundred. The average price for the state was $46.04 per hundred.

Figures were computed from marketing slips by the County AAA office.

State Police Invited In All But 30 Cities

Frankfort, Ky., May 5—The Kentucky State Police now have general police jurisdiction in all but thirty cities in the Commonwealth, including the State's larger cities of Louisville, Lexington, Covington, Newport and Owensboro, according to Commissioner of Police Guthrie F. Crowe.

The police were given general jurisdiction in all but cities of the first four classes, these including 157 communities. These cities, however, were given the right to confer by invitation jurisdiction upon the police in their own discretion. This has occurred in all but 30 communities.

Cities that have not granted the police jurisdiction are: Fulton, Columbus, Russellville, Horse Cave, Cloverport, Springfield, Louisville, Covington, Carrollton, Park Hills, Newport, Dayton, Ludlow, Southgate, Bellevue, South Fort Mitchell, Lexington, Stanford, Ashland, Catlettsburg, Grayson, Hellier, Jenkins, Whitesburg, Prestonsburg, Middlesboro, Frankfort and Shelbyville.

State Policemen Extend Welcome

Frankfort, Ky., May 5—If a State Policeman stops you right previous to the Kentucky Derby, he may not be intending to arrest you but only to extend an official welcome to the famed racing classic.

Under the heading "Welcome to Kentucky to the Derby," the police have prepared folders containing a map of Kentucky and listing famed tourist attractions, together with a map of Louisville showing the principal roads leading to the city and traffic routing for Derby Day, May 7.

The folder also contains the admonition to motorists:

"Whenever possible—Don't Drive to the Track! Buses will be faster and return you closer to the heart of town."

The folder which the policeman probably will pass out to motorists describes Kentucky as a "Vacation Land Supreme" together with a description of leading parks, shrines and attractions within the State.

Edgar S. Graves Is Candidate For Magistrate

From First District; Has Served For Past Eight Years.

Edgar S. Graves, Hebron, announces his candidacy this week for the office of Magistrate in the First District of Boone County, subject to the action of the Democratic primary, Saturday, August 6, 1949.

Mr. Graves has faithfully served in this position for the past eight years and now seeks re-election to the same post on his past record.

In making his announcement to the public Mr. Graves makes this statement: "I have to the best of my ability represented the people of my district and their many interests in the affairs of the county and solicit your support now on the strength of my past record. If elected, I will endeavor to serve you in the same efficient manner as in the past and assure you that your support will be appreciated."

Walton School Boy Hurls No-Hit Game Friday

Blanking Florence Nine 4-0 On Walton Field; Mike Ryan Is Pitcher.

Mike Ryan, Walton mound artist, marked up the first no-hit, no-run game of the Boone County scholastic baseball season Friday afternoon at the Florence field, pitching his team to a 4-0 decision over the Florence Knights.

Ryan whiffed sixteen opposing batters, while walking two. His teammates played errorless ball behind him throughout the game.

Bob Utz, on the mound for Florence was charged with the loss. However, he practically matched Ryan's feat, allowing only one hit, a double by Ryan in the third. Five errors by the Florence players gave Walton most of their runs.

Fish and Game Club Meeting Announced May 19

The regular meeting of the local fish and game club will be held at the club house Idlewild-Burlington road Thursday, May 19, according to Edwin Walton, president.

Members and friends of the organization are cordially invited to attend this meeting.

Boone Countians Winners In Square Dance Contest Fri.

Held At Simon Kenton Under Sponsorship of P.-T. A. and Ky. Post.

Four Boone County couples, comprising a set took top honors in the finals of the square dance contest co-sponsored by the Simon Kenton P.-T. A. and The Kentucky Post, Friday night at the Simon Kenton High School gymnasium.

Approximately 1200 persons were present at the contest, which was said to be the largest and most enthusiastic of the series, according to Mrs. Harry Rubbe, chairman of the contest.

The contest was sponsored to raise funds to establish a youth canteen for the community.

Those taking top honors in the contest from Boone county were Mr. and Mrs. Gayle Craddock, Petersburg, R. 1; Mr. and Mrs. James Barton, Burlington; Lamar Markesbery, Constance; Wilma Baker, Walton; Clarence Field and Katherine Penick, of Florence.

First prize was $100, while other prizes of $50, two prizes of $25 and a prize for persons visiting the dance from the farthest distance was won by a Texan and a resident of Phoenix, Arizona.

Florence Seniors To Present Comedy May 6

The Florence Senior class will present a three-act comedy "For Pete's Sake," Friday, May 6 at 8 p. m. at the auditorium.

Lying as a fine art certainly calls for a strong head, a stout heart, and a good memory, and Peter Pepperdine, has all these qualifications. When his exasperated aunt, in an effort to discipline him, starts on a summer tour of Palestine without him, he rents her mansion against her expressed desire, to her dearest enemy. Then he disguises himself as a butler, and all to earn ready cash. It's a laughing hit traveling at express speed.

Characters are as follows:

Miss Sarah Pepperdine, Eleanor Washmuth.
Jasmine Jackson, Wanda Clifton.
Cicero Murglethorpe, Robert Hennemann.
Peter Pepperdine, James Goley.
Bill Bradshaw, Ralph Quinn.
Thorndyke Murglethorpe, Wade Loftin.
Mrs. Georgina Clarkston, Patricia Osmun.
Nadine Clarkston, Ann Mudman.
Peggy Clarkston, Betty Benton.
Malvina Potts, Ella Pearl Bethel.
John Boliver, Wendell Cooper.
Dupont Darby, Robert Utz.
Miss Clara Watts is the director.

Wool Sacks Available To Boone County Sheepmen

Wool sacks are now available to sheepmen, according to H. E. White, president of the Boone County Wool Pool. Sacks are handled by the businessmen who handled them last year. These include, Conrad Hardware Store, Walton; Florence Feed Store, Florence; Goodridge and Goodridge Store, Hebron; and Gulley and Pettit, Burlington.

Sheepmen will be charged for sacks and string. The price of the sack will be returned when the wool is sold through the pool.

Mr. White urges all sheepmen in Boone County to sell through the pool. The pool consistently averages higher prices than individual sales.

Florence Youths Prize Winners In Scholastic Contests

Twenty-Five Boys and Girls Enter Poultry and Garden Projects.

Billy Maddox and Charles Utz, of Florence 4-H Club won prizes offered by Pollitt's Hatchery of Florence in scholastic contests for 4-H members, according to Bill Davis, County Agent.

Billy and Charles were judged to have the highest scholastic standing among the twenty-five boys and girls entered in poultry and garden projects. Both boys had an A average in all subjects.

Billy Maddox was given 100 blood tested, pullorum clean White Rock chickens as a winner in the poultry division and Charles Utz, received a supply of vegetable seeds and plants and 50 pounds of fertilizer for his 4-H garden. Both boys will enter produce from their projects in the Boone County 4-H and Utopia Fair on August 12-13.

Mr. Pollitt owner of the hatchery made the presentations.

Local Youth Graduates From U. S. Air Forces Jet Propulsion School

Chanute AFB, April 26—Among students graduating here from the school of engineering on "Jet propelled aircraft" was S-Sgt. Ernest Y. Finn, son of Mr. and Mrs. Russell Finn, Burlington, Ky. S-Sgt. Finn led his class of forty-four men with top honors for a final average grade of 96%.

Col. Rector A. Bois, Commanding Officer, 3345th Tech. Tng. Wing commended Sgt. Finn on his excellent work and extraordinary achievement during the course of instruction.

Sgt. Finn enlisted in the U. S. Air Force October 26, 1948 and was immediately sent to Chanute for this training through letters of recommendation from Air Training Command Hq. Barksdale AFB, Louisana.

Wilson Harper Rucker

Funeral services for Wilson H. Rucker, Cincinnati attorney and director of the First National Bank, Ludlow, were conducted at 2 p. m. Monday at Bullittsville Christian Church, with Rev. Noble Lucas officiating. Burial was in Highland Cemetery, Fort Mitchell.

Mr. Rucker, died Thursday at Booth Hospital, Covington after an illness of 11 years. He was 69 years old. He was a graduate of the Cincinnati Technical School, University of Cincinnati and Cincinnati College of Law. Mr. Rucker resided in Hebron.

He is survived by a sister, Miss Lucille Rucker, Hebron.

The Catherman funeral home, Ludlow was in charge of arrangements.

Two Groups Visit Frankfort Concerning Road Construction

Thirty-Two Men And Women Urge State To Desist in Road Plan.

Frankfort, Ky., April 28—It's all in a day's work with John A. Keck, Commissioner of the Kentucky Department of Highways who listened patiently to two Northern Kentucky delegations here today. To one of them he said: "We'll try to build your road sometime in the future" and to the other "We'll try not to build your road."

One of the delegations urged the construction of a road in Kenton county from Kenton Station to Butler, an extension of State Route 177. The other delegation, 32 irate men and women from Ft. Mitchell, demanded that the state desist in its plans to build a road through their town. Neither delegations knew that the other planned to confer with highway officials.

The Ft. Mitchell group insisted that the state build a "by-pass like that built at Florence" and that the town would be "despoiled" if the road plans were completed as proposed.

"The negative delegation is something new in department conferences," Mr. Keck said. "Most of them are upset because we plan to by-pass them. We are very much interested in the Ft. Mitchell proposal if any way can be found to locate a road into Covington avoiding the high-priced rights-of-way involved in building through congested areas."

Why Suffer With Your Feet?

N. TULCH
Foot Comfort Specialist at—
PEOPLE'S SHOE STORE
811-816 Madison, Covington

Our years of research have proven that foot comfort depends on foot balance.

For years men have been guessing about foot balance, putting steel support under feet and elastic bands around feet, all sizes and shapes corn pads, plasters, callous plasters, etc. Yet people continue to suffer with their feet, legs, back and with various other aches and pains, resulting from feet in numerous cases because they never had their body weight properly balanced on their feet with shoes.

Your feet may look regular to you, but, naturally you cannot detect weakness or have any way of testing for unbalance. But remember: "fat on the ribs" is by no means an adequate criterion of physical well being.

Don't take chances. If you are suffering with leg pains, knee pains, stiffness, backaches or severe headaches, or sleep poorly and are always tired, your feet may be the cause.—Adv.

Work of homemakers clubs in Rowan county will be exhibited in window displays during Home Demonstration Week, May 1 to 7.

The goal set by Estill county farmers to grow 250 acres of alfalfa this year will be surpassed by at least 50 acres.

HOME DEMONSTRATION WEEK

Homemakers who have benefitted from home demonstration work of the Extension Service there are 3 million of them in this country—are celebrating this week May 1 to 7—as National Home Demonstration Week.

They seek, by acquainting other women with its advantages, to express their gratitude for the great national education project with it's bringing to women the latest home-making information, without a charge.

Originally designed for rural women only, the service now has been expanded in some areas to include city women as well. Problems of food, clothing, shelter and family life are shared by all homemakers. Many interesting projects have been completed in the Homemaker Clubs such as leathercraft, glass etching, chair caning, slip cover making, rug hooking, tailoring and many others.

Homemakers in the city and country alike will agree that the home demonstration service accomplishes its purpose of helping women have "a more abundant home and community life."

Home Demonstration Week will close in this part of the country with the annual meeting of the Northern Kentucky District of Homemakers on Saturday, May 7th at Newport High School from 10 a. m. to 3 p. m.

Conservation Conversation

By J. G. Acree

194 you buy a farm, or was it sold to you?

The story is told of one Mrs. Jones, coming out of a department store wearing one of those divisional and much arrayed hats, and upon meeting one Mrs. Smith she exclaimed, "Where on earth did you get that hat?" Mrs. Jones with such gusto answered, "I bought it"; whereupon, Mrs. Smith reported, "No you didn't buy it someone sold it to you!" This might apply to the exchange of farms from one ownership to another; and no doubt we know of one or more farms that have been purchased unwisely. What are some of the reasons people purchase farms? Let us list a few: (1) For investment; (2) economic condition make it necessary to move back to the farm; (3) It is the general belief anyone can farm; (4) greed; (5) purchase the old homestead, or sentiment; (6) to retire, or a home; (7) recreation or diversion; (7) a means of livilhood; (9) independence; (10) love of nature; (11) the fad (do as the Jones' do); (12) reclamation occasionally, and many others.

A purchaser with some of the above reasons in mind would be very detrimental to our soils, although it is possible to be a land builder. Even the trader who buys and sells farms may improve a piece of property considerably, and give it a new look. Again the purchaser, for greed, might come to the saturation point where he or she may acquire so much land that they would not be able to tear down as fast as mother nature built.

The chief factor to be considered in purchasing a farm is, "how do you expect to use it." If you are merely buying it for a home so you can live out in the country and work in town, then location is first priority. If you expect to dairy then you should have much pasture and meadow land with some row crop land. If you expect to sow crop then by all means use fertile soil and fairly level. Only a few months back two O. I.'s were inquiring about a 100 acre farm that were certain they should have. During the conversation it was brought out that one was going in the chicken business and the other to raise rabbits. Fortunately this purchase was not made, but if it had, one of two things would have happened. (1) Most likely lost the farm or, (2) supply would have overshadowed demand.

The Soil Conservation Service has worked out a capability table that may be applied to all farms, or lands. Each acre of land is capable of doing a certain piece of work and with the soil conservation practices and recommendations soils can be retained and improved.

Do you know what the farm you purchased is capable of doing, and what practices should be applied? You might contact your local Soil Conservation District. Where does Soil Conservation come into the purchase of a farm? A misfitted farm is of a certainty in line for abuse.

MRS. MYRTLE MARSHALL

Whereas it has pleased our Heavenly Father in His infinite wisdom to call from our midst Mrs. Myrtle Marshall on March 14, 1948, our beloved friend and Sister in Christ whose loving and useful life was a benediction to all who came in contact with her.

She will be greatly missed by her loved ones and friends.

Whereas, in the work of our church for many years, she was actively engaged in Woman's Missionary Society, serving in different capacities, faithful in attendance, prayers and her stewardship of material things.

Whereas in our church she was a devoted and faithful teacher.

Therefore be is resolved that we, the members of the Women's Missionary Society of the Union Baptist Church send a copy of these resolutions to the family, a copy be spread upon our records and a copy sent to the Boone County Recorder for publication.

BURLINGTON RD. HOMEMAKERS

The April meeting of the Burlington Road Homemakers' Club was held at the home of Mrs. Ralph Jones on Thursday, April 14 at 10:30.

There was a short business meeting in the morning followed by an inviting luncheon. In the afternoon the lesson on "Wiring Lamps" was given by Mrs. Roberta King and Mrs. Joe Northcutt. Everyone seems to be very interested in wiring them.

The next meeting will be held at the home of Mrs. William Parrish at 10:30 a. m. Thursday, May 12.

MANY LOSE SOCIAL SECURITY BENEFITS

Many persons lose social security benefits to which they are entitled because they fail to claim them within the 3-months time limit prescribed by law, according to Mr Robert M. Bohon, manager of the Covington, Ky., office of the Social Security Administration.

These losses occur on all types of benefits that are payable under the Federal Social Security Act, Mr. Bohon said, and are generally caused by misinformation obtained from some well-meaning friend. Through the cooperation of the Boone County Recorder in publishing these losses, some progress has been made but the elimination of such cases is still far from complete.

These losses could be prevented, Mr. Bohon explained, if every worker who had been employed in jobs covered by the Social Security Act would check up on his rights within 3 months of his sixty-fifth birthday regardless of whether or not he is still working, and if the surviving relatives of workers who have died would contact the nearest social security office within 3 months of the date of the worker's death. It is very important that all information regarding benefit payments should be obtained from the social security office, and not from unofficial sources, because there are many provisions of the law which are not commonly understood, and information obtained from unofficial sources is the most common cause of loss.

The Social Security Administration office at Seventh and Scott Streets in Covington, Kentucky, serves Boone, Bracken, Campbell, Carroll, Gallatin, Grant, Kenton and Pendleton Counties.

Jersey cattle to be exhibited at the Kentucky State Fair will be selected at a fair at Benton in Graves county.

REPAINTS WOODWORK AND PEWS IN CHURCH

Homemakers in Oldham county who belong to Shiloh Methodist Church near Skylight have used skills learned in their homemakers club to good advantage, notes Miss Lilah Hembree, home agent.

Instead of buying new pews for the church which was recently rebuilt, the women removed the finish from the old ones, revealing beautiful wood with interesting carving across the back of each pew. After completing that job, they refinished the lovely old altar railing and then sanded and refinished the woodwork of the church.

CLARK WOMAN TURNS SACKS INTO CLOTHES

It's amazing what can be done with feed sacks and other odds and ends if one has the ingenuity and skill with which to do it, says Lucille E. Warren, home demonstration agent in Clark county.

Some of the ways Mrs. W. E. Weldon of Clark county uses feed sacks to make useful articles are reviewed by the home agent.

"With the skill of a professional seamstress," said Mrs. Warren, "much of which she learned at training schools for club clothing leaders, she makes dresses for street and house wear that look as if they might have come from a fashionable dress shop.

"While busy at various housekeeping jobs she often wears attractive aprons made from sacks.

"In addition to dresses and aprons she also uses feed sacks for other household purposes. From bright red, green and other checked bags, luncheon cloths have been made. The kitchen windows are often curtained with gay designs one would never guess had once encased feed for cows or turkeys.

"Mattress covers, sheets, pillow cases, ruffled bed spreads, comfort covers, dresser scarfs and chair covers made from sacks may be found in her bedroom.

"Pajamas, night gowns and everyday slips are also made from feed bags.

"For her back porch she has made drapes from bags, and plans to cover a chair to match."

CARD OF THANKS

We wish to thank our neighbors and friends for the many acts of kindness extended to the family during the illness and death of

Waring Flick

Also we wish to thank Bro. Forrest Taylor; the donors of the lovely floral offerings; the pallbearers; the singers and the funeral directors Chambers & Grubbs for the efficient manner in which they conducted the service. 1t-p

ELBOW GREASE HELPS RENEW OAK FURNITURE

Wondering what to do with old, dark stained oak furniture? With some elbow grease and time, and not too great cost, it can be made into beautiful modern-looking blonde furniture.

Mrs. Rossi Nichols of Hancock County first heard about this at the Hawesville Homemakers Club. Her husband helped remove the old finish from an oak dining table, a sideboard and eight chairs. Then they sanded them to satin smoothness. Now Mrs. Nichols is awaiting the next meeting of her homemakers club to learn what the succeeding steps will be.

How to mend broken pieces of furniture, fill holes, take out stains and spots and remove dents were other practical ideas 15 leaders of eight clubs learned from Mrs. Frances Soper, specialist in home furnishings at the College of Agriculture and Home Economics, University of Kentucky, and Home Agent Judith Rowland.

SUGGESTS WAYS TO FEED TREES

Fertilizing young trees in the spring is suggested by N. R. Elliott of the College of Agriculture and Home Economics, University of Kentucky. He says to cut a circle about each tree three feet across, remove the sod and weeds within the circle, loosen the soil two or three inches deep and then apply two pounds of commercial fertilizer or well-rotted manure. Keep the manure away from the trunk, and keep weeds down in the circle. He suggests this treatment for all trees set during the past four years.

Many old shade trees around homes in Kentucky are slowly starving to death, notes Prof. Elliott. This is due in part to raking up leaves and other humus material under the trees. If such trees are still in good condition, they often can be rejuvenated by feeding, he added. Persons interested in saving trees should see a county agent or a home demonstration agent or write to the college at Lexington.

T. J. Bartlett of Daviess county has begun a two-year program of building up a permanent pasture of 250 acres.

CAMOUFLAGE USED ON OPEN-BEERD WINDOWS

Mrs. Leonard Girdler, home furnishings leader of the Caney Fork Homemakers Club in Pulaski county, had several improvements to show Home Agent Mrs. Louise Craig when she called recently. A newly painted mailbox at the gate was first noted. Within the house, Mrs. Girdler pointed out several places where she had patched the dining room wallpaper so lovely that it wasn't noticeable. Next she called attention to the way she had made two windows look the same size, although one was considerably shorter. Putting blocks of wood above the short window, in line with the other one, she fastened the shade and curtain rod to them. When the curtains were hung, the two windows appeared to be the same size.

GUNPOWDER HOMEMAKERS

The monthly meeting of the Gunpowder Homemakers Club of Boone County was held April 13th at the home of Mrs. Anna Ratcliff. The morning meeting was followed by a lovely lunch, after which the lesson for the month on "Lamps" was given.

Members present were Mrs. Ruth Kelly, Katherine Driver, Myrtle Pigg, Anna Ratcliff, Maide Sebree, Gladys Shaw, Ruth Utzinger, Margaret Affolter, Bert Markesbery.

Florence

Sympathy of the community goes out to the family of Pvt. Joe Taylor, 20, who was killed in action September 18, 1944, on Angur Island in the Palau group in the Pacific. Services were held from the Florence Baptist Church on Thursday, with Rev. Harold Wainscott, of Corbin, officiating. The W. Ralph Stith funeral home was in charge of arrangements and burial was in Florence Cemetery. Pvt. Taylor was attached to the medical Corps of the 81st infantry regiment. Before entering service he attended Florence high school.

Wilbur Drake is spending part of his vacation time with his mother in Sweetwater, Tenn.

Mrs. Richard Bowman, of Manchester, Ohio, is visiting with her sister, Mrs. Floyd Sininger, while Mr. Bowman is confined in Jewish Hospital, Cincinnati.

The Mother and Daughter banquet held at the Florence school Thursday evening was largely attended. Mrs. Mary Humphrey presented a most interesting talk, her topic being, "The Homemakers of Tomorrow."

Mrs. Viola Idal and son were called to Ramsey, Ind., Sunday by the sudden passing of her nephew.

Mrs. Cecil Shields, of Aurora, Ind. is the house guest of her sister, Mrs. O. W. Robinson and Dr. Robinson.

Invitations were received here to the marriage of Miss Rita Bolte, daughter of Mr. and Mrs. Geo. Bolte, of Erlanger, to Mr. James Francis Tanner, son of Mrs. Belle Tanner, also of Erlanger. The ceremony was solemnized on Saturday, April 22 at 9:30 a. m. at St. Henry Church. A reception was held in the evening from 8 to 11:30 at St. Henry's auditorium, Erlanger. The groom formerly lived on Price Road and attended the Florence school. May health, happiness and prosperity attend them as they go down the pathway of life together.

The F. F. F. Revue at the Florence school auditorium Friday evening was attended by a large audience. The acts were all interesting and well done. Larry Aylor producer and director of the show and Mrs. Louella Houston, president of the Ladies' Auxiliary of the Fire Hall and Community Center deserve a vote of thanks for their time and effort in making the show a success.

The "Day Group" of the W. S. C. S. of the Florence M. E. Church will meet in connection with the "Evening Circle" on May 10 at 8 p. m. at the church.

Robt. Woodward of the Bi-County Farm Bureau recently delivered new Papec Field Harvesters to Harold Crigler, of Hebron and Geo. Boh, of Price Road.

Mrs. J. P. Tanner has returned from Mt. Auburn, O., where she was attending her daughter, Mrs. Lena Bentham who is not so well.

Mr. and Mrs. Albert Requardt, of Latonia, were visiting with Mr and Mrs. Price Conner, Saturday.

The P. J. Ailens were calling on Mrs. Oma Riley, Thursday. We regret that Mrs. Melissa Rankins is suffering from the effects of a fall suffered about ten days ago.

Mr. and Mrs. James Bristow were guests of the Eldridge Carpenters, Sunday.

The Men's Club of the Florence M. E. Church entertained members and friends of the church with a delicious chicken dinner on Thursday evening, and believe it or not, they know how to cook and serve. Guests of honor were the district superintendent Dr. Russell R. Patton and Mrs. Patton. Community singing was indulged in and a good time was had by all.

An air of sweet solemnity pervaded by the aroma of roses was the setting in the home of Mr. and Mrs. Chester Petty on April 1, 1949 for the marriage of their daughter Miss Betty Pett to James Vernon Tupman, son of Mrs. Beulah Tupman Rouse. The bride was attractively gowned in a street length dress of pale blue taffeta and was adorned with a corsage of white rosebuds. The bride was attended by her sister, Mrs. Nicholas Knasel, who was attired in pale yellow and wore a corsage of white carnations. The groom and his attendant, Mr. Knasel were appropriately dressed for the occasion. The impressive ceremony was performed by Rev. W. E. Garriott a former pastor of Erlanger M. E. Church. Only the immediate family was in attendance. Following a reception at the home, the happy couple departed for a few days' honeymoon in the South. They were recipients of many nice gifts. The bride is a graduate of Lloyd High School and the groom is a very industrious farmer. We join their many friends in wishing them much happiness and success as they embark on the sea of matrimony.

The officers of the Women's Society of Christian Service of Florence Methodist Church will be installed on Sunday evening, May 8 at 7:30 p. m. by the pastor Dr. O. W. Robinson.

Mrs. Ruth Wingate spent the week-end in Lexington, visiting with her brother Ralph Worster, a student of the University of Kentucky.

FARMING IS LIKE . . . . Banking . . . .

No bank can keep its doors open long if the withdrawals exceed the deposits. Just so, no farm land can remain productive and profitable when, over an extended period, the withdrawals and losses of the various plant-food elements exceed the replacements.

Of the six most important plant foods—nitrogen, phosphorus, potash, sulphur, calcium, and magnesium—the loss of lime (calcium and magnesium) far exceeds the loss of any of the others. Each year cropping, erosion, and leaching remove from each acre the equivalent of from 200 to 500 pounds of limestone.

Keep the lime account of your farm in balance by using our agricultural limestone.

WHOLE FARM IN FESCUE

When Hughes Goodman of Brookridge county first saw Ky 31 fescue he was so impressed with it that in 1947 he seeded all but five acres of his 197-acre farm to this crop. The remaining five acres are in burley. Last year Mr. Goodman harvested from 300 to 500 pounds per acre of certified seed, or a total of about 60,000 pounds. He recently top-dressed his field with nitrogen in preparation for another seed crop, said Farm Agent Kenneth Brabant.

ABSOLUTE AUCTION

On Ballinger Road, ¼ mile off State 22—7 miles east of Williamstown, and 9 miles west of Falmouth in

PENDLETON COUNTY, KENTUCKY

Near Goforth Church

Saturday, May 7th, at 2 P. M.

GLADYS BISHOP has decided to quit farming and move back to the city and contracted with us to sell at absolute auction on the above date, regardless of price or weather, her 70-acre farm, 5-room house, 8-room tenant house and all outbuildings. Also some furniture and tools.

Farm was formerly owned by Frank Ashcraft. Here is 70 acres of rich land, all rolling, with 1.9 acres of tobacco base; 5-room frame home, in good shape, also 2-room tenant house, barn and outbuildings, 14 acres and garden already plowed, plant bed sowed; plenty of water, 3 cisterns, well and pond. Lots of fruit, apples, peaches, cherries, plums and grapes, 6 acres of bus passes the door, and milk truck. This home is close to alfalfa, 3 acres of mixed hay and plenty of locust posts. School church and grocery.

Also to be sold are: Some corn in crib, wagon, sled, 20 Red Rock laying hens, household goods including new coal and wood combination range (all white); also bed and springs, lots of glassware and dishes.

LESSON TEXT: Mark 11:27-33; 12:13-17.
GOLDEN TEXT: Mark 12:13.

Jesus And Critics

Lesson for May 7, 1950

DURING JESUS' last week, his enemies were firing at point-blank range. They were dead set to kill him; but they did not want to do that if they could ruin him some other way. What they tried to do was to make him out either a rascal or a fool, or both. Mark's story shows how Jesus took it.

Dr. Foreman

The first question they asked sounded perfectly fair, "Where did you get your authority?" As we saw last week, Jesus had assumed simply tremendous authority. Wasn't it fair to ask him where he got it?

The trouble was that the men who asked the questions didn't want to know. They only wanted to heckle Jesus.

The world is full of just such license-hunting snoopers as these. They do not like it when a man succeeds. They particularly do not like it when a man succeeds without their help.

"Who is this fellow anyway? Where did he get his start? What family does he have, where is his diploma?" Jesus never answered this question, because he knew why they asked it. (Mark 11:27-33.)

Taxes

IN JESUS TIME you could not vote either for more taxes, or less. You paid what the Roman soldier at your door said to pay, and you were thankful not to be poked in the ribs with his sword while you were fishing up the money. But no one dared to complain. The Romans had some deep dank dungeons for people who complained about high taxes. So the next question Jesus' enemies asked him was about taxes, or tribute, which means the same thing. They thought they had Jesus on a spot where whatever he said would put him in the wrong. Suppose he said: "Yes, pay taxes by all means." Then they would snarl: "Bootlicker of the Romans! Traitor to your country!" But if Jesus said, "No, don't pay taxes," then they would howl: "Treason! Police! Arrest this man who defies the Emperor!" Jesus' answer was a masterpiece, because he not only did not dodge the hot question, he did not leave the questioners a leg to stand on. (Mark 12:17).

Hairsplitters by Trade

THE CRITICS of Jesus were hair-splitters by trade. Yet none of them had ever been able to answer another tricky question with which they now expected to floor Jesus.

"Which is the greatest commandment of all?" The question had been going the rounds for generations. The greatest minds in Jewery had wrestled with it. But it was a foolish question after all.

Which is the most important brick in a wall? What position on a volley-ball team is the most important? What is the most important link in a chain? An answer to these questions would seem about as easy as answering that one about the greatest commandment. Jesus knew they were trying to show him up as a bungler, as a very poor and amateurish hairsplitter indeed. But instead, he did what no one expected him to do: he answered their question, and answered it so well that it is one of the cornerstones of our religion today.

How to Take Criticism

THE READER should consult Mark for the whole story. It bristles with practical thoughts, one of the most practical being how to take criticism. All of us can take it from our friends and families; we know they mean it for our own good. But criticism that is unfair from people who want only to show us up for fools or to get us into hot water—that is hard to take. Jesus should be our example.

He did not let other people's criticisms interfere with his work. He never avoided criticism. He did not "twist the lion's tail, he did not deliberately provoke criticism. But he would not claim exemption from what every one has to stand, being looked over and rated by the people who knew him.

He never broke his heart over what people said of him. He did not go around crying to himself.

Indiana-Kentucky Ohio River Bridge Virtually Assured

Bids On Boring And Soundings To Be Taken June 10th.

The long-awaited Ohio River Bridge, connecting the Lawrenceburg, Ind., area and Boone County has been approved following a meeting in the offices of Walter G. Koch, Indiana Toll Bridge Commission chairman, in Evansville last Thursday afternoon to officially let the contract for borings and soundings. Members of the commission and their engineers confered with the State Highway Commission last Thursday night, May 5th. The site was unofficially approved Monday but actual announcement will await the result of borings and soundings.

Bids on the boring and soundings will be taken by Carl Knapp, secretary, at Cannelton, at 11 a. m. June 10. This work will be completed within 90 days, Koch said.

Information from the final borings and soundings will enable the commission to select the actual bridge site.

Soundings were taken over this area recently, and submitted to the Toll Bridge Commission engineers, and conferences were held with highway commission engineers, who considered the likelihood of the location from a traffic safety and approach construction standpoint. The site must be officially approved by both commissions.

The consummation of all preliminaries to actual location and construction is a tribute to the efforts of the Indiana bridge committee of the Chambers of Commerce, headed by Col. Robert H. Nanz. Action was finally obtained after many trips and conferences, in the face of pressure from competing communities who wanted their respective bridges considered first by the state commissions.

The bridge, to connect U. S. 50 with Kentucky 20, near Petersburg will be of benefit to north-south and east-west traffic, particularly to the Cincinnati-St. Louis branch. Engineers of the St. Louis firm of Sverdrup and Parcel, headed by Frank M. Cutler, surveyed three Lawrenceburg sites in November 1948. Considered were Mary Street, Durbin Road, and a site west of the Tanners Creek Power Plant.

Dearborn County residents who assisted Col. Nanz in furnishing information and meeting with Indiana and Kentucky officials are: Bruce Miller, Wilfred Ullrich, E. G. Harry, A.R. Stryker, Dr. J. E. Elliott, Cornelius O'Brien, Frank Hutchinson, Charles Fehrman, William Barrott, Gene Lux, Victor and Eugene O'Shaughnessy, O. M. Keller, L. L. Booher, Harry Watts, H. J. Schumtte, Arlie Baer, and Robert K. Baker.

4-H Rally Day Announced For Saturday, May 14

Get-Together Will Be Highlighted By Contests Among Boys and Girls.

The annual Boone County 4-H Spring Rally will be held at the Burlington school on Saturday, May 14th, according to Bill Davis, County Agent.

Registration will start at 10:00 a. m and all 4-H members, leaders, parents and friends are urged to come early and register. The annual get-together will be highlighted by Agricultural and Home Economics contests for boys and girls enrolled in the eleven community 4-H clubs. Winners of the contests who are 13 years old or over will attend 4-H Week at the University of Kentucky June 7-11.

Four-H members, their parents and friends are asked to bring sandwiches, cookies and fruit and leaders are asked to bring sweetened fruit juices for the lunch.

The entire program for the day is as follows:

10:00 a. m.—Registration.

10:05 a. m.—Meeting called to order, John E. Crigler.

10:25 a. m.—Group singing, Howard Dean Bloss.

10:35 a. m.—Seed Identification Contest; all home economic demonstration; poultry judging; clothing judging; canning judging.

12:00 Noon—Basket dinner.

1:00 p. m.—Dairy judging; all agricultural individual demonstrations.

2:30 p. m.—Style revue.

3:00 p. m.—Presentation of Ribbons.

The Philip Taliaferro funeral home, Erlanger, was in charge of arrangements.

Verona, Bob & Gene And Belleview Nines Chalk Up Victories

In Kentucky Athletic Goods Semipro Baseball League Sunday.

Verona held its position in the Kentucky Athletic Goods Semipro Baseball League by defeating Aetna Oil at the Glencoe park Sunday by a score of 9-2, while Bob and Gne chalked up a 12-8 victory over Constance and Belleview turned back the Queen City Chevrolet nine by a 11-0 count.

Elmo Steffen, on the hill for Verona for six inning allowed two hits and no runs, having ten strikeouts, while Stailing, taking over mound duties for the remainder of the game allowed 2 hits and 2 runs.

Verona collected 13 hits from the offerings of Pedie opend Hopperton who divided mound duty for the losers. Bauman and Reibiling led the attack for the winners with 3 and 4 hits respectively, while Brown clouted out a home run for the winners with two on base.

The Verona victory was the third in as many starts, giving the team a tie for first place with Grants Lick.

Bob & Gene chalked up their second victory in three games by turning back the Constance nine by a score of 12-8 at the Florence park Sunday.

Constance took an early five-run lead in the first inning but the winners overcome the lead in the late stages of the game. A double by Elmer Bane opened the rally in the seventh. Albert Sebree had three hits in five trips to plate for the winners.

Vic Donowski, Joe Bergfeld and Art Urlage divided mound duty for the winners, while Gillett and Deck served them up for the losers.

Belleview defeated Queen City Chevrolet by a score of 11 to 0. Don Lenhoff, allowed only 3 hits, striking out 13. Bob Denniston had the big blow of the day, collecting a triple, while Lenhoff, Clore, Waters and Bradburn each had two-base hits to their credit. Simpson, Lyons and Patrick served them up for the losers and were credited with six walks, while fanning five.

T. Herbert Tinsley Seeks Re-Election As Representative

Completion of Boone Pork Plans One of Principal Projects.

The Recorder is authorized to announce the candidacy of T. Herbert Tinsley for the office of Representative from the 54th District, composed of Boone and Gallatin Counties, subject to action of the Democratic primary August 6, 1940.

The Rev. Tinsley is pastor of the Warsaw Christian Church and has served churches throughout Northern Kentucky.

He has been prominent in American Legion and veteran's organizations in Kentucky and is a member of the Legislative Research Commission and the Agricultural and Industrial Development Committee of the American Legion.

Present Speaker of the Kentucky House, the Rev. Tinsley seeks a second term from the 54th District. He is a former representative from the Gallatin-Carroll district and has used his office in furthering the aims of these counties in securing road construction and has been a prominent figure in advancing legislation for a state park in Boone County.

The principal projects of Rev. Tinsley are for the completion of plans for the Boone County park and for the construction of a highway through Steele's Creek bottom connecting with the Boone County Airport.

An agreement between Boone and Gallatin Counties whereby each County should be represented two terms in the Legislature, no doubt will be observed. Rev. Tinsley is seeking his second term.

Unidentified Man Killed In Accident Early Wednesday

Was Driving Stolen Car According To Sheriff R. I. Rouse.

An unidentified man was fatally injured early Wednesday morning when the car which he was driving turned over four times on U. S. 42 near Beacon Light.

Sheriff Rouse, reported that he was called by Herb Anderson a resident of the neighborhood, who reported the wreck. The car a 1948 Ford sedan had been stolen from Wayne Gebbard, of Newport, Tuesday night.

Robert Brugh, Boone County Coroner, who was called to the scene said the man's death was due to a skull fracture. The body was removed to the Chambers & Grubbs funeral home.

Sheriff Rouse stated that nothing could be found on the body to identify the man. A union button of the AFL and a check stub without a name were the only items found.

Burlington Rifle Club Takes Honors In District Contest

Will Enter State Contest At Frankfort, Ky., During Late Summer.

Burlington's Rifle Club, under the direction of Edwin Walton, Burlington school principal took top honors at the District contest held at the Dixie Gun Club range, Sherman, Ky., Saturday, May 7th.

Competition was keen in all classes with seventeen counties in the Fifth District represented at the meet. Trophies and medals received by the local club included individual rifleman, Wayne Kelly; two-man team, John Carroll Rogers and Bill Cave; 4-man team, Sonny Ockerman, Max Ryle, Eugene Perry and Sonny Combs.

These seven boys will represent the Fifth District in the State meet to be held at the Game Farm, Frankfort, Ky., late this summer.

The Burlington girls' club, having no opposition in the district meeting will represent the Fifth District in the girls' division.

Individual medals were awarded the Burlington riflemen, as well as two large trophies, which are now on display at the Burlington Grill.

Although winning all contests entered, Mr. Walton stated that the boys were capable of making better scores than were registered at the district meeting.

REVIVAL SERVICES PLANNED AT BIG BONE

The annual revival will begin Sunday, May 15th at the Big Bone Methodist Church. The meeting will run through Sunday night, May 22. On Monday, May 23, all the services will be moved to the Hughes Chapel Methodist Church, and will continue there through Sunday, May 29th. All services will begin at 8:00 p. m.

The evangelist is Rev. Dee W. Cobb, nationally known singer, preacher and musician. Rev. Cobb plays a number of different instruments. He also sings and preaches for the largest churches and camp meetings of the Methodist Church over the entire United States.

The public is invited to all services.

America's Silent Tribute To Her Heroes

On May 28, the Saturday before Memorial Day, the American Legion Auxiliary Boone Unit No. 4 will hold their first Popp Day sale in Boone County. Mrs. Robert Eastman, Jr., president, has announced that the following committee has been appointed: Mrs. R. M. Rouse, chairman, Mrs. James Pettit, Mrs. Vernon Smith, Mrs. Francis Souther and Mrs. Harry Johnson, Jr., and that members of the Auxiliary will be in various communities of the county selling the little red poppies. School children will aid this worthy cause by helping to make the house-to-house canvass on that day. Also there will be posters calling your attention to Poppy Day in many places of business throughout the county.

This is the one time of the year that the men and women of the American Legion and American Legion Auxiliary ask the public to contribute generously to help the disabled veterans in the many government hospitals. The money which is dropped into the coin boxes in exchange for the poppies goes entirely to welfare activities of the American Legion and American Legion Auxiliary, supporting the work which these two great service organizations do for the disabled veterans, the families of the disabled, and families left in need by death of veterans. Every penny is made to serve because of the close understanding and sympathy existing between the Legion and Auxiliary men and women and those whom they are aiding.

The disabled veterans who make the poppies derive double benefit from the work: It gives them employment—their only chance to help support themselves and families. With strength and health gone, they cannot do regular work, but they can make poppies. Even in their hospital beds they can do this work, earning money for each flower made. The work is of real value in aiding their recovery, occupying hands and minds, breaking the tedium of long idleness, and restoring spirits crushed by hopelessness.

The women who distribute the poppies, unlike the disabled veterans who make them, receive nothing for their efforts—nothing tangible, that is, only the satisfaction of having helped brighten the memory of the dead and of having contributed to the welfare of the living.

The poppy comes to us from the fields of France and Belgium where the destruction of war obliterated all touches of beauty except its brave red blooms. It comes to us from the shell-pitted battle areas and from among the wooden crosses of war cemeteries. There it was nature's tribute to our heroic dead and here in America it is our tribute to those who made the highest sacrifice in two wars and all over the world.

Understanding the meaning of the Poppy and the uses of the poppy funds, can any of us be deaf to the appeal of Poppy Day? Can any of us fail to greet the Auxiliary poppy worker with a welcome smile, fail to put on the poppy of remembrance for the dead and show that we remember the living by contributing as liberally as our means will permit?

In remembrance of America's heroic dead and in helpfulness to her living disabled and dependents —WEAR A POPPY May 28th.

Mrs. Calvin Cress received word Sunday afternoon of the death of her sister-in-law, Mrs. Wm. Brumback. She died in a Cynthiana Hospital, where she had been a patient for the past year.

Virginia Man Returned Here On Auto Theft Charge

Arrested At Corbin, Ky., After Stealing Car At Florence, May 2nd.

Glenn Williams, 31, Appalachie, Virginia, was returned to Burlington, May 3 by Sheriff R. I. Rouse, after being arrested at Corbin, Ky., by police officers.

Williams was charged with theft of an auto owned by Henry D. Spencer, Florence, Ky., on the night of May 2nd at Florence, Ky. He was picked up by Corbin officials after Sheriff Rouse notified State police officials to be on the lookout for the stolen car.

When arraigned in Judge C. L. Cropper's Court Friday, May 6, he pleaded guilty to the charge, and held for action of the Boone County grand jury, and placed under $1,000 bond. He was unable to furnish bond and is being held in Burlington jail, according to Sheriff Rouse.

Masons Will Meet

Burlington Lodge No. 264 F. & A. M. will meet tonight (Thursday) at the hall in Burlington, 8:00 p. m., it was announced by Frank Maurer, Master. Business will be taken care of this meeting and plans made for degree work in the future.

All members of the lodge are urged to be present at this meeting.

Hebron, Burlington and Petersburg Girls Victors In Opening Softball Game.

Initial games of the Boone County Girls Softball League were played Tuesday evening of last week. The girls played outstanding softball and played with a determination to outdo their opponents.

The scores of these games were as follows: Hebron 28-Belleview 4; Burlington 23-Big Bone 6; Petersburg 9-Pleasant Haven 3.

Winning pitchers were: Lola Mae Slade, Hebron; Arnold and Scott, Burlington; and Norma Jarboe of Petersburg.

It is hoped to publish a complete schedule of coming games in next week's paper.

Youths Urged To Use Care In Firing Rifles

Young men in the Burlington community are urged to use care in firing small rifles about the town. This warning is being issued following a complaint from Dr. M. A. Yelton, who stated that he narrowly escaped injury from a stray bullet fired from a .22 calibre rifle Monday afternoon.

Youths owning rifles in this community should use care in firing them. Ammunition used in these small arms are capable of killing a distance of one mile, and should be fired only into a backstop or into a hillside.

Three Teams Tied For Top Position In Saturday League

Burlington, Constance and Hebron Have One On Each Side of Ledger.

Petersburg, Union, Belleview, Sand Run and Constance were the winners in the second round of play in the Boone County Saturday Afternoon Baseball League last week's results show.

Petersburg had "All Decks on hand" as they trimmed Hebron 23 to 10. This writer's information was as follows: H. Deck pitched, L. Deck caught and home runs H. Deck and D. Deck. The Pete boys "decked" out with 25 hits and committed few miscues.

For Hebron Goodridge, B. Hogan, Lefty Gillette and Aylor paraded to the mound with J. Hogan on the receiving end. Hebron collected 15 bingles including a homer by Gillette.

Union Over Florence

Lax infield play by Florence and nifty base running by Union gave the latter a 10-6 win over Florence at the loser's park Saturday. Union had 10 runs, 11 hits and five errors while Florence had six runs, 11 hits and five errors.

On the hill for the winners was Ryan and the veteran Scott Jack with Hodge and Moore catching. B. Roland and F. Horton did Florence's pitching with C. A. England stopping them. Wynn was the day's hitting star with three for four including a long home run.

Cason Looks Good

Lefty Ivan Cason scattered seven Burlington safeties as Belleview rung up a 6-5 win over the locals at the Burlington grounds. Bob Denniston formed the other half of the Belleview battery. For Burlington Joe Smith and Johnny Woods did the mound duties with Gulley receiving. The winners collected 14 hits with H. Ryle getting a triple, double and single, Miller a double and two singles and Dave Clore three one-basers.

Hotter Than Pepper

With Pepper the pitcher red hot, Sand Run had little trouble hanging a 9 to 3 win on Big Bone at the losers park. Pepper held the Big Boners to six scattered hits and his team committed only two errors behind him. Jimmy Smith was on the receiving end. For Big Bone, Gammon and Stephens did the throwing with Sprague catching.

Constance 9-Haven 4

Constance defeated Pleasant Haven 9 to 4 at Pleasant Haven. (Details on this game were not available).

She is survived by her husband, Joe Peeno; two daughters, Mrs. Lena Depew, Ludlow and Miss Loretta Peeno, at home; a son, Liston at home and a grandchild.

William E. Peebles

William E. Peebles, 89, retired farmer, died Wednesday of last week at the home in which he was born near Bracht Station.

He is survived by three daughters and a son, 13 grandchildren, 43 great-grandchildren and nine great-great-grandchildren.

The daughters of Mrs. Agnes Mullins and Mrs. Claudia Ashcraft, both of Crittenden and Mrs. Grover Young, Covington and the son Charles E. Peebles, Crittenden.

Funeral services were held at 2 p. m. Friday at the Chambers and Grubbs funeral home, Walton, with Rev. John Case officiating. Burial was in the family cemetery.

Mr. and Mrs. Garnett Tolin attended the Derby at Churchill Downs, last Saturday.

Burlington Suffers Defeat At Hands Of Charlie's Cafe

E. & W. Nine Nosed Out By Rock Bar Nine In Sunday Games.

Charlie's Cafe scored an easy victory Sunday over Burlington at the Burlington park trouncing the hosts by a score of 21-4.

Burlington was credited with several costly errors in the game, which accounted for the high scoring of the visitors.

Bill Bishop was on the mound for the winners allowing only six hits, while striking out 12 hitters. The winners collected 24 hits from the offerings of three Burlington hurlers.

E. & W. under the management of Bob Eades, were nosed out by Rock Bar nine by a score of 4-3 at Ludlow Sunday.

Joe Stanley served them up for the winners allowing but five hits, and striking out four. Hogan was on the mound for the losers giving up ten hits while striking out five. McKinney collected the big blow of the game for the winners with a triple, while Smith of the losers drove in a pair of runs with a triple.

Pleasant Haven suffered a sound trouncing at the hands of Bruns Jugs Beer 21-4 at the losers' park Sunday. The winners tallied 22 hits off the pitching of Calhoun and Stephens. Earl Foster and Joe Flaig were on the mound for the winners, allowing 15 hits.

STATE MINISTERS SUBJECT OF CONTEST

Do you have an especially good preacher? Or do you know someone else who does? If so, here's a chance to do that preacher a favor.

The Progressive Farmers and Rev. James W. Sells are sponsoring a contest to select the 14 best preachers in the South. Details of the contest are announced in the May issue of the magazine. One will be chosen from each of the following states: Virginia, North Carolina, South Carolinia, Georgia, Florida, Alabama, Tennessee, West Virginia, Kentucky, Arkansas, Mississippi, Louisiana, Texas and Oklahoma.

Each preacher selected will be given a free scholarship to the Town and Country School for Religious Workers, Emory University, Atlanta, Georgia July 4-21. The scholarship will cover tuition, board, and cost of room for this nonsectarian school.

Anyone who wishes may write a a letter nominating a preacher as the best in his state. Letters may be long or short. Just tell why you think the preacher you nominate should be selected as the best for your state. List the outstanding things he has done for the community and the church. Tell why he deserves this honor and why he should receive the scholarship. No letter will be considered unless it is signed by the writer.

Nominations must be in by June 10. Mail letters to Rev. James W. Sells, The Progressive Farmer, at the nearest office, Dallas, Memphis, Birmingham or Raleigh.

BASS TO BE DISTRIBUTED

Distribution of bass fry to Kentucky farm ponds and to sportsmen's clubs rearing ponds will be in full sway within two or three weeks, Mindt Clark, superintendent of Fisheries Department of the Division of Game and Fish announced Monday. The early hatch at the state-operated hatcheries at Glasgow and Williamsburg, is reported as good and unless unfavorable weather develops, the hatch this spring is expected to exceed the more than one million that were taken from these hatcheries last year.

Distribution again will be by districts and when applicants are notified to pick up their quotas in the county seats it is imperative that they report promptly since only one distribution will be made this year. Every county in the state is to be visited in a period of about six weeks, Clark warned, and it will be impossible to make more than one trip to each county seat. He warned that if bass are not added to those ponds already stocked with bream at the appointed time, then the pond is apt to become out of balance, thus ruining its fishing possibilities. The first hatches already have come off, Clark reports, and is running ahead of early hatches of last year. He contends that if favorable weather continues, he believes an all time production of bass will be taken from the hatcheries.

RECIPE OF THE WEEK

A combination of hard-cooked eggs, and one of several varieties of canned fish makes a good supper or luncheon dish. Although this recipe calls for shrimp, Mrs. Pearl Haak, food specialist at the College of Agriculture and Home Economics, University of Kentucky, says tuna fish or salmon may be used.

Scalloped Eggs and Shrimp

2 tablespoons butter, 2 tablespoons flour, 1 cup milk, 1 teaspoon salt, hard cooked eggs, 1 small can shrimp, ½ cup breadcrumbs.

Make a white sauce of milk, flour, butter and salt. In a greased baking dish, alternate layers of sliced egg, shrimp, white sauce and buttered crumbs. Garnish the top with a few whole shrimp and sliced eggs. Bake 15 minutes in moderate oven, 350 degrees. Makes 6 servings.

Menu: Scalloped eggs and shrimp, parsley-buttered potatoes, spring onions and radishes, corn muffins, butter, frozen peaches and cup cakes.

Kentucky On The March

By Ewing Galloway

Highway Commissioner John A. Keck's get-going-or-get-out ultimatum to the two thousand road maintenance employees made new history in Kentucky's governmental affairs.

Rousing cheers for Mr. Keck for issuing the order and for Gov. Clements for backing him up. Let's hope other department heads will follow suit, also officials in other states. The slowdown of people on political payrolls is universal.

The other day I drove past a crew of six Kentucky Maintenance men sitting on a roadside talking, with their truck parked on the shoulder. I looked at my watch and it was 1:35 p. m. That is an example that might be multiplied many times. Recently I saw an 8-man crew on a highway contract job. Six were sitting down gossiping, two were puttering with small tools. The wages of these men came indirectly from the taxpayers of Kentucky.

The same condition prevails in private work everywhere. During the war many were hired under the cost-plus rule and told to sit down. And since the war labor has been so scarce that if you fired a loafer he knew he could get a job next day, or he would start drawing unemployment pay. If you hired a drifter to mow your lawn, a two-hour job, he would make a day of it, knowing that if you fired him the work would not be done unless you did it yourself.

Some months ago one of the four largest motor car manufacturing concerns reported that manpower production in its factories was 32 per cent below pre-war normal. If you have been around quite a bit you probably figure that 32 per cent is a good average for the whole nation. I am sure the slowdown in Kentucky has been that much. If you think I am wrong, make your own estimate.

I recall only one precedent for Mr. Keck's ultimatum. Back in the bottom of the depression Park Commissioner Robert Moses of New York City got several thousand WPA workers for civic improvement jobs. Thinking they could loaf all they pleased, many of the men started leaning on their shovels or sitting on their wheelbarrows. Moses blew his top.

"Go to work or be fired," was the commissioner's ultimatum. The loafers appealed to the mayor, who in turn took their beef to Washington. Moses stood pat and won. In the next five years New York got more civic improvements than any other community ever got in a similar period of time.

Of course Keck's explosion is not meant as an indictment of everybody in the highway maintenance department. There are laborers who are naturally industrious, willing to do honest work, but are slowed down by so-called fellow workers. There are some district and county engineers, bosses who may be doing all they can to get results but are unable to make their employees work when nobody in authority is looking. Bosses have kept undesirable help on their payrolls because they couldn't get better. Now laborers are not as scarce as they were a few months ago and there are fewer excuses for employing loafers.

More power to Commissioner Keck, Gov. Clements, and may their example be followed by officials in all branches of the state government. And let us all hope that the Keck bee shall will move county judges and county road engineers to issue step-lively-or-else orders and mean it.

Dairy Fly Spray Recommendations Given By Co. Agent

For several years DDT has been used successfully to control flies on cattle and in farm buildings. The Federal Food and Drug Administration has recently advised that the small amounts of DDT secreted in the milk of animals treated with this chemical is objectionable. While no cases of injury to humans are known from drinking milk containing DDT, it is thought that continued use of commodities containing DDT might eventually prove harmful. The following recommendations are given for the 1949 season, according to Bill Davis, County Agent.

Methoxychlor, a new insecticide, is not secreated to any appreciable extent in the milk, and according to the Food and Drug Administration, would probably not be objectionable from the health standpoint.

Methoxychlor is a little more expensive than DDT and has less residual action, but will give good fly control if used every 2 or 3 weeks during the fly period.

Animals not in milk production and beef animals that will not be immediately slaughtered for meat can be treated with DDT according to previous recommendations given in Kentucky Circular No. 438.

Dairy cows, in milk production and beef animals to be slaughtered soon can be sprayed with methoxychlor (50% wettable powder) at the rate of 5 level tablespoonfuls to 1 gallon; 2 pounds to 25 gallons, or 8 pounds to 100 gallons of water. Approximately two quarts of the finished spray per mature animal should be used and applications should be made at intervals of about 3 weeks during the fly season.

The inside of the barn where dairy animals are kept should be sprayed with methoxychlord, (50% wettable powder) at the rate of 10 pounds to 25 gallons of water and in the same manner as is recommended for DDT treatment. Apply the spray under low pressure and with a fanpattern nozzle at a rate sufficient to cover the surface area without runoff. The outside of the barn, especially the area around the doors and windows, the fences near the barn, wooden gates, posts and manure piles as well as outbuildings such as hog houses, hen houses, calves' hutsts and feeding sheds should be sprayed with DDT (50% wettable powder) at the rate of 10 pounds to 25 gallons of water.

Screen all doors and windows to the dairy barn and keep the screens well treated with a solution of 5% DDT in oil. This can be applied with a brush. Also practice the usual sanitary measures for fly control. These include hauling and spreading manure once or twice weekly.

Before spraying the inside of the dairy barn cover the feed troughs, water fountains, and any exposed feed with some kind of material that will prevent contamination. Two or three thicknesses of newspapers will serve the purpose very well.

James L. McNeely Named Vice President of Banking Company of Monticello

W. L. Baker, president of The Monticello Banking Company, announced the election of James L. McNeely as Vice President of The Monticello Banking Company and the recent promotion of Owen G. Wilhite as cashier and Jack C. Phillips as assistant cashier of that institution.

Mr. McNeely, who is 33 years of age, has been, for the past several years, cashier of the Camargo Bank of Maderia, Ohio, a suburb of Cincinnati. He is a native of Boone County, Kentucky, where his father is cashier of the Citizens Bank, Grant, Ky.

Mr. McNeely is a graduate of Western State Teachers College of Bowling Green, is married and has three children. He assumed his duties on May 1st.

Mr. Baker added that the Board of Directors felt it wise to shift the increasing responsibility to the younger executives of the institution and felt that Mr. McNeely, Mr. Wilhite and Mr. Phillips would constitute a working team which would continue the sound operation and service for the people of Wayne County which has characterized The Monticello Banking Company in more than 54 years of existence.

Kasper J. Lehmann

Requiem High Mass was sung at 9:30 a. m. Monday at St. Henry Church, Erlanger for Kasper J. Lehman, 82, of Elsmere, who died Thursday at his home.

Mr. Lehmann operated a shoe repair shop in Erlanger for more than 30 years and was well known to residents of Boone County.

He is survived by his widow, Mrs. Mary Lehman, a daughter, Miss Camilla Lehmann, Elsmere and a sister, Mrs. Minnie Brue, Switzerland.

Cows Sell High At Sandlin Auction May 7

The dairy cattle auction of Ed Sandlin of U. S. 42 near Union, Ky., held Saturday May 7th was very successful, according to Col. Chas. M. Troost, auctioneer of Florence, who was in charge of the sale.

Cows sold for an average of $329.50 with the highest priced cow bringing $527.50 and the highest priced heifer bringing $355.00.

Mr. Sandlin was well pleased with the sale, and extends best wishes to purchasers of the herd.

COWS PRODUCE MORE

By following recommended practices in caring for their herd of 18 grade and registered Holstein cows, John Burns and Sons of Louisa, Lawrence county, increased the herd milk production by 1,300 pounds in one year, they told Farm Agent James F. Moore. In 1947 the herd average was 8,100 pounds; a year later the yhad increased it to 9,300 pounds. Each cow's feed ration was based on the records of her production as kept by the dairymen.

UK ANNOUNCES SUMMER SCHOOL DATES, PROGRAM

The University of Kentucky's 1949 summer session will open June 20 and close August 13, Dr. Maurice F. Seay, dean of the University, announced last week. There will be ample dormitory space for both men and women students, and the University will maintain adequate dining facilities all during the summer term, he said.

A complete schedule of undergraduate courses will be offered in each of the University's seven colleges and, in addition, many departments will offer special courses and clinics designed primarily for teachers.

Serving as visiting professor of music during the summer session will be Prof. Louis H. Diercks of Ohio State University, who will conduct a workshop in choral techniques and choral ballet.

The College of Education, in addition to its regularly scheduled courses, is offering a series of special workshops on such subjects as elementary school leadership, business education, audio-visual aids, driver training and safety education. Dr. H. L. Carwell, dean of Teachers College, Columbia University, will conduct one of these workshops.

Of special interest to social studies teachers will be a Foreign Affairs Institute sponsored by the Political Science Department. The Institute will include various courses in world politics, international relations, current events, and a special course on the United Nations. Several internationally known speakers have been invited to serve as guest lecturers.

In addition to the complete academic schedule, a full program of recreational activities will be offered. These include weekly outdoor movies, frequent musical programs planned tours to points of interest, and instruction in a variety of individual and team sports.

Judgment Day

Lesson for May 15, 1949

FORTY DIFFERENT Christian denominations sponsor this column, although it goes without saying that not all of the millions of Christians in those denominations would agree point for point with everything that is said here. Now if the reader could interview one leading Bible expert from each of these 40 denominations, and ask each one the same question:

Dr. Foreman

"In your personal opinion, exactly what is the meaning of Mark 13?" you might not get 40 different answers, but you certainly would get more than one.

There is no chapter in the Bible that has been the subject of more arguments than this one, and no arguments have ever been more useless than these.

Leaving extreme views aside, let us try to discover some meanings which all 40 denominations would find in this chapter, some truths on which all reasonable Christians can agree.

• • •

A Certain Fact

IN JESUS' view one thing is certain: God's judgment on this world and on all persons in it. Christian churches have different ideas about what happens after death. We have different ideas about how the judgment is to be carried out, or where it will be held, or when. But that every man will have to give account of himself before God is something Christians believe.

Your true unbeliever is not the person who goes around saying there is no God. A more subtle and dangerous form of unbelief is in the person who takes the Christian creed upon his lips but lives as if the creed were a lie.

He repeats the Apostles' Creed: "From thence he shall come to judge the quick and the dead." If those words are sincerely spoken, the believer will honestly try to please God above all others. But the unbeliever, whatever his words may say, shows that he does not believe by the fact that he tries to please, first of all, either himself or his family or his neighbors, and not God above all.

• • •

An Uncertain Time

IT IS ONLY children who think that if something doesn't happen Now, it will never happen. Now and never are not the only times on God's clock. When will the judgment be? The disciples wanted to know, but Jesus did not tell them. He did not claim to know, himself, when it would be (Mark 13:32.) What he did say was, Watch! There is a sense in which God's judgments are going on all the time. The end of your world will come in your own lifetime, whoever you are; for there is not much difference whether the world folds up and leaves you or whether you fold up and leave the world.

Death is the end of the world for every one who dies. Further, whenever a person suffers by and because of his own wrong-doing, here in this life and on this earth, God is judging him by the eternal moral laws which are the very warp and filling of the fabric of life.

There is also a sense in which God judges societies and nations. We have recently seen how terrible a judgment Germany drew down on its head. The nation that takes the sword shall perish by the sword. The nation that sets out to enslave others by force will come under the same death-sentence that cut down Assyria and Rome and Japan and Germany. But not all God's judgments are on this earth. "God does not settle all his accounts in October." There is a final accounting, and no man, in this life or any other, can escape that solemn meeting with God.

• • •

The Only Judge

TWO THINGS are sure. One is that the only true judge of any man is God. The man himself is partial, his friends are partial, his enemies are prejudiced against him. Further, no one knows all the facts but God. Only God knows what a man's motives are; only God can trace to their final end all the consequenses that flow from a man's act.

Clyde Halcomb Dies Of Injuries Received In Accident Sunday

Victims Suffers Skull and Jaw Fractures In East Bend Road Crash.

Clyde Holcomb, 38, of East Bend Road, suffered a skull fracture, cuts and bruises about the face and body in an auto accident early Sunday evening on East Bend road, three miles south of Burlington.

The accident occurred when the car driven by Herman Sumpter, also of East Bend Road, failed to negotiate a curve, striking a tree. Sumpter escaped with minor injuries. The car was demolished in the accident, according to Sheriff R. I. Rouse, who was summoned to the scene.

Halcomb was picked up by a passing motorist and taken to the office of Dr. M. A. Yelton for treatment. However, due to his serious condition he was rushed to St. Elizabeth Hospital in the ambulance of Ralph Stith, Florence funeral director, where he died Monday night at 11:30.

Halcomb, a native of Letcher County, is survived by his parents, Mr. and Mrs. D. D. Halcomb, nine brothers and sisters.

Chambers and Grubbs, Florence funeral directors are in charge of arrangements.

Eight Injured Saturday

Eight persons suffered minor injuries in an automobile accident on Big Bone Road near Union, Saturday night when the steering apparatus apparently locked causing the vehicle to plunge from the road. Those treated at Booth Hospital for injuries were Bert Marsh, 39 and his wife, Carrene, 31 of Taylor Mill road, Kenton County; Mrs. Marsh's parents, Elie Ford, 73, and Mrs. Minnie Ford, 63, both of Big Bone and four of the Marsh children. Two of the passengers escaped injury it was reported.

The injured were removed to Booth Hospital in an ambulance of the Stith funeral home, Florence.

The Ladies' Aid of Hebron Lutheran Church are giving the annual Decoration Day dinner in the dining room of the church. Serving from 11 to 4.

If you want a delicious baked ham or chicken dinner with all the trimmings and spend a nice social hour, this is the place to come. Donation, adults $1.00, children 50c.

Blue Mold In Plant Beds Should Be Treated Immediately

According to Bill Davis, County Agent; Control Measures Given.

Blue mold has appeared in plant beds in Boone County and treatment to prevent the disease should be started immediately, according to Bill Davis, County Agent.

The use of Fermate or Dithane Z-78 has given excellent control in past years. Parzate has also been effective in control.

Beds should be sprayed or dusted twice a week and after every rain until setting is completed. For a bed 100 feet long and 9 feet wide, 1½-2 pounds of the material should be enough for the season if used as a spray. About 20 pounds of diluated dust of Fermate or Dithane Z-78 should be sufficient if dusting is used.

To make a spray use 3 level tablespoons of Fermate in 1 gallon of water of ½ pound Fermate in 25 gallons of water. If Dithane Z-78 or Parzate is used follow directions on the package.

Do not use material diluted for dusting in a sprayer and do not use a sprayer that has been used to spray 2-4-D.

Apply 4 to 6 gallons of spray on a bed 100 feet long and 9 feet wide. Remove the canvas and apply in such a manner as to cover the entire plant, paying particular attention to the undersides of the leaves.

If dusting is prefered use a ready-mixed dust of Fermate or Dithane Z-78 or prepare your own dust by mixing 1 pound of Fermate or ½ pound of Dithane X-78 in 5½ lbs. of talc. Do not dilute with lime.

Apply 2-3 pounds of dust to a bed 100 feet long and 9 feet wide. Apply with a good rotary duster.

Avoid breathing spray drift or dust, as it is irritating. Fermate is inflammable and explosive; do not mix or handle it near flame or sparks.

Burlington Eagles Will Stage Intra-Squad Game Saturday Night

Highlight of a two-week spring basketball practice by the Burlington Eagles will be an intra-squad game Saturday night at the local gym. The Blues vs. The Whites game will be open to the public and will give next year's fans an opportunity to look over the prospects.

According to Coach Maurer the starting fives will be:

Blues—Cave, f; Patterson, f; G. Rouse, c; Cropper g; Walton, g.

Whites—Ockerman, f; A. Rouse, f; McBee, c; J. Ryle, g; E. Ryle, g.

Others scheduled to see action are McFarland, Deck, W. Ryle, G. Ryle, Kelly, J. Patterson, Holbrook, Brown, Lustenberg, Dringenburg and Jones.

Orlie Burroughs

Funeral services for Orlie B. Burroughs, Union, Ky., were held at 10:30 a. m. Monday at the Tallaferro funeral home, Erlanger. Burial was in Forest Lawn Cemetery, Erlanger.

Mrs. Burroughs, who was an employee of the Western Union Telegraph Co., Cincinnati, passed away Thursday at his home.

He was a member of Good Faith Lodge No. 95, F. & A. M., Erlanger.

He is survives by his mother, Mrs. Junie Burroughs, Union, two uncles and four aunts.

Farmers Urged To Complete Wheat Allotment Forms

Information Important To Farm Program of Boone County.

Many Boone County farmers have not yet completed the necessary forms concerning the proposed wheat allotment program. These forms were mailed out sometime ago by the County A. C. A. office and those producers who have not yet completed them should do so immediately.

Also, some papers have been returned to the office without being fully filled out. If wheat has been sowed for any purpose in the last three years the information sheet should be filled out for the acreage of all crops and pasture, and not just for the wheat acreage.

It is important to the future farm program of Boone County that this information be furnished promptly and accurately. All Boone County farmers who have not already completed these forms, are urged to mail them in or bring them to the office not later than Friday, May 20th.

New Elsmere School Dedicated Sunday, May 15

Dedical services for the new Wilkins Heights School, Elsmere were held at 3 p. m. Sunday, with the Northern Kentucky Junior Order Council presenting a flag and flagpole for use at the new school.

The new building, a $45,000 structure contains two classrooms and an auditorium. Classes have been conducted in the building since last September, according to Edgar Arnett, superintendent of Erlanger-Elsmere schools.

Rev. R. D. Wess, pastor of the Byrd Street Baptist Church, Lockland, Ohio, was the speaker.

Robert Bradford

Funeral services for Rabort Bradford, lifelong resident of Boone County, who died Tuesday of last week at his home in Hebron were held at 2:00 p. m. Thursday at the Catherman funeral home, Ludlow. Burial was in Evergreen Cemetery, Southgate.

Mr. Bradford was well known throughout this section, and was employed as a salesman for the H. J. Heinz Co.

He is survived by eight neices and three nephews.

Bob & Gene To Play Bavarians In Night Game

Bob & Gene's nine under the management of Bob Eades will meet the strong Bavarian nine of the Buckeye Semipro League in first night game of the season Friday, May 20th at 8:30 p. m., it was announced this week.

The game will be played at the Covington field which has recently been completely renovated. Lighting facilities of the field are said to be equal to Crosley Field, Cincinnati, with seating capacity of 3400. Mr. Eades reports that $53,000 has been spent to equip the grounds, and that night games will be featured throughout the season.

Official opening of the field is scheduled for June 3rd.

Commencement Exercises Announced By County Schools

Burlington Exercises Will Be Week Later Than Other Schools.

The commencement activities of New Haven will begin Sunday, May 22, with the baccalaureate services. The Reverend H. L. Wainscott, pastor of Big Bone Baptist Church, will deliver the address. T. C. Crume will assist by giving the invocation and the benediction. A community choir, directed by Mrs. H. R. Anderson, will present special music. They will sing "Stranger of Galilee," "Arise, O Youth of God," and "Who Will My Pilot Be?" Miss Mary Glenn Newman will be soloist.

The second feature of the commencement will be the students' own night—Class Night. The seniors have prepared a short play, "The Cruise of the Dixie Belle," which they hope will be different and long remembered by those who see it. Among the characters you will see will be an old sea captain, a lawyer, two negro porters, a hillbilly and his country cousins, the Spirit of the Class of '49, and many others. This program under the direction of Mrs. Ruth Mason, class sponsor, will be given Tuesday, May 24.

The final, and to the seniors most important, event will be the commencement program, Friday, May 27. Dr. W. F. O'Donnell, president of Eastern Kentucky State College, will deliver the commencement address. The class is hoping also, to have as their guest for the night Mr. Ellis Frakes, baritone soloist of Cincinnati.

All events of this week will be held in the high school auditorium at 8:00 p. m.

Florence School

The Commencement Week activities of the Florence High School will begin Sunday evening, May 22, when the baccalaureate services will be held in the school auditorium. The sermon will be delivered by Rev. H. L. Reid, pastor of the Florence Christian Church. Music for this occasion will be supplied by the High School Glee Club.

The annual Class Night festivities will take place Wednesday evening, May 25, at the school. This evening of fun and fellowship is eagerly anticipated by the students.

Commencement exercises will be held Friday night, May 27, in the school auditorium. Dr. Kennemar of Eastern State College will be the guest speaker. All friends and patrons of the graduates are urged to attend.

Burlington School

Dr. L. J. Horlacher ,assistant dean of agriculture at the University of Kentucky, will deliver the main address at commencement exercises for Burlington High School, to be held at the Fairgrounds' stadium, Burlington, at 8:00 p. m. Friday evening, June 3.

Dean Horlacher is the father of Miss Frances Horlacher, Burlington home economics teacher. He is a graduate of Purdue University and the Kansas State College and has his doctor's degree from the University of Chicago. He has been a member of the University of Kentucky faculty for the past thirty years. During 1948-49 he served as consultant in the United States Office of Education. He is the author of two books and has written several bulletins for the Kentucky Experiment Station.

Final arrangements are being made for the commencement exercises and the program was announced as follows:

Processional—Brass Ensemble.

Invocation—Rev. Roy A. Johnson.

Music—Brass Ensemble.

Valedictory Address — Lealand Sullivan.

Music—Bill McBee, Jimmy Ryle, John Cropper.

Introduction of Speaker—Miss Jean Welch.

Main Address—Dr. L. J. Horlacher

Music—Mary E. Presser.

Presentation of Awards — Mr. Ralph Maurer.

Presentation of Class and Diplomas—Mr. Edwin Walton / Benediction—Rev. Tony Conley.

Class Night exercises have been planned for Wednesday, June 1st. Baccalaureate services will be held Sunday, May 29th at Burlington Baptist Church with Rev. R. A. Johnson, as speaker.

Hebron School

The Hebron senior play "Duding for Ducats" will be presented Friday night, May 20th at 8 p. m.

The baccalaureate service will be held, as the custom is, in the Hebron Lutheran Church Sunday night, May 22. The pastor, Rev. J. E. Stomberger D. D. will give the message.

A very interesting and amusing "Class Night" will be given Wednesday night, May 25 by the seniors.

And the conclusion of all activities for the seniors will be the commencement exercises Friday night, May 27th. The speaker will be Dr. Paul B. Clark.

The honor graduate of Hebron this year is John Ed Carver. He is president of the senior class and of the Hi-Y, played basketball four years, football this year, a member of the Hebron band and also plays the piano. He is an all-around student.

Kirtley Cropper Named Chairman Of Hospital Drive

Dan Roberts of Walton To Serve As Co-Chairman.

Kirtley Cropper, of Burlington, has been appointed as Boone County chairman for Booth Hospital's Annual Maintenance Appeal. Mr. Cropper will be assisted by Dan Roberts as co-chairman, of Walton, Ky. Following their appointment Cropper and Roberts have enlisted a large number of Boone County's leading citizens as district leaders and workers. Mr. Cropper said they are very pleased with the response for workers, and that they have a well-knit organization covering the entire County.

The Booth campaign opened Tuesday evening with a kick-off dinner for workers. The dinner was held at the Masonic Temple in Covington, Ky. The campaign covers some six counties including Kenton, Campbell, Boone, Grant, Gallatin and Pendleton. Mr. J Wayne Rusk, Jr. is general chairman for the campaign and the campaign work is being directed by R. D. Martin, Public Relation Director for the hospital.

The program consisted of the showing of a sound movie called "You are the Doctor." The principal address of the evening was delivered by S. A. Ruskjer, administrator of the Waverly Hills Sanatorium, Louisville, Ky. The leaders and workers in the campaign were presented by Mr. Rusk. Dinner music was supplied by the Salvation Army instrumental sextette. There was great enthusiasm evident in the meeting an dthe workers were optimistic and confident of obtaining the goal of the campaign which is $54,000.

During the next two weeks some 700 workers will go afield soliciting funds for the hospital. The goal of the campaign is determined largely by the amount of free service and hospital care extended to patients during the previous year who are financially unable to meet their hospitalization needs.

Booth hospital has a host of warm friends throughout the six counties and a generous response is anticipated for this worthy cause.

On Thursday evening, May 12th, Cropper and Roberts conducted a meeting for Boone County workers at the Burlington Grill. A large number of their district leaders and workers were present at this meeting, at which time they received working instructions and their work material assignments. R. D. Martin, who was present at this meeting along with Sr. Major Alvena Wood, Superintendent of Booth Hospital, expressed great satisfaction at the interest and enthusiasm of those present.

Following are the leaders and workers for Boone county: Kirtley Cropper, Dan Roberts, Mrs. A. E. Stephens, Mrs. Clayton Brown, Mrs. Harry Ashcraft, Mr. and Mrs. Raymond Witham, Mrs. Mark Holladay, Mrs. Everett Jones, Mrs. Cam White, Mrs. Albert Stevens, Mrs. Lucinda Abernathy, Mrs. Bruce Wallace, Mrs. Chas. Ransler, Mrs. Edith Stephenson, Mrs. Marie Kendall, Mrs. Blanche Roberts, Anna Louise

Cecil Presser Tosses Hat In Ring For County Jailer

Has Operated County Grader For Past Twenty-Three Years.

Cecil Presser, of Union, Ky., officially announces his candidacy for Jailer of Boone County in this issue of The Recorder, subject to action of the Democratic primary, Saturday, August 6, 1949.

Mr. Presser has lived in Boone County all of his life and has worked on the Boone County roads, operating the grader for twenty-three years.

He is known by many of the citizens as "PI" Presser.

He is a veteran of World War I, being the fourth man called from the County.

Mr. Presser makes the following statement:

"I request that the voters of the County will support me in my campaign for jailer of Boone County and assure you if elected, I will put forth all effort to fill the office capably and efficiently.

"I shall try to see all the voters before the election, though it may not be possible, as I shall continue my work on the road. However, I shall be most appreciative of all assistance given me."

Don Vest Pitches No-Hitter Saturday In Knothole Game

Winning Over Petersburg By Score of 12-0 At Loser's Park.

Don Vest, Walton knothole hurler chalked up a no-run, no hit game against the Petersburg knotholers in the Boone County Knothole league Saturday, trouncing the Petersburg boys by a score of 12-0 on the loser's grounds.

Vest's teammates collected 12 runs, and 14 hits against the offerings of Smith and Walston, Petersburg hurlers, committed but one error while Petersburg had five miscues.

Harold Campbell led the attack for Walton with 3 hits out of three times at bat.

There are ten teams in the league, but the above game was the only one reported to this office.

Carl E. Williams, Jr., seaman apprentice, USN, of 18 New Uri Ave., Florence, Ky., is scheduled to arrive in Norfolk, Va., May 24, after a five month cruise in the Mediterranean aboard the destroyer USS Gearing.

Earlier this month he visited the French Riviera and Oran, Algeria, prior to bidding farewell to Europe at the Rock of Gibraltar and sailing for home.

The Gearing has been operating with the Sixth Task Fleet, which is a part of the forces under the operational control of Admiral Richard L. Conolly, the Commander-in-Chief of Naval Forces, Eastern Atlantic and Mediterranean.

Burlington Church Will Receive New Members Sun.

The Burlington Baptist Church is planning special services Sunday morning May 22, to receive members who have united with the church during the past month. There are a number who have been baptized and others who have united by letter. The pastor states that he is planning a very special message for the hour his subject being, "The Bride of Christ." All members of the church are asked to be present if possible.

During this service Bibles will be presented to all who have been baptized, a church covenant and a certificate of baptism. The pastor urges every member of the Burlington Baptist Church to make plans now for this day.

Two Room House Destroyed By Fire At Florence Friday

Furniture of Veteran Stored In Building, According To Reports.

A two-room building in the rear of Litrell's Shoe Repair Shop, Florence was destroyed by fire early Friday evening. Damage was estimated at $3,000.

The building of frame construction was a mass of flames before it was discovered, and efforts of the Florence Volunteer Fire Department were futile. However, the firemen were able to prevent the spreading of flames, and prevented nearby buildings from being damaged.

The structure owned by Joe Litrell contained furniture of Robert Bowman, a crippled veteran, who was planning to move into a nearby house within a few days. All of the furniture was destroyed in the blaze, which according to reports was not insured.

Firemen were of the opinion that the blaze was started from defective wiring.

60-Acre Tract Sold

W. L. Rybolt sold 60 acres off the front of his farm along Highway 18, southeast of Limaburg to H. H. Reeves, of Covington. The improvements consist of a large two-story house, dairy barn, silo, milk house and other building. The sale included Mr. Rybolt's interest in the dairy cattle, milking equipment and some farm tools. Purchaser assumes tenant and takes immediate possession.

This is one of the best located farms along the Highway between Burlington and Florence.

The sale was made through the A. B. Renaker Agency.

Burlington Takes Game From Newport Merchants Sunday

Pleasant Haven and E. & W. Suffer Defeat By Out-of-County Teams.

Burlington, playing splendid baseball trounced the Newport Merchants Sunday by a score of 3-2 at the winner's park in 11 innings. Johnny, Woods, on the hill for the Burlington team gave up but six hits, striking out nine. Bob Menkedick hurled for the Merchants and was touched for eight hits, and struck out eight. Jimmy Ryle, led the Burlington attack with a single and triple in four times at bat. Bertke paced the losers with a single and double.

Burlington's winning tally in the eleventh came when King singled and stole second as Steward fanned and then rode home on Jim Ryle's single thru the infield.

Boone County's E. & W. Truck team suffered defeat at the hands of Charlie's Cafe in a close game by a score of 3-2 at the Golden Rod Park. Westerman was on the hill for six innings for the losers, allowing six hits, while fanning five. He was relieved by Pund. Bill Bishop served them up for the winners, allowing only five hits and striking out 12.

Pleasant Haven suffered defeat at the hands of the State Realty nine Sunday by a score of 12-9 at the Pleasant Haven park. The winner collected a total of 14 hits from the offering of Tolphant. Vermillion, Harler and Andress divided mound duties for the winners and gave up seven hits while striking out 12.

W. S. C. S. MEETS

The "Day Group" and the "Evening Circle" of the Women's Society of Christian Service of the Florence M. E. Church held a joint session at the church recently. The meeting opened with the song "I Would Be Like Jesus" followed with prayer by Mrs. Mary Carpenter.

Mrs. Paul Chaney, president of the Day Group presided over the business session during which various reports were given. Mrs. Chaney gave interesting highlights of the State W. S. C. S. conference which recently convened in Lexington. The meeting was dismissed with prayer by Mrs. H. R. Daugherty.

Mrs. Betty Hash and Mrs. John Rhouse of the Evening Circle were hostesses and dispensed delicious refreshments. Members attending of the Day Group were Mesdames Paul Chaney, Nannie Mitchell, Geo. Miller, Ethel Daugherty, Kathryn Oliver, Eva Miller, Allie Markesberry, C. A. McKibben, Lolla Allen, Helen Bethel, Ella Bethel and Marie Thompson. Members of the Evening Circle attending were Misses Charlotte Marshall and Sophia Jacobs, Mesdames Mary Carpenter, Elsie Bininger, Viola Idol, Betty Hash, John Rhouse, Christine Pollitt and Marion Lucas.

Twenty Years From Now

N. TULCH
Foot Comfort Specialist at—
PEOPLE'S SHOE STORE
814-816 Madison, Covington

Will they thank you for good strong feet?

Oh, you mother of a child—you want his manners to be nice, you want his brain to be quick, you want his hands to be agile—but don't you want his feet to be sturdy and true, well-shaped and graceful? Are those of your daughter?

You mother of a child, twenty years from now his feet will be walking up to get a diploma, or confidently marching in to get a job, maybe walking up to an old church altar to meet a bride in white. (Or it may be the bride herself.) Your child may never thank you for good strong feet, he'll take them as a matter of fact, but what will he think if they're not good strong feet? Sure he'll still love you—but "why didn't mother MAKE sure? I was growing up right!"

It is a responsibility, just one of the many a mother takes on when she brings a child into the world. Ad?

Oil Men Elect County Committee Officers

At a meeting of the Boone County Petroleum Industries Committee held at the Chamber of Commerce in Covington last week, Elmo Baker of the Arina Oil Company, Glencoe, was elected chairman of the group. Other Boone County officers elected were W. L. McRee, Gulf oil dealer, Burlington, vice chairman and Clayton Renaker, Standard Oil dealer, Verona.

Chairmen of the other County committees elected at the joint meeting included Earl Ballard, Newport, for Campbell County, J. E. Webb, Williamstown, for Grant County, T. C. Russell, Covington, for Kenton County, and J. R. Hampton, Falmouth, for Pendleton County.

The group went on record as deploring Kentucky's 7-cent gasoline tax which is 3 cents higher than Missouri's, 2 cents higher than Illinois and 3 cents higher than Indiana and Ohio. Other items in the Committee's seven-point program endorsed at the meeting were support of a long range Kentucky highway plan, equitable municipal taxes, elimination of gasoline tax evasion, free enterprise on any limited access highways built in Kentucky, intensive highway safety promotion and repeal of the federal tax of 1½ cents on gasoline and 6 cents a gallon on oil.

The principal speaker of the evening was Herbert L. Clay, of Louisville, Executive Secretary of the Kentucky Petroleum Industries Committee, who said the 1400 Kentucky oil men were active in the 120 county committees of the state group. He urged even closer co-operation and effort in safeguarding the interests of Kentucky motorists. He pointed out that the state gasoline tax bill of a Kentuckian using 800 gallons at 7 cents is $56.00 per year, while a Missourian pays only $16.00, and motorists of Illinois pay $24.00. Indianians and Ohioans $32.00 a year.

Lack of a long range state highway development plans has resulted in our having today no through arterial roads in first class condition," Clay said. He told the meeting that the state oil group has endorsed the constitutional amendment to raise state salary limits and urged its support at the voting booths next November.

In summing up, Mr. Clay urged that "in these days of high prices and expanding tax bills, the ability of the taxpayer to pay should be fully considered along with public insistence that every dollar collected should be economically and frugally expended."

Three Teams Remain On Undefeated List In Saturday League

Hebron Belleview, Sand Run, Petersburg And Constance Win.

Hebron showed signs of having one of the better teams in the Boone County Saturday Afternoon Baseball League last week when they hung up a 6 to 0 whitewash on Pleasant Haven at the Hebron grounds. It was Hogan all the way with Barney pitching the three-hit shutout and brother Joe doing the receiving.

The Hebron support was outstanding and Bob Marshall, Dick Gaines and Joe Hogan did the stick work.

The Gullion brothers did Pleasant Haven's pitching with Howard behind the bat.

Manager Myron Garnett, of Hebron reported that the official umpire for the game was injured in the opening inning and his place was taken by Carmen and Edgar "Cuddy" Goodridge who performed like "Beans Reardons."

Belleview Again

Belleview kept up its winning ways with a 10-7 victory over Big Bone at the loser's park. Cason started for Belleview and was relieved by Bob Williamson. For Big Bone Black started and was followed by Readnour.

Lafe Miller and Alan White led the winner's attack, the former with a long homer and a double and the latter with a four-for-four day at the plate. Miller and Pitcher had two hits each for Big Bone.

Constance Wins

Constance teed off on three Burlington hurlers for 18 runs on 14 hits and pasted the locals by an 18 to six count at the loser's lot. Brown, Smith and Akins tossed them up for Burlington with Bloebaum going all the way for Constance. Burlington committed eight miscues in the field meet.

Sand Run Over Florence

Sand Run marked up another victory Saturday with a 7-5 win over Florence at the winner's park. Pepper was the starting and winning pitcher though relieved by Jimmy Smith in the late innings. The two allowed only six scattered hits. Utz for the losers gave only five hits.

Petersburg Wins

Petersburg defeated Union in a slugfest at the loser's park Saturday. Details of this game were not reported.

New Griffin Rendering Plant Now In Operation

John L. Griffin, Jr., the owner of Griffin Fertilizer Co., which has operated in this county for the past three years removing dead stock from the various farms, announces the completion of a new rendering plan near Butler in Pendleton County. This new plant will process the material brought in by the seven trucks which the company has in operation every day, keeping the countryside clean of dead animals.

This new plant is modern in every respect, and kept clean and sanitary at all times. The public is invited to inspect the plant at any time, and see for themselves just what happens to that dead horse or cow removed from their farm by the Griffin Fertilizer Co. truck.

The finished product of this new plant is tankage, a feed for hogs and chickens. Mr. Griffin will sell the tankage to the farmers at wholesale prices.

As a souvenir of the opening of this new plant, the Griffin Fertilizer Co. is offering absolutely free a fine outside weather thermometer to any customer who calls them to remove a dead or disabled animal.

Mr. Griffin is a local man and appreciates any support his fellow Kentuckians can give him.

Poppy Day Set For May 28th In Boone County

All People of County Asked to Wear Poppy In Remembrance of Dead

Where the poples grow and flourish, the dust becomes hallowed, and the ashes sacred. Warriors and heroes alike have fallen in battles throughout the ages, but until the Flanders' Poppy marked their resting place, there was no living symbol to be a reminder of the supreme sacrifice for right and country.

On the Saturday before Memorial Day, May 28, all the people of Boone County will be asked by the American Legion Auxiliary to wear a poppy in remembrance of those men who gave their lives so that we might live.

The crepe paper poppy you wear over your heart this May may be ill-fashioned and unskillfully made. Treasure it more because it was made by a disabled veteran from materials furnished by the Auxiliary and each finished poppy will carry its banner, stating that its sale is under the auspices of the American Legion Auxiliary. This work of making the poppies is one of the most interesting activities that veterans in government hospitals have throughout the long, blak years—it gives them a sense of creation and usefulness, and not only does it give him something to do, but it pays him for his labor as well; yes, for every poppy. The funds derived from this sale constitute the largest source of revenue of the Rehabilitation and Welfare work of the Legion and Auxiliary and the proceeds from this sale are pledged 100% to welfare for service men and women and their families, thus fulfilling the true meaning of the poppy: an emblem of faith, faith which is being kept with all those who died, through service to the living.

When you buy your poppy Saturday, May 28, think of the disabled veteran in a hospital who has made the little blood-red flower. Think of the fatherless family whose struggles during the coming year will be lightened by the coin you drop into the poppy worker's box. Think of the brave American boys who lie beneath the waving poppies of France, some island of the Pacific, or those who already have been returned to this country for burial—yes, here in Boone County, too. Think of these things and you will understand the true significance of the poppy. Are we so engrossed in the problems of today that we forget the past? Let the little red flower of remembrance be our reminder!

Verona, Constance and Walton Take Set Back In Semipro Games.

Verona fell from a first-place tie Sunday with Grants Lick in the Kentucky Athletic Goods Semipro Baseball Ball League by losing to the Schoenling Beer team 14-4 at the Verona park.

Schoenling took an early lead, batting around in the first inning to tally eight runs. The winners paced by the hitting of Don Heilman, Duke Dulaney, Jack Meyer, and Groeschen. Elmo Steffen started on the mound for Verona and was followed by Bill Mumm. The losing pitchers gave up 19 hits, fanning five and walking two.

Belleview took an easy victory from the Walton nine Sunday by a score of 8-1 at the Belleview park. Lenhoff, on the mound for the winners never was in trouble, giving up only seven hits and striking out 13 batters. Buford Smith was on the hill for Walton and was touched for eight hits. Clore led the attack for Belleview with three hits. Neither team committed an error.

Bob & Gene coasted to an easy victory over Aetna Oil, Glencoe nine at the Glencoe park Sunday by a score of 12-2. Newsome was on the hill for five innings for Bob & Gene with Sahnger finishing the mound duties. Ray, Hopperton and Bootes were on the mound for the losers, The winners collected four home runs as Arnzen, Uriage, Schmidt and Miller swung for circuit clouts.

Maintenance Operations Discussed At Highway Meeting In Carrollton

Plans for improving maintenance operations on Kentucky highways, in line with proposals issued recently by Highway Commissioner John A. Keck, were discussed Wednesday of last week at a meeting held in Carrollton with supervisory personnel of District 5.

Maintenance Director M. F. Johnson, Equipment Director W. A. Tincher and District Engineer R. L. Campbell outlined methods of cutting maintenance costs in the field and providing a more efficient maintenance program.

Both these aims were strongly called for in a recent speech delivered by Commissioner Keck at Frankfort. A recording of the entire speech was played at the meeting.

"The record of the Commissioner's statement is being presented to the supervisory personnel of every district because we want you to know exactly how he feels about your job," Mr. Johnson said. "This business of maintaining Kentucky's highways is big business—and Mr. Keck means business. Supervisory personnel involved in shabby maintenance will get no sympathy in the central office from anyone. Poor maintenance is not alone a poor service to the public but is a waste of public funds."

"Every necessary piece of equipment will be provided for every operation," Mr. Tincher assured the group. "What we do not want, however is idle equipment. If a bulldozer or a loder is needed in an adjacent county and is not being used where it is stored, we want that piece of equipment placed in operation where it is needed. It is neither economy nor good business to have idle equipment anywhere unless we have no immediate use for it. Make every piece of equipment you have earn its keep."

District Engineer R. L. Campbell expressed appreciation for the opportunity afforded the district personnel for a discussion with Central Office representatives of the vital maintenance program, and assured every cooperation on the part of the district to provide improved maintenance operations.

Speaking to district engineers and maintenance superintendents at Frankfort, April 28, Commissioner Keck expressed dissatisfaction with the current maintenance program.

"The Department now has 2,000 maintenance personnel," Mr. Keck said. "This is entirely too many. The holiday for maintenance employees is over. If any members of our maintenance crew do not work to the full extent of their ability they are going to go off the pay roll. And there will be no addition to our maintenance personnel."

Commissioner Keck said workmen in the maintenance program spring mainly from lack of equipment and weak supervision in the field.

"Both these situations are being remedied," he said. "Equipment is now more easily available and is being purchased as speedily as possible. To investigate better use of equipment and better supervision, we are swinging from maintenance operations on a county basis to maintenance districts composed of three or four counties."

FOLIOMYELITIS PLANNING COMMITTEE APPOINTED

Planning for the hospital load in any polio epidemic in the state is one of the aims of a subcommittee to the Kentucky Permanent Poliomyelitis Planning Committee appointed last week at a meeting here in the offices of the Kentucky Crippled Children Commission.

Headed by Dr. Charles F. Wood, director of polio clinics in the state, the subcommittee will set up a work plan designed to meet any emergencies in event a polio epidemic strikes Kentucky. The group will center attention on hospital load, training of personnel and the isolation of victims in addition to the press and radio if any epidemic occurs. The plan will be submitted to the full committee for approval.

Besides Dr. Wood, who represents the state's orthopedic surgeons, members include Dr. A. J. Abrams, of Lexington, representing pediatricians, Dr. Tracy Jones, Louisville, representing the state Department of Health, and representatives to be named by the Kentucky Hospital Association. Dr. Bruce Underwood, state health commissioner, Mrs. Inez K. Ligon, secretary of the Kentucky Chapter of the National Foundation for Infantile Paralysis and Miss Marion Williamson, director of the Kentucky Crippled Children Commission will serve as ex-officio members.

Dr. Underwood was also voted permanent chairman of the full committee. The full committee is composed of 22 doctors, nurses and representatives of public and private health agencies in the state.

Florence

Mr. and Mrs. Frank Allnut (nee Marion Sullivan) formerly of Florence are happy parents of an infant son at their home in Cynthiana. The little lad was born last Wednesday.

Homer Macrander and Mr. and Mrs. Garfield Cook, of Erlanger, were recent guests of the former's aunt, Mrs. Frank Maxwell and Mr. Maxwell of the Masonic Home, Shelbyville.

ABSOLUTE AUCTION

--TWO FARMS--

SAT., MAY 28 - 1:00 P. M.

Mr. & Mrs. Oscar Chandler has contracted with me to sell their two farms at Absolute Auction on the above date.

TRACT NO. 1 - 64 ACRES WILL BE SOLD AT 1 P. M.
LOCATED AT THE SOUTH EDGE OF WALTON ON U. S. 25 DIXIE HIGHWAY

64 Acres with a large two-story house, basement and furnace, large barn 85x85, all concreted, with running water, equipped with troughs and racks for feeding cattle; plenty other outbuildings, including two cabins, smoke house, chicken house. Approximately 12 acres of alfalfa, land has been well taken care of, most all tractor land. Farm is all in grass with exception of what is being tended for tobacco this year. Ideally located with bus service, walking distance to schools, all churches, and stores.

TRACT NO. 2 - 90 ACRES Will be sold immediately after Tract No. 1

Located approximately 2 miles from Walton on High Street Road, 90 acres with 4-room house, two barns. Most all of this land can be farmed with tractor; farm is all in grass; everlasting water.

Reason for selling is on account of the ill health of Mr. Chandler.

CHECK YOUR REFRIGERATOR

The coming of hot weather means your electric refrigerator will soon be working longer and harder to protect your perishables and supply you with ice cubes. Follow these suggestions to keep your refrigerator operating at maximum efficiency during the hot months ahead:

1. Check door gasket to see that it makes a tight seal.
2. Defrost whenever frost reaches thickness of one-quarter of an inch.
3. Place refrigerator so air can circulate freely around motor.
4. Keep condenser and motor unit clear of lint and other obstructions.
5. If a non-sealed unit, oil according to manufacturer's directions.
6. If unit is noisy or runs excessively, have it checked by a competent servicemen.

And here's another tip! If your present refrigerator is too small or needs replacing for other reasons, see the new, roomier, more efficient 1949 models on display at your dealer's or our office. Ask about the new, easier terms now in effect.

BUG-GONE
INSECT KILLING DIANOL TREATED PAINTS
DEATH TO ROACHES, ANTS, MITES, MOSQUITOES, ETC.
ABSOLUTELY HARMLESS TO HUMANS AND ANIMALS!
FOR USE ON FARMS the home, plus cow barns, milk houses, outhouses, etc. HOMES walls in all the rooms, baseboards, screens, basements, foundations. INDUSTRY restaurants, dairies, groceries, breweries, offices, factories.
DAIRY BARN AND CHICKEN HOUSE PAINT
A moderate priced flat paint for use on inside of barns, stalls, milk houses, etc. Contains sufficient Dianol to kill and repell insects; effective as long as the paint lasts. Does not brush off.
CREOSOTE FENCE WHITE—A favorite for years. Contains no harmful lead. Has good hiding and weathers well.
BUG-GONE ONE COAT FLAT FOR HOMES—Back in 1940 Bundys' introduced to the Midwest a One-Coat Flat Wall—oil base type—that applied without priming over new plaster, wallboard, wallpaper, etc. To this popular paint has been added "insect killing Dianol." A "Finer Paint" that is now also an insecticide.
BUG-GONE SCREEN PAINT—A flat black screen paint especially prepared with insect killing Dianol. Kills and will repell the tiny "slip-throughers."

TREASURY ENFORCEMENT CIVIL SERVICE EXAMINATION ANNOUNCED BY GOVERNMENT

For the first time since before the war, an examination has been announced by the Sixth U. S. Civil Service Regional Office for the position of Treasury Enforcement Agent. The starting annual salary for the positions is $5727.90, and the places of employment are the Alcohol Tax Unit and Intelligence Unit, Bureau of Internal Revenue; U. S. Secret Service; and Bureau of Narcotics in the Treasury Department in the State of Kentucky.

The Treasury Department has collaborated with the U. S. Civil Service Commission in the development of special tests for this position. Secretary of the Treasury Snyder believes that the requirements both mental and physical, imposed on applicants will produce superior candidates for Treasury Agents. These are the Enforcement Officers named as "T" men.

Liberalized retirement laws applicable to Government personnel engaged in law enforcement activities, recently passed by the Congress, have resulted in numerous vacancies in Treasury Law Enforcement agencies. All such vacancies will be filled from the registers established from this new examination.

Applicants must show at least two years experience in legal work involving investigations, in Pharmacy, or in responsible investigative work of a federal nature. Education above the high school level may be substituted for experience. The Treasury Department is particularly interested in attracting college graduates and senior college students for these positions.

The age limits for appointment are from 23 to 40, however, applications will be accepted from persons who have reached their twenty-first birthday. These limits will be waived for persons entitled to veteran preference and for war service indefinite employees under certain conditions.

The Treasury Department prefers men for the Treasury Enforcement Agent positions since the duties often require irregular hours of work, and involve personal risk, exposure to all kinds of weather, the expert use of firearms, and considerable travel. Due to these factors, applicants must meet rigid physical standards.

Before appointment, persons who have measured up to the physical and mental requirements will be carefully investigated in order to secure evidence of their loyalty to the government of the United States, and their honesty, integrity, and general character.

"Treasury Department Agents have established a fine record," Secretary Snyder has stated. "As a result of their courage and devotion to duty, counterfeiting forgery, and smuggling have been held to a minimum. The traffic in illicit narcotic drugs has been suppressed; thousands of unlicensed distilleries have been destroyed annually; and literally billions of dollars in revenue have been recovered by the government through the investigation of inaccurate or fradulent income tax returns. The future success of the Treasury Department's Law Enforcement program depends in large measure upon the type of men who can be interested in assuming the difficult task which the service imposes. I am confident that high caliber personnel can best be obtained through the competitive tests arranged by the Civil Service Commission."

Applications must be received in the Sixth U. S. Civil Service Regional Office, Cincinnati 2, Ohio, not later than May 24, 1949.

Further information and application forms may be obtained from the Commission's Local Secretary, Mr. T. M. Johnson, located in the Postoffice, Covington, Ky., from any first or second-class post office, or from the Civil Service Commission's Sixth Regional Office, Federal Bldg. Cincinnati 2, Ohio.

CONSTANCE HOMEMAKERS

Mrs. Thos. Kenyon was hostess to the Constance Homemakers Club on Wednesday, May 4th with 21 members in attendance.

Mrs. Elmer Reeves read the 93rd Psalm and a poem entitled "Time Is Mine." Mrs. Thos. Kenyon, president, presided over the business session with all standing committees reporting. Mrs Adam Reeves, Mrs. Grace Dolwick and Mrs. Margaret Prabel were appointed on the nominating committee.

Mrs. Adam Dolwick gave the lesson on "Landscaping" in the afternoon.

Our next meeting and covered dish dinner will be June 1 at Dam 38 on the picnic grounds. Each one is to bring their own eating utensils. Mesdames Virginia Gay, Elizabeth Cotton, Bessie Kottmyer and Ruth Kottmyer are in charge of the games.

—Publicity Chairman.

FLORENCE HOMEMAKERS

The Florence Homemakers will meet at Town Hall, Friday, May 20 at 10:30 a. m. for the monthly meeting. The lesson for May is "Landscaping and Flower Arranging."

HATHAWAY HOMEMAKERS

The Hathaway Homemakers held their May meeting on Wednesday, May 4th at the home of Mrs Aline Stephens. The roll call was answered with "a helpful household hint," after which we conducted our business. We had one new member, Mrs Paul Shields. Our project for the day was "landscaping."

Next meeting will be at the home of Mrs. Harold Love on June 1st.

The Lord's Supper

Lesson for May 22, 1949

LET US CLEAR UP some very common misunderstandings of what the Christian religion is. Some (both enemies and friends) think it consists in turning one's back on the world, living in a sort of happy wonderland where the evil of the world is altogether shut out and forgotten. Another notion is that Christianity presents an angry God (or one who can very easily be made angry) laying down the law to mankind. Another is that Christianity is a purely individual affair. And still another is that Christian religion consists of the teachings of Jesus and that is all it is. Every one of these misunderstandings vanishes in the light that shines around the Lord's Supper.

Dr. Foreman

• • •

Betrayal

PEOPLE SOMETIMES think that religion shuts men's eyes to the ugly realities of life. Some religions try to do so; but not the religion of Christ. He knew the kind of world this is; he never let his disciples forget it.

On that last night, dark forces were abroad. Jesus' enemies were closing in on him. One of his own circle would betray him. Yet it was in that sort of atmosphere, heavy with betrayal and hatred, that Jesus began this sacrament of faith, hope and love.

The true Christian does not live in a fool's paradise, he does not imagine that everything is lovely in the nicest possible words. The sacrament which is the heart of his worship is itself a reminder of the ugliness of the world which man's sin creates.

• • •

Blessing

"AND HE BLESSED the bread . . ." If Christianity consisted mainly of condemning wickedness and denouncing sinners, then at the center of our worship we would have some symbol of dread and awe, like fire and brimstone, a consuming flame.

But no—at the heart of our worship is a thing as simple, plain and friendly as a loaf of bread, bread on which the blessing of God has been asked. Blessing, not cursing; invitation, not threatening, is at the heart of our religion.

Whenever you see some one whose chief idea of being a "good Christian" is going around proclaiming the meanness of the world, cawing at everybody and everything.

• • •

Breaking

"AND BROKE IT, and gave . . ." Artists have tried in a single picture to express the meaning of Christianity. Some of the pictures are beautiful, but many of them miss an important truth. What shall it be? A picture of a shipwrecked woman clinging to a rock? Of a saint praying in a long solitary vigil? These leave out something vital. For Christianity is a fellowship. No Christian is complete by himself.

At the heart of our religion is a Communion. Few if any Protestant churches allow any one even a minister, to give the Holy Communion to himself, by himself.

The true Christian never finds himself, his true self, alone; only in fellowship. A Christian belongs with other Christians as much as one coal in a bed of coals belongs with all the rest.

• • •

Blood

JESUS TEACHINGS are so important, so full of wisdom and of living power, that often some one will say that Jesus was a teacher and only a teacher, and that following his teachings is all that Christianity is. Jesus did not think of it in this way.

True, his teaching is of the utmost importance; but that was not and is not all. As Middleton Murry said years ago, Jesus was the only teacher who has died for his teaching. But he did more than that: he died for those he taught.

The cup at the Holy Communion reminds every one who partakes of it that Christ was not only a teacher, he was a sacrifice.

Burlington and E. & W. Nine In Win Column Sunday

Pleasant Hoven Defeated By Visalia By Score of 20 To 8.

Burlington won their second straight game Sunday when they trimmed Sandfordtown 8-3 at the local park. Johnny Woods was in top form as he let the visitors down with six scattered hits and fanned eight.

Burlington collected 11 hits off Cronen, Sandfordtown hurler, with M. King, the big offensive man. He had two doubles and two walks in five attempts.

E. & W. Truckers scored its second victory in four games by downing the Hilltopers 7-4. Westerman was on the hill for the winners and gave up five hits and struck out eight. Lunkens and Corbin hurled for the losers, and the pair gave up eight hits, but six bases on balls by Lunkens contributed to the losers' defeat. Conradi and Dittus led the winners with two hits each. Ward led the attack for the losers with three hits in four times at bat.

Pleasant Haven suffered defeat at the hands of Visalia by the lopsided score of 20-8 at Visalia. Bishop and Redmond divided mound duties for the winners, allowing 10 hits. Rust led the attack for the winners with five hits including one double in six trips to the plate. Popkin and Gullion were on the mound for Pleasant Haven, allowing 19 safeties.

Belleview Trims Constance By Score Of 11-2 Sunday

Bob & Gene Nine Take Trouncing At Hands of Grants Lick Nine.

Belleview, behind the steady pitching of Don Lenoff and the timely slugging of Bob Deniston, Pip Cloré, Ralph Bradburn and Lafe Miller was too much for Red Layne's Constance nine in the Kentucky Athletic Goods League last Sunday at the winner's park. The score was 11 to 2.

Lenhoff struck out 13 Constance batters and allowed only six scattered hits as Belleview hung up their fourth win against no losses. The winners cracked out 17 bingles off Deck and Gillette.

Bob and Gene Lose

Bob and Gene lost to the leading Grants Lick team at Florence by a 12 to 4 count. Allen Nagel, flashy Grants Lick pitcher, gave up 12 hits but kept them well apart. He fanned nine. Bergfeld and Uriage tossed for the losers and they too permitted 12 bingles, but loose fielding behind them added to the Bob and Gene team's woes.

A game between Verona and Gallatin County scheduled for the Verona park was called on account of wet grounds.

Weed And Pest Control Meeting Announced Today

New Movies To Be Shown At Shop of Colvin Cress & Sons May 26, 8:00 P. M.

Calvin Cress & Sons, local International dealers, announce a weed and pest control meeting for tonight (Thursday, May 26th) at 8:00 p. m. at their building located on Burlington-Florence Road.

Movies showing just how weed-killers perform will be shown at the meeting Mr. Cress stated. The new agricultural Weed-no-More, a proven Ester Formulation of 2,4-D will be shown in operation against weeds, which menace crops.

Use of the new formula gives bigger yields, cleaner fields, more money for crops and protects your crops and livestock from damaging weeds and pests.

Mr. Cress urges the public to attend this meeting and free movies.

T. J. Carr Announces For Re-Election As Magistrate 3rd Dist.

Composed of Beaver, Carlton, Verona, Walton and Hamilton Precincts.

T. J. Carr, well known Verona resident makes his official bow to the voters in announcing his candidacy for re-election to the office of Magistrate from the 3rd Magisterial District in this issue of The Recorder, subject to action of the Democratic primary, Saturday, Aug. 6, 1949.

In making the announcement Tom states that he has served the Third Magisterial District consisting of Beaver, Carlton, Hamilton, Verona and Walton precincts for the past eight years and during this time has endeavored to the best of his ability to represent the district, as well as the interest of the whole county, and due to this experience feels that he will be better qualified to serve as a member of the Fiscal Court during the next four years. If re-elected he pledges himself to continue to work for the best interests of his district and all the county, especially in carrying out the important road program that the Fiscal Court has set up for Boone County.

He states as it will be impossible to see all the voters in the district any consideration and support given him will be appreciated.

Blevins-Williams

Miss Bertha Blevins, of Cincinnati, Ohio, daughter of Mr. and Mrs. Richard Blevins, of Paintsville, Ky., became the bride of Harold Rice Williams, son of Mr. and Mrs. Eli P. Williams, of Covington, Ky., in a double ring candlelight ceremony performed by Rev. A. C. Young at the Bullittsville Christian Church, Saturday, May 21st at 4 p. m.

The bride was attired in a grey suit with white accessories. She wore a corsage of pink rosebuds. The bride's attendant was Miss Glenrose Williams. She was attired in an aqua suit with white accessories and wore a corsage of pink rosebuds.

The groom's best man was John F. Randall.

A reception was held following the ceremony, after which the young couple boarded a Delta Airline plane at the Boone County Airport for their honeymoon trip. Upon their return they will make their home at 1207 Main St., Cincinnati.

Petersburg Takes Undisputed Lead In County SAB League

As Result of Victory Over Sand Run By Score of 18-7 Saturday.

In the only Boone County Saturday Afternoon Baseball League game last week the Petersburg nine defeated Sand Run at the latter's park in a free scoring contest to take undisputed lead in the league standings. The score was 18 to 7.

Petersburg is now in first place with a record of four won and none on the debit side. It marked the first loss for the Sand Runers.

Too Much Deck

It was just the same old story—too much Deck. H. and D. did the pitching with L. doing the receiving. Walton, Pepper and Smith did the hill chores for the losers and though touched for 14 hits, their support was ragged.

Next Saturday

Hebron at Belleview.
Sand Run at Constance.
Big Bone at Florence.
Union at Pleasant Haven.
Petersburg at Burlington.

Wilton Stephens Tax Commissioner Seeks Re-Election

Has Held Post For Post Sixteen Years; Solocits Support of Voters.

Wilton Stephens, who has served in the capacity of Tax Commissioner of Boone County for the past sixteen years, officially announces his candidacy for re-election to this post, subject to the action of the Democratic primary, Saturday, Aug 6, 1949.

Mr. Stephens has devoted a lot of time to the study of the tax problems of Boone County and feels that he is now qualified to do even a better job than he has in the past.

In making his formal announcement for re-election Mr. Stephens stated: "I have attempted to serve the people of Boone County and their interests to the best of my ability, and should you feel that I have warranted your support for the next term, I assure you that I will strive to serve you even better than I have in the past. I earnestly solicit your support in the coming primary election, and if elected, will strive to serve you to the very best of my ability."

Cemetery Officers Will Be Elected

New Bethel Cemetery, Inc., formerly known as the New Bethel Baptist Church Cemetery will hold its first election officers May 30, at the cemetery at 2 p. m., it was announced this week by the new organization.

The property formerly owned by the New Bethel Baptist Church has recently been deeded to and incorporated as New Bethel Cemetery, Inc. The cemetery formerly was under the jurisdiction of the church trustees, but will be operated by a board of trustees elected by lot owners or their representatives.

The cemetery at present has an endowment fund, the interest from which is used to care for the cemetery. Funds will be solicited to increase the present fund in order that the grounds may be improved and more frequently mowed, cleaned and beautified.

All lot owners or their representatives are urged to attend the first meeting and cooperate in any manner in this new organization.

Proceeds From Poppy Day Sale Will Aid Disabled Veterans

American Legion Auxiliary Sponsor Drive In Boone County.

"In Flanders fields the poppies blow
Between the crosses, row on row—"

The poet Col. John McCrae in these words gave expression to those beautiful little wild red poppies which grew over the graves and around the fox-holes of France and Belgium after World War I. Another World War has now been fought over that same territory. Thousands of our young men made the supreme sacrifice of their lives for their country and their ideals in this second great war; and that little scarlet poppy, now as then, covers the earth where our young Americans lie.

The poppy you will wear is not a natural flower. It is more than that, for it has bloomed in hospitals under the hands of men disabled in war—their petals are paper and their stems wire, yet into them has been breathed the spirit of patriotic sacrifice, the spirit of those days when life itself was not too much to give for America and you.

It is for these men, our disabled veterans, that the men and women of the American Legion and American Auxiliary hold their annual Poppy Day sale this Saturday, May 28. When you buy a poppy from the women and helpers of Boone Unit No. 4, remember it is your tribute to all who died in service, through a service to the living; for all the proceeds of this sale will be used to aid the disabled and dependent families of veterans thruout the coming year.

Saturday, the members of your own community, the wives, mothers, sisters, daughter of men who served in both wars, who are the American Legion Auxiliary, Boone Unit No. 4, will ask you to "Buy a Poppy."

Serving on the committee for Poppy Day are: Mrs. R. M. Rouse, chairman, Mrs. James Pettit, Mrs. Vernon Smith, Mrs. Francis Southerr and Mrs. Harry Johnson, Jr. Mrs. C. G. Kelly, Burlington, will be in charge of the following who will help in the house-to-house canvass in Burlington: Janet Jones, Joyce Jones, June Brown and Peggy Kelly.

In Florence those who will call at homes will be: Patsy Byrne, Jean Eastman, Virginia Osborn, Charlene Stith, Sue Sininger, Joan Barker, Dolores Muench, Mary Helen Fenstermacher, Jacqueline Vater, Cheryl Lipscomb, Loraine Utzinger, Norma Fox.

Albert List, of near Covington was a pleasant caller at The Recorder office Thursday, having his subscription moved up another year.

Public Health Meeting Held At At Florence May 18

Plans Made For Control of Communicable Diseases In Schools.

A meeting to discuss plans for control of communicable diseases in school was held at Florence High School, May 18. All doctors and school principals of the county were invited to attend and participate, with both the medical group and schools well represented.

Dr. Bruce Underwood, State Commissioner of Health, scheduled to speak at the meeting was unable to attended but was replaced by Dr. W. M. White, Kenton Co. Health Officer. Dr. White gave invaluable information and reviewed the latest principals and workings of public health. School people and doctors alike took an active part in discussions and came to some practical and concrete conclusions.

The doctors suggested and put through a motion, that doctors practicing in Boone County report a communicable disease to the school principal as soon as he diagnoses the case. All workers, as well as parents must realize how much good this can do. Other constructive procedures were acted upon.

Dr. Goldie Young, assistant State Superintendent of Schools attended the meeting with H. N. Ockerman, County Superintendent. Dr. Young remarked that it was a very good meeting and he wished more counties would do the same thing.

Dr. S. B. Nunnelley, Boone County physician and member of the Board of Health rendered valuable assistance at the meeting.

SEASONAL EMPLOYEES NEED SOCIAL SECURITY CARD

Summer employment always presents a special problem to the Social Security Administration, according to Mr. Elbert M. Bohon, manager of the Administration's office in Covington, Ky.

"Students and other seasonal workers in industry and commerce, including those who work in canning factories, need social security account numbers so that their employers may properly report their wages for social security purposes. Those who work part time are also covered by the system and should promptly show their social security card to their employers," he said.

However, Mr. Bohon cautions students as well as others not to get a social security account number card until a job is definitely in sight. "Once a card is obtained, it should be kept in a safe place. It should be shown to each employer. The employer should copy the name and account number from the worker's social security card rather than trust the worker's memory. Each year thousands of social security account numbers are incorrectly or incompletely reported on social security tax returns," he said.

"Workers should check the amount of wages credited to their social security account, at least once every 3 years. Correction of errors ordinarily cannot be made later than 4 years after wages are earned. Post card forms for this purpose are furnished without charge by the local social security office," Mr. Bohon said.

If you have lost your card, or if your name has been changed, through marriage or otherwise, you should contact your local social security office for a duplicate card showing your new name. The field office of the Social Security Administration is located at Seventh and Scott Streets, in the Post Office Building. Office hours are from 8:30 a. m. to 4:30 p. m., Monday through Friday.

Conservation Conversation

By J. C. Acree

The members of the Bankers Association of Northern Kentucky are to be commended for the fine program and dinner held at the Summit Hills Country Club Tuesday afternoon and evening, May 17th. Trends of the times were discussed and the relations of sound farming and sound banking. Representatives of different agricultural agencies were guests of the associations.

The Bankers' Association is indeed fortunate to have John P. (Red) Graham and Ralph Fontaine to carry on this fine piece of work.

The talk by W. C. Johnstone with pictures of actual accomplishments shown on the screen was one of the highlights of the meeting. Mr. Johnstone brought to our attention that Kentucky was rapidly becoming a grass state with reverse acreage on the decrease but with about the same total harvest. He stressed the fact that good land use is essential, using each acre of land as it should be used. To build and improve a farm man must first be sold and have a wish or desire to accomplish this end.

Mr. Jake Litwin one of the owners of the Hills farm near Walton says he can't say too much praise for his terraces, even on pasture land. He states that the grass is much better on the terraced fields than it is on the unterraced fields. He is having the rest of his farm terraced this summer.

The terracing equipment of the Boone County Soil Conservation District has been busy during the month of May. Several thousand feet of terraces have been constructed on twelve different farms. This tractor will be available for the mowing of pastures during the summer. Mr. Eddie Smith of Union is the operator of this equipment.

Russell Lawrence is having a spring developed on his farm on the Verona road. There is no better stock water than to have a spring walled so animals can't get into it and having the water gravitate to a large tank below. The Soil Conservation District has portable forms that can be used many times for the construction or building of these tanks. Forty of these tanks have already been built in Boone County.

On May 28th the Northern Kentucky chapter of the Soil Conservation Society of America has made plans to visit Malabar Farm owned and operated by Louis Bromfield. Anyone who cares to make this trip should get in touch with their Soil Conservation office. This trip should be profitable as well as enjoyable especially to those who are interested in grass farming.

Prayer in Pain

Lesson for May 29, 1949

THE SHADOW over Gethsemane is deep. We can scarcely see the tortured figure under the moonlit olive trees. If Jesus' closest friends, in that hour, were strangers to his soul, we cannot dare to penetrate all the secrets of that fateful hour. Yet while we cannot know all, we can know enough; enough to support us in our own time of darkness and of pain.

Dr. Foreman

Mark uses very strong language to describe the state of Jesus' mind in Gethsemane. The two Greek words he uses, translated in the King James version "sore amazed" and "very heavy," are translated by the Revised Standard Version "greatly distressed and troubled;" by Goodspeed, "distress and dread;" by Moffatt, "appalled and agitated." As our hymn says,

"We know not how, we cannot tell
What pains He had to bear."

Still, we do know of some of the burdens which weighed so terribly on Jesus' mind and heart that night.

• • •

Power of Darkness

ONE THING that must have troubled our Lord was lack of sympathy. Peter, James and John were comfortably asleep, evidently without the slightest notion of what he was suffering. But there was worse than lack of sympathy, somewhere in the dark city one of Jesus' supposed friends, the man called Judas, was even then slinking through the alleys with murder in his heart.

Jesus well knew what was in store for him. He knew the Sanhedrin would call him a blasphemer, he knew what the Romans would do with him, once they got their hands on him. Worse than this must have been the tragic sense of failure.

"I would, but ye would not," he had said in tears to this very city; a city full of enemies who should have been his friends, of unbelievers who should have believed, a city he loved, but which had nothing for him but thorns and a cross.

All this was on Jesus' heart that night—and as many Christians believe, far more. One of the most profound Christian thinkers has suggested that the heaviest, most painful shadow on Jesus' white soul was the sense of guilt, not his own but for the sins of the world.

• • •

Blood and the Angel

SO JESUS PRAYED. Even in the cool spring night his forehead was covered with sweat, falling to the rocky ground like drippling blood. Never rose prayer from a more tortured heart. And what came of it? In one sense, the prayer was not answered. The cup did not pass from him, he must drink it to the last bitter dregs. The prayer did not remove the pain. Yet in a deeper sense, the prayer of Christ was fully answered. "Not as I will, but as Thou wilt," he breathed. The prayer that sets one's own will in line with the will of God, whatever His will may be, is the prayer that always finds answer. At the end, there was not release, but power. "An angel came and strengthened him."

• • •

What Prayer Can Do

JESUS "LEARNED obedience by the things which he suffered." (Heb. 5:8.) We can share his lesson. The hour of pain is not the hour to begin praying; those who have not learned prayer before will scarcely know how to pray in a time of agony. Yet the time of pain is not the time to give up praying. When the dark hour comes, Jesus did not throw aside his faith, he prayed more intensely than ever before. Prayer does not explain pain, much less explain it away.

Prayer does not always get rid of pain, even though in many cases the prayer of faith works cures where doctors fail. What true prayer does always is to set the one who prays in tune with the will of God even when that will is not as our own.

Prayer does not bring us all the answers to the riddles of existence. It does bring power to bear what God sends us. For God's answer to those he loves is not always escape, but it is always endurance.

THE BOONE COUNTY RECORDER

ESTABLISHED 1875

VOLUME VI | BURLINGTON, KENTUCKY THURSDAY, JUNE 2, 1949 | NUMBER 47

Countywide X-ray Clinic Will Be Held In Three Locations

Dates Announced June 8, 9, and 10th; Report Will Be Sent Participants

Under the auspices of Boone County Tuberculosis Association, the State Mobile X-ray Unit will make chest X-rays free, on the following schedule:

Burlington—Court house, June 8, from 10 to 12:00 and from 1:00 to 3:00 p. m.

Florence—Town Hall, June 9th from 10:00 to 12:00 and from 1:00 to 3:00 p. m.

Walton—Power Co., June 10th, from 10 to 12:00 and from 1:00 to 3:00 p. m.

Outstanding authorities now advise a chest X-ray at least once a year for all persons over 15, and children who have been or are in contact with tuberculosis. A report will be sent to all those X-rayed.

Plans will be made by the County Tuberculosis Association for any case which cannot be diagnosed by the first X-ray.

This is an opportunity for school employees to get an annual chest X-ray now required by the State Board of Education.

Teachers, lunchroom people and janitors are especially invited to the most convenient place for this X-ray.

For further information call Miss Elizabeth Lowry, County Nurse.

Workers Commended For Assistance In Poppy Sale

Mrs. Robert Eastman, Jr., president of the American Legion Auxiliary, Boone Unit No. 4 reports that the Poppy Day sale held last Saturday was very successful and wishes to thank all the people of Boone County who so generously contributed that the lives of our disabled veterans will be made brighter this coming year.

Especially does the Auxiliary wish to thank those who, though not members of the American Legion Auxiliary, helped distribute the poppies: Mrs. C. G. Kelly, Peggy Kelly, Joyce Jones, Janet Jones, and June Brown, of Burlington, and Jean Eastman, Patsy Byrne, Mary Helen Fenstermacher, Dolores Muench, Joan Barker, Sue Sininger, Jacqueline Vater, Cheryl Lipscomb, Loraine Utzinger, Norma Fox, Virginia Osborn, Charlene Stith, of Florence. All did a splendid job.

Meeting Is Called By Bus Operator

Claude Patterson, operator of the Burlington-Erlanger bus is calling a meeting of patrons for Friday, June 3rd at 8:00 p. m., Burlington courthouse.

This meeting is being called to rearrange the bus schedule to meet the requirements of patrons along the line.

All persons interested in the bus line as well as present patrons are invited to attend this meeting, and to aid in setting up a schedule for the line that will meet your own particular requirements.

Deadline For Registration Is June 7, Says Clerk

Between 500 and 600 Voters Have Failed To Register For Primary.

Persons desiring to vote in the primary election August 6 must register by June 7th, C. D. Benson, County Court Clerk of Boone County announced this week. He stated that between 500 and 600 Boone County voters have failed to register at this writing.

Persons required to register are those who have moved from one precinct to another, moved into the county, or who have recently reached the age of 21 or will reach that age by November 2, 1949.

Mr. Benson stated that the registration books will be closed June 7th, and those who have failed to register by that time will not be permitted to vote in the August primary. He urges all voters to register before the deadline.

Bids On Boone County Road To Be Received

Highway Commissioner John A. Keck reported his department will open bids June 10 for Frogtown Rd., from U. S. 42, 3.74 miles, Verona and Mudlick road from U. S. 42 to Ky. 16, 4.01 miles along with bids of 39 other road projects throughout the state.

The two Boone County roads will be reconstructed and surfaced, according to the announcement, from the new rural road fund.

BAKE SALE PLANNED

A bake sale will be given by the Florence Homemakers at Conner's Grocery Saturday, June 4th. The committee in charge is composed of Mrs. Cam Kennedy, Mrs. James Miner, Mrs. Robert Myers.

Petersburg Takes Fifth Straight Victory In Saturday League

Big Bone, Constance, and Hebron Chalk Up Victories

Petersburg continued to show the way in the Boone County Saturday Afternoon Baseball League last week when they won their fifth straight league game at the expense of Burlington at the loser's park. The score was 11 to 1. Burlington scored first early in the game but the big bats of the Petersburg nine went into action and that was the difference.

The winners paced by R. Bradburn, with four hits in five swings, had 11 runs, 11 hits and two errors. Burlington had one run, seven hits and two errors. Carver also was an offensive big gun for Petersburg while Gulley and J. Ryle led the Burlington hitting.

Batteries were D. and L. Deck for the winners and Brinkman and Gulley for the losers.

Big Bone Wins

Big Bone won their first league contest at the expense of Florence Saturday at the losers diamond by a 10-8 count. Big Bone had 10 runs on seven hits and several Florence miscues. Florence scored eight runs on ten hits and three Big Bone errors. The losers held an 8-6 lead going into the final inning.

For Big Bone Readnour, Pitcher and Gammon did the twirling with Britch Stephens behind the bat. Bob Utz pitched for the losers with C. A. England doing the catching.

Hitting honors of the game went to Utz and Jerry Rouse of the Florence team and C. Black Big Bone.

Sand Run Drops One

Sand Run lost their second game of the season as Constance hung up a nine to six victory. The winners pounded Smoot and Judy, Sand Run hurlers, for 16 hits including home runs by Rose and Fox. Sand Run got nine bingles off the pitching of Bloebaum. Joe Stephens aided the Sand Run cause with a home run.

Red Layne, manager of the Constance team, stated that his team will play all games as a road club during the remainder of the season. Fans are asked to make this notation on their schedules.

Hebron Wins Slugfest

Hebron and Belleview combined baseball with a field meet in their game Saturday at Belleview as the two teams scored 33 runs on 35 hits. Hebron did most of the hitting and running as they won 22 to 11.

Belleview took an early lead behind the pitching of their starter Gene Jones but when he gave way with an injured arm the Hebron big bats began to boom off the offerings of four other Belleview hurlers, Ryle, Williamson, Cason, and Miller.

Goodridge, Hogan and Garnett formed the winning battery.

Notice

Manager of all teams are requested to call results of games to the league secretary on Saturday evenings following contests. The home team manager is responsible for such notification and according to league regulations fines will be imposed on those violating this rule. Several such infractions have been registered with league officials.

Next Week

Constance at Petersburg.
Union at Belleview.
Sand Run at Hebron
Burlington at Big Bone.
Florence at Pleasant Haven.

The stage is set for "Covington Days," Friday and Saturday, this week.

This is the event in which hundreds of Covington stores are participating with the expectation that it will offer the greatest shopping opportunities in the history of Covington.

Seasonable merchandise will be offered at reduced prices to make it an occasion long to be remembered, the committee reports.

Andrew C. Curtis, chairman of the program committee, states that there has been praise-worthy whole-hearted co-operation of merchants to make these two shopping days the magnet that will attract thousands of bargain hunters from throughout Northern Kentucky. All participating stores will display window cards, announcing "Covington Days."

The above picture shows merchants perfecting plans for the event. Seated, left to right, are: Norman Marese, Mrs. Mildred K. Hitch and Andrew C. Curtis. Standing: Dave Shor, Meyer Kohn, Jerry Devold, Joseph Schoeman and Arthur Greenberg.

The Recorder will greatly appreciate the favor of its readers, in making purchases "Covington Days" will tell the clerks they saw the items advertised in this paper.

Verona Lodge Has Record Class For M. M. Degree Sat.

Golden Rule Team Confer Work, Under Direction Of C. W. McEntyre, Sr.

The largest class in the history of Verona Lodge were given the mysteries of the third degree at Verona on Saturday afternoon and evening, May 28th.

Those included in the class were: Florian Adams, H. D. Edrington, Dewey Ferguson, Ira Harris, Russell Littrell, Wm. J. Lynn, Wm. E. Richards, Stanley Robinson, Harold Rosenstiel, Bernard Spaulding, Raymond A. Stephenson, Clarence Vest and Boyd Williams.

The degree was exemplified in a most impressive manner by the degree team from Golden Rule Lodge 345, Covington, under the direction of C. W. McEntyre, Sr., Master.

Others taking a leading part in the work were, A. J. Valentine, R. S. Duffey, A. E. McGahan, Bob McCandless, Lester H. Miller, Robert Lucas, J. Waite Cross, H. R. Fisher, and Robert E. Orr.

Edwin E. Freshney, Grand Senior Warden, Grand Lodge of Kentucky made a most inspiring talk in behalf of the two Masonic Homes in Kentucky.

Other brief remarks were made by Augustus E. McGahan, District Deputy Grand Master District No. 27, and a number of other representatives from visiting lodges.

James E. Ransom, Master of Verona Lodge wishes to express his appreciation to all who had a part in making the meeting a success and especially to the refreshment committee, Bob Orr and Jim Washum.

Interest High In Boone County Knothole Baseball League

Interest in the Boone County Knothole baseball league is reaching a high pitch according to league officials. The league is composed of teams representing Hebron, Verona, Walton, Union, Warsaw, Belleview, Petersburg, Florence and Burlington.

One of the highlight games of last week's play was a 6-2 win by Florence, currently the league leaders, over Hebron. Bethel and Lipscomb formed the winning battery and Bethel let the Hebron youngsters down with three hits. Holt, Hebron pitcher, allowed the winners six bingles.

Featuring this week's play will be a game between the leading Florence team and Burlington at Florence. The winner will hold down first place in the league standings. Roy Brooks is manager of the Florence team and James Gayle Smith leads the Burlington nine.

Garden Club Meeting Scheduled June 7th

The Boone County Garden Club will meet on Tuesday, June 7th, at 2:00 p. m., at the home of Mrs. John Dye at Hebron. Roll call is to be answered with the name of a flowering tree. Mrs. Zayda Clore will speak on "Old Fashioned Roses." Hostesses will be Mrs. John Dye and Mrs. George Casper.

Burlington Degree Team To Hold Final Practice Session Mon.

The degree team of Burlington Lodge No. 264 F. & A. M. will meet at the courthouse, Burlington, Monday night, June 6th for its final practice session, prior to work in the M. M. degree Thursday, June 9th, it was announced by Robert Ellis, director.

Mr. Ellis urges all members of the lodge to attend this practice, as several important spots in the cast have not been filled, and will be selected from members at the practice meeting Monday night.

Practice during the summer months will be discontinued Mr. Ellis reported.

Body of Unidentified River Victim Buried At Burlington Mon.

Found In River Near Taylorsport Saturday By Fisherman.

The body of an unidentified man found in the Ohio River near Taylorsport late last Saturday, was buried Monday in the Burlington cemetery on orders of Robert Brugh Boone County Coroner.

The body was discovered by a fisherman. The man described as about 35 years old, 5 feet 10 inches tall and weighing 185 pounds, by Coroner Brugh.

The man was clad only in underclothing and bore no identifying marks. It had been in the water about six days, it was believed.

Chambers and Grubbs, Walton funeral directors had charge of the burial.

Belleview Nine Give League Leaders Trimming Sunday

Take First Place In K. A. G. Semipro League; Verona Winners

The Belleview baseball team of the Kentucky Athletic Goods Semipro Baseball League won their fifth straight game Sunday and took first place in the league standings. They trimmed Grants Lick by a 4-2 count for that team's only loss of the year.

Don Lenhoff, Belleview's youthful hurler, was on the mound for the winners and pitched his usual creditable game.

In other league games involving Boone County teams of the KAG league Schoenling defeated Bob & Gene 7 to 4; Rudepohl won over Walton 13 to 1; Verona whitewashed Queen City 17 to 0 and Falmouth won a one to nothing thriller from Constance.

Next Week

Walton at Verona.
Gallatin County at Bob & Gene
Falmouth at Belleview.
Constance at Rudephol (Ross)
Schoenling at Grants Lick
Queen City at Warsaw.

Funeral services for Joseph Sanford, 80, Florence real estate dealer, were held at 1:30 p. m. Wednesday at the Ralph Stith funeral home, Florence, with burial in Highland Cemetery.

Mr. Sanford died Monday at St. Elizabeth Hospital, after an extended illness.

He is survived by two sons, Joseph of Cincinnati and Edward Sanford of Boone County; two daughters, Mrs. Helen Fish, Berea, and Mrs. Marie Cinniggan, Lexington.

Three-Fourths of Ky. Farmers Enrolled In 1949 AC Program

Boone County Has 62 Percent Of Farmers Enrolled.

Three-fourths of Kentucky's farmers are enrolled in the 1949 Agricultural Conservation Program, the Production and Marketing Administration announced recently.

In a final report on the 1949 ACP sign-up campaign which closed April 30, R. O. Wilson, chairman of the State PMA Committee, reported that 162,531 Kentucky farmers are enrolled in the program this year.

Approximately 216,000 farmers in the state were eligible to join in the program for conserving and rebuilding the soil on their farms.

Participation this year is about 14 per cent higher than in 1949, Wilson said, when 140,326 farmers, 61.1 percent of the state total at that time, were signed up in the program. It is around 18 percent higher than the preliminary participation figure of 125,000 for the 1948 program.

The ten Kentucky counties with the highest percentage of farmers signed up in the ACP this year are Woodford, 99.7 percent; Clark, 99.4 percent; Nicholas, 99.1 percent; Estill, 98.1 percent; Hickman, 97.1 percent ;Jessamine, 96.6 percent; Garrard, 96.3 percent; Scott 96.2 percent; Owen, 96.1 percent; and Montgomery, 95.4 percent.

Other counties with 90 percent or more of the farmers enrolled in the program are Barren, Bourbon, Boyle, Caldwell, Cumberland, Gallatin, Graves, Hardin, Harrison, Tart, Madison, Mason, Mrecer, Metcalfe, Monroe, Russell, Shelby, Spencer, and Wolfe.

Besides these counties, 52 others in the state exceeded the 75 percent state-wide average for participation in the program this year.

Boone County with a total of 1490 farms had a total of 62 per cent signed up, according to a tabulation of 1949 farm worksheets.

All farmers signed up in the ACP are entitled to share in 1949 program funds of $5,593,000 allocated to the state this year, provided they adopt soil and water conservation practices approved in the program. This assistance is made available to the farmers on a share-the-cost basis, and in most cases farmers pay approximately half the cost of the practices adopted.

The number and type of practices approved for ACP assistance varies by counties. Annual selections of practices are made by County Agricultural Conservation Association Committees from a list of practices approved by the State PMA Committee, Wilson said.

Farmers reported most of the practices they expect to carry out in the program this year when they signed 1949 ACP farm conservation plans, the State PMA Chairman said, but for any who may wish to make changes later in the year, lists of approved practices for each county are available in county ACA offices.

Two practices approved for ACP assistance in all counties of the state this year are spread agricultural limestone on farmland and spreading phosphate on legumes and grasses. Establishing winter cover crops, developing pasture, applying potash to legumes and grasses, contour planting of crops, terracing farmland, farm land drainage, and turning under green manure crops are included in the 1949 ACP practices for most counties. Many counties also approve other practices for ACP assistance.

Thousands of farmers throughout the state already have carried out many of their ACP practices for the year, especially those adopting such practices as turning under green manure crops.

No accurate estimate is available at this time on the amount of limestone spread or the amount of phosphate used this year on legumes and grasses, but orders have been placed through county ACA offices for approximately 64,000 tons of lime and 48,000 tons of phosphate.

Horse Show Set For June 24-25th At Fair Grounds

Sponsored by Utopia Club And Northern Kentucky Saddle Club.

The Boone County Utopia Club and the Northern Kentucky Saddle Club will sponsor a horse show Friday and Saturday, June 24th and 25th at the Burlington fair grounds, Burlington, it was announced this week.

Three big shows are planned for the two-day event, and detailed plans of the show are being rapidly formed by the committees in charge.

Friday's show will begin promptly at 8:00 p. m., while Saturday's activies will include two shows, one at 2:00 p. m. and one at 8:00 p. m., it was reported.

Judges have not been selected at this writing, but will be announced at a later date. Prizes and classes will also be carried in a later issue of this paper.

Sand Run Vacation Bible School To Open June 6th

Beginning Monday, June 6th thru 17th the Vacation Bible School of Sand Run Baptist Church will be held Monday through Friday.

The church bus will make its regular route each day to pick up all children who will attend.

All children of the community are invited and urged to attend. The ages are 4 to 16. Parents are urged to send their children to the Bible School.

Revival services will begin at the Sand Run Baptist Church June 19 and will continue through June 29. H. Morgan Radford will be the evangelist.

Vacation Bible School To Be Conducted At Hopeful

A Daily Vacation Bible School will be conducted at Hopeful Lutheran Church, Hopeful Road, near Florence, beginning next Monday, June 6th. The school will be in session each morning. Monday thsough Friday, from 9:00 a. m. to 11:30 a. m. for two weeks, closing Friday, June 17th.

Each day's session will open with a devotional period, followed by Bible study, a play period, and a hand-work period.

All children of the community, up to and including 12 years of age, are invited to attend.

Vacation Bible School Announced At Burlington Baptist Church June 8-17

Rev. R. A. Johnson, pastor of Burlington Baptist Church announces a Vacation Bible School beginning Wednesday, June 8th and continuing through June 17th from 9:00 a. m. to 11:30 a. m., daily.

Plans are being made for the largest attendance in years, with complete courses for all ages. Playground equipment will be placed on the church lot for entertainment of smaller children.

Transportation for children in and near the community will be furnished, it was announced, and all children in this section are given a cordial invitation to attend these services.

E. & W. Trucks Defeat Burlington Sunday Afternoon

In Northern Kentucky Semipro League; Pleasant Haven Suffers Defeat.

E. & W. Trucks defeated Burlington in a well-played contest at the local park last Sunday afternoon by a four to two score. Don Fund was on the hill for the winners and gave up only three hits while fanning 11 men. Johnny Woods did the mound duties for the losers and allowed only six hits, one of which was a home run by Schmidt. Schmidt also got two singles. Voskul was behind the bat for E & W with Gulley on the receiving end for Burlington.

In other Northern Kentucky Semipro League games Rock Bar won over Pleasant Haven 13-6, Silver Grove 8, Sandfordtown 4, State Realty 11 Hilltoppers 7, Visalia 5 Newport 2 and Charlies Cafe 5, Bruns Jugs 1.

AUTO FATALITIES DECREASE IN APRIL

Frankfort, Ky., June 2—Kentucky's drivers are becoming more careful!

There was a sharp reduction of fatal automobile accidents in the state during the month of April in comparison to the month of March, reports from the Kentucky State Police show.

There were 40 fatal accidents during March but only 33 during April, although traffic was 19 per cent heavier during that month.

how limestone helps keep your farm productive

When you apply limestone to your farm land you accomplish several important things at one and the same time.

1. You replace the calcium and magnesium (lime) that have been lost through cropping, erosion, and leaching.
2. The acid condition of your soil, that has developed as the result of the loss of lime, is corrected—that is, the soil is "sweetened."
3. The activity of favorable bacteria is stimulated; the decay of organic matter, such as manure, straw, roots, and stubble, is hastened; and the nitrogen-forming processes are promoted.
4. Other plant foods, especially phosphorus, are kept in more available form.
5. Soil structure is improved; heavy clays and silts are made looser and easier to till.

Lime a part of your farm each year and make this operation a regular part of your farm program.

ENCOURAGEMENT GIVEN FACILITY EXPANSION

The Kentucky Public Service Commission intends to give every encouragement to the expansion of electric facilities in sections of Kentucky not served, whether the source be private or public, Chairman Robert M. Coleman, announced this week.

"The record will show that our Commission has granted every request during this administration for an expansion of facilities," said Coleman.

Gov. Earle C. Clements echoed the assurance of Coleman and declared that the fact that forty per cent of Kentucky's farm homes are without electricity constituted a "challenge" to distributors of power, from whatever source derived, and added:

"The person who is without electric service is not interested in whether the power comes from the REA or from private utilities but he is vitally interested in obtaining power so he can turn on lights in his own home.

"We intend to work co-operatively toward that end and assist both groups in every possible way."

The Governor called upon both distributors of private and public power to pool their resources in an effort to tackle the problem and assure power facilities for farm families not now served.

It is recalled here that two years ago, Clements as a candidate for Governor pledged himself to "fight for every measure which will make REA service easier and cheaper, so that every farm and rural home in Kentucky may have electric lights and power at fair and reasonable rates."

Following the Governor's statement representatives of both private power groups and publicly owned rural electric co-operatives promised to make a "power survey" of Kentucky to determine what could be done.

FIVE DAIRY SHOW DATES SCHEDULED

Frankfort, Ky.—Commissioner of Agriculture Harry F. Walters announced this week dates for five district dairy shows that will be held this year in which 4-H and FFA members are expected to exhibit more than 1,000 animals. Last year, the first year in which the shows were held, 731 animals were exhibited.

The shows will be held at Mayfield, August 15; Bowling Green, August 1; Campbellsville, August 17; Shelbyville, August 18 and Flemingsburg, August 19.

Walters said that plans for all the shows have been completed, and that advance indications based on inquiries and letters are that more than 1,000 animals will be shown this year. George Harris, Carrollton, and C. S. Bell, Louisville, both former field agents in dairying at the University of Kentucky, will serve as judges for the show.

A $6,000 funds has been made available by the General Assembly for the conduct of the shows and payment of premiums. The Danish system of judging will be used. The 4-H activities at the shows are being administered by J. W. Whitehouse, Lexington, University of Kentucky 4-H State Leader. Jerry Montgomery, Frankfort is in charge of FFA work.

Walters said at each of the five shows there will be a showmanship ring and from that ring animals will be chosen eligible to compete for the Commissioner's trophy at the Kentucky State Fair in Louisville in September. John Foster, field agent in dairying at the University of Kentucky, will judge the showmanship rings.

FARMER'S DAY PLANNED AT STATE FAIR IN SEPT.

Louisville—All non-profit farm organizations and agencies in Kentucky have joined forces to make the first Farmer's Day at the Kentucky State Fair the "biggest day the Kentucky State Fair has ever seen."

Fair Manager George E. Lambert announced at a meeting of 20 representatives of interested groups at the Kentucky Farm Bureau Federation offices that September 13 has been designated as Farmer's Day at the 1949 State Fair. The Fair dates are September 11 through September 17.

A five-member executive committee was chosen from the Statewide Farmer's Day Committees in each of Kentucky's 120 counties. The county committees will work toward interesting individual counties in taking part in state fair activities and boosting fair attendance.

The executive committee is headed by Paul Grubbs, director of the Farm Bureau's State Fair Activities. Others named on the committee by R. H. Proctor, the bureau's assistant secretary, are: J. M. Heiser, information agent for the Farm Credit Administration; J. K. Smith, executive manager, Kentucky Rural Electric Cooperative Corp.; John C. Brown, president, Kentucky County Agents Association, and W. C. Montgomery, Kentucky Department of Education, division of vocational education.

Conservation Conversation

By J. C. Acree

Monday May 30, was a national holiday when we paused to commemorate the memory of our deceased loved ones. In this sense it was Memorial Day; however, this day is more commonly known as Decoration Day. From a national point of view this day was set apart for decorating graves, especially those of members of the American Armed Forces. Our thoughts (Memorial Day) are expressed by deeds; decorating of graves (Decoration Day).

When driving thru Northern Kentucky you no doubt have noticed cemeteries that have been neglected and others that are really well kept parks. By close observation the surrounding community seems to take on a like appearance. Of course old family grave yards have been neglected, for in some instances there are no living relatives. It is indeed a good history lesson to stop at one of these small family cemeteries and read the inscription on the head stones. The alarming figures shows many infant deaths and the short span of life. Many other odd records may be found.

Again one might notice that some cemeteries have taken on a new look, from past years. We recently noticed in one section of Northern Kentucky where the conservation movement is moving very fast, that the idle part of a cemetery was plowed, fertilized and reseeded to grass. Another observation in Boone Kentucky will show you a cemetery of more than a hundred graves and it is doubtful whether a square foot of grass can be found. Likewise the community is stripped of vegetation.

One community that really pauses and takes Decoration Day seriously is the Owenton community. Here you will find a well-kept cemetery and on this occasion several days before the 30th you may see flowers appearing on through Memorial Day. It takes on the appearance of a flower garden. Here relatives retreat from miles around. This cemetery is cared for through a retaining fund. Would this not be a good way for a farmer to leave his farm or a portion of it.

We have many well-kept cemeteries in Boone County and they appear to be improved each year.

Can a land owner leave a memorial to himself from a Decoration Day viewpoint any greater than a well-kept farm, where he has been the steward?

Ross Martin of Powell county spread 500 pounds an acre of 0-12-12 fertilizer, with borax added, before sowing 10 acres of Grimm alfalfa.

Large Dairy Barn Destroyed By Fire Near Hebron Friday

Estimated Loss Set At $7,000, According To Reports.

A large dairy barn on the farm of Frank Hossman, near Hebron, was destroyed by fire Saturday morning according to reports of Fire Chief Earl Aylor, of the Hebron Volunteer Fire Department.

A nearby milkhouse, milk equipment, a complete milking machine, one cow and three calves and a large truck were destroyed in the blaze, Mr. Hossman reported. The barn was 50 feet long and 40 feet wide, and contained a large amount of hay. Loss from the blaze was estimated at $7,000.

Hebron volunteer firemen, summoned to the scene, pulled to safety a 200-gallon gasoline storage tank, then fought the blaze until 5 a. m., Saturday morning before bringing the blaze under control. Firemen arrived at the scene at 3:30 a. m. according to Chief Aylor, and due to the rapid spreading of the blaze, the fifteen volunteers were compelled to work rapidly in removing the gasoline tank and to keep the blaze under control in order to save nearby buildings.

Assistant Chief Robert Goodridge was bruised when a hose broke loose and knocked him down. He was not seriously injured.

Funeral services were held at 2:00 Monday at the Rogers funeral home Frankfort, with burial in Frankfort Cemetery.

Chambers and Grubbs, Florence funeral directors were in charge of arrangements.

USED CAR LOT REOPENS

H. R. Baker, prominent automobile dealer, announces in this issue of The Recorder the reopening of his used car lot at 20 East Fourth St., Covington.

The lot has been re-conditioned, having been reblacktopped. Closed four and one-half years ago, Mr. Baker finds it necessary to re-open it as an outlet for his used car trade-ins. Mr. Baker is a new-car dealer, with main office at 111 Beech Street, Newport.

Jack Parks will manage the Covington lot.

E. & W. Nine Mark Up Victory Over Silver Grove Sun.

Burlington Suffers Defeat At Hands Of Rock Bar By Score of 13-4.

The E. W. Trucks, chalked up another victory Sunday in the Northern Kentucky Semipro Baseball League by defeating the Silver Grove nine by a score of 4-1 Sunday afternoon at Silver Grove. This game marked the third successive victory for the Truckers, who collected nine hits. Silver Grove batters collected eight hits.

Westerman was on the hill for E. & W., striking out seven, while walking five. Jenkins and Borman divided hurling duties for the losers. Dittus led the attack for the winners with three hits.

Burlington suffered defeat at the hands of Rock Bar Cafe 13-4 at the Ludlow park, Sunday. Woods was on the mound for Burlington, giving up 11 hits, while striking out 11. Joe Stanley served them up for the winners, allowing seven hits and striking out seven.

Another Boone County team, Pleasant Haven suffered defeat Sunday, when Sandfordtown took a 11-9 decision. Pleasant Haven collected sixteen hits from the opposing pitcher but could not rally enough runs for victory.

Purdy, and Loretta Jones, daughter of Mr. and Mrs. Clifford Jones, both of Burlington, will represent the Burlington High School Future Homemakers of America Club at the state convention to be held at Lexington next week. Miss Purdy is president of the local organization and Miss Jones is secretary. They will be accompanied to the convention by Miss Frances Horlacher, club sponsor.

Mr. and Mrs. Robert Clore, Mrs. L. H. Crisler and Miss Mary Alice Poston attended the graduation exercises at the University of Cincinnati, Friday night, where Bobby Clore was one of the graduates.

League Leaders Take Firm Grip On Top Round

Belleview, Hebron, Big Bone and Pleasant Haven Mark Up Victories.

Petersburg continued to lead the Boone County Baseball League after last week's games which saw the leaders trim Constance ten to 7; Belleview over Union 11 to 2; Hebron 13 and Sand Run 6; Big Bone 9 to 1 for Burlington, and Pleasant Haven 5 to Florence's 1.

A number of the league teams are making quite a team personnel change during early weeks of the campaign in order to strengthen their chances, but unless quite a bit of strengthening is done on the part of several it appears that Bolivar Shikle's Petersburg nine, Eddie Roger's Grant crew and Myron Garnett's Hebron outfit are going to be the class of the league.

In Saturday's games Petersburg had 10 runs on 14 hits off the offering of Bloebaum and Peeno of Constance. D. Deck, the winner's twirler gave up 13 hits and 7 runs. Edwards led the Petersburg attack with three hits.

Belleview got back into stride as they scored 11 runs on 12 hits against Union. Vest and Ryan pitched for the losers while Ivan Cason, the winner's unpredictable lefty, tossed a six-hitter and allowed two tallies.

Hebron again showed signs of having a winner as they scored 13 runs on 18 bingles to take Sand Run 13 to 6. Goodridge and Garnett was the winning battery while for the losers it was Pepper and Smith.

Burlington dropped back another notch in the standing when they lost a one-sided 9 to 1 game to Big Bone. Charley Black, Big Bone veteran of the hill, gave only one base blow and was in command throughout. His catch was Stephens. For Burlington Smith did the pitching and allowed eight hits but received some ragged support.

Pleasant Haven's Ryan pitched a one-hitter against Florence as his team won five to one. Roland and Utz pitched for Florence and gave up nine safeties. S. Gruelle was the big gun offensively for Pleasant Haven with a home run and a single.

Next Saturday

Burlington at Florence.
Petersburg at Pleasant Haven.
Union at Constance.
Sand Run at Belleview.
Hebron at Big Bone.

Quarantine Placed On Dogs In Waterloo Section For 60 Days

Dog Killed At Home of Mrs. Claude Arrasmith Proves Rabid.

Sheriff R. I. Rouse, announced a 60-day quarantine on all dogs in the Waterloo neighborhood, due to "positive for rabies" report received from the University of Kentucky on a dog head sent there May 31 killed on the farm of Mrs. Claude Arrasmith.

Sheriff Rouse stated that all dogs in this area must be tied, placed in a kennel or confined at all times during the 60-day period. This order is given he said to prevent the spread of rabies throughout the county.

Dogs found running at large will be killed, the Sheriff stated.

The following letter concerning the dog head sent to University follows:

"The bacteriological laboratory of this department reports that an examination of the dog head submitted by you and delivered to the laboratory on May 31, 1949 by Greyhound Express, gave the following results: Lab. No. 361478, specimen, dog head, owner Mrs. Claude Arrasmith, Burlington, Ky. Examination, positive for rabies.

"Inasmuch as the examination of the brain indicates that this animal was infected with rabies or hydrophobia, anyone exposed to the saliva through handling or feeding or from having been bitten within a period o ten days prior to the first symptoms, should take the Pasteur or anti-rabic treatment immediately to guard against contracting the disease."

Roscoe L. Murray To Address Group At Red Cross Dinner

One of Kentucky's Most Colorful and Able Statesmen.

Brigadier General Roscoe L. Murray, Adjutant General of Kentucky will be the guest speaker at the annual dinner meeting of the Boone County Chapter, American Red Cross, to be held Tuesday, June 21, at 6:30 p. m. at the Florence school.

General Murray, who is one of Kentucky's most colorful and able statesmen, is in charge of the state militia and the National Guard, and is also the man who coordinates state resources with county agencies in time of trouble.

He will discuss how the state, county, and Red Cross coordinate in time of flood, tornadoes, and other physical disasters, and will tell the Boone County citizens what they can expect from these resources.

The people of Boone County are invited to this meeting and it is hoped that many will avail themselves of this opportunity to come and also to bring their children to hear and meet this really outstanding speaker and to give him a cordial welcome to Boone County.

Dean Bloss, Director of the Boone County School Bands will present musical selections.

The dinner, which will be baked ham with all the trimmings, will be served by the Ladies' Auxiliary of the Florence Fire Department and the cost will be $1.50 for each adult and 75c for children under twelve.

To avoid confusion at the dinner, it is requested that all reservations be accompanied by the money. Reservations must be in not later than Thursday, June 16, and are to be sent to Mrs. Elizabeth G. Nestor, Executive Secretary, Boone County Chapter, American Red Cross, Florence, Ky.

Sixth Victory Chalked Up By Belleview Nine

Verona Trims Walton 12 to 2; Constance Suffers Setback By 12-0 Count.

The Belleview nine chalked up its sixth victory in as many starts in the Kentucky Athletic Goods Semipro Baseball League trouncing the Falmouth Merchants 7-4 at the loser's park, Sunday afternoon.

Don Lenhoff, was on the mound for Belleview, allowing ten hits, striking out nine and issuing two bases on balls. Lenhoff helped his own cause with a triple, while Pip Clore collected the big blow of the day, banging out a home and a triple. Flaughier and Wright divided mound duty for the losers, allowing 12 hits.

Verona took a decisive victory from their neighbors, Walton, by a 12-2 count. Elmo Steffen was on the mound for the winners striking out 17 and allower but four hits. Buford Smith was the starting hurler for Walton, was relieved in the eighth by Ryan. Hayes led the attack for Verona, with two doubles, driving in three runs, while Brown a teammate collected three hits including two doubles.

Bob & Gene had a field day at bat, collecting 17 hits from the pitching of Brown and Rider as they handed the Gallatin County team a 10-8 defeat at the Florence grounds. Uriage was on the mound for the winners, allowing only seven hits. Sebree and Arnzen of the winners hit home runs. A double by Howell was the only extra base hit garnered by the losers. Outstanding play by the loser's shortstop Montgomery, and catching of Maxwell was spectacular, according to fans. Sebree of the winners had five hits in 6 times at bat.

The Hudepohl nine tallied an easy 12-0 victory of Constance at the Ross grounds Sunday. Gordon Kinney hurled six inning for the winners and gave up two hits. He struck out 5 and walked 1. Artie Green finished the mound duties for the winners, allowing but one hit while fanning four and walking two. Deck, Gillett and Bloebaum hurled for the losers and all were hit hard as the winners collected 17 hits.

Local Airport To Receive Safety Certificate, June 16

County Judge C. L. Cropper Issues Lengthy. Proclamation.

The Greater Cincinnati Airport, located near Hebron, Boone County will receive a Certificate of Safe Operation in ceremonies scheduled for Thursday, June 16, at the airport, it was announced this week.

In connection with the awarding of this certificate, County Judge C. L. Cropper, issues the following proclamation:

Proclamation

Whereas, at 8 o'clock p. m. on Thursday, June 16, 1949, the Northern Kentucky Chapter of the National Aeronautic Association, will present to Mr. Robert M. Isenberg, manager of our great Boone County Airport and the Kenton County Airport Board, manager of the airport, a Certificate of Safe Operating Practices, received from the headquarters of the National Aeronautic Association in Washington, D. C.; and

Whereas, but few airports in the United States receive such recognition; such certificates being awarded for safety, good sanitary conditions, the proper beautification of the grounds and the administration building at the airport, and many others items that a visitor to the airport might not observe; and

Whereas, this is indeed good news for our great commercial airport to receive such recognition and honor; and

Whereas, I have been informed that before the Safety Committee of the National Aeronautic Association would consider making such an award that the airport must first be recommended by the Kentucky State Department of Aeronautics and the Federal Civil Aeronautics Administration, both branches of our state and federal governments having heretofore made such recommendations; and

Whereas, before such a certificate could be awarded another airport executive located more than one hundred air miles from our great airport was requested to make an inspection of the buildings, grounds, and operations of private and commerical air operations at the airport, all of which was done and the airport pronounced as being virtually 100 percent perfect and proficient; and

Whereas, there is expected to be at the official presentation of the Certificate for Safe Operating Practices a number of high state and federal aviation executives, as well as local aviation, aircraft and airline executives; and

Whereas, the members of the Boone County Fiscal Court, city and county officials, civic, church, school and farm organizations, are invited to attend these ceremonies and also inspect the airport and administration building, as well as the operations of the commercial airlines, and the Boone County Airlines, an aviation service company for private flying; and

Whereas, this airport is a great asset to our county, as numerous new resident buildings have been erected in the vicinity of the airport, which adds to our county tax duplicate, and I have been informed that plans are now being perfected for the construction of a large industrial plant in our county in close proximity to the airport.

Therefore, I, Carroll Cropper, chairman of the Boone County Fiscal Court, and County Judge of Boone County, hereby recommend and urge that as many of our local, city and county officials, as well as many of our citizens as possible, who can, take advantage of this invitation and attend these ceremonies on Thursday night, June 16, believing that such attendance will prove both educational and profitable to our citizens and circuits.

C. L. CROPPER, Chairman
Boone County Fiscal Court.

Five-Year-Old Boy Drowns In Creek Thursday Morning

Funeral Services Held Saturday at Stith Funeral Home, Florence.

James Richard Hutchinson, 5-year-old son of Mr. and Mrs. Richard Hutchinson, of near Burlington, drowned in Gunpowder Creek near the farm where he lived Thursday morning.

The child was missed from the home and after a search by an uncle James Brockman, on furlough from the Army and visiting at the Hutchinson home, found the boy's clothing on the banks of the creek, and waded into the creek where he discovered the body. Apparently the children had waded off a step-off into deep water.

Artificial respiration was tried in vain. Dr. Harry Daugherty, Florence, pronounced the child dead at the scene. Robert Brugh, coroner gave a verdict of accidental drowning.

Besides his parents, James leaves a sister, June Ann, and maternal grandparents, Mr. and Mrs. Thera Brockman, Covington.

Funeral services were held Saturday at the Stith funeral home, Florence, with burial in Forest Lawn Memorial Park, Erlanger.

Mr. and Mrs. Wm. Worfford, Mr. and Mrs. Dock Houston, of Hooven, Ohio spent a very enjoyable week-end with Mr. and Mrs. Paul Mitchell, of Dover, Ind.

Farm Bureau Picnic Planned Saturday, June 18

I. S. Wood, Director of Field Services Will Be Guest Speaker.

The annual Boone County Farm Bureau picnic will be held at the fair grounds in Burlington on June 18th, according to John E. Crigler, Secretary.

Mr. I. S. Wood, Director of Field Services of the Kentucky Farm Bureau Federation, will be the guest speaker.

The picnic will start at 10:30 a. m. and the noon meal will be a basket lunch affair.

Members who attended last year's picnic will remember the fine fellowship and the excellent speaker for a long time. All Farm Bureau members are urged to attend and make this the greatest Farm Bureau meeting ever held in Boone County.

COUNTY BAND PRACTICE MON.

Boone County School Band will hold its second practice of the summer Monday, June 13th at Burlington School. Practice time 8:00 p. m. Last Monday, Joe Smith and Holly Forkner were visitors. Holly entertained with several fine solos.

The band will play at the horse show scheduled June 24th and 25th at the fair grounds.

County Judge C. L. Cropper Seeks Re-Election

Served As Judge Since September 8, 1942; Solicits Support of Voters

Judge C. L. Cropper, Burlington, makes his formal announcement as a candidate for re-election as County Judge of Boone County in this issue of The Recorder.

Judge Cropper was appointed County Judge of Boone County on September 8, 1942 to fill the vacancy caused by the death of the late Judge N. E. Riddell, and was elected for the unexpired two-year term in 1943. He made the race for the office in 1945, being nominated and elected for the regular 4-year term.

In making his announcement Judge Cropper says that Boone County continues to have the reputation of being one of the best governed counties of the State, the financial affairs of the county are in splendid condition and the county at all times operates within the budget, that the affairs of the County will continue to be carried on to the best interest of the people of the county; that it has been a privilege and pleasure to serve the people of Boone County, who have cooperated so splendidly, and their continued support and influence will be greatly appreciated in the primary election, August 6, 1949.

"100-Block" To Inaugurate Radio Program

The "100-Block" Pike Street Merchants' Association announces the opening of a radio series on Tuesday, June 7th over WSAI, according to Maurb Levin, President of the Association.

The group, made up of merchants in the 100 Block on Pike Street, between Washington and Russell, Covington, will sponsor the Man-on-the-Street program "Passing Opinions," with Steve Crane, each week day, except Monday at 12:45. The show will originate at various points in the 100 Block and valuable prizes will be given away each day.

"The purpose of the series," Mr. Levin said, "will be to acquaint the people of Covington and northern Kentucky with the complete and varied shopping facilities in this one centrally located point in down-town Covington, also we want to pass along many interesting items of great historical interest about one of the oldest sections of northern Kentucky."

Local Youths Participate In College Recital

James Pierce and Ray Scott, of Hebron, were among the students of Music by Madam Olga Conus presented in recital at the College recently.

Those attending from this county were Mr. and Mrs. Harold Stewart and Eric Huessey, of Bullittsville; Mrs. Myron Garnett and Mrs. Albert Avery and daughter, of Hebron and Mr. and Mrs. George Pierce, of the Hilltop neighborhood.

On Saturday afternoon Madam Olga Conus, of Cincinnati, entertained with a lovely picnic at the home of James Pierce and Ray Scott, near Hebron. The event celebrated Jimmy's birthday. The guests included twenty pupils of Madam Conus, Mr. and Mrs. Harold Stewart, of Bullittsville, Mr. Ray Scott and the honor guest.

LOCAL ANGLER TAKES DUCKING IN POND

J. B. Rouse, Burlington farmer is reported to have received a "ducking" in his pond one day last week while fishing.

The story goes, that Mr. Rouse stepped on a log near the water's edge which gave him a spill into the pond. He escaped injury, but was completely soaked from the experience.

You don't suppose the victim saw a large fish swim past and he was attempting to catch it?

The ladies of the Lutheran Church extend thanks to all who donated to the dinner at the church Monday, those attending or helped in any way to make it a success.

Commencement Exercises Held At Fair Grounds Fri.

Huge Audience Hears Dean L. J. Horlacher's Address.

Thirteen seniors of the Burlington High School received diplomas at the class commencement exercises held last Friday evening at the Boone County 4-H and Utopia Club stadium. The graduates were Galen Acra, Max Ryle, Lafe Miller, Jr., Leland Sullivan, John Carroll Rogers, Martha Lois Liser, Mary Pugate, Kathryn Pettit, Janet Pope, Pat Day, Laura Lee Biddle, Evelyn Rogers and Dorothy Brown.

Dean L. J. Horlacher of the University of Kentucky addressed the class and huge audience. The theme of his address was "doing a good job." Music for the occasion was furnished by select members of the school band.

Awards Made

Awards were made to outstanding members of the graduating class. Those receiving honors for outstanding accomplishments were Lafe Miller, Jr., athletic award; Leland Sullivan, scholarship medal, and Kathryn Pettit, Citizenship medal. Sullivan also received a certificate of merit for outstanding work in the field of high school journalism.

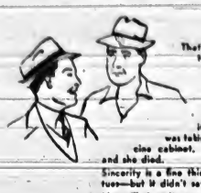
R. R. WHITE RECEIVES LLOYD MEDAL AT EXERCISES HELD FRIDAY NIGHT

The recipient of the Lloyd Medal at Lloyd Memorial High School, at commencement exercises Friday night, June 3rd was Bob Reed White son of Mr. and Mrs. Wilson White, of Erlanger.

This medal is an award of merit, given to the outstanding student of the year in scholarship and service in his school.



Bob was captain of the football team, editor of the "Spectator," the school annual, as well as a honor student and member of Beta Club. Bob will enter University of Cincinnati in September.

Mrs. Frank Ayler and son Bobby spent Sunday with Mr. and Mrs. Harry L. Ayler and infant son, of Ludlow.

Mrs. Eva Williams, Miss Betty Williams and her fiance David Flack, all of Covington, attended church here Sunday and were the luncheon guests of Mr. and Mrs. Chester Goodridge.

"It Doesn't Matter What You Believe As Long As You Are Sincere"

(OR DOES IT?)

That's what a plumbing salesman told me one day—and so many people have said the same thing that it is almost a proverb.

But sincerity is not enough.

Miss Jones sincerely believed it was a dose of medicine she was taking from the bottle in the medicine cabinet. It turned out to be poison, and she died.

Sincerity is a fine thing—one of the noblest of virtues—but it didn't save Miss Jones.

Nor will sincerity save your soul if you believe the wrong thing.

If you rest your faith in religious ceremonies, you are lost. If you think the pearly gates of heaven will swing open for you because you are a good moral man, or because of the good deeds you have done, you may be sincere as the day is long, but you will certainly be lost.

A person can be saved only by coming as a needy, helpless sinner to the Lord Jesus Christ and accepting His pardon—a pardon made possible because Christ died on the cross the death we deserved to die. Christ alone can save us. "Neither is there salvation in any other," cried the apostle Peter, "for there is none other name under heaven given among men whereby we must be saved."

It does matter what you believe. Anchor your faith in the Lord Jesus Christ with all the sincerity of your heart, and He will give you peace with God and everlasting life.

Graduates Enjoying Sightseeing Trip

Members of the Burlington and Hebron graduating classes of 1949 left Monday of this week on a six-day sightseeing trip throughout Kentucky, North Carolina and Virginia. They were accompanied by Mr. and Mrs. Marvin Porter, Mr. and Mrs. Charles Rassler, Jr., and Mr. and Mrs. Raymond Holbrook.

Tomato Blight Control Outlined By Co. Agent

Spraying for tomato late blight is a good investment even though the late blight does not attack the plants, according to Bill Davis, County Agent.

Spraying for the late blight also protects the plant against the less serious early blight which always comes, causing the leaves to drop off one by one, and causes the late fruit to lose size and sweetness.

While the hot dry weather of recent weeks is not favorable to late blight attacks the disease has been reported in Georgia which state is usually attacked three weeks earlier than Kentucky.

Since it is too late to spray after the tomatoes have the disease a preventative program of spraying must be started. The first spray should be applied when the fruit is the size of a pear. Three or four more sprays should be applied at 10-day intervals.

Any of the "fixed copper" sprays containing approximately 40 percent strength metallic copper give satisfactory control. Two level tablespoons of material in one gallon of water makes a spray of satisfactory strength. Plants should be sprayed until the spray starts dripping from the plant.

If dusting is preferred use a 5 percent metallic copper dust. Dusting is not usually as satisfactory a method of controlling this disease as spraying unless a good rotary duster is used. At the first dusting one-fourth lb. of dust should be used on 30 plants; at the second dusting one-half pound and for later dusting 1 pound for 30 plants.

Florence

Mrs. Paul Chaney and Mrs. Kathryn Oliver motored to Augusta, Ky., Thursday and were guests of the former's sister, Mrs. W. H. Hanson.

Mrs. Viola Wolfe and daughter Natalie, of Erlanger enjoyed the week-end with Mr. and Mrs. Reuben Batson, friends in Lexington.

Sympathy is extended the family of Joseph Sandford, 80 for whom services were conducted from the Ralph Stith funeral home on Wednesday with Rev. Sam Reid of the Florence Christian Church officiating. Interment was in Highland Cemetery.

Mr. and Mrs. W. L. Oliver were Sunday dinner guests of her relatives in Bond Hill, Cincinnati.

Funeral services for James Richard Hutchinson 5 of Burlington R. 3, who accidentally drowned while wading in a creek, were held Saturday from the Stith funeral home with Rev. Wiley, of the Elsmere Christian Church officiating. Burial was in Forest Lawn Memorial Park Erlanger. The community extends sympathy to the bereaved family.

Dr. and Mrs. O. W. Robinson visited Morgan Cemetery Sunday, following church services.

Mr. and Mrs. Chas. Harris and son, of Pennsylvania, who are enroute to Brazil, paused to worship at the Florence Methodist Church Sunday morning.

Dr. and Mrs. O. W. Robinson are at Winchester this week where he is attending pastor's school at Kentucky Wesleyan College.

Services for Bud Moreland were held Friday at 2 p. m. from the Stith funeral home. Rev. R. H. Carter was the officiating minister and interment was in Petersburg Cemetery. Sympathy is extended the family.

Frank Sayre is improved sufficiently to resume his duties at his place of employment following an operation period of six weeks.

Funeral of Wesley Kittle 74, of Burlington was from the Stith funeral home Monday with services at the Petersburg Christian Church. Rev. Roy Johnson officiated. Sympathy is extended the family.

Rev. R. J. Bradley, of Winchester is visiting friends in this county.

Mr. and Mrs. Karl Kelm, of Tucson, Arizona are expected to arrive here this week to be guests of relatives and friends.

Miss Hope Conner was agreeably surprised when she returned home Thursday evening to find several friends present who had prepared dinner for her in celebration of her birthday. We all wish her many happy returns of the day.

The roadside mowing season has opened on Price Road with Walter Scott and Clyde Anderson first in line. This is a fine practice as it eliminates weeds, encourages grass and also adds to the beauty of the farm.

Mr. and Mrs. S. H. Ayler, of Gunpowder entertained at dinner on Memorial Day Guests included Mrs. William Elkin and sons, Mr. and Mrs. Lawrence L. Ayler and daughter and Mrs. Martha Richards and son Jerry.

Waterloo

We extend sympathy to Mrs. Alice Riddle and family in their bereavement.

Rowe Johnson noted radio man and wife Imogene and Ray Bailey were guests of Red Purdy Thursday afternoon at Waterloo Lake.

Howard Williamson's mother is very ill at this writing.

We wish for Mrs. Charley Kelly a speedy recovery.

Mrs. Harry Stephens and Mrs. Miles Greenwood, Mrs. Wesley Riddle, Mrs. Owen Portwood and Mrs. Elleen Rachel called on Mrs. Bryant Jones, Friday evening.

Mrs. Bryant Jones is somewhat improved.

Mrs. Mary Williamson, of Cincinnati, spent a few days last week at home.

Eugene Purdy is spending his vacation at home.

Miss Nellie Jo Purdy was the Saturday afternoon guest of Patsy Jones.

Mr. and Mrs. Bryant Jones spent Monday in Covington.

Mr. and Mrs. O. W. Purdy and family were in Covington, Saturday.

Mrs. Blanche Slaybeck is visiting her mother at Waterloo, who is ill.

CARD OF THANKS

I wish to express my sincere thanks to those who helped in any way during the illness of my mother and during the past two weeks in my illness. Especially do I wish to thank Mr. and Mrs. O. W. Purdy and daughter Nellie Jo, Mr. and Mrs. Hobert Bowling, Mr. and Mrs. Boyd Powell, Mrs. Steve McDaniel, Mrs. Melvin Kelly, Kermit Mallicoat and to all who has visited me at my home. Also I wish to thank Dr. M. A. Tolton for his kindness shown during my illness and to Miss Angie McDaniel for her help. Your kindness is greatly appreciated.

Local Youth Participates In Navy Operations

William A. Ottino, seaman, USN, son of Ulysses S. G. Ottino, of near Hebron, Ky., recently participated in "Operation Moving Van" as a crew member aboard the aircraft carrier USS Valley Forge.

The flight and hangar decks of the large carrier were used to transport the Staff Headquarters men, equipment and office files, of the Commander, Air Force, Pacific Fleet, and two other units from Pearl Harbor, T. H., to San Diego, Calif.

"Operation Moving Van" was unique in that Vice Admiral H. B. Sallada and his staff continued to carry out command functions and operations during the move by setting up temporary offices in every available nook of the ship.

This shifting of units is part of the Navy's current efforts to cut down operating expenses throughout the fleet.

CLASSES HOLD MEETING

Waterloo Man Held Under $5,000 Bond After Shooting

Charged With Shooting and Wounding With Intent To Kill.

Everett Boles, 24, of Waterloo was arrested Saturday at the home of his father at Waterloo, following the shooting of William B. Griffin, 40, of Route 2 Burlington, Friday night, near Mudlick Creek, off U. S. 42.

When arraigned in Judge C. L. Cropper's court Monday morning on a charge of shooting and wounding with intent to kill, Boles plead guilty and was held for grand jury action under $5,000.00 bond, according to Sheriff R. I. Rouse. Sheriff Rouse and Deputy Sheriff Easton were the arresting officers.

Sheriff Rouse reported that the men had been at Duck Head Inn, watching the wrestling matches on television. When they left to go home Boles commenced shooting at objects along the road with a .22-caliber rifle. John Andy an uncle of Griffin had joined the pair, and warned Boles he might hit a person or animal. Griffin reported the accused dropped back and then fired two bullets at him. He was wounded in the right arm and back.

Griffin boarded a Greyhound bus and rode to Covington where the wounds were treated at Booth Hospital. He was released Saturday night.

Edward Cooper Store In Erlanger, Looted

The appliance shop of Edward P. Cooper and the sales room of Carver Kuck, plumbing contractor both located at 424 Dixie Highway, Erlanger, were looted last Friday or early Saturday morning, it was reported.

Two small radios, a portable television set, two portable radios and cash amounting to $85 was taken by the thieves it was reported.

Entrance to the building was gained by forcing a side basement window. The robbery was discovered early Saturday by Wilfred Tupman, an employe of Kuck.

Mrs. Eva May Sleet

Funeral services for Mrs. Eva May Sleet, 90-year-old lifelong resident of Boone County were held at 1:00 p. m. Wednesday at the Walton Presbyterian Church. She died Sunday at her home on Richwood Road. Burial was in Richwood Cemetery.

Mrs. Sleet is survived by seven sons, William, Charles, Walter, Robert, Estill, George and John, all of Boone County; two daughters, Mrs. Joseph Howlew, Walton, and Mrs. Russell Collen, Connersville, Ind.

Chambers and Grubbs, Walton funeral directors were in charge of arrangements.

A Correction

In last week's article on "Control of Tomato Blight" a statement was made that the first spray should be applied when the first fruits are the size of a pear. This should read "when the first fruits are the size of a pea."

Burlington Paint-Up Campaign In Full Swing In Past Weeks

Several Buildings In Town Have Different Apperance.

During the past few weeks a paint-up campaign has hit the central section of Burlington. A few weeks ago the Post Office building was given a complete renovating, the interior being papered and painted, exterior painted and hand rails installed on each side of the steps leading into the building.

The frame building formerly occupied by the Boone County Recorder and now owned by the Peoples Deposit Bank has been painted inside and out. The wood work and metal work on the Peoples Deposit Bank building has been painted.

On the north side of the main thoroughfare, the large hardware building on the corner is being painted. The Farmers' Mutual Fire Insurance Company is planning some repairs, and wood work on their building is to be painted. Three dwellings in the central section of town are being painted or plans made to paint. This is more painting than has been done in Burlington during the past ten years. Let the good work go on.

Rev. T. G. Waller

The Rev. T. G. Waller, 36, pastor of the First Baptist Church, of Benton, Ky., died in a Murray hospital, Tuesday of last week of injuries received in an automobile accident.

Rev. Waller made many friends in Burlington while conducting a revival here.

He is survived by his wife, three sons, John Thos., George Edmund, Richard Moss; his mother, four brothers and four sisters.

His body was placed in the Waller Cemetery at Valley Station, Ky., (Louisville) on Friday, June 10th, close to his old home and church.

CONRAD REUNION PLANNED

The Conrad reunion is to be held in the High School auditorium at Dry Ridge, Grant County, Ky., on Sunday, June 26th at 11:00 o'clock. All relatives of the Conrad family are invited to come and bring lunch for the noon hour. This reunion was held at Williamstown last year.

Property Owners Urge Sanitary Sewer System For Florence

At Meeting of Florence Board of Trustees Held Recently.

A group of property owners attended a recent meeting of the Florence Board of Trustees and urged that steps be taken to provide the city with a sanitary sewer system.

Every now and then someone raises the question of a sewer system for Florence. Some are in favor of it. Some are opposed to it. Like the weather; it is discussed, but very little done about it.

Does Florence need a sewer system?

It has one already. Florence is built on a fan-like series of ridges extending out like the fingers on a hand. The houses on these ridges have good drainage. The sewage from them drain into the valleys where a natural drain once carried it away. This system worked well until houses were built in these valleys. Sewage from the houses on the higher ground drained into their yards. Some property owners laid pipe to carry the sewage onto the next piece of property.

In the central portion of Florence houses are close together. Some lots are small and level. There are no large area for drainage. Pits are dug and filled with gravel to receive overflow from septic tanks. In time these pits fill and overflow. The soil does not permit adequate drainage. In some places the soil is saturated with sewage. Some drains empty into streets. Dirt is washed out of clothes and the dirt is drained into the street. Wash water and water from kitchen sinks can be just as offensive and harmful as the discharge from septic tanks. For some reason Florence has escaped an epidemic of disease. Children play in yards and other places where their hands and feet come in contact with soil that recently may have been wet with sewage.

It is possible that the success of some gardens is due to the sewage draining into them.

The present sewer system appears to be satisfactory for some parts of Florence because it carries the sewage down toward the natural drains at the bottom of the ridge. The child living on the ridge can get typhoid and polio by playing in the valley. And what about the child in the valley?

Over a period of years a city water system has been developed. It is not complete, but most of the houses in Florence have it available to them. Some families still get their drinking water from wells and cisterns. This water may be pure. It may not be pure because a neighbor's sewage drains into it.

What will a sewer system cost?

Any estimate must be based upon knowledge of present costs and only be approximate.

It is safe to suggest that the first cost to the owner of a fifty-foot lot would be about that of a new electric refrigerator. A case of typhoid fever, with its doctor's bill and hospital fees, would probably cost more than the first cost of the sewer system.

An annual bond retirement and maintenance charge of about twenty-five dollars would be assessed against each home connected to the sewer. This is less than the average light bill. It is the cost of digging a grave.

The total cost for complete payment of the swer system over a period of thirty years would be about the cost of a good used automobile. It would be about the cost of a funeral.

Does Florence want a sewer system?

Former Florence Groceryman Tosses Hat In Political Ring

Seeks Post Of Magistrate From Second Magisterial District.

M. G. Martin, former Florence groceryman, announces his candidacy for Magistrate from the second Magisterial District of Boone County, in this issue of The Recorder. The second district is composed of Florence, Union and Burlington.

Mr. Martin has been a resident of Boone County for the past fifty-six year, having operated a grocery in Florence for the past 26 years. He is a member of the Florence Rotary Club and is well known throughout the county as well as in his district.

Mr. Martin states that he has never made the race for any political office, and has never served as an official of the county.

In making his formal bow to the voters of his district he makes the following statement:

"I have been urged by many friends in this district to enter the race for Magistrate, and after consideration have consented. If I am elected I will serve the district and the county as a whole to the best of my ability, and feel that I am qualified for the position I seek. Your support is earnestly solicited in the Democratic primary, Saturday, August 6, 1949."

Thirteen Participate In 4-H Week At Kentucky University

Local Youths Receive Red Ribbons In Contests; 119 Counties Participate.

Thirteen 4-H'ers from Boone County attended the annual 4-H Week at Lexington, University of Kentucky, June 7-11, according to Bill Davis, County Agent. Twelve hundred and thirty-four club members from 119 counties gathered for the four-day affair.

Boone County had entries in the contests and received four red ribbons. Ralph and Robert Glinn, of Constance received red ribbons for their agricultural team demonstration. Billy Moyer of Constance received a red ribbon for his agricultural individual demonstration and Marlene Morith received a red ribbon in foods judging.

Sponsors of scholarships to 4-H Week were Dearborn Mills, Sears, Roebuck & Co., Hill's Seed Store, Coppins and Early and Daniel Co.

Florence Sophomore Wins Junior Red Cross Contest

All-Expense Trip To Atlantic City Is First Prize For Girl.

Betty Hood, sophmore of Florence school was the winner of a contest sponsored by the Boone County Chapter Junior Red Cross. Betty's essay "What the Junior Red Cross Means to Boone County" was selected as the best by the judges. Judges were Mrs. Alice Treleaven, ex-secretary Kenton County and Mrs. Zech Ford Bond, Junior Red Cross Chairman, Kenton County.

Betty will enjoy an all-expense trip to Atlantic City June 25 to 30, where she will attend the National Convention of the Junior Red as delegate from Boone County.

Dean Bloss, Junior Red Cross chairman of Boone County was advised by the judges that all the entries were exceptionally good and it was difficult to select the best essay. Honorable mention goes to Dora Callen of Florence and Joan Anderson, of New Haven.

Following is the winning essay:

"What the Junior Red Cross Means To Boone County"

The Junior Red Cross is a division of the National Red Cross. It was established in 1917 by Woodrow Wilson.

The Junior Red Cross has a motto; it is: "I Serve." They aid in community projects, organize welfare programs, and engage in sending gifts to children in various countries, as well as their own, regardless of color or creed. Through the international Junior Red Cross they exchange correspondence. Through this correspondence is promoted good will and understanding among the nations.

The Junior Red Cross pay no dues but they assist those who are victims of disaster by providing clothing, food, medical care, and replacement of books and other personal belongings. In time of of disaster they also make voluntary cash contributions.

I have told what the Junior Red Cross as a whole means to each and everyone of us. The title of this essay is what it means to Boone County. Don't you think it means the same to everyone?

If you are ever asked to help the Red Cross don't fail to. You never know—you may be a victim of some disaster yourself.

I believe the most important thing is that the young people of this organization are guided to show respect to every human being, no matter of what race, religion, or political party. They are without thought to self when offering their help to all old or ill people, those in danger or deprived of their rights.

The Red Cross (Junior) of Boone County is willing and able.

Here's an opinion of why the high school students of Boone County belong to the Junior Red Cross: Why do I serve? I serve because I know every day, every hour, the Junior Red Cross is working toward peace and a happy world, a world that cirtually needs on Red Cross, a world brotherhood in which "all for one and one for all" is not merely a phrase but an action.

These are only a few things that the Junior Red Crosss does, and you ask what it means to Boone County. It means more than words can express, an da beautiful way of expressing our own American Junior Red Cross ideals of service and world brotherhood is through the Junior Red Cross of America.

Ladies' Auxiliary Plan Pillow Slip Bingo

The Ladies' Auxiliary of the Florence Volunteer Fire Department remind readers of the fun had and the beautiful pillow slips won at the last Pillow Slip Bingo given at St. Paul auditorium last month. The ladies have planned another bingo this Thursday evening, June 16th, 1949 at 8:00 p. m. The bingo is again given for the benefit of the Fire Hall and Community Center.

The various committees have worked hard to make this even better than the last. Let's all cooperate and help to make it a success. The ladies urge you to buy your tickets in advance and come early. Not only will you have a most enjoyable evening but it is a grand place to meet your friends.

Engagement Announced

Mr. and Mrs. Milton Tritsch, of Florence announce the engagement of their daughter Lillian Margaret to Mr. Thomas E. Flick, of Grant, Ky., son of Mrs. Maude Beemon Flick. No date has been set for the wedding.

Gene W. Roberts

Gene W. Roberts, retired Boone County stock farmer, died Monday at St. Elizabeth Hospital, Covington after a short illness. He was 81 years old.

Mr. Roberts operated a farm near Walton for many years. He retired and moved to Walton ten years ago.

He is survived by one brother, Arthur Roberts, of Verona; and four sisters, Mrs. Bertha Baker, Mrs. Ada Moore and Misses Kate and Eva Roberts, all of Walton.

Funeral services were held at 1:00 p. m. Wednesday from the Walton Methodist Church, with burial in Walton Cemetery.

Chambers and Grubbs, Walton funeral directors were in charge of arrangements.

Lawrence Chambers, of Petersburg, was a business visitor in Burlington Tuesday, and while here was a pleasant caller at The Recorder office.

374 Participate In Free X-ray Clinics Held June 8-10th

Clinics Held At Walton, Florence and Burlington During 3-Day Period.

Chest X-ray clinics conducted for three days in three centers of the county gave a total of 374 persons being X-rayed, it was announced this week. The clinics were held 8th, 9th and 10th in an effort to make chest X-rays accessible to everyone in the County.

The clinics were attended with Walton reporting a total of 84, Florence 142 and Burlington 158. These clinics are held under the auspices of Boone County Tuberculosis Association.

Members of the Association did an invaluable job in making records for those X-rayed. Those who took care of the clerical work were: Mrs. J. B. Johnson, Mrs. Powers Conrad, and Mrs. James Vest, Walton; Mrs. Lewis Houston, Miss Lucy Lee Grant, Mrs. Sarah Markesbery and Mrs. Eunie Pettit, Florence; Mrs. C. L. Cropper and Mrs. A. B. Renaker, Burlington.

Burlington Wins Fourth League Tilt Sunday By 14 To 9

All Games of KAG League Are Postponed Due To Heavy Rains.

All games were cancelled by the weatherman in the Kentucky Athletic Goods League last Sunday and but two were played in the Northern Kentucky Semipro loop. Brun's Jug House defeated E. & W. Trucks by a 10-6 count and Burlington won their fourth league tilt with a 14-9 verdict over Hilltoppers.

Johnny Woods pitched for Burlington and though touched for 13 hits his teammates, paced by King with a double and two singles and Ryle with three singles, overpowered the visitors. The winners got 14 safeties. D. Lukin was the losing pitcher with Woods getting the victory nod.

Sunday games in the County will be Queen City at Verona, which should be a good games, while Belleview will meet Bob & Gene at Florence, where a battle is expected between these two strong clubs. Lenoff, Belleview ace will probably be the starting hurler, while Bob and Gene will send either Von Newsom or Earl Rosen to the hill.

Farmers' Picnic Planned Saturday June 18 at Burlington

Contests For Young And Old Will Be Enjoyed Throughout Day, Is Word

Boone County farmers, their families and friends are invited to a Farmers' Picnic, sponsored by the Boone County Farm Bureau. The picnic will be held on Saturday, June 18, at the beautiful Utopia and 4-H fair grounds at Burlington, Ky.

The entertainment committee reports there will be lots of fun for everyone in the way of contests and games for young and old, and prizes too. Some lucky persons will be awarded attendance prizes.

Mr. I. S. Woods, director of Field Services of The Kentucky Farm Bureau Federation of Louisville will be our guest speaker of the afternoon. This promises to be an interesting speech as the title is "The Value and Power of Organization." Mr. Woods is a very good speaker and will be a welcome visitor in Boone County.

If you are a farmer, interested in good living and wanting good representation in Frankfort and in Washington you are urged to come out to this picnic, hear Mr. Woods, participate in the games and contests, enjoy the fellowship with your neighbors, and bring a big basket lunch and we will promise you will find the day well spent. The Farm Bureau women will prepare the drinks.

If you attended the picnic last year you will recall what a wonderful day that was spent together. Mr. Lassing Huey and all the directors invite every farmer in Boone County to come out and enjoy the day.

George H. Walton, Sr.

George Hester Walton, the youngest son and child of George H. and Harriet VanNess Walton was born on February 29, 1868 and departed this life on June 8, 1949, at the age of 81 years, 3 months and ten days. He was the last of his family, one brother Josiah, and 5 sisters Emma, Susie, Frances, Annabelle and Ida having preceded him to the grave.

A batchelor, he spent his entire life, with the exception of 7 years in California, at the old home place of his birth. In 1936 he united with the Church of the Brethren and remained faithful to his Master to the last.

Surviving him are four nieces, Ruth Hadley, Marietta, O; Rachel Ryle and Ines Ryle, of Kansas City, Mo., and Ida Mae Vaughn of Cincinnati, and 8 nephews, Robert H. Wilson and Sebern Brady, of Boone County; Joe Brady, of Florence, Ind.; Walton Ryle, of Kansas City, Mo.; George H. Walton Jr., and Noel Walton, of Boone County and J. H. Walton, Jr., and A. G. Walton of Bakersfield, Calif..

He lived a quiet life and never falted in his devotion to toil in service to others.

Liming IS PROFITABLE

There are any number of reasons why the application of agricultural limestone should be a regular practice on every farm. But the most important reason of all is that liming makes money.

Most Agricultural Experiment Station reports show that the regular application of agricultural limestone results in much larger yields of better crops than where no lime is used. Depending on the type of soil and the crop or crop rotation, these authoritative reports show that every dollar invested in limestone returns from $3.00 to over $10.00.

You can greatly increase the earning power of your farm by using our limestone regularly.

Florence

On Tuesday morning May 31 at 7:30 the senior class of the Florence high school, 22 in number, departed on a new school bus, going north and arrived at Erie, Pa., at 9:00 p. m., where they remained overnight. On Wednesday they rambled on to Canada and visited Niagara Falls, the Whirlpool and many other points of interest. They also had a night view of the falls. The party remained overnight at Foxhead Hotel in Canada, and on the following day traveled to Detroit, Mich., where they were shown through the Ford plant, saw glass manufactured for car windows, etc., and also visited Greenfield Village and Museum which was very interesting. This was followed by a tour of the city at night and on Saturday morning the group was homeward bound, arriving at Florence at 4:45 p. m. The Seniors were accompanied by Mr. Ockerman, County Superintendent of Schools, Rector Jones, principal of Florence school. Mrs. Ray Holbrook was chaperone for the girls and Mr. Holbrook was the very efficient bus driver. The seniors desire to thank all who contributed to the success of the trip which was both pleasurable and educational.

SUPPOSE IT IS TRUE AFTER ALL?

Two friends were discussing the question of punishment for sin in a future life. They settled to their own satisfaction that there was none. They decided that hell was a myth. They agreed that God, being a God of love, could not consign His creatures to everlasting punishment.

Then a Christian who had been listening silently to the discussion said:

"Suppose it is true, after all?"

The words seemed to fall on the ears of the two with crushing force. The power of God seemed behind them, as it ever is behind the truth. God had spoken.

Suppose it is true after all that God must punish sin? How would you fare before the Judge?

Suppose it is true after all that hell is a reality, and that "it is appointed unto men once to die, but after this the judgment"? What lies at the end of the path you are now treading?

Suppose it is true after all that the Lord Jesus is the only Savior? What if you neglect Him? "How shall we escape if we neglect so great salvation?"

God hates your sin, but **He loves you.** He loves you so much that He sent from heaven His sinless Son, Jesus Christ, to die under God's wrath against your sin. As the Bible says it, "God so loved the world that he gave his only begotten Son, that whosoever believeth in him should not perish but have everlasting life." Our sins were laid on Him.

Tell God you want to be included among those for whom Christ suffered; that you do accept Him as your Saviour—the One who suffered in your place. Jesus said, "Him that cometh unto me I will in no wise cast out." There is no problem in your life too great for Him to solve if you will let Him. "Come unto me," He said, "and I will give you rest."

Small Charge Made For Testing Soil, Says Agent

Large Number of Tests Makes Charge Necessary Beginning July 1.

The Kentucky Agricultural Experiment Station announces that the work of testing soil samples for farmers has become so heavy that a small charge will be made beginning July 1, to cover in part the cost of the work, according to Bill Davis, County Agent.

It has been the custom of the Experiment Station to make a limited number of soil tests without charge. There was no formal provision for such service, but the limited number of requests made it possible for station chemists to perform the work along with their regular duties. Increased demand, however, it is announced, has made it necessary to make more definite provision for testing soil samples.

Through local assistance, 13 counties in Kentucky now have their own laboratories where farmers can get soil samples tested, and a number of other counties are in the process of organizing laboratories. Technicians trained by the College of Agriculture and Home Economics are in charge. Farmers in counties having laboratories should have their soils tested in them, it is stated.

The charge at the Experiment Station will be 85 cents a sample for the first two samples and 70 cents for each remaining sample when all are sent in at the same time. Soil containers and directions for taking samples can be had at the County Agent's office.

An effort will be made to organize a laboratory in Boone County where testing can be done on a charge basis. No charge will be made for testing samples at the County Agent's office at the present time.

Marshall-Edwards

The marriage of Miss Mary Louise Marshall, daughter of Mr. and Mrs. Lee Marshall, of Bullittsville to Mr. Chester Edwards, son of Mr. and Mrs. Owen T. Edwards, of Hamaburg, was performed on Sunday afternoon, June 12 by candlelight at Bullittsville Christian Church.

Beautiful music was rendered by Miss Mary Margaret Fowler, of Hebron. Mrs. Ben Kottmyer, also of Hebron, sang "Because" and "I Love You Truly."

The Rev. A. C. Young performed the double ring ceremony before an altar of green foliage and white gladiolus.

Mr. Wood Edwards, of Pittsburgh, brother of the groom was best man. Ushers were Henry Dye and Bernard Marshall, brother of the bride.

Miss Marie Lawrence, of Carlisle, Ky., was maid of honor and Mrs. Joan Smythe of Upper Sandusky, Ohio, was the bridesmaid. The maid of honor wore a yellow organdy gown and carried a bouquet of American Beauty rosebuds. The bridesmaid wore an identical gown of pale blue organdy and carried lemon yellow rosebuds.

The bride who entered on the arm of her father, who gave her in marriage was lovely in her wedding gown of white fallie and net. Her fingertip length veil of illusion fell from a coronet of white beads and pearl dripping. She wore a single strang of pears and carried a bouquet of pale orchids and stephanatis with streamers of ivy and tied with white satin ribbon.

The groom and best man wore suits of bluish grey and the ushers wore dark suits.

A reception followed the ceremony at the church after which the bride and groom left on their honeymoon.

Mrs. Marshall wore a biege dress with contrasting accessories. Mrs. Edwards wore a lavendar dress with white accessories. Both wore corsages of white rosebuds.

The bride is a graduate of Christ Hospital School of Nursing where she has been employed for the past two years. Mr. Edwards is a graduate of University of Kentucky Electrical Engineering College.

Following the wedding trip they plan to make their home in Walton, Ky., where Mr. Edwards is employed by the Community Public Service Co.

"REACHING FROM HEAVEN" TITLE OF MOVIE TO BE SHOWN AT HOPEFUL CHURCH

The public is invited to attend the showing of the movie, "Reaching From Heaven" which will be shown at Hopeful Lutheran Church Florence, on Thursday night, June 16th at 8:00 p. m.

Filled with drama and romance, this exciting Christian film will appeal to all who enjoy good clean entertainment.

A free-will offering will be received.

Refreshments will be served, following the picture.

Fish and Game Club Will Meet Tonight

Members of the Boone County Fish and Game Protective Association will meet at the club house tonight (Thursday), June 16th at 8:00 p. m, it was announced by Edwin Walton, president.

Refreshments will be served by the committee in charge at 8:00 p. m.; after which the regular business session will be held.

PREACHING SERVICES ANNOUNCED FOR TWO LOCAL CHURCHES

Preaching services at the following churches has been announced this week for Sunday, June 19th by the pastor, H. B. Holland:

Burlington Methodist, Sunday School at 10 a. m. Morning Worship at 11:00 a. m.

Petersburg Methodist, evening services at 7:45 p. m.

The public is invited to attend all these services.

NOTICE!

State law provides for the arrest and punishment of persons wilfully damaging graves or removing or damaging flowers or shrubs on graves or on lots in cemeteries. Several persons have reported the removal of flowers and plants from their lots in the Florence Cemetery.

MRS. SALLIE K. HICKS

Whereas it has pleased our Heavenly Father in His Infinite wisdom to call from our midst on April 17, 1949, our beloved friend, Mrs. Sallie C. Hicks, whose loving and useful life was a benediction to all who came in contact with her.

She was a happy Christian, serving her Master with joy. She was a loyal friend. Through her joyous service to the Master she won the love and admiration of the entire church.

We thank God for her noble life and we shall seek to emulate her noble faith and loyalty in the work and the Word of God. Her beautiful Christian influence will live on in the lives of others.

Whereas the Woman's Missionary Society has lost a loving member we wish a copy of this tribute be recorded on our minutes, a copy sent to the Boone County Recorder for publication and a copy sent to the family. 1*

Petersburg Youth Injured Sunday By Firecracker

Both Eyes Punctured By Flying Glass, When Bottle Explodes.

John Alvin Noble, 10, Petersburg, suffered severe injuries to both eyes Sunday, when a bottle in which he placed a lighted firecracker exploded in his face. He was rushed to the office of Dr. Love, who advised that he be sent to a hospital.

The youth was playing with the fireworks at his home when the accident occurred. He dropped the firecracker in the soft drink bottle, then held it at arms length. When the bottle exploded fragments of glass penetrated his face and eyes.

His condition is reported as "fair" as Booth Hospital, but it has not been determined whether both of his eyes can be saved.

Children throughout the county are urged to use care with fireworks, and should be fired only under the supervision of adults.

Boone County Wool Clip To Be Sold In July

Directors of the Boone County Wool Pool will offer the 1949 clip for sale early in July, according to Lillard Scott, Secretary.

Mr. Scott has been informed that the sale of wool to mills is sluggish at the present time but is expected to be some better in July. It is felt by the selling committee that higher bids can be obtained on the stronger market.

Notice of delivery dates will be published in the local papers.

Dog Quarantine Extended To East Bend Bottoms

Dogs Must Be Penned Or Tied, According to Sheriff R. I. Rouse.

Sheriff R. I. Rouse stated the 60-day quarantine placed on dogs in the Waterloo neighborhood, must be observed by dog owners in the East Bend Bottoms and Rabbit Hash neighborhood, due to another outbreak of rabies in that section.

Sheriff Rouse, killed a dog in the Rabbit Hash neighborhood Tuesday afternoon of last week, and sent the head to the bacteriological laboratory at Lexington. The laboratory reported the dog positive for rabies.

The quarantine is being placed on dogs in this section to prevent further spread of the disease and should be observed by all dog owners. Sheriff Rouse states that all dogs should be tied or penned for the duration of the quarantine. Any dogs found not penned or tied will be killed, he stated.

The dog killed by Sheriff Rouse near Rabbit Hash was owned by J. C. Acree, of East Bend Bottoms, and probably had bitten many dogs in this area.

Pleasant Haven Upsets Belleview Nine Saturday

Sand Run Suffers Defeat At Hands of Burlington Nine by Score of 5-4.

A couple of upsets and a slugfest featured Boone County Saturday Afternoon Baseball League play last week. The big upset was a 5-4 victory by Pleasant Haven over Belleview at the winners park. A somewhat milder upset was a 5-4 win by Burlington over Sand Run. The slugfest was a 19-7 field meet that Big Bone won over Union.

Belleview was leading Pleasant Haven four to two going into the last of the ninth but two hits and a couple of errors paved the way for Pleasant Haven's second league win. The winners had five runs on nine hits off the offerings of "Hoots" Ryle while Belleview got four runs on six well scattered hits off the pitching of Mike Ryan. Rogers caught for the losers with Rouse receiving Ryan's slants.

Burlington eked out their win over Sand Run in the final stanza on one hit and several fielding miscues. Joe Smith went the distance for Burlington and kept 11 hits scattered. Snelling started for Sand Run but lasted only one inning. M. Pepper followed and gave up only two hits the rest of the distance. The winners got a total of six hits, James Gayle Smith was the hitting star of the game with three safeties for the losers.

Big Bone won their fourth league victory as they pounded out 17 hits good for 19 runs against Union. Ryan and Vest worked on the hill for Union with Stephens and Black serving them up for Big Bone. Union had seven runs on six hits. Both teams were guilty of several fielding miscues. Pitcher, Big Bone infielder, was the batting star with four hits.

The games between Florence and Petersburg and Constance at Hebron were called on account of rain and wet grounds it was reported.

Frank Milburn Discovers New-Type Water Filter

For Use in Photographic Dark Room and Other Household Uses.

Frank S. Milburn, local manufacturer and operator of the J. & M. Manufacturing Co., Burlington has discovered a new-type water filter primarily for use in photographic rooms, and is adaptable for other uses, as in the home, and is now producing the item in his plant. Mr. Milburn is associated with Henry W. Jenisch.

Mr. Milburn is well known in Burlington, having operated his plant here for a number of years. He attended the University of Cincinnati and has a number of inventions to his credit. He and Mr. Jenisch stated that with the advent of color photography, a contaminated water supply is becoming more of a problem each day.

Emulsion on color materials being softer than that on black and white material makes it impossible to "swab" or clean film.

The new device is simple in construction and requires about two minutes to change filter pads. The inventer said two such pads will filter the water from two to six weeks, depending on the amount of use to which they are subjected.

Milburn believes that the new device will eliminate the problem of contaminated water in photographic work.

Harold Conley

Funeral services for Harold Conley, were held at 2 p. m. Monday at Hughes Chapel, Beaver Lick, with burial in Hughes Chapel Cemetery.

Mr. Conley was one-time partner of Russell Oelsner, in breeding greyhounds and entered many of his dogs at major tracks.

He is survived by his widow, Mrs. Audrey Taylor Conley; his father, Nathan D. Conley, Erlanger; a brother, Wesley Conley, Erlanger, and three sisters, Mrs. Marvin Aft-erkirk, Erlanger, Mrs. August Trapp, of East Bend and Mrs. Abraham Koven, Detroit.

Mr. Conley died Thursday of last week in Detroit, of a heart attack.

Pleasant Haven Only Boone Winner In NKSL Sunday

E. & W. and Burlington Suffer Setsbacks In League Tilts.

Pleasant Haven chalked up their first victory of the season in the Northern Kentucky Semipro Baseball League by trouncing the Silver Grove nine 9-8 Sunday afternoon at the Silver Grove field.

Gruilian, Pund and Gruelle divided mound duties for the winners, giving up 11 hits, while Jack Borman and Chuck White hurled for the losers and were nicked for 12 safeties. Judge led the winners with three hits in four trips to the plate. Jack Neiser hit a home run for the losers.

Joe Heaving, former member of the New York Giants pitching staff, was on the mound for the State Realty team as they handed the E. & W. nine at 11-4 defeat at Ludlow park. Heaving went seven innings for the winners striking out 14 batsmen. Jones finished up the game. Crone started for the losers, but was relieved by Westerman. The pair allowed 14 hits and fanned six Dittus had the big blow of the day, connected for a home run in the seventh with one on base for the losers.

Bruns scored a 6-0 win over Burlington in an exhibition night game at the Newport Recreation Field Sunday night after forfeiting the afternoon game at Burlington park. Art Pollit was on the hill for the winners and allowed only four hits, while fanning 14. Akins, started on the hill for Burlington but was relieved after the first inning by Deck who held the winners to four hits, while striking out 14.

The game although appearing to be onesided, was well played, with neither team having an error charged against them. A home run by Bankemper with a man on base gave the winners their first two runs in the first inning.

Tobacco Acreages Being Checked Thruout State

Measurement Accuracy Important To Every Grower.

Farm reporters employed by County Agricultural Conservation Associations began measurement of burley, fire-cured, and dark air-cured tobacco acreages in most Kentucky counties this week, R. O. Wilson, chairman of the State Production and Marketing Administration Committee, reported.

Training of the farm reporters began in a few counties on June 9. As the training is completed in the counties, the reporters begin tobacco measurement.

All acreages of 1949 tobacco under quota are required to be measured, whether within or in excess of quota. Each farm operator is responsible for assisting reporters in making measurements and for showing them all tobacco fields.

Accuracy of these measurements is important to every tobacco grower, Wilson said. In the case of burley tobacco, where measurements show underplantings of more than 25 percent for three successive years, acreage allotments for succeeding years must be reduced. Where burley, fire-cured, or dark air-cured acreage allotments are exceeded and the excess tobacco is marketed, farmers must pay a penalty on the excess tobacco.

Penalty rates recently announced for the marketing of excess 1949-crop tobacco are: Burley, 18 cents a pound; fire-cured 13 cents; and dark air-cured, 11 cents. By law these penalty rates are 40 percent of the market averages for the past season. The official average price for burley tobacco during the past season was 46 cents a pound; for fire-cured 31.9 cents a pound; and for dark air-cured 28.4 cents a pound.

In addition to these penalties, farmers who harvest excess tobacco will not be eligible for price support loans on tobacco produced on allotted acreages.

The State PMA Chairman urged that farmers cooperate with the farm reporters in order that the determination of tobacco acreages may be completed at as low cost as possible.

Completes Freshman Year at Louisville U.

Jim Nichols, son of Mr. and Mrs. A. B. Nichols has completed his freshman year at the University of Louisville as an N. R. O. T. C. cadet and will spend a few weeks with his parents until time for him to go to Norfolk, Va. There he will embark on the U. S. S. Missouri for his midshipman training. He will have four days leave in Paris, and will return in time to enter the university again in September.

REAL ESTATE TRANSFERS

Farms were selling fast last week, reports John Goodpastor, Covington realtor. William K. and Ruth Thomas sold their farm of 164 acres, located on East Bend Road to Harman G. and Mary C. Hamm. Louis Tomlin and John Goodpaster purchased the 56-acre farm owned by Mr. and Mrs. Hamm and sold same to Albert C. and Rosemary Kunkel.

These deals were made by Goodpaster Realty Co., and Louis Tomlin.

Two-Day Horse Show Opens Friday, June 24 at 8 P. M.

PASTURES

A few more days of dry weather and the color of our pastures would have changed, especially those that have been overstocked. One may notice many pasture fields in Boone County that have literally been eaten into the ground. This is unprofitable to the farmer not only in

restore in pounds of livestock, in milk, but for the land. Grass roots off in the ground has but little chance of storing food for next year.

The question has often been asked, "How many head of stock can I keep on a given area?" This of course, is an unanswerable question. However, one should have sufficient pastures so they can be rotated. When one pasture begins to look spotty then it is time to turn into a new one. Again, "What is a good pasture?" The answer might be a pasture that has a good green succulent growth during the entire grazing period. This would require a good mixture of grasses and legumes such as orchard grass, blue grass, ladino clover, lespedeza, alfalfa, or the wider the mixture the better.

The group that visited the Bromfield Farm, at Lucas, Ohio, last Friday, were much in praise of the fine pasture fields and meadows Mr. Bromfield has over 800 acres in pastures and meadows but he raises his corn on rented land.

Brome grass and ladino clover is used almost exclusively on this farm. A few steps to take in making good pastures, are as follows:

(1) Always use a mixture of grasses and clovers.

(2) Do not overgraze.

(3) Mow your pastures at least once a year. Now is the time to start mowing. Seed stems are drying up which are unpalatable and should be mowed down as well as weeds, and wolf grasses. This material left on the ground makes a mulch and protects new tender shoots. Grass seeds are mature enough also that some of these may reseed.

(4) Plenty of shade trees are enjoyed by stock and even a few low limb bushes assist cattle in combating the flies.

(5) Plenty of good clean water should be available in all pasture fields. Again it is desirable to have the pond, or source of water, protected from the stock using some form of a trough for the stock to drink from.

Most farmers start grazing too early in the Spring. Seed plots should start developing in some cases before turning in. No doubt you will be able to compare to pasture field on your farm one that was practically grazed the year around against one that hasn't been used but a few weeks.

Again one might be surprised at the difference in growth and color in pasture fields that have been terraced to those adjoining that haven't, and water-saving structures.

Let's make Boone County the pasture county of Northern Kentucky and remember the best tool you have on your farm is the mower.

Why Suffer With Your Feet?

N. TULCH
Foot Comfort Specialist at—
PEOPLE'S SHOE STORE
814-816 Madison, Covington

Our years of research have proven that foot comfort depends on foot balance.

For years men have been guessing about foot balance, putting steel supports under feet and elastic bands around feet, all sizes and shapes corn pads, plasters, callous plasters, etc. Yet people continue to suffer with their feet, legs, back and with various other aches and pains, resulting from feet in numerous cases, because they never had their body weight properly balanced on their feet with shoes.

Your feet may look regular to you, but naturally you cannot detect weakness or have any way of testing for unbalance. But remember "fat on the ribs" is by no means an adequate criterion of physical well being.

Don't take chances. If you are suffering with leg pains, knee pains, stiffness, backaches or severe headaches, or sleep poorly and are always tired, your feet may be the cause.—Adv.

The ladies of Florence Baptist Church sent three duffle bags of clothing to the Southern Baptist Relief Center the past week.

CONSTANCE HOMEMAKERS

The Constance Homemakers' Club held the final meeting of the year and picnic at Item 35 on June 1. At noon a delicious lunch was spread on the tables overlooking the beautiful Ohio river.

In the afternoon Mrs Thos Kennan, president, presided over the business meeting with all the committees reporting on work done during the year. The following were elected to office for the coming year: Mrs Richard Kottmyer, president; Mrs Henry Kottmyer, vice president; Mrs Leo Cotton, secretary and treasurer; Mrs Gilbert Dolwick, assistant secretary and treasurer.

Nineteen members answered roll call "How would you like to spend one day of your vacation?" The following were also in attendance: Mrs. Carrie Miller, Mrs. Erma Murphy and son, Mrs. Earl Dolwick and daughter, Mrs. Margie Sprague and daughters, Mrs. Duncan Huey, son and daughter, Misses Rosemary Joan and Beth Ann Domaschko, Janet Fay, Elva Ann and Garry Lynn Dolwick, Judy Lee, Sherry Ann, Janie Lynn and Linda Ann Kottmyer, Mary Sue Reeves, Leila Barr, Billy Cotton and Junior Barr.

The program chairman was in charge of games.

We left the picnic grounds around 4 o'clock, after having spent a most delightful day together, to adjourn until September. The first meeting in the fall will be at the home of Mrs. Myrtle Barr, September 7.

—Publicity Chairman.

EAST BEND W. M. U.

The East Bend W. M. U. met at the home of Mrs. Bessie Black, June 9th. The meeting was called to order by the president, Mrs. Sally Scott.

There were twelve members answering the roll call with a scripture verse. There were twenty-one visitors present.

After the business session, Mrs. Carrie Ogden took charge of the program. Mrs. Mary Cunningham then led in prayer.

Mrs. Bessie Black, Mrs. Sally Scott and Mrs. Fay Stephens took part on the program. The theme for the month was "Christ the Answer for Questing Youth."

We were dismissed in prayer by Mrs. Mayme Wainscott.

—Publicity Chairman.

THE Strange CASE OF GEORGE WILSON

In 1829 two men—Wilson and Porter—were convicted of robbing the United States mails, and sentenced to death by hanging. Three weeks before the time set for Wilson's execution, he was pardoned by President Andrew Jackson.

Strangely enough, Wilson refused the pardon. The case went to the Supreme Court (United States vs. George Wilson, 7 Peters' Report, p. 150) and the court finally handed down its decision: "A pardon is a deed, to the validity of which delivery is essential, and delivery is not complete without acceptance. It may then be rejected by the person to whom it is tendered; and if it is rejected, we have discovered no power in this court to force it upon him."

Most people would agree that Wilson was a fool for refusing to accept a pardon. Yet these same people daily reject the pardon which God has provided for them.

Because God is just, He must punish our sins. But because God is merciful, He Himself suffered the awful penalty when Jesus Christ, His Son, suffered all the wrath of God against our sins as He died on the cross of Calvary. "For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life."

Your pardon has been signed by God Himself. Now all you need to do is accept it by telling God in prayer that you wish to be counted among those for whom Christ died. Unless you accept the pardon, you remain condemned.

Wilson's was a strange case. But then, Wilson was a fool.

COLDS AREN'T NECESSARY!

Infectious coryza (commonly called colds) in poultry can be checked—just use Dr. Salsbury's AR-SULFA in the flock's drinking water at first signs of an outbreak. Birds drink and receive medication. AR-SULFA is economical—one quart treats 170 adult birds. To beat coryza, use Dr. Salsbury's AR-SULFA.

GENERAL ELECTRIC

REFRIGERATORS IN USE 10 YEARS OR LONGER!

No other refrigerator can match General Electric's record for dependable, economical performance!

No other manufacturer has as many refrigerators in use so long.

The basic reason for the long and faithful service record of General Electric Refrigerators lies in the famous G-E "sealed-in" refrigerating system.

This type of oiltight, airtight system, developed by General Electric, is recognized as the greatest of all contributions to dependable, efficient, economical performance in household refrigerators.

Now, here is a CULTIVATOR that really knocks out weeds

Dearborn FARM EQUIPMENT

With Ford Triple-Quick Attaching, cultivator goes on in about a minute.

Ford Hydraulic Touch Control makes it easy to fit the cultivator for turning.

Easily adjustable front axle steering guide permits accurate front steering.

Hydraulic Touch Control sets sweeps or shovels for uniform working depth.

Some folks say a cultivator ought to "let air into the soil," "help retain moisture" etc. We say you cultivate to get rid of weeds. The other things are important, but knocking out weeds is number one. And we'll show you the cultivator that does it.

What's more, this cultivator can be attached to the Ford Tractor in about a minute! Now, that is a big advantage . . . especially when changing from cultivating to mowing and back again. Time surely is money now.

Study the pictures! See how easy cultivating is with Ford Hydraulic Touch Control. Let us demonstrate this cultivator for you . . . Rigid or spring shanks.

Mr. and Mrs. David Robinson and daughter Judy were Sunday guests of his father, Dr. O. W. Robinson and Mrs. Robinson.

Mr. and Mrs. Leslie Stephenson, of Owenton were visiting with his parents, Mr. and Mrs. J. T. Stephenson on Tuesday.

Guests of the Eldridge Carpenters during the past week were Mr. and Mrs. Wm. Ruth, of Walton, Mr. and Mrs. R. O. Keyer and Mr. and Mrs. B. E. Tanner.

Mr. and Mrs. W. R. Miller entertained 30 guests at dinner on Tuesday evening of last week in honor of the Karl Kelm family, of Tucson, Arizona.

Mrs. Eldridge Carpenter was in Latonia Thursday visiting with her daughter, Mrs. R. O. Keyer.

Mr. and Mrs. Theo. Carpenter entertained members of their family at dinner Sunday in honor of Father's Day.

The Vacation Bible School at the local M. E. Church closed with Commencement ceremonies Sunday evening of last week. There were 46 pupils enrolled and they acquitted themselves in a fine manner before a large congregation. The church is deeply grateful to all the teachers for their fine work in making this school a success. Teachers were Mesdames Viola Idol, Glenn Miller, John Sibcuse, Eva Miller, Betty Haun and Marion Lucas.

The Women's Society of the Florence M. E. Church are sponsoring a rummage sale on June 25 at 13th and Greenup Sts., Covington. Those having rummage please leave at the church not later than June 24. For information call Mrs. Paul Chaney, Flor. 345.

Miss Stella Carpenter, of Covington, visited relatives here Sunday.

Harry Barlow and wife, of Pleasant Valley were guests of his parents, Mr. and Mrs. M. P. Barlow, Sunday.

J. F. Daugherty a student, of Louisville Medical College has returned home to spend his summer vacation.

The entire community joins in extending sincere sympathy to Mrs. Edna Courtney in the loss of her husband Houghey Courtney, who passed away at the Veterans' Hospital in Ft. Thomas, the past week.

Miss Zelda Barre' of the Kentucky School of Theater Arts and the Vogue Studios of Cincinnati presented her annual dance revue "Vogues of 1940" at Emery Auditorium, Cincinnati on Sunday afternoon. Many students of Northern Kentucky were represented. The revue consisted of some 72 acts—a three hour show. The dancers were accompanied by Lawrence L. Aylor, local pianist and piano teacher who aided Miss Barre in the production.

The Ladies' Auxiliary of the Volunteer Fire Department wish to thank each and everyone who helped in any way to make the Pillow Slip Bingo given at St. Paul's Auditorium on Thursday evening of last week, the success it was. Mr. Al Rue, Fire Chief presented the Ladies' Auxiliary with the first donation for the purchase of the first chair to be used in the fire hall and community center. Very Rev. E. Carlin of St. Paul's presented the ladies with a check to be used for the same purchase. Since last Thursday several donations have been turned in. Let's make this project 100 percent by presenting our chair at an early date. This is being done for your convenience, and for your use.

Mrs. Katie Scott was a visitor at the home of Mrs. Irene Renaker on Sunday evening.

Mr. and Mrs. A. P. Schreiver entertained with a meeting of the American Orchid Society at their home on Burlington pike on Sunday afternoon.

Let's begin working hard to do everything possible to make the annual Firemen's Picnic the biggest success in history. Remember the date has been set for July 23 at the new fire hall and community center grounds. Much must be accomplished, and if everyone pulls together, there should be no difficulty.

Miss Marguerite Tanner, who has been on the sick list for some time is rapidly improving in health. We hope to see her out soon.

Melvin Jones, of Shelby Street is a patient at Christ Hospital, Cincinnati, having been removed there the past week for observation. His friends wish him a speedy recovery.

New Haven Seniors Enjoy Extended Trip

On June 5th, 1949 at 1:00 a. m. seven New Haven seniors and two chaperones left the principal's home for an extended trip through the Eastern states and Canada. Those taking the trip were Jeane Judge, Betty Craddock, Mary Knox, Donna Haydock, Carl Flynn, Buck Stephenson, James Ned Mason, Mrs. Ruth Mason and Mr Walton Smith.

The first day of traveling was very scenic, as lake Erie was among the first outstanding sights enroute to Buffalo, N. Y., where the group spent the first night. After checking in at the Hotel Statler, we again resumed our traveling that night and saw Niagara Falls by moonlight.

The second day we crossed the Canadian border by Lake Ontario and saw Niagara Falls from the Canadian side. Then we continued on to Toronto, Ontario, and stayed at the Walker House Hotel. That night we ate dinner at the Maison Dare and it seemed that some of the seniors didn't care for French food.

The next day we continued on our way to Montreal, Quebec, by following Lake Ontario most of the way there. This town was principally a French speaking town, which we soon learned. We stayed at the Hotel Laurentien while we were there. Everyone on the trip seemed to like Montreal better than any other town on the trip, as it was so friendly and easy to be settled in.

On Thursday morning we started for New York City. On the way we saw the late President Roosevelt's home and monument in Hyde Park, N. Y.; the Adrinondack Mountains; the Hudson River and Saratoga Race track.

We arrived in New York City about 12:00. Then we went out into the city and saw such famous sights as Times Square, 5th Avenue, Empire State Building (incidently we went up 102 floors to the roof), Greenwich Village, Radio City Rockefeller Center and the Little Church Around the Corner.

The next day we caught a subway and went to New York's famous Coney Island which is located along the shore of the Atlantic Ocean. While in New York we stayed at the Hotel Pennsylvania, in the heart of the city.

On Saturday at 5 p. m. we left New York City via the Holland Tunnel for Pittsburgh, Pa. This trip was foggy and it was hard to drive. On our way to Pittsburgh we passed through several mountains and traveled a long distance on the Pennsylvania turnpike. We arrived in Pittsburgh and stayed at Hotel Fort Pitt.

We didn't see much of this town, and didn't care to as it was dirty and smoky, typical of an industrial center.

At last we were on our way home, but now that it was almost over, we wished that it was just beginning.

We passed through West Virginia on our way to Ohio, but of all the states, Kentucky was the most beautiful. That couldn't, because we're prejudice, of course!

Now that it's over, we seniors would like to take this opportunity to publicly thank Mr. Walton Smith and Mrs Ruth Mason for their patience and understanding with us for the week June 5th to June 12th, and before then too, of course.

—Mary Knox

HATHAWAY HOMEMAKERS

Mrs. Harold Love was hostess to the Hathaway Homemakers Club on Wednesday, June 1.

Mrs. Alice Stephens, president, presided over the business session. Roll call was answered by everyone giving her choice of "One Day's Vacation."

Mrs. Virgil Kelly was present and gave the lesson on "glass etching" in the afternoon.

Our next gathering will be for a picnic, at the home of Mrs. Will Snyder, on the night of July 6. Each one is to bring sandwiches and cake.

BULLITTSBURG W. M. S.

The Bullittsburg W. M. S. met at the home of Mrs. Mary V. Gaines and Mrs. Jonas Stevens, June 1st. The meeting was called to order and the devotional given by the president.

The subject of "Giving" was continued from the last meeting. Since then we have sent a crate of 27 dozen eggs to the Spring Meadows Children's Home and received a card of thanks; two duffle bags containing 100 lbs. of clothing; hope box of food to headquarters at New Orleans to be shipped—overseas.

After a program given from the "Royal Service," the meeting adjourned to meet with Mrs. Ves Gaines, July 6th.

—Publicity Chairman.

LUDLOW MAN RETURNS TO STATES FROM FAR EAST

Captain James J. Kelly, of 417 Elm Street, Ludlow, Ky., has returned to the Unites States aboard the Army transport General Patrick, for relief from active duty, following completion of a twenty-one-month service with the U. S. Army in the Far East, it was announced by the Public Information Office, Philippines Command with headquarters in Baguio City.

Prior to his return to the States, Capt. Kelly was assigned with the 538th Medical General Dispensary (Philippine Scouts) in Manila.

METHODIST WOMEN'S SOCIETY MEETS

Mrs. Paul Chaney was hostess and Mrs. Harry Daugherty co-hostess to the Women's Society of the Florence M. E. Church recently at the home of Mrs. Chaney. Mrs. A. T. Knox gave the opening prayer which was followed by the song "Beautiful Isle of Somewhere." The president, Mrs. Chaney presided over the business meeting, which included the reading of reports, etc., followed by devotions by Mrs. C. A. McKibben. Mrs. O. W. Robinson presented a short talk and a guest speaker, Mrs. Sherwood Funk, whose husband is pastor of Shinkle M. E. Church, Covington, gave a most interesting talk, her topic being "Darkness Turns to Dawn in Africa." Following the closing prayer refreshments were dispensed with Mrs. Kathryn Oliver at the punch bowl.

Members attending were Mesdames Helen Bethel, Harry Daugherty, Paul Chaney, Kathryn Oliver, C. A. McKibben, Geo. Miller, Eva Miller, A. T. Knox, Nannie Mitchell, Marie Thompson and Lella Allen. Visitors were Mrs. Helen Dolwick, Mrs. Viola Idol and J. Blayne Dolwick.

—Publicity Chairman.

FLORENCE HOMEMAKERS

The Florence Homemakers held their monthly meeting Friday at the Town Hall with Mrs. Robert Hammersmith in the chair.

The annual one-day trip was planned to go to Indianapolis, Ind., on July 19th. Mrs. Robert Myers and Mrs. John Schram are taking reservations which must be in by July 9th.

The annual picnic will be held at Mrs. James Miner's home on Goodridge Drive on August 21st.

The new officers elected for the coming year are: Mrs. Victor Benham, president; Mrs. Robert Cox, vice president; Mrs. George Morith, secretary and treasurer.

Members present were Mesdames Victor Benham, Harold Conner, Robert Cox, Clarence Gering, Robert Hammersmith, Cam Kennedy, Charles Luehte, Barney Malloy, George Morith, Robert Myers, John Schram, C. W. Wessler, James Miner, Jess England, Grant Maddox.

Mrs. Cam Kennedy and Mrs. Victor Benham were hostesses for the day.

BURLINGTON BLUE RIBBON

The fourth meeting of the Burlington Blue Ribbon 4-H Club was called to order by our president, Vera Dean Scott, on Wednesday, May 25, 1949, with 45 members and one visitor present. We discussed 4-H Spring Rally, which was held May 14. We were proud to learn that our club received 4,050 points there.

Our song leaders led us in our club pledge.

We were told by Mr. Davis that free passes are to be given to all 4-H members to enter the Fair which will be held in August.

We also discussed 4-H camp and our tour which will be held in July or August.

There was no other business so our last meeting of the year was adjourned.

—Club Reporter.

More than 500 farmers in Green county are said to have sowed Ladino clover this spring.

STUDIES BOOKKEEPING AFTER 40 YEARS AT IT

Although Mrs. K. N. Yeiser of Darlene county has been keeping house for 43 years, she continues to find the Sutherland Homemakers Club a source of ideas for doing work easier and better. Recently she showed Home Agent Kaufiyn a Calloway a cleaning kit she had made after seeing one at her club meeting. Using a strong tomato basket which she painted bright green, she made a lining of oilcloth equipped with a series of pockets and straps for holding small articles useful in housecleaning. In all, 39 articles, such as dust cloths, furniture polish, wax, turpentine, brushes and the like are included. Mrs. Yeiser has been a member of her homemakers club since its organization.

CARD OF THANKS

I wish to express my appreciation to neighbors and friends for the many kindnesses shown me during the illness and death of my brother

James W. Moreland

Especially do I wish to thank Dr. Harry R. Daugherty; donors of the many beautiful floral pieces; Rev. R. H. Carter for his consoling words and Ralph Stith for the efficient manner in which he conducted the funeral.

Melvin G. Jones Succumbs Sunday At Christ Hospital

Was Retired Farmer and Real Estate Man; Services Held Wednesday.

Melvin G. Jones, 75, retired farmer and real estate dealer, died Sunday at Christ Hospital, Cincinnati, after an illness of several weeks. He was a resident of Florence at the time of his death.

Mr. Jones, a native of Lewis County, had spent most of his life in Boone County, having moved here in 1917. He was well known throughout this section, having resided and owned property in several sections of the county. He was a member of the Florence Christian Church.

He is survived by his wife, Mrs. Maggie Jones; two sons, Ralph Jones, of near Florence and Homer Jones, of Detroit; one sister, Mrs. Ralph Howard, of Cincinnati; one brother, Fleming Jones, of Vanceburg; five grandchildren and one great-grandchild.

Funeral services were conducted at 2:00 p. m. Wednesday from the Chambers & Grubbs funeral home Florence, with Rev. Sam Reid officiating. Burial was in Hopeful cemetery.

Mrs. Dorothy Popham

Injuries received in a fall down basement steps at her home resulted in the death of Mrs. Dorothy Popham, 28, Fair Court, Florence, early Monday night in St. Elizabeth Hospital, Covington.

According to reports, Mrs. Popham was found crumpled on the floor of the basement by her five-year-old daughter. She was removed to St. Elizabeth Hospital where she was found to be suffering from a skull fracture. Her death followed six hours later.

She was removed to the hospital in an ambulance of the Stith funeral home, Florence.

She is survived by her husband Clinton Popham; one son Terrill; 2 daughters Diana and Janice; her father Oscar Hunter and stepmother, Mrs. Mildred Hunter; two half sisters, Jo Ann, and Bernice Hunter, and one half brother, James Hunter, all of Greenwood, Ind.

Funeral services were conducted from St. Paul Church, at 9:00 a. m. Thursday morning, with burial in St. Mary Cemetery.

Ralph Stith, Florence funeral director was in charge of arrangements.

William P. McEvoy

Mrs. Bessie Williamson

Funeral services for Mrs. Bessie Williamson, lifelong resident of this county, were held at 2:30 p. m. Tuesday at Belleview Baptist Church, with burial in Belleview Cemetery.

Mrs. Williamson, who was 68 years old, died Saturday at her home near Burlington. She was a member of Big Bone Baptist Church.

She is survived by one son, Howard Williamson, Burlington; a daughter, Mrs. Blanche Slayback, Covington; five brothers, John Robinson, Rushville, Ind.; Boone Robinson, Patriot, Ind.; Elmer Robinson, Rushville, Ind.; Charles Robinson, Crescent Springs and Russell Robinson, Walton.

Ralph Stith, Florence funeral director is in charge of arrangements.

Junior Conservation Camp Dedicated At Kentucky Lake

Will Care For More Than 100 Boys Each Week During Season.

Probably no other undertaking by Kentucky's Division of Game and Fish will have such far-reaching effects on the future of Kentucky sportsmen as will its Junior Conservation Club activities.

The Division and the League of Kentucky Sportsmen, 20,000 strong, are to be congratulated on the formation and sponsorship of such a program. It will mean that the future of wildlife in Kentucky will be in the hands of men who know the value of conservation and preservation; will know the laws governing hunting and fishing and will respect those regulations.

With the dedication of Junior Camp John Will Currle at Kentucky Lake early in June the people of the Commonwealth made permanent the future of the Junior Conservation program. This camp, erected by the Division, and dedicated to the youth of the state, will be a permanent reminder to the Commonwealth that it has a debt to pay its youth and its conservation efforts. While the camp itself is not yet complete a number of permanent buildings have been erected and more will follow so that the camp can adequately care for more than 100 boys each week of the camping period. It stands as a monument to the good sportsmen of Kentucky and to the efforts of the Division of Game and Fish to bring education to the youth who so long have been denied knowledge of a phase of hunting and fishing that has largely been ignored.

Camp Currle is the first in a series of such camps. The Division says another permanent camp will be erected at the Wolf Creek Impoundment and on Dewey Dam Lake when those projects have been completed. We subscribe to this project by the Division and we feel that results from this undertaking will be felt more and more on down through the years.

Public Offices And Banks Will Be Closed Monday, July 4th

Public offices in the courthouse, banks and many business houses will be closed in Boone County, Monday, July 4th. The Northern Kentucky Production Credit Ass'n. office will also be closed Monday, it was announced this week.

The Recorder office will be closed Monday, due to the holiday, and all advertisers and correspondents are requested to have their advertising and news in at an early date due to the holiday. Rural carriers will observe the holiday, and therefore we will receive no mail Monday.

Florence Attorney Is Candidate For County Attorney

Has Been Active In County Affairs For Many Years.

William P. (Bill) McEvoy, well known Florence attorney and a veteran of World War II, announced his candidacy Wednesday for County Attorney, subject to the Democratic primary, August 6.

Mr. McEvoy assures the people of Boone County that if elected he will diligently conduct the duties of the office in a manner benefitting the dignity of a well governed County.

Mr. McEvoy has been active in County affairs for many years. A veteran of 40 months in the Air Corp, saw service in the Pacific Theater of Operations. He is a member of the V. F. W. and the American Legion. He held the office of President and Secretary of the Young Men's Democratic Club of Boone County.

Mr. McEvoy received his law degree from the Simon P. Chase Law School, he attended college at Centre, graduated from Lloyd High School and attended St. Paul's parochial school.

Mr. McEvoy seeks this office in an earnest manner and hopes to campaign in every precinct in the County. Due to the limited time befor August 6th, Mr. McEvoy stated it is probably that he will not have the necessary time to see each and every voter personally, if this should happen, he takes this medium to earnestly solicit your support.

White-Miller

Miss Jean White, daughter of Mr. and Mrs. Charles White, of near Petersburg, and Mr. Lafe Miller, Jr., son of Mr. and Mrs. Lafe Miller, Sr., Grant, were united in marriage Saturday, June 25th at 7:30 p. m., at Burlington Baptist Church, with Rev. William Burkett, officiating in the beautiful and impressive ceremony.

The wedding, an open house affair was attended by numerous relatives and friends.

The bride is a graduate of Burlington High School, graduating in the class of '47. The groom, star basketball player or the Burlington Eagle squad graduated in the class of '49.

The happy young couple left immediately following the ceremony for a brief honeymoon.

The Recorder joins their many friends in wishing them much happiness as they trod life's pathway together.

Mrs. Iantha B. Tanner

Funeral services were held at 2:30 p. m. Monday at the Hopeful Lutheran Church for Mrs. Iantha B. Tanner, Dixie Highway, Florence, who died at her home Friday. She was 59.

She is survived by her husband, Alonzo Tanner; two sons, Paul Tanner, Frankfort and Robert Tanner, Florence; a sister, Mrs. Lottie McClelland, Portland, Ore., and two grandchildren.

Burial was in Hopeful Cemetery.

Philip Taliaferro, Erlanger funeral director was in charge of arrangements.

HEBRON FARMER DISPLAYS DOUBLE EGG—DOUBLE SHELL

Jamison Aylor, of the Hebron community was displaying an egg laid by a hen on his farm, near Hebron, which contained a double egg and a double shell.

According to Wilbur Dennis-ton, Hebron Grocerymen, the outside egg was complete, with a soft shell, while the egg inside was normal with a hard shell.

There have been many double eggs, with two whites and two yolks, but to our knowledge, this is the first time that an egg of this kind has been reported.

Annual Red Cross Meeting Held At Florence, Tuesday

Twenty-five Members Enjoy Dinner In Florence School Cafeteria

On Tuesday evening, June 21st, the Boone County Chapter, American Red Cross held its annual meeting in the cafeteria of the Florence school with twenty-five members enjoying a delicious and bountiful dinner, served by the Ladies' Auxiliary of the Florence Fire Department. The menu consisted of baked ham, cream potatoes, green beans, slaw, hot biscuits, iced tea, hot coffee, grapefruit juice, and apple pie with cheese.

At the end of the dinner Dean Bloss, superintendent of music in the Boone County schools treated the group to some lovely music by the following: Bell solo, by Janet Flagle; cornet solo by Ella Jean Rogers; saxohphone solo by Sissy Presser, and a song "Forever and Ever" by Sissy Presser, Howard D. Bloss, Jr., and Vera Dean Scott. Miss Scott who accompanied all the instruments deserves honorable mention for her piano playing and her singing.

The chapter chairman, G. R. Scott of Florence called the meeting to order for the transaction of business. Reading of the minutes of the last annual meeting by Mrs. Violetta Eastman, secretary of the organization. The minutes were adopted as read.

Mrs. Dean Bloss, co-chairman of Junior Red Cross introduced Miss Betty Hood of Florence High School whose essay on "What the Junior Red Cross Means to Boone County," was considered best of about 40 submitted in the contest, thereby winning a trip to Atlantic City. She read her essay to the group.

The by-laws, which had been submitted at the 1948 meeting but had never been officially accepted, on the assurance of the chairman that they had been carefully reviewed by the executive committee, were on motion and second, adopted.

By a direct order from national Red Cross headquarters the chapter was instructed that no more Red Cross funds should be used toward the salary of the Public Health Nurse. Upon motion and second, it was decided after January 1, 1950 the County Red Cross organization would cancel its obligation to contribute a part of the salary of the Public Health Nurse.

Chairman G. R. Scott, in a short speech, presented to Dean Bloss, who had served as chairman of the fund drive and had put Boone County "over the top," a citation from National Red Cross for his splendid effort.

Mrs. Sibbia Reimer, chairman of Nursing Activities, made a brief report.

The report of the nominating committee was read by the secretary, as follows: Directors, Mrs. D. L. Maddox, Walton; Mrs. Jamison, Aylor, Hebron; Wendel Ryan, Verona; Mrs. Warren J. Miller, Jr., of Union. Officers, G. R. Scott, chairman, Florence; R. I. Rouse, first vice chairman, Burlington; J. B. Heizer, second vice chairman, Beaver; Mrs. R. C. Easton, secretary, Florence; Judge C. L. Cropper, treasurer, Burlington; Mrs. Elizabeth G. Nestor, executive secretary, Florence.

The speaker of the evening, Brig. General Roscoe L. Murray, Adjutant General of Kentucky was introduced by the chairman and kept us thoroughly entertained. He began in a happy vein by recounting some of his early army experiences, for he has served from Buck Private to General. His talk was almost entirely along the line of co-operation which should exist between the Red Cross and the various State Departments, especially the military in case of disaster. He stated that there are more than 4,000 officers and men in our State National Guard.

Not the least pleasant thing in connection with his visit was the fact that he brought his charming wife

M. C. (Conner) Carroll Tosses Hat In Ring For Sheriff

Has Operated Trucking Business and Farm For Thirty Years.

M. C. (Conner) Carroll, of Big Bone, in this issue of The Recorder, officially announces his candidacy for sheriff of Boone County, subject to action of the Democratic primary Saturday, August 6, 1949.

A lifelong resident of Boone County, Mr. Carroll has operated a trucking business and farm for thirty years, and for a number of years maintained a general merchandise store.

Mr. Carroll and his wife, the former Mildred Moore, have been married for almost thirty years, and have four children and three grandchildren.

The following statement is made by Mr. Carroll in announcing his candidacy: "I have been urged by many friends throughout the county to enter the race for sheriff, and after visiting the various precincts and talking with many of the citizens, I have decided to do so."

Mr. Carroll further states that if the voters of Boone County will support him in his campaign, he will put forth every effort to fill the office capably and efficiently. It is his intention to attempt to see each and every voter, but if there are those who are missed, it will be because of shortage of time.

Mr. Carroll expresses his deep interest in his fellow-citizens of Boone County, and wishes to assure them that any and all support given him will be highly appreciated.

John C. Bedinger

Funeral services for John C. Bedinger, Boone County land owner and director of the Boone County Farm Bureau were held at 11 a. m. Tuesday at the Bedinger residence in Walton, with Rev. Donald Hopkins of the Richwood Presbyterian Church officiating. Burial was in Richwood Cemetery.

Mr. Bedinger, 82, died Saturday night in St. Elizabeth, Hospital Covington. He had been active in civic affairs of Walton for many years. He was a member of Walton Lodge 719 F. and A. M.

Mr. Bedinger is survived by his widow, Mrs. Pearl Hughes Bedinger, a daughter, Mrs. Russell Yealey; two brothers, Rev. Everett Bedinger and Ben Bedinger, both of Walton; two sisters, Mrs. Sarah Cooper, Pittsburgh, Pa., and Mrs. Elizabeth Brugh, Monutvale, Va. and a granddaughter, Miss Mary Yealey.

Pallbears were Charles Chambers, Stan Ransom, Beckham Shields, Raymond Shields, Allen Gaines and Robert Brugh.

Funeral arrangements were in charge of Chambers & Grubbs, Walton.

Mrs. Melvina Walker

Mrs. Melvina Walker, wife of Rev. Farrish E. Walker, former pastor of Burlington Baptist Church, collapsed and died Sunday at her home in Covington. She was 56 years old.

Mrs. Walker's husband found her outstretched on the floor of the bathroom of their home late Sunday morning.

Besides her husband she is survived by two sons, Farrish E. Walker, Jr., Ithica, N. Y., and William A. Walker, Seattle, Wash., and a daughter, Miss Mary Ann Walker, Covington.

Annual Business Meeting Scheduled For Sunday By Bullittsville Church

Following their custom the members of the Bullittsville Christian Church will hold their annual business meeting day on next Sunday, July 3, 1949.

The morning program remains the same with Sunday School at 10:00 a. m. and church service at 11:00. These services will be followed by the dinner period furnished by the bringing of a basket dinner.

The afternoon session will be given over to a congregational meeting wherein matters of vital interest connected with the church's program of work for the coming year will be brought up, discussed and settled. This means that all members are expected to be present for the whole day's service in order to add their influence toward the induction of a worthwhile program of work for the Bullittsville Christian Church during the coming year.

Hebron Takes Over Second Place In Saturday League

By Virtue of 7-5 Victory Over Burlington; Big Bone and Union Win.

Hebron took over second place in the Boone County Saturday Afternoon Baseball League last Saturday by virtue of their seven to five win in eleven innings over Burlington at the latter's park. Hebron had the game sewed up 5-4 with two men out in the final half of the ninth only to see it tied up on a long home run by Jim Ryle. The winners came back in the eleventh and scored two runs on three hits and an error.

Hebron used three pitchers in the contest. Hogan started and pitched six inning before being relieved by Joe Aylor. Aylor was followed by Gray who received credit for the win. Joe Smith pitched all the way for Burlington.

Hebron had 7 runs on 13 hits and they committed three errors. Burlington had five runs on 12 hits and they made three miscues.

Big Bone Wins

Big Bone behind the superb pitching of Chas. Black defeated Pleasant Haven by a six to nothing score. Black kept seven hits well scattered and fanned six men. Ryan pitched for Pleasant Haven and also only gave up seven hits, but three errors helped cause his downfall. Bowman of Big Bone and Alexander of Pleasant Haven led the offensive with two hits apiece in four attempts.

Union Over Sand Run

Union won their third league game Saturday when they trounced Sand Run by a 13 to 2 score at the loser's park. Ryan and Moore formed the winning battery. For the losing Sand Run nine Pepper started and was relieved by Judy with McWethy doing the receiving. The win, coupled with losses by Sand Run, Burlington and Pleasant Haven, moved them from ninth place to a sixth place tie with the Sand Runners.

Wet Grounds and Rain

Wet grounds and rain caused cancellation of games between the league leading Petersburg nine and Belleview and Florence at Constance.

Verona and Bob Gene In Win Column In Sunday Games

Belleview Trounced By Aetna Oil in KAG Play Sunday.

Verona chalked up another victory in the KAG League Sunday by nosing out the Walton team 6-5 at Verona park, although collecting but five hits off the offerings of Buford Smith of Walton. Smith gave up seven walks, combined with five wild pitches and two errors enabled the winners to score their six runs. Mumm and Ryan hurled for Verona and allowed 11 hits. Mumm allowed seven hits in four innings, while fanning four. Ryan struck out five.

Bob and Gene scored an easy victory over the Constance nine Sunday, emerging on the long end of a 10 to 2 count, at Florence.

Migner, on the hill for the winners allowed by three hits the losers, while his teammates were collecting 16 hits from the offering of Bloebaum. The losers chalked up one run in the first and one in the ninth inning. Eddie Arnzen led the attack for the winners with three hits out of four trips to the plate. Rose led the losers with two hits, a double and single.

Frank Teats, former Hanover College star, on the mound for Aetna Oils, of Glencoe held the Belleview team to four hits in Sunday's game at Glencoe turning back the former league leaders by a score of 5 to 3. Teats struck out 12 and walked two, while Don Lenhoff on the hill for Belleview gave up nine hits, while fanning 10.

Hudson won the game for the Aetna nine in the last of the ninth when he hit a home run with a runner on bake to break a 3-3 deadlock. The losers had scored a run in the first of the ninth as Kuhlmeyer hit a home run to tie the score at 3-3.

Games This Week

Schoenling at Verona.
Gallatin Co. at Bob & Gene.
Walton at Grants Lick.
Constance at Belleview.

Bob and Gene will be entertained Monday, July 4th by the Verona nine at Verona Park. Ray Migenery, will probably be the starting hurler for Bob & Gene, while Dutch Retbling will probably go to the hill for Verona. Fans are anticipating an interesting game.

Wednesday night of next week Bob & Gene will meet the strong Schoenling nine at the Covington ball park for a night game Wednesday, according to Bob Eades, manager of the local club.

Lucian Bradford, of Florence was a visitor here Monday morning.

E. W. Trucks and Burlington Nine Are Victorious

In Northern Kentucky Semipro Baseball Games Sunday.

E. & W. Trucks took a 14-4 victory from the Visalia nine at Visalia in the Northern Kentucky Semipro League play Sunday. Don Pund on the mound for the winners allowed 11 hits and struck out nine batsmen. Campbell, on the hill for the losers allowed 15 hits, while striking out five.

Bill Conrad led the attack for the winners with two triples and a double while Jerry Rouse added a triple and a single. Campbell was the hitting star for Visalia with a double and triple.

Burlington soundly trounced the Pleasant Haven nine Sunday by a score of 13-4 at Pleasant Haven. D. Deck served them up, for the winners allowing ten hits, while striking out nine. Ford, Uts and Gullion hurled for Pleasant Haven and were touched for 20 hits.

E. Deck, D. Deck and McBee each had three hits for the winners, to lead the attack, while Judge collected three for five, including a double.

Games July 3rd

E. & W. at Sandfordtown.
Pleasant Haven at Charlie's.
State Realty at Burlington.

Manager Sam Ryle of the Burlington team has announced that his team will play Brun Jugs, league leaders, at the Covington ball park Monday afternoon, July 4, at 3:00. This will be a league contest and a victory for the locals will put them in a threatening position for league leadership. The Jugs have lost only one game. Foster will be on the hill for the Jugs with either E. Deck or Woods twirling for the Burlington nine.

TILE DRAINAGE BOOSTS YIELDS

Land in Owsley county that once produced nothing is now producing 100 bushels of corn an acre, a ton of tobacco and other crops in proportion, according to H. M. Williams, farm agent. Such profitable results are due, he said, to tile drainage. Drainage was first demonstrated on the F. G. Peters farm five years ago.

Since then, 10 farmers have drained swamps in a two-and-a-half-mile stretch. The past year 15,000 feet of tile were laid, much of it along Island Creek.

Inasmuch as hillsides in the county are extremely steep, it is important that farmers get top production from bottomlands, said the county agent.

URGES GREEN ACRE FOR EACH FARM COW

An acre of alfalfa-grass for each cow is what County Agent Troll Young wants in Washington county. To see how his program was moving ahead, he made a survey of 146 farms. These farms had an average of 12 cows and five acres of alfalfa.

Of the 146 farms, 111 had alfalfa. Of the 35 which had none, the operators were planning to sow alfalfa on 22 farms. On an average, there will be nearly 8½ acres of alfalfa a farm, by the end of this season, Mr. Young said. And before long he hopes to see a green acre for each animal on the farm.

Garden Tips

As late potatoes do their growing in dry weather, they should be planted deep, five inches below the ground level. Placed that deep, the roots will lie in relatively cool soil, and that is an advantage, as this is a "cool" crop. The furrows should not be filled level at planting, but the seed covered only about half the depth to have sprouts started quickly. Then the furrow is filled by the cultivator.

Fertilizing is best done with commercial fertilizer, 3-9-6, 4-12-4, or best of all, 4-12-8, as potatoes need plenty of potash. The fertilizer is sowed deep in the furrow, one pound to 25 feet, stirred into the soil before the seed is dropped. The width of row is about 36 inches, and the seed piece spacing about 15 inches, one piece at a place, the seed piece being about two ounces in weight, and cut blocky.

As soon as the plants start, the fleabeetles will come to puncture the leaves with many fine holes. Damage may be quite severe. For control, there are two materials, DDT and the newer Methovychlor. These come in 50 per cent strength to be used in wet spray, two level tablespoons per gallon of water, and in ready-to-use dust of 5 per cent strength. Either is acceptable to use, but spraying is better. These same materials control also the potato leaf-hopper that causes the fringes of the potato leaves to turn brown, and may cause their total destruction that so many gardeners blame on blight or dry weather. After the first application, as the potatoes are emerging, there should be at least two more, ten days apart.

Cultivation should be of the "scratch" kind with a 10-tooth harrow, with as little soil thrown to the row as possible, the surface level, with no holes wanting rain to cause hidden a waste of precious soil moisture. If the growing tubers make the soil crack enough, soil should be drawn to the row to close the cracks, but no more.

Electric Cooking is **CLEAN!**

You can say goodbye and good riddance to kitchen soot, smoke and smudge when you cook electrically.

Flameless electric heat is as clean as summer sunshine. Utensils stay bright and shiny after months of use. Kitchen walls, curtains and the range itself stay clean and new-looking much longer than with old-fashioned flame-type cooking.

And spotless cleanliness is only one of many advantages of electric cooking. Get the facts and you'll go electric. It's the modern way!

For Cooking that's—
- CLEAN
- COOL
- FAST
- AUTOMATIC
- ECONOMICAL

It's *Electric* of course!

BULLITTSVILLE HOMEMAKERS' TOUR IN RHYME

We would like the world to know
About our one day trip.
We boarded the bus at 8 a. m.,
And then we let her rip.

But no, in Bullittsville, we had to tarry,
Because our chairman, Bernham Roberts' Mary
Realized in consulting her list
That one of the party had been missed.

Fourteen Bullittsville members went,
And fifteen guests on pleasure bent.
Williamstown, the first stopping place,
Is where we set the pleasant pace
Of buying food and eating it
When we paused. Didn't hurt us a bit.
Richmond, Eastern State Teachers' College,
Where some had gained their "book larin'" knowledge,
Was viewed from the slowly moving bus,
While commencement guests gazed at us.
Three other campuses inspired our minds,
U. K., Georgetown, Berea—Takes all kinds.
Berea, we wandered over afoot,
It was there we bought much of our loot.
We also ate dinner at a famous hotel
Known far and wide and very well.
Boys carving wood, girls waiting table
Fresh faced students, working as they're able
Produce articles which are very fine
To enrich our lives, yours and mine.
We visited a pottery, one hundred years old
Saw how the workers vases mold.
We saw a reservation of the U. S. A.
Which helps to keep our enemies at bay.
Ammunition dumps, mile on mile.
My! They would make quite a pile.
Dix River was an inspiring sight,
And Dan'l Boone's cave where he had that fright.
The trip home did not seem long,
For we joked, and sang many a song.
We'll never forget that bright day in June.
When friendship, fellowship and fun were in tune.

FROM THE BIBLE . . .

Facts You Need to Know!

1 You need to be saved. "For all have sinned, and come short of the glory of God." "The heart is deceitful above all things, and desperately wicked: who can know it?" *2* You cannot save yourself. "Not by works of righteousness which we have done, but according to his mercy he saved us."

3 Jesus has already provided for your salvation. "For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life." *4* Jesus will enable you to overcome temptation. "The Lord knoweth how to deliver the godly out of temptations, and to reserve the unjust unto the day of judgment to be punished."

YOUR PART . . . "Believe on the Lord Jesus Christ, and thou shalt be saved, and thy house." DO IT NOW . . . "How shall we escape, if we neglect so great salvation?" REMEMBER . . . "It is appointed unto men once to die, but after this the judgment . . . but he, that believeth on him . . . shall not come into judgment."

Being convinced that I am a sinner, and knowing that "Christ died for the ungodly," I NOW accept Jesus as my Saviour, and with His help I purpose to confess Him before men.

STATE PENAL GUARDS TO TAKE TRAINING

Frankfort, Ky.—Commissioner of Welfare A. M. Lyon announced this week that guards at the state's two penal institutions—Eddyville and LaGrange—will be required to take a thorough training course acquainting them with their duties.

Steps incident to the training course have been set in motion. Deputy Warden Porter B. Lady, deputy warden of the State Reformatory at La Grange, will leave shortly for a study of the training courses required at Federal prisons for guards and attendants. This action is being taken on recommendation of Dr. W. F. Watson, director of corrections of the Department of Welfare.

The teaching staff for the school, which it is set up, will include M. J. Clarke, director of educational activities in the Department of Welfare; the Clinical Psychologist and chaplain at each of the institutions.

Preparatory to establishment of the school, Dr. Lyon has instructed the Director of Corrections to have printed for distribution among the guards a copy of the laws and regulations touching the duties of officers of the penal institutions.

In addition, Dr. Lyon has requested C. Harold Ewing, director of probation and parole, to have similar data supplied to parole and probation officers.

"In this fashion we hope to have better-trained men to deal with prisoners—men who know how to deal with other human beings discreetly, and yet have knowledge of the institutions with which they are connected," Lyon added.

RECIPE OF THE WEEK

Delicious as garden peas are, even their flavor can become monotonous through frequent serving. For variety, serve them as timbales, an especially nice dish for company or Sunday dinner, notes Miss Florence Imlay, specialist in foods at the College of Agriculture and Home Economics, University of Kentucky.

Pea Timbales: 4 cups cooked or canned peas, 1 cup milk, 3 tablespoons butter, 4 tablespoons flour, 2 well beaten eggs, 1 tablespoon pimento, 2 tablespoons onion, 1 teaspoon salt.

Rub peas through a coarse sieve. Melt butter in a saucepan, add flour and mix well. Remove saucepan from the flame and gradually add milk. Return to fire and cook until very thick, stirring constantly. Add other ingredients and pour into greased casserole or individual baking dishes. Set in a pan of hot wtaer and bake until firm in a moderate oven, 350 degrees. Serves 8.

Menu: Baked ham, pea timbales, buttered carrots, cabbage salad, rolls, butter and cherry pie.

NEW DRUGS USED TO SAVE FOALS

Veterinarians in the Animal Husbandry Department of the Kentucky Agricultural Experiment Station, working cooperatively with practicing veterinarians of Central Kentucky, have found penicillin and streptomycin effective in the treatment of septicemic infections of new-born foals.

Penicillin was effective in saving foals infected with streptococci, while streptomycin was efficient in arresting and preventing infections due to shigella equuuli, the "sleeper foal."

The "sleeper foal" disease kills a large number of foals every season. In fact, it accounts for about 40 percent of the deaths among foals.

Some sick foals recovered promptly when treated with streptomycin; others required both streptomycin and penicillin.

The dose of streptomycin given was a half gram intramuscularly at three-hour intervals. The penicillin dosage ranged from 300,000 to 600,000 units, given every 12 hours.

To be successful, the veterinarians said treatment with streptomycin should be started early in the course of the disease and continued 24 to 48 hours after the temperature of the animal had become normal.

Florence Citizen Answers Sewer System Question In Letter

William H. Meiners, No. 1 Valley View Drive, Florence, Ky., writes the following letter in regard to the question in an article published recently "Does Florence Need a Sewage System." The letter follows:

"Dear Sir:

"In regard to your article of June 16, "Does Florence Need a Sewage System."

"We can answer 'Yes' to this question, because of the growing population; in comparison with typhoid and polio the matter of cost should not enter into the picture. Against the cost of healthier children and happier families there is no comparison.

On Valley View Drive and Subdivision we have approximately twenty families who have children, new homes in the building, which will mean more lives to be thought of.

We send you this letter with the thanks of each and every one of the families here in Valley View, and hope that you will continue to help us with our cause for sewerage; also in our fight for telephone service. In case of illness or fire we have no way of obtaining help from the right sources. We have fire plugs but without the help of telephone service we are stranded.

"Many of the Florence merchants are also suffering from the lack of this service, supplies are brought home by the working husband.

"Again may we thank you for your help and interest given to us. We hope it will be continued in the future with your publication.

"I would like to have several copies, if possible, of the article mentioned above on sewage system, to distribute to my neighbors. Please let me know how subscriptions can be obtained, for I know of several who are interested in your paper."

Local Firm Gets Jamesway Dealership

Arrangements have been completed whereby Burlington Hardware will handle the nationally known Jamesway line of poultry, barn, hog and roto salt equipment in the Burlington area. Since 1906 the James Mfg. Co., with branches in Atkinson, Wis., Elmire, N. Y., and Oakland, Calif., has specialized in the planning, equipping, and ventilating of farm building. In addition to selling and servicing Jamesway equipment, Burlington Hardware will be in position to offer planning help to the dairy, poultry, and livestock farmers in this territory.

A model tobacco barn has been completed on the farm of John Berry in Bullitt county.

Ice Cream Social Planned By C. C. Club

The Christian Cadet Club of the Florence Christian church is giving an ice cream sundae social, Saturday evening, July 2, at 8 p. m. on the church lawn. The work is being done by their mothers and adult friends and their project is the organ fund.

The club will serve ice cream sundaes and homemade cake and lemonade. Just picture yourself next Saturday night, seated on the lawn of the Florence Christian Church, eating a luscious big sundae with your favorite syrup, topped with a cherry, a piece of homemade cake and a cool glass of lemonade, and along with with all this, the knowledge that you are helping these young people accomplish their goal in purchasing an organ for the church buildings. That's really combining business and pleasure. They will also have a bazaar table loaded with things they hope you can use. Moving pictures and a musical will be given in the evening in the church, and at this time a free will offering will be taken.

Fall Fertilization Ups Alfalfa Yields, Adds to Life Span

CHICAGO—Holding a deep, long-wearing carpet of alfalfa on rolling fields is a matter of liming, keeping the plant's dinner pail well filled with phosphate and potash, and following pasture management methods that prevent premature "baldness," declared the Middle West Soil Improvement Committee in a statement issued here.

"Long life for alfalfa stands depends on good nutrition and cultural practices," says the statement. "When the plants are well fed they are hardier and better able to resist diseases and winter killing.

"Like other deep-rooted legumes, alfalfa takes large helpings of phosphate and potash out of the soil. Agronomists recommend that heavy amounts of fertilizer carrying these nutrients be applied at the time of seeding. The life of the alfalfa can be prolonged and yields increased by top-dressing with phosphate and potash in the fall.

The committee cautions farmers "not to gamble" on the life span of their alfalfa stands.

"Keep them thick and vigorous," it says. "Then they won't run down when you least expect it.

"Go easy on grazing until stands are well established. Follow a rotation plan so cows will move from one field to another, before the pasture is grazed down."

Soil Building Key To Higher Yields, Lower Output Costs

CHICAGO — Farm production costs have nearly tripled since the prewar days of 1935-39, declared the Middle West Soil Improvement Committee in a statement issued here.

"Farm wages are now three and a half times the 1935-39 average, according to U. S. Department of Agriculture statistics," says the statement. "The cost of seed, feed, and many other things farmers buy has soared.

"Meanwhile, farm prices have slumped and many economists expect a further easing in the period ahead.

"Farmers can meet the impact of higher production costs and lower prices by good soil management that steps up crop producing efficiency and cuts output costs per unit. With fertilizer still one of the 'best buys' in farm production costs, soil building for high production is more profitable than ever.

"Good soil management means teamwork in which a number of different measures back each other up. These include a good rotation, built around deep-rooted legumes, liming, the use of phosphate and potash fertilizer, the return of barnyard manure and crop aftermaths to the soil.

"Working together these members of the soil management team will build up your soil's organic matter, improve tilth and drainage and give crop roots more living space in which to forage for plant nutrients."

Crop Rotation Needs Help From Well Fed Deep-Rooted Legumes

CHICAGO—Depending on a crop rotation alone to build your soil and keep up its crop producing vigor, is like trying to run your tractor without motor fuel or oil, declared the Middle West Soil Improvement Committee in a statement issued here.

"Valuable as a good rotation is in balancing soil-building legume crops against soil-robbing row crops," says the statement, "it has to have help in the form of wise management methods. Cropping even in the best rotation drains the soil's supply of phosphate and potash.

"And even if you put back every scrap of barnyard manure, plow under deep-rooted legumes and return corn stalks, straw and other crop aftermath to the soil, you still ship away hundreds of pounds of plant food in the grain, beef and milk you sell every year.

"These nutrients must be replaced if you are to build your soil and maintain high yields at a low output cost. Soil scientists recommend that plenty of phosphate and potash be applied with seedings of sweet clover, alfalfa and grass mixtures. Such management best helps the soil to help itself.

"When deep-rooted legumes are well fed and limed they will give you thick stands and strong roots. They will provide a protective cover that slows down water runoff. And when you save water, you also save nitrogen, phosphate, potash and organic matter."

P. A. Beatty of Clinton county reports that 10 acres of Balbo rye seeded with fescue and Ladino clover provided pasture for 14 cows for 60 days.

Fireworks To Be Featured At Drive-In July 2, 3, and 4

The management of the Florence Drive-In Theatre announces a spectacular fireworks display on July 2nd, 3rd and 4th. This is the third annual Fourth of July fireworks display at the Florence Drive-In Theatre and has proven a very popular way to spend a safe and sane Fourth.

The free pony track and play ground are in full operation—the box office opens at 8 p. m. and the management requests you bring the children early.

In addition to the fireworks the film program is as follows: Saturday, "Angels With Dirty Faces," starring James Cagney and Ann Sheridan.

Sunday "Embraceable You," starring Dane Clark and Geraldine Brooks.

Monday, "It Ain't Hay" starring Bud Abbot and Lou Costello.

Wood-Garrison

Before a background of ferns and palm leaves illuminated by four white branched candelabra Miss Sarah Wood, daughter of Mr. and Mrs. Alva Wood, Walton, Ky. became the bride of Rev. William Garrison, Sunday, June 18th at the First Baptist Church of Harrisburg, Ill. Rev. Garrison is the son of Mr. and Mrs. Ray Garrison of Harrisburg, Ill. Rev. George B. Leathers, Jr., and Rev. R. W. Wallis officiated at the 2:00 p. m. double ring ceremony before an altar of white gladioli.

The organ prelude played by Miss Verna Jo Clayton included a collection of bridal songs and wedding music. Mr. Warren Springs, of Peoria, Ill., close friends of the groom, sang "Because," "With This Ring I Thee Wed" and as a benediction sang the Lord's Prayer.

The bride given in marriage by her father, Alva Wood, wore a princess style gown of round crepe with a round neck and a lace yoke outlined with a ruffle of self-material. The long lightly fitted sleeves came to a sharp point at the wrists. Her finegrip veil of illusion net was secured by a heart shaped tiara of seed pearls. She carried a white Bible with a removable corsage of stephpnotis.

Her only attendant was Miss Coleta Garrison, sister of the groom. She wore a gown of pink morre fashioned with a snug-fitted bodice, pointed in front, with a high neckline closing with tiny self-covered buttons. She wore a crownless hat of starched lace and pink nylon gloves and carried a bouquet of blue and white shasta daises with blue satin streamers.

The groom's best man was Mr. George Harrison, of Beaver Dam, Ky. The ushers were Clifford Sims, of Marion, Ill., and Bob Pardon of Carrier Mills, Ill.

The men of the wedding party all wore business suits.

Following the ceremony a reception was held in the basement of the church with Miss Fern Moore and Miss Sarah Cole in charge. Assisting them were Miss Jean Walker, Mrs. Peggy Leather, Mrs. Reva Dallas, Mrs. Gladys Blue, Mrs. Mayme Martin and Mrs. Ruth Henn.

The bride's mother, Mrs. Wood, wore a two-piece dress of navy blue crepe with white accessories and a corsage of pink rosebuds. The grooms mother, Mrs. Garrison, wore a dress of printed silk with matching accessories and a corsage of pink rosebuds.

The new Mrs. Garrison is a graduate of the Union, Kentucky High School, class of 1946 and at the time of her marriage was a Junior at the Georgetown College in Georgetown, Ky. Rev. Garrison is a graduate of Crab Orchard Community High School, class of 1946 and has completed one year of school at Georgetown College in Georgetown, Ky.

At the present time the couple are residing in Dorris Heights but will move to Carbondale in August where the groom will resume his study as minister. He is at present pastor of the New Castle Baptist Church near Carrier Mills, Ill.

Ladino clover was seeded this spring with orchard grass, Ky. 31 fescue or brome grass on about 150 farms in Mercer county.

"Test, Don't Guess" Before Liming Soil, Agronomists Advise

CHICAGO—"Test, don't guess" when you plan to lime your soil, advises the Middle West Soil Improvement Committee in a statement made public here.

"Liming is the keystone of any well-planned soil building program," the statement points out. "Lime increases the efficiency of fertilizers. It sweetens acid soils and makes possible the growth of soil-building deep-rooted legumes.

"But be sure your soil needs lime before you apply it, and find out how much it needs.

"The safest course is to have your soil tested for its lime needs. County agricultural agents, vocational agricultural teachers or

Fertilizers Are More Efficient on Limed Soils.

members of the agronomy staffs of state colleges and experiment stations are glad to co-operate.

"Liming is just one member of a soil building team. It has to be supported by others, if crop yields are to be increased, tilth improved and soil structure rebuilt. Other members of the team include generous use of phosphate and potash fertilizers, deep-rooted legumes regularly in the rotation, and the return to the soil of all possible animal manure and crop aftermath."

Soil's "Fuel Tank" Needs Organic Matter, Farmers Are Advised

CHICAGO—Your soil burns up organic matter in producing crops, the same as your car uses up gasoline to keep running, declared the Middle West Soil Improvement Committee in a statement issued here.

And unless you refill the soil's organic matter "fuel tank," your soil will run out of gas, the statement says. That means low crop yields per acre, high production costs and smaller income.

"Organic matter is burned up through rapid decomposition in promoting crop growth," declares the statement. "No soil has an inexhaustible supply of organic matter. It can be easily drained off by poor management. Too many corn crops in succession will mine out the organic matter on even the best heavy clay and loam soils.

"When your soil loses its organic matter, it loses its ability to produce high yields. The removal of moisture-holding organic matter breaks down soil structure.

"The secret of balancing outgo and input of organic matter lies in good soil management. That means a rotation buttressed by deep-rooted legumes. You can't get a good stand of legumes with husky roots simply by seeding sweet clover or alfalfa. You have to lime the soil if tests indicate the need. You have to add plenty of fertilizer carrying phosphate and potash. Then you will get good growth and the legumes will do their job of repairing soil damage."

THE GARDEN

THE CANNING GARDEN
By John S. Gardner, Kentucky College of Agriculture and Home Economics

The time is here to look toward next winter, with a view to having sufficient canned vegetables. For this, extra planting should be done, and although surpluses may occur now and then, it is better to go at the business in a manner to make surpluses sure.

Beans—For current needs, 15 feet or row of beans a person planted every two weeks should be enough and if that amount is planted extra each time through June to July 15, extra beans will result to fill a winter budget of two servings a week. If this scheme is used, likely the variety will be the summer favorites, Stringless Greenpod or Tendergreen.

Another way to assure a canning supply of beans is to make specific plantings to that end, thus concentrating the canning into one operation, rather than spreading it over six weeks, as by the way just described. In a way, this may be better, as beans that make a better canned product than those named above may be used. Two such varieties are Logan and US Refugee No. 5. Logan may be difficult to find now, but the "US5" is available through seedsmen who handle bulk seed and in many seed catalogs. Both these are firm-fleshed beans with superior flavor, particularly when grown in late summer. Planting should be done 60 to 70 days ahead of the time the canning is to be done. A total of 75 feet of row a person should do.

Tomatoes—Possibly, tomato setting has been completed, but as much may happen to tomatoes (unless kept carefully sprayed) it is not unwise to start more plants now, to carry on until frost. A popular variety is Marglobe, but Rutgers cracks less about the stem. This is of advantage in canning tomatoes whole, as the seed cells are not cut open. Both are resistant to wilt, and it is crop insurance to use them if there is the least suspicion of this disease being present. Where it is known that it is not, the old stalwart, Stone, commends itself.

The Greatest Mother In The World

N. TULCH
Foot Comfort Specialist at—
PEOPLE'S SHOE STORE
814-816 Madison, Covington

Mother nature gives the birds microscopic eyes to see tiny grain from a distance, and how she cares for us humans.

For instance, when we bruise our feet by wearing poorly constructed or ill fitted shoes. Nature sets up protective layers, corns, callouses and bunions, at the point where the attack is directed, and by means of pain telegraphs the brain that danger is at hand and how do we respond to nature's signal? Usually, by padding these protective layers or paring them. This of course, does relieve the pain but does NOT remove the cause of the trouble. Corns, callouses and bunions are merely symptoms telling you there is something wrong inside your feet.

Permanent relief will be obtained when you relieve pressure on delicate nerves and tissue, when you straighten up weak, inrolling feet that throw the strain of weight bearing into the outer arch. So, if you would really get at the bottom of your foot ills, by all means, see our foot comfort specialists — they will make a scientific foot analysis of your foot. Then foot comfort is absolutely assured.—Adv.

Your family will be quick to appreciate the tempting dishes this new Frigidaire Electric Range can help you turn out, faster, easier, better than ever before. See this, and all the other FrigidaireElectric Ranges. There's a size, model and price to suit the needs of any family, small or large.

MODEL RK-40 **$259.75** LOW AS $20.00 DOWN

Model RK-10. A big, beautiful bargain. Ask about convenient terms. $184.75

Model RK-20. Many exclusive features. Ask about convenient terms. $219.75

Model RK-60. De Luxe in every feature. Ask about convenient terms. $289.75

Model RK-70. Twin ovens do double duty. Ask about convenient terms. $329.75

These are just a few outstanding Frigidaire features!

5-Speed Radiantube Units. Guess-work is gone! Select one of 5 precise heats from SIMMER to HIGH, and you get it—in a jiffy! Radiantube Units are self-cleaning, fast, economical.

Triple-Duty Thermizer Cooker. Actually it's a small oven or a deep-well cooker, or pop it up and it's a surface utensil. Cooks a whole meal of meat, vegetables and dessert all at once.

Cook-Master Oven Control. Keeps an "eye" on meals while you're away. Turns oven on, cooks meal, turns off . . . all automatically. Easy to use, easy to see. Also serves as kitchen clock.

High-Speed Broiler. It's sure, fast, flexible. Foods at edge are broiled as evenly as those in the center. Does a whole broiler meal at once — or toasts sandwiches for a crowd in a jiffy.

Big, Even-Heat Oven. Cook an entire meal, bake four big pies, or roast a 25-pound turkey. Plenty of room. Automatic controls pre-heat oven to baking temperature in 5½ minutes.

Full-Width Storage Drawer. Just see how many utensils you can store in this! And it's on oil-less, roller bearings. Slides easily, *quietly*. Can be used for storage of cereals, crackers.

There goes... What?

Sure it's milk—or it might be a picture of hogs or any other farm animal, poultry, or eggs—going to market. But it's more than that. It's millions of pounds of soil fertility, especially lime, leaving your farms never to return.

It takes a lot of lime to build the bones in a cow or hog, to put shells around your eggs, and to supply the needed amount in milk. That lime comes out of the soil into the roughage and grain these animals eat.

Remember—you have to put back in the soil what you take out. It's the first principle of good farming.

Replace your lime losses by using our agricultural limestone.

THOUSANDS ENROLLED IN STATE 4-H CLUBS

Announcement of plans to observe National 4-H Club Week in Kentucky, March 5-12, reveals that 70,000 boys and girls were enrolled in 4-H clubs in the state last year. Included were 2,257 Negro club members. This was an average of almost 600 a county.

The annual report of J. W. Whitehouse, state club leader, shows that the 70,000 boys and girls started 103,788 projects and completed 78,404. These projects included practically all phases of farming and homemaking.

The largest project in enrollment was clothing, with a total of 25,615 girls learning how to sew. Some of the other large projects were canning, with 8,778 club members enrolled; foods, 7,792; gardens, 8,932; tobacco, 5221; corn, 4,853; hogs, 5,856; beef cattle, 3,052; dairying, 3,020, and poultry, 6,628.

Other projects in which club boys and girls learned about farming and homemaking were fruit production, growing potatoes, hays and grains, housekeeping, child care, health, and the conservation of the soil and wildlife. Many 4-H'ers made money while learning.

More than 1,000 boys and girls helped their parents improve and beautify home grounds. Others gave attention to learning how to manage farms, while others studied forestry and marketing.

Eight members of 4-H clubs in this state grew peanuts, 73 took care of bees and 620 raised rabbits.

The 4-H club program in Kentucky was furthered through the assistance of 4,371 women who served as leaders. 2,200 men leaders and 1,097 older boys and girls who helped direct the activities of clubs. Without the assistance of these volunteer leaders, the vast program could not have been carried out, Mr. Whitehouse said.

5,400 HOMEMAKERS AT ANNUAL MEETINGS

More than 5,400 homemakers from 100 counties attended the annual district meetings of homemakers club members held in the state from April 25 to May 7. Having as its general theme "Adventures in Living," the one-day programs featured Miss Fannie Brooks, formerly health specialist at the University of Illinois. Other speakers at each meeting were Mrs. W. K. Morris, of Hopkinsville, president of the Kentucky Federation of Homemakers Club and Miss Myrtle Weldon, Lexington, state leader of home demonstration work. District chairmen of reading, publicity, citizenship and membership committees reported on goals achieved.

LADINO CALLED SUPERIOR CLOVER

The Kentucky Agricultural Experiment Station considers Ladino clover superior to white for most purposes. Only certified Ladino seed should be used, as uncertified seed often contains white clover. Of the seed of common white clover available, tests at the station found Kentucky or southern grown gave better results than seed from other sources.

RECOMMENDS PASTURE FOR GROWING PULLETS

Pasture, including alfalfa, clovers and grasses, saves on feed costs and at the same time helps to keep chickens healthy, according to C. E. Harris of the College of Agriculture and Home Economics, University of Kentucky.

If there is no pasture, pullets often are raised on old diseased chicken lots where they pick up worm eggs and disease germs, he said.

Top crop for chickens probably is Ladino clover. Bluegrass is good where it grows well. Other pasture crops recommended include rape, red clover, Korean lespedeza and alfalfa.

In addition to saving 10 to 20 per cent on feed costs, Harris said pasture helped to put well-matured pullets in the laying house in early fall. More fall and winter eggs could be expected from pullets that are not full of worms and disease, he added.

NEW CHEMICAL USED TO PRESERVE POSTS

How fence posts can be preserved by dipping them in a chemical solution known as pentachlorophenol, commonly called "penta," is told by W. E. Jackson, extension forester for the College of Agriculture and Home Economics, University of Kentucky.

The usual method is to stick the post butts in an oil drum filled with the solution of penta and oil. The posts should be peeled and seasoned before treatment. Such wood as black or yellow locust and osage orange need not be treated.

Cost of treating fence post is estimated at 12 to 20 cents, depending on the size and kind of wood. A list of companies that handles penta can be had at county agent offices.

Each year five or six million posts are used in building and rebuilding fences in Kentucky, according to Forester Jackson. It is estimated that an average of a quarter of a mile of fence a farm is rebuilt each year.

WARREN FAMILIES TO MAKE IMPROVEMENTS

Improvement plans of Warren county farm families enrolled in the Farm and Home Development Program are noted by County Agent E. R. Russell in his April report.

The Marion Eadens family has rearranged the kitchen, added a cabinet and sink and moved a clothes closet for convenience. Plans call for putting in a water system, fencing stock out of the house yard; terracing, fencing and rearranging fields, repair of buildings and purchase of machinery.

The George Wheatcrofts are planning to remodel their house, connect to the electric line, build calf barn and machine shed, fence hogs away from ponds and out of cow pasture and otherwise improve their farm.

The Rex Ellis family is planning to repair and paint their house, install electricity, bath and water system, and increase the size of their poultry flock to 300.

Ernest Rector is planning to change his farming system from hogs and corn to grass and livestock.

The Bank of Whitesburg is sponsoring a hybrid corn contest for 4-H club members in Letcher county.

Fifty-six homemakers entered 335 blooms in the Franklin county daffodil show.

Songs for All Hearts

Lesson for July 3, 1949

THE greatest hymn-book in the world is to be our study for three months. Not the oldest; that honor belongs to the Vedic Hymns of ancient India. Not the largest; the hymnal of your own church may easily be twice as large. But the greatest hymn-book in the world is the book of Psalms. This collection of religious poems was used as the hymn-book of the temple which was built when the Jewish exiles returned to Babylon. It was the hymn-book of Herod's temple, and we know our Lord used and loved it. It is indeed the song-book of the Bible. It was the only hymnal which the first Christians used, for some time. Indeed the book of Psalms is probably the only hymn-book refused and used by three separate religions—Judaism, Mohammedanism and Christianity.

Dr. Foreman

How It Grew

LIKE all hymnals, this book of Psalms grew by degrees. It was not written all at one time or by one person. David wrote some of the Psalms, how many we do not know. The "titles" of the Psalms were added by later Hebrew editors, are no part of the original Psalms, and are often inaccurate.

It is very likely that as much as a thousand years went by between the first of the Psalms to be written and the last. Every modern hymnal that is any good is in part a collection of the best of the old hymnals.

So our book of Psalms, as it finally took shape, came from older collections. A glance through it in the American standard version will show that in its present form it is made up of five smaller books, ending with Psalms 41, 72, 89, 106 and 150. Each book ends with a doxology and book V ends with a magnificent series of them. Sometimes the editors left in duplicates. Reading Psalm 14 side by side with Psalm 53 will show that these two are exactly the same, only using different names for God. At least one of the Psalms is made up of "clippings" from earlier Psalms: thus Psalm 108 is made up from Psalms 57:7-11 and Psalm 60:5-12. The Psalms were cherished and preserved generation after generation because of their heart-appeal. Our Psalm book has gone through centuries of sifting; many were dropped out and forgotten, but the best were saved and sung; and what we have is the cream of the best of the singers of Israel.

Mirror of Man

JOHN CALVIN called the Psalms the "mirror of the soul." All the varied moods of man—hope, despair, triumph, envy, doubt, aspiration, loneliness, hatred, fear, irritation, patriotism, joy, bitterness, weariness, amazement, anguish, rapture—almost every emotion that can be felt toward God or man breathes somewhere or other in these Psalms.

Since not one of the authors of the Psalms was a Christian, of course, we should not be surprised to find, here and there, expressions (for example) of hatred which are out of harmony with the spirit and teaching of Jesus. The wonder is that there is so little of that kind of thing.

For every Psalm in which the poet says something cruel or hateful (e. g. Psalm 137:9 or 109:6-14), there are scores that breathe a spirit of gentleness and grace. For every note of despair (Psalm 88 is the only completely gloomy one in the whole collection), there are many hallelujahs of hope and gladness.

• • •

Message of God

IF the Psalms are so human, how can they be also God's Word? Yet they are also, truly, a message of God. For they not only cast a divine light on the state of man's heart, but they show what the life of man is when God becomes real. For God was real to each poet who contributed to this great book. In latter weeks this summer we shall be looking at the Psalms from various special angles. This week it will be helpful to sit quietly with the three typical Psalms, 1, 67 and 100, and as you ponder over each one in turn, ask yourself: What does this show me about God? What does this show about life when it turns to God?

Housewives should know the accepted ways to set a table and serve meals, says a new circular published by the College of Agriculture and Home Economics, University of Kentucky. This knowledge gives mothers self-confidence in teaching children table manners and in entertaining guests. Copies of the circular, called "Table Setting and Service," may be had from county home demonstration agents or from the college.

104 WING NETS CONFISCATED BY CONSERVATION OFFICERS

A total of 104 wing nets were taken from the Ohio River at two different sections within the past few weeks by Division of Game and Fish Law Enforcement men, Frank Phipps, superintendent of the Department, announced. In the two forays the enforcement officers also found a number of unlicensed hoopnets which they also destroyed, Phipps reported.

The biggest haul was made in a 120-mile section of the river from Augusta, Ky. There Conservation officers, under the supervision of Stanley Shelton, Fifth District Supervisor, took 85 wing nets and three unlicensed hoopnets from the Ohio river and the streams that empty into it. All were destroyed by burning. In the Second District 19 wing nets were destroyed, Phipps reported. Griffith Creek which empties into the Ohio in this section, was found to be completely shut off by a wing net measuring 111 feet long to which was attached a hoopnet. Phipps declared that hundreds of pounds of fish were found in this one net including several bass, one of which weighed five pounds.

CARD OF THANKS

We wish to thank the Associational Sunday School group, Sand Run Baptist Church, members and friends of Bullittsburg Baptist Church for their gifts and expressions of love at the time of our recent loss by fire at the church. 1p

THE BOONE COUNTY RECORDER

ESTABLISHED 1875

VOLUME 73 BURLINGTON, KENTUCKY THURSDAY, JULY 7, 1949 NUMBER 53

Boone County Is Selected As Site Of Pumping Station

Of New 1,000-Mile Pipe Line System Being Built From Lima, O., to Texas

The value of the petroleum industry to Boone County, a center of growing activity, will be increased greatly through the construction of the new 1,000-mile, underground pipe line system extending from Lima, Ohio, to Longview, Texas, which is being built by the Mid-Valley Pipe Line Company, formed under the equal joint ownership of The Standard Oil Company (Ohio) and the Sun Oil Company. Both oil companies operate refineries in Ohio in addition to the Sohio Refinery, recently modernized, at Latonia in Kenton County.

Boone County has been selected for the site of a tank farm and pump station, one of the seven major pump stations and one of the four tank farms to be built as a part of the system, according to an announcement by S. H. Elliott, executive vice president of Mid-Valley.

At least three large storage tanks, a modern pump station and several residences for employee occupation will be built at this Boone County development. The tanks are of the most modern, floating-roof type. No refining or manufacturing will be undertaken on this property.

Most of the construction will be handled by specialized pipe line contractors, with quite heavy pay-rolls, which will benefit Boone County. The investment in land, tanks, pump station and residences will be sizeable and the taxes on these improvements will benefit greatly the schools and general welfare of Boone County. The land for the Mid-Valley tank farm in Boone County is now under purchase option.

The fact that gasoline has risen in price far less than commodities in general is due to improvements, such as this pipe line, which the oil companies have made. There are today more than 150,000 miles of crude oil and gasoline pipe lines in operation in the United States, and thousands of natural gas pipe lines. These lines cross hundreds of thousands of properties through which rights-of-way were obtained from the owners prior to the construction, as is the procedure in the construction of the Mid-Valley pipe line.

All Boone County landowners, whose property will be crossed by this underground pipe line, will be fully protected during the construction by elaborate safe-guards for livestock, tile drains, roads, lanes and water pipes.

The main line of the Mid-Valley pipe line system will cross parts of Texas, Louisiana, Mississippi, Tennessee, Kentucky and Ohio.

LUNCH WILL BE SERVED AT SOWARDS SALE SAT.

The ladies of the Banklick Baptist Church will serve lunch on the grounds at the auction sale of the property of Mr. and Mrs. L. M. Sowards scheduled Saturday, July 9.

The property consisting of 86 acres, located 11 miles from Covington near Independence, Wilson Road will be divided into six tracts, according to R. P. Coleman, who has charge of the sale.

Camp Ernst Summer Season Opened Fri. With 125 Enrolled

Grounds And Equipment In Excellent Shape, Says Secretary of "Y."

Camp Ernst's 1949 summer camp-season opened Friday with 125 boys on the grounds, according to reports from the YMCA youth resort.

William E. Stark, boys' work secretary of the "Y" reports the grounds and equipment in excellent shape and anticipates one of the heaviest years, in point of attendance.

Camp Ernst is located on Gunpowder Creek, approximately three miles from Burlington, and is ideally situated for camping.

Mr. Stark is assisted by a group of camp counselors and junior leaders to provide careful supervision of the youngsters. A. D. Allen, is athletic director. Arthur Doyle, medical student at the University of Cincinnati, is serving as camp doctor. Other college and high school students round out the staff.

Large numbers of boys and girls from all sections of northern Kentucky attend the camp each year.

TODAY'S ISSUE MARKS SEVENTY-THIRD YEAR

Today's issue of The Recorder, Volume 73, Number 53, marks the completion of 73 years of constant publication of this paper.

The business firms of Boone County and northern Kentucky along with our numerous subscribers, have made this possible, and on our 73rd birthday, we wish to express our sincere thanks to each and everyone for their kind cooperation during the past 73 years, and hope that we will merit your support in future years.

The present staff has been at the helm only a few of these 73 years, but we feel that during these years we have gained much knowledge of the people throughout this section, and have learned to appreciate them more each day. You have been cooperative in every matter, and have made our work much easier through your understanding and cooperation.

To all who have contributed toward the support of The Recorder at any time in the past, we extend "thanks" and will make an honest effort to give you a bigger and better paper in future years.

Conner-Bradley

Miss Hope Conner, daughter of Mr. Roy Conner became the bride of Rev. Samuel J. Bradley in a beautiful double ring ceremony at the Florence Methodist Church on Saturday at 8:00 p. m. Arrangements of greenery intermingled with white flowers enhanced the altar and over all feel the soft glow of candlelight, a beautiful setting for the ceremony which was performed by Dr. O. W. Robinson, assisted by Dr. Russell R. Patton, superintendent of the Covington District.

Mrs. Robt. Myers was matron of honor and Mrs. W. R. Miller bridesmaid. The groom's best man was Mr. Robert Myers and Mr. Mortimer Moss was also an attendant of the groom.

A lovely formal gown of white crepe with lace trim, a white picture hat and a corsage of white orchids was worn by the bride who was given in marriage by her father. The matron of honor chose an orchid formal of tafetta, white picture hat, white gloves and corsage of yellow rosebuds. The bridesmaid was lovely in a formal gown of orchid chiffon with embroidery trim over orchid satin and white picture hat, white nylon gloves with lace trime and corsage of American Beauty rosebuds.

The ceremony was followed by a reception in the dining room with Mrs. Marie Thompson, Mrs. Viola Idol, Miss Sophia Jacobs and Miss Charlotte Marshall at the punch table. A large three-tiered beautifully decorated wedding cake graced the table and courtesies were extended to many guests.

Paul Chaney was at the organ and rendered Lohengrin's Wedding March, as the bridal party came slowly down the aisle. Mrs. Mortimer Moss sang the traditional song, "I Love You Truly."

The couple received many nice gifts. Following a short honeymoon they will be at home in Florence.

We join in wishing them health and happiness as they go down the pathway of life together.

Heavy Fines Imposed On Drunken Drivers

Two Williamstown men, Russell Martin and Andy Hasank, were fined $104.50 and their driving rights suspended for six month when arraigned before Judge C. L. Cropper on a charge of driving a motor vehicle while under the influence of liquor. Wm. Martin, of Covington and Wm. Potter, of Richmond, Ind., were also fined $104.50 on a drunken driving charge, and their license suspended for six months.

Other fined during the past week on charges of being drunk in a public place were M. F. Clark, Williamstown, Jack Rector Kentaboo, and eight others were also fined on similar charges.

50th Anniversary Observed By Local Couple

On Sunday afternoon, June 19, Mr. and Mrs. George A. Porter entertained at their home in Burlington from 2 to 5 p. m. in honor of Mrs. Porter's parents, Mr. and Mrs. O. E. Rouse's 50th wedding anniversary.

The house was beautifully decorated with many flowers. Punch and cake were served to approximately 100 friends and relatives who called to congratulate Mr. and Mrs. Rouse. Many lovely gifts were received.

Operator's License Due August 1st Says Circuit Clerk

Will Be Sold At Eight Points In County; May Be Obtained By Mail.

The present operator's license expire July 31st, 1949, and all operators of motor vehicles are required on or before that date to procure a renewal of their license.

The new license can be obtained at the Clerks' office in the courthouse by applying in person or by sending a stamped envelope, your old operator's license and the fee of $1.00 to the Clerk. It is suggested that this is a very convenient and quick way to obtain your license and more people are urged to avail themselves of this service. If more than one license from a family is mailed in, one envelope is sufficient.

Licenses will be sold by A. D. Yelton, clerk at the following locations in the county:

Walton— City building, July 15th and 16th.

Petersburg—Farmers Bank, July 18th.

Verona—Verona Bank, July 19th.

Union—Union Bank, July 20th.

Grant—Citizens Bank, afternoon July 21st.

Florence—Building & Loan office July 22nd and 23rd.

Hebron—Hebron Motors, July 26.

Constance—Ellis' store, afternoon July 27th.

Applicants must present their old license. Members of the family may obtain licenses for others in their family. If you were found in line last year try mailing your license this year. It is fast and convenient and if you are checked for not having your license it is an excusable defense that you had sent it in to be renewed.

Biddle-Wagner

Mr. and Mrs. Frank Biddle announce the marriage of their daughter, Laura Lee to John A. Wagner, son of Mr. and Mrs. Henry J. Wagner, of Petersburg, Ky. The ceremony was performed by Rev. Edw. Carlih at St. Paul's Rectory, Florence, Ky., on June 25, at 6:00 p. m.

Williams-Flack

At the beautiful impressive all white wedding, Sunday afternoon, June 12 at the Madison Avenue Baptist Church, Covington, Ky., Miss Betty Williams, daughter of Mrs. Eva Williams and the late Mr. Courtney Williams, was united in marriage to Mr. David Harold Flack, Jr., son of Mr. and Mrs. David Flack, also of Covington, with Rev. Paris B. Akin, uncle of the bride officiating at the double ring ceremony.

Miss Marian Clark at the piano, and Miss Alene Stretch, voice soloist, sang "Because," "I Love You Truly," "At Dawning," and "Through the Years." Miss Hazel Stallman, violinist, also sang "Oh, Promise Me," during the ceremony.

Miss Lula Lee Turner was the maid of honor. She chose a gown of marquisette, with a fitted bodice, low ruffled neckline, puffed sleeves, and a full hoop skirt.

The bridesmaids, Misses Lucy D. Comer, Marcella Bradford and Mrs. Jean Vogelsang, wore gowns of marquisette identical to that of the maid of honor. The maid of honor and the bridesmaids carried bouquets of American beauty roses, with streamers of red ribbon, and wore matching headpieces of red roses.

Miss Arlene Sue Akin, flower girl, cousin of the bride, wore an organdy dress. Master Ronald Lee Flack, ring bearer, a brother of the groom.

The bride who was given in marriage by Mr. Chester Goodridge, a close friend of the family, was radiant in her gown of heavy slipper satin with a fitted bodice and nylon yoke meeting a sheered ruffle, long sleeves tapering to a point over the hand, the lace trimmed hoop skirt flared at the back into a cathedral train.

Her three-quarter length lace-trimmed nylon veil of illusion fell from a head piece of lily of the valley. Her bouquet was formed of gardenias and white orchids.

Best man was Mr. Allen Murray, of West Palm Beach, Fla. Ushers were Mr. Harold Rice Williams, of Covington, Ky., Mr. George Keller, of Cincinnati, O., and Mr. Chas. Vogelsang, of Hebron, Ky.

The reception was held at the home of the bride following the ceremony.

Mother of the bride, wore a navy blue crepe dress with small matching hat of blue silk. Her corsage was a lavender orchid.

The groom's mother wore a blue crepe dress with a blue and white straw hat and her cofsage was a lavender orchid.

The bride and groom motored to Miami Beach, Fla., for a two weeks' honeymoon.

In the near future Mr. and Mrs. Flack will be at their new home at 4409 Church St., Winston Park, Covington, Ky.

Charles W. Ellis

Mr Rawe died Sunday at Booth Hospital, Covington, after a brief illness.

He is survived by his widow, Mrs. Theresa Rawe.

Big Bone Gives League Leaders Set Back Saturday

Sand Run, Union, Hebron and Constance Winners In Saturday League

Big Bone played the part of the Giant Killer in Boone County Saturday Afternoon Baseball last week when they trimmed the league leading Petersburg nine by a nine to seven count. It was the first loss of the season for the Petersburg team.

The veteran Charley Black was on the mound for Big Bone and scattered 10 hits. He had allowed only one Petersburg tally until the ninth inning and he fanned six men.

Big Bone's chief offensive power came from the bats of Dale Williamson and Ovenberg. The former had a homer, double and single and the latter a homer and two singles. Carroll also pounded out a home run for the winners.

D. Deck pitched the first eight rounds for Petersburg and was relieved by H. Deck in the ninth. Shinkle had a home run in the fourth inning for the losers.

By virtue of their victory Big Bone took undisputed possession of second place in the league standing.

Good Pitching

Good pitching featured the game between Sand Run and Pleasant Haven at the loser's park Saturday. Sand Run won by a 2-1 score. The winners got only three hits off the pitching of Ryan and Gullion. Judy allowed the losers only two bingles.

Union Wins

Union defeated Burlington 7 to 4 at Burlington as they slugged out 19 base hits. Burlington made their four tallies on ten bingles. Ryan, Union pitcher, fanned nine. Joe Smith worked for the losers. The Union pitcher helped his own cause with three hits. McBee had a double and triple for Burlington.

Hebron Again

Hebron murdered Florence by a 15-3 count to keep in the league running. Gillette and Hogan formed the winning battery with Utz, Rouse and Pund working for the losers. The winners had 15 runs on 14 hits and 3 errors. Florence had 3 runs on 11 hits and 4 errors.

Constance Over Belleview

Constance pulled one out of the fire in the final inning and defeated Belleview by a 11-9 score. The payoff punch was delivered by Peeno of the winners, a long homer with two on. Bicebaum was on the hill for Constance with Cason pitching for Belleview.

Mrs. Bernadine Klasing

Mrs. Bernadine Klasing, 83, died Sunday at her home, 228 Eastern Ave., Elsmere.

She is survived by her husband, Henry Klasing; three daughters, Mrs. Mary Michel, Cincinnati; Mrs. Agnes Eshman, Foster, Ky., and Mrs. Rose Knight, El Paso, Texas; a son, Joseph Klasing, Elsmere; 15 grandchildren and six great-grandchildren.

Funeral services were held this morning at 8:30 a. m. from the Tallaferro funeral home, Erlanger. Requiem High Mass was sung at 9 a. m. at St. Henry Church, Erlanger. Burial was in St. Mary Cemetery, Fort Mitchell.

Farmer-Banker Field Demonstration Meet Set Tuesday, July 19

At Farm of Robert Youell 1:00 P. M.; Johnstone And Foster To Speak.

A farmer-banker field demonstration meeting on dairy and pasture management will be held at the farm of Robert Youell at 1:00 p. m., Tuesday, July 19, according to Bill Davis, County Agent.

Mr. William Johnstone and Mr. John Foster, specialists from the University of Kentucky will be present to discuss all phases of pasture and dairy management.

Many interesting things are to be seen on Mr. Youell's farm and it is hoped that everyone interested in these two subjects will attend the meeting.

All persons are invited to attend. The Boone County Bankers' Association will furnish the refreshments.

Mr. and Mrs. Frank Maxwell, of Old Mason's Home, Veachland, Ky., Mr. Omer Macrander and Mrs. Baker, of Florence, Ky., were calling on friends in Burlington Tuesday morning.

TWO-DAY MEETING AT WESTERN SUBSTATION

Farmers and others interested in agriculture are invited to attend the annual field day meetings at the Western Experiment Substation at Princeton on July 28 and 29, Supt. R. J. Lowry announces.

Tours under the guidance of staff members will be made over the farm in order that visitors may see the large number and variety of tests being carried on there.

Farmers will see various experiments with both dark and burley tobacco, including variety and fertility tests. They will see also the results of fertility tests on clover and grass mixtures, corn, wheat and other crops, and learn of other tests on wheat and hybrid corn.

Orchard growers will see a full crop of peaches and apples.

An excellent example of beef production will be seen in a group of 1,200-pound steers, fed through the winter on a minimum amount of grain, with maximum use made of pasture and roughages.

Speaking each day will be Dr. H. B. Price, farm economist of the College of Agriculture and Home Economics, University of Kentucky. His subject will be "The Agricultural Situation."

In order that the large number of people expected may be taken care of, the meeting on July 28 is primarily for farmers from the following counties: Ballard, Caldwell, Calloway, Carlisle, Crittenden, Fulton, Graves, Hickman, Livingston, Lyon, McCracken, Marshall and Trigg.

On the second day, July 29, farmers from the following counties will be welcomed: Butler, Christian, Daviess, Hancock, Henderson, Hopkins, Logan, McLean, Muhlenberg, Ohio, Simpson, Todd, Union, Warren and Webster.

Mr. Lowry made it clear, however, that farmers from any county will be welcome either day.

FARMERS INSPECT FORESTRY PROJECT

A reforestation project, said by W. E. Jackson, forester at the College of Agriculture and Home Economics, University of Kentucky to be one of the best in the state, was toured by 70 Johnson county farmers when they visited the farm of Dr. G. M. Stafford, of Fishtrap.

In 1940, Dr. Stafford set out 500 pine seedlings, which are now 15 to 18 feet tall. Five years later, 3,000 additional pine seedlings were planted. They now are from 4 to 7 feet tall. A good stand was obtained in both plantings, said Farm Agent Manued B. Arnett.

It is expected that from 300 to 500 acres of vetch will be harvested for seed in Hancock county.

Elsmere Firemen Have Larger Ambulance For Emergency Calls

The Elsmere Volunteer Fire Department is sporting a bigger and better ambulance for emergency calls according to Fire Chief John Crowell.

The department recently purchased a rebuilt Packard and is planning to erect a new building to house the latest addition. The ambulance will be used for Elsmere and Erlanger calls.

A street fair planned for July 29 and 30 will provide funds to reduce the debt created by purchasing the ambulance and other equipment.

E. A. Degree To Be Conferred By Burlington Lodge Thursday, July 14

All members of the lodge are urged to attend and visitors from adjoining lodges are extended a cordial invitation.

Shotguns Banned In Field From Nov. 5-19

The use of shotguns "in the field" has been banned in Kentucky from Nov. 5 through Nov. 19, it has been announced by Earl Wallace, director of the State Game and Fish Department, Frankfort.

The ban was announced to add an additional curb to hunters who "beat the gun" on the rabbit and quail season, which opens officially November 20.

Coon and opossum dogs may be trained in the field from Oct. 1 through Nov. 19, but the hunters are not allowed to carry guns nor take coons or possums in the training time.

There will be no deer hunting season in Kentucky this year, the Game and Fish Commission has announced.

ANIMAL LIFE POOR ON STARVED SOILS

Sick soils don't make healthy livestock, says Ray Hopper of the College of Agriculture and Home Economics, University of Kentucky. Starved soil don't have enough of the minerals that animals need.

The two most necessary minerals for livestock are lime and phosphorus. They make up three-fourths of the cow's body, over 90 percent of her bones and half of the minerals in her milk. Lack of lime may bring lameness, weakening of the bones and poor milk production.

Roughage grown on good land, especially legumes, is the chief source of lime. However, if the land is poor, the feeds grown on it also will be poor in quality. Korean lespedeza grown on good land has been found to contain more than twice as much phosphate and one and one-half times as much lime as lespedeza grown on poor land.

Animals eating such roughages as cornfodder, poor quality hay and poor pasture may suffer from lack of phosphorus.

Two other minerals needed by livestock are sodium and chlorine. These are supplied by keeping salt before the animals.

Some farmers keep a self-feeder in the field, with three compartments, one containing loose salt; another, ground limestone, and a third, steamed bonemeal. This tends to insure livestock against mineral deficiencies.

More important, according to Hopper, is to be sure the soils on which feeds grow contain a good supply of lime and phosphate.

CHLORDANE DUST DESTROYS ANTS

Hundreds of huge ant hills, some as large as two feet in height and six feet across, were found recently in old pasture adjoining strawberry fields on the farm of L. L. Porter in Jefferson county. Five percent chlordane dust was blown on 12 of the hills to cover them completely. Four days later, when the hills were dug into, not a live ant was to be found.

As a result, several strawberry growers have treated their patches with the dust with excellent results, said H. C. Brown, associate county agent. The treated plants appeared to take on new life when ants and other insects were killed, he said.

ATKINSON FEAST ON LARDING AND PECANS

Bill Hays, manager of the Pine Mountain Settlement School, Harlan County, has solved the problem of pasturing 17 head of Ayrshire cows on 6% acres. He did it by seeding fescue and Ladino clover in three fields, then turning his herd in them in rotation. Despite the fact that the fields have a slope of 30 to 40 percent, the grass mixture provides an excess of pasture. This grass and legume combination is the only one in his 10 years' experience at the Settlement School that will carry such a large herd, Mr. Hays reported to Farm Agent Shirley H. Phillips, Jr.

Electric Cooking is **AUTOMATIC**

For Cooking that's—
• CLEAN
• COOL
• FAST
• AUTOMATIC
• ECONOMICAL
It's *Electric* of course!

With an automatic electric range and Reddy as your cook, you'll spend less time in the kitchen, have more time for fun.

You can pop a whole meal into the oven, set the clock control and leave for the day. The oven will turn itself on at the time you select, cook the food to perfection, then turn itself off. Your dinner will be hot and ready to put on the table when you return.

Join the millions of homemakers who are now cooking this easier, automatic electric way. Make your next range an *electric!*

MOWER MACHINERY INTERESTS FARMERS

A field harvester and hay drier on the R. D. Pettit farm in Grant county are receiving lots of attention from farmers, for these two pieces of machinery are the first of their kind in the county. Mr Pettit is highly pleased with both, he reported to Farm Agent Robert Hume, adding that he no longer has use for a pick up baler.

Mr. Pettit's first job with the field harvester was putting a mixed crop of orchard grass and alfalfa into a silo for a neighbor. The next job was on his own farm, where he harvested 40 acres of alfalfa and mixed hay in two days. About two-thirds of the crop was put in the silo, the remainder in the loft newly equipped with the hay drier.

Pettit will feed his silage to a large herd of Brown Swiss cattle during the summer as the pastures are dry. In the fall he will refill the silo with corn and cane.

middle of the road. You may say that the public has the right to this road as much as I, so why should I keep the roadside clean.

There has been some attempts to compel the owners to clear the right-of-way by quoting the law on roadways. However, this law has not been tested. No doubt the day will come when two cars will collide on a bushy curve and a test case will be made. Until this case shows up why not beautify your home-site and roadway by clearing away brush and mowing at least twice each year. A great deal of hay can be had by mowing your roadsides.

A practice that is increasing is the throwing out of garbage along the road. This material is not only unsightly but may be detrimental to man and domestic animals and wildlife. Even throwing this garbage in sink holes and small streams may cause trouble miles away.

Mr. A. Hutcheons is to be commended for his efforts in collecting in the Burlington and Florence communities. Farmers might be well paid by having him collect spoiled grains and garbage from the farm and destroy it by fire at a private dump.

Roadsides! To whom do they belong? Who should be the keeper? Isn't it everyone's job? The one who uses it most should be the most interested. The landowner is of course the nearest and is entrusted with his farm. Just possibly by removing the mote he might be able to see more clearly and set an example that his neighbors may see. The best way to get something done is to create a desire to do it rather than to be told what will happen if you don't. Let's lay the club down and again use the best tool on the farm. Your dividends will multiply.

Roadsides

It has been said, you can judge a book by its cover, or a home by its outside appearance, or even a farm by the care of the roadsides. Largely these statements are true, but of course not in all cases. However, if you went to a book counter, book shopping, the color and the title of the book would first attract your attention and then the usual thumbing would start, and if a few attractive pictures were inside the chances are you would take the book in preference to an old paper back fine printed one. Likewise, if you were looking for a place to room the well-kept home and yard would be the first stop made.

The well-kept roadside with the white fence will also arouse your curiousity. You will ask, who lives here? Or, when you come to a farm were the roadside is grown up in weeds and bushes you will wonder what might have happened to this owner. The question is often asked, "Who owns the roadside?" On state roads the highway department has title to a given number of feet and they take the responsibility for the care of this area. While on country roads the deed to the farm calls for the

- POWER
- EASY HANDLING
- ECONOMY
- LOW SERVICE COST
- LONG LIFE
- HIGH RESALE VALUE

Power—Talk about power . . . ask for a demonstration on your own farm—see how the Ford Tractor handles a 12" or 14" two-bottom plow.

Economy—Plenty of performance on the hard jobs, yet the Ford Tractor doesn't pack around expensive excess built-in weight on light jobs.

Long Life—The Ford Tractor is built to high Ford precision standards . . . an important assurance of long life.

Easy Handling—You'll never know how easy to handle a tractor can be until you operate the Ford Tractor. We are anxious for you to demonstrate this feature to yourself.

Low Service Cost—Our parts prices are reasonable. What's more, the Ford Tractor is easy to maintain and repair. Specially trained mechanics save labor time.

High Resale Value—When you trade in a Ford Tractor you get a "premium" price. It's a popular tractor, built in the popular two-plow size.

KITCHEN CHANGES SAVES MANY STEPS

Mrs. J. R. Hurt of Bulan, Perry county, made what she calls "little improvements" in her kitchen to save lots of steps.

"First, I built a base cabinet for my mixing center, over which I have four storage shelves. There are my measuring cups, spoons, spices, soda, salt, baking powder and other articles needed in baking.

"I keep the electric mixer, covered with a plastic cover, on the base cabinet where it is ready for use at all times. In the cabinet is a large space for my churn, milk jars, and a file for storing my baking sheets, muffin pans, pie pans and the like. One door I have nails for hanging the tea strainer, kitchen brushes and can opener.

"I made seperate shelves for the bottom part of the china closet, where I store towels, tea towels and aprons. I also have a file for my cook books. In the drawer for silverware, I made partitions so I can get what I want quickly.

"All it took was a little lumber, a few nails, paint and of course a little work."

Just Let Me Tell You A Few Facts About Walking, So You'll Realize Just How Much It Can Do For You

N. TULCH
Foot Comfort Specialist at—
PEOPLE'S SHOE STORE
814-816 Madison, Covington

The normal heart, you know beats about seventy-two times a minute and pumps about six ounces of blood with each beat. Now, in fast walking, or at the rate of four miles an hour—(which is how fast you should walk to do you some good)—you'll find the normal heart will INCREASE its beat ten times to the minute, pumping six ounces of blood at each beat, gives sixty ounces per minute or 3600 an hour, which is 225 pounds. You can easily see that 225 ADDITIONAL pounds of blood pumped DAILY through your veins means just that much more life to your whole body.

There's no use of my telling you to get out and walk if you are having trouble with your feet, because I know you won't do it. BUT—if I tell you how to get rid of those aching, paining feet, first—then there's nothing to keep you from walking every day and benefitting your health by this wonderful exercise.

It has also been found that millions suffer without knowing the reason why—those headaches, those leg pains, and even sleepless nights may be caused by the shoes you are wearing.—Ady.

CLUB HOUSE MADE FROM OLD SCHOOL

The Gage Community in Ballard County will soon realize its dream of having a building and playground for use of 4-H clubs, homemakers, Farm Bureau and other community affairs. A school house before consolidation, the building has been put in good repair and painted. The local homemakers club purchased a new oil stove for the kitchen and will make curtains for the windows. The women also cooperated in raising $175 for playground equipment, which includes Volley ball, tennis, soft ball and swings.

HEBRON

Mrs Alvin Burlington of Bayles Park, O., and Mrs. Minnie Rogers of Cincinnati, O., were recent guests of Mr. and Mrs. Ray Botts.

Born to Mr. and Mrs. Melvin Botts on June 29 at St. Elizabeth Hospital a 7½ pound girl, named Barbara Ann.

Orville Godbey of Bethelridge, Casey county, has completed a water system which includes hot and cold running water, septic tank, bathroom, kitchen sink and grease trap.

Graves county 4-H'ers will show approximately 70 head of cattle at the district dairy show.

Forty-nine farmers and 4-H'ers in Wayne county have enrolled in the county corn derby.

Homecoming Day Planned At Florence Methodist Church

Dinner Will Be Served Basement of Church After Morning Services.

Sunday, July 17 will be homecoming day at the Florence Methodist Church, according to an announcement released Tuesday by Dr. O. W. Robinson, pastor.

Rev. W. S. Mitchell, pastor of Epworth Church, Covington, Ky., will be guest speaker. He is a product of the Florence Church. The membership of the church is proud of him and his work in the Kentucky conference.

Following the morning service dinner will be served in the basement of the church. The ladies of the Florence church are noted for their sumptious dinners, and a cordial invitation is extended to all friends and well wishers of the church and Rev. Mitchell.

Dr. Robinson, pastor and the official board of the church desire to take this opportunity to express to the people of Florence and surrounding communities their appreciation of their fine support.

In announcing the homecoming services, Dr. Robinson said, "The Florence Church has shown a very fine, healthy growth during past three years. This section of Northern Kentucky is one of the fastest growing sections of the entire State. There is a very fertile field for all the Christian Churches. It is good to live in a day like this and help to build God's Kingdom. Remember you are invited to worship with us on Sunday morning, July 17th."

Henry Ranes

Funeral services for Henry Raines 69-year-old Boone County farmer, were held at 2 p. m. Friday at the Belleview Baptist Church, with Burial in Belleview Cemetery. Mr. Ranes died early Wednesday of last week at his home, near Burlington.

A native of Boone County, he was a member of the Belleview Baptist Church, and was well known thruout this section of the county.

Mr. Ranes is survived by his wife, Mrs. Mayme McGuire Ranes; a daughter, Miss Hazel Ranes, Boone County; three sons, Elzie Ervin, Alfred, and Ruppert Ranes, all of this county, and a sister, Mrs. Jane Smith, of Grant.

Chambers and Grubbs, Florence funeral directors were in charge of arrangements.

Burlington Bible Class Will Meet Saturday

The Men's Bible Class of the Burlington Baptist Church will meet on Saturday night, July 16, 8:00 p. m., in the church basement. Every member of the class is asked to attend as there are some very important matters to come before the class.

Rev. Foy Martin, pastor of the Union Baptist Church will be the speaker of the evening. This young man will speak to the group for the first time, and the pastor urges all members to be present for his message. Refreshments will be served.

Bullock Funeral Home Opened In Ludlow Sunday

New Firm Located At 461 Elm Street; Has Complete Facilities.

Wilfred E. Bullock, son of Mrs. W. A. Bullock, officially opened a new funeral home to the public at 461 Elm Street, Ludlow Sunday, July 10th, according to reports. Public inspection was held from 12:30 to 10:00 p. m.

The new funeral home is complete in every detail, embracing two chapels, a reception hal, family room, rest rooms and all other facilities, and invalid car service will be available.

Mr. Bullock, a brother of the late Daniel Bullock who, with Ray Catherman, operated the Bullock & Catherman funeral home, Ludlow, until his death in 1941, is a veteran of 32 months in the Navy in World War II.

His father, W. A. Bullock, operated a funeral home in Hebron from 1902 until 1933. At that time Daniel Bullock took over the business and operated it there until 1935, at which time he moved to Ludlow.

Rev. and Mrs. T. O. Harrison and son Tommy, of Southgate visited Miss Nell Martin and family, Sunday afternoon.

Cooperation Asked By Fiscal Court In Clearing Right-of-Ways

The Boone Fiscal Court has entered an order for the clearing of right-of-ways of County Roads and is asking the cooperation and assistance of all land owners and managers of land bordering on the County roads.

Under Kentucky revised statutes section No. 179.220 the law requires every owner and manager of lands bordering on the public County roads to clear away and carry from alongside the roads, all bushes, weeds, shrubs and overhanging limbs of trees and other obstructions and keep all hedge fences along the road so trimmed that they at no time will become more than five feet high.

The Court has issued this order due to the fact that many roads in the County can not be properly maintained under present conditions, and many accidents are caused by this roadside obstruction.

The cooperation of landowners in this matter will be highly appreciated by the Fiscal Court.

Mrs. Kathryn Lowe

Funeral services were held 9:30 a. m. Saturday at the Taliaferro funeral home, Erianger, for Mrs. Kathryn Lowe, 65, who died at her home, 110 Commonwealth Avenue, Erianger, Wednesday.

Mrs. Lowe had been a resident of Erianger for 25 years. She is survived by her husband, Fred J. Lowe.

Burial was in Spring Grove Cemetery, Cincinnati.

E. & W. Trucks Chalk Up Victory Over Newport Nine

Burlington Drops Game To Silver Grove Nine By Score of 3-2.

E. & W. Truck nine had the only Boone County victory in the Northern Kentucky Semipro League Sunday, by defeating Newport 10-7 at the Newport Lawler-Hanlon VFW Field. This was the winner's third successive victory. Don Pund was on the hill for the Truckers, and allowed only six hits, while striking out 11. Bills and Daniels hurled for Newport and were tagged for 11 hits, striking out eight. Conrad led the winners with a home run and two singles out of five trips to the plate. Doyle hit a home run and a single out of four times at bat. Pund helped his own cause with a triple. Mathews led the losers at bat with 4 hits out of three times at bat.

Burlington suffered defeat in a closely played game Sunday at the hands of Silver Grove by a score of 3-2. Jack Borman was on the hill for the winners allowing nine hits, and striking out four. Woods hurled for Burlington and gave up only six hits, striking out 20. He walked two and hit two batters. Silver Grove iced the game in the seventh inning when Shultz cracked out a home run with one runner on base. Borman led the Silver Grove team's attack with three hits in four times at bat.

Pleasant Haven suffered a 6-0 trouncing at the Taylor Mill Pike field when the Hilltoppers chalked up their fourth straight victory. Corbin, on the hill for the winners held the Pleasant Haven boys to four hits, while striking out nine. Worthington was on the mound for the losers and was nicked for 14 safeties, while fanning three. Popham led the Pleasant Haven attack with two hits out of four trips to the plate. Hilgeforth took batting honors for the winners having three hits out of four times at the plate.

MASONS WILL MEET TONIGHT

Burlington Lodge No. 264 F. & A. M. will meet at the hall in Burlington tonight (Thursday) at 8:00 for the purpose of conferring the E. A. degree. Alvin Clore, Senior Warden will be in charge of the degree work, according to Franklin Maurer, Master.

All members of the lodge and visitors from adjoining lodges are urged to attend.

Mr. and Mrs. Ray Patterson returned last week from a honeymoon in Florida and Cuba, and are now making their home with his parents, Mr. and Mrs. Claude Patterson.

Relatives Urged To Mail Survey Blanks To U. K. Immediately

Names Will Be Placed In Memorial Coliseum Now Under Construction.

Survey blanks have been mailed to relatives of World War II heroes, who made the supreme sacrifice, for the purpose of acquiring information to be used in the new Memorial Coliseum now under construction.

Survey blanks have been mailed to forty-one Boone Countians, it was reported by Ezra L. Gillis, director. Of this number only twenty-six blanks have been received. There are nine for whom no blanks have been received, and there are six names not verified. Each name on the list must be verified by a statement from a near relative or by inclusion in one of the following: World War II Honor List of Dead and Missing, State of Kentucky War Department, June, 1946, State Summary of War Casualties (Kentucky) U. S. Navy, 1946.

It is the desire of the War Memorial Survey that names placed in Memorial Coliseum being as accurate as possible, therefore, the questionnaire should be filled out and returned.

Boone County men who lost their lives in the armed forces during World War II are as follows: William Frank Bell, Kenneth Earl Blasker, John (Pete) Boots, George William Brittenhelm, Clarence Lee Chipley, Charles Earl Craddock, Harold C. Craddock, James Garrett Day, *Isaac N. Edwards, George E. Fogle, *George W. Heginbotham, Richard Anthony Heidkamp, *Cecil M. Shields, Elmer Lee Snelling, *Walter L. Snow, *Clarence Milton Staples, Eugene Winston Stephens, Wilfred Saimes Sullivan, Joe Taylor, Raymond Eugene Witham.

Blanks have not been received from relatives of these men.

The following names have not been verified: *Russell Derring, *Carroll Wesley Furnish, Harold G. Heidcamp, *Alvin Lawson, *Floyd Lee Pope, *Alfred Clifford Spence.

Seventy-Five Attend Utopia Picnic, Sunday

Basket Lunch and Recreation Enjoyed by Club Members

Seventy-five Utopia Club members from Boone, Kenton, Campbell and Gallatin Counties attended the District picnic at the fair grounds, Burlington, Sunday, July 10th, according to Bill Davis, County Agent.

Mr. Ho Kim, director of Agricultural extension in southern Korea, was present and gave a brief talk on habits and customs of Korean people.

The recreation program of the afternoon was followed by a basket lunch and folk games in the evening.

Mr. Carl W. Jones, field agent from the college, assisted with the recreation program.

Warning Issued In Sale of Game Fish

Peddlers of fish in the outskirts of cities and prospective buyers were warned by the Division of Game and Fish that it is illegal to sell or purchase game fish in Kentucky. The warning came as a result of reports that these peddlers, who usually sell fish which they represent as having been taken in Kentucky, most often sell out-of-state game fish. If classified as a game fish, regardless of from where it came, sale or purchase is banned by Kentucky Statutes.

The Division pointed out that the only license required by the Division in the sale of fish is a wholesalers license. These peddlers are classified as retailers, and are immune to action by the Division. The Division points out that its conservation officers check these men often, but none have yet been found selling game fish. Most of the fish sold in this manner come from the Great Lakes region, the Division claims, and are not fish taken from Kentucky waters as the sellers so often claim.

Organizes Own Band

Fred Fields, former comedian for Kentucky Fiddlers, and a group of musicians have banded together to become an organization known as "The Foolish Fellers." Friday, July 15th they start what they expect to be a long term engagement at the Woodland Inn, South of Walton on U. S. 25. Others of the group are Larry Roll formerly of Renfro Valley and WTTF, Middletown, featured vocalist for the group; Gene Masters one of the original Western Rhythm boys; and Jimmy Shelton, who has many friends in northern Kentucky.

This group will be heard as featured guests on Ray Scott's program over WZIP, Covington from 1:30 to 2:30, Saturday, July 16th.

League Leaders Top Hebron In Saturday League

Burlington Scores Shutout Against Belleview Nine; Big Bone In Win Column.

There was some high class pitching and ball playing in general in the Boone County Saturday Afternoon Baseball League last week. Topping the performances was a four to nothing win by Petersburg the league leaders, over Hebron and a two to nothing whitewashing by Burlington over Belleview. In the only other league title Big Bone shellacked Sand Run 15 to three at the loser's park.

Deck In Form

Petersburg's D. Deck was in top form as he held the usually hit-minded Hebron team to two hits and was in complete charge of their offensive throughout. Paced by Bink Shinkle and Albert Sebree with three hits each the winners scored in the first, added another in the second and two more in the sixth inning off Gillette of the losers. Gillette pitched creditable ball allowing only eight hits. Each team had two fielding miscues.

Gulley Stars

Ivan Gulley, played his first game for Burlington, pitched and batted that team to a two to nothing win over Belleview at the loser's lot. Gulley held the hard-hitting Belleview nine to four hits in gooseegging them for nine innings and he had three of Burlington's 12 hits and scored both of their tallies. John Woods and G. Clore had two hits each for the winner's cause while Pip Clore got two of Belleview's four bingles. Bauman and Rogers formed the loser's battery and A. Gulley handled brother Ivan's slants for Burlington.

Big Bone 15, Sand Run 3

Big Bone added another to their win column as they murdered Sand Run pitching for 15 runs and 12 hits including homers by pitcher Charley Black and catcher Overberg. Pepper and Smith was the Sand Run battery.

Banker-Farmer Field Day Planned Tuesday, July 19th

Youell Herd Will Be Inspected; Dairying and Pastures To Be Discussed

The first Banker-Farmer Field Demonstration Day in Boone County will be held on the farm of Robert Youell, near the airport, on Tuesday afternoon, July 19th, according to Bill Davis, County Agent. The meeting will begin at 1:00 p. m.

Mr. William Johnstone and Mr. John Foster, specialists from the College of Agriculture, will assist with the meeting. Mr. Youell has an excellent herd of Jersey cows that will be inspected and discussed by the group. Dairying and pasture management will be the main topics of discussion.

The Boone County Bankers' Association will serve refreshments following the meeting.

Mr. Youell's farm is located one-half mile from the Limaburg-Hebron road on Youell lane.

Tobacco Coop. Will Have Own Inspectors In '49

Will Check Baskets Consigned to Association Against "Nesting"

The Burley Tobacco Growers Cooperative Association will have its own inspectors behind every line of buyers when the 1949 burley market opens. These men will check on baskets consigned to the Association to see that they are not "nested" or mixed or in bad condition.

John W. Jones, North Middletown, Co-op president, said the plan to hire inspectors was unanimously adopted by the Association directors at a meeting in Lexington, July 6.

"We are, for all purposes, a buyer. We accept all obligations of buyers and we want all privileges," he explained. "The Cooperative administers the Commodity Credit Corporation tobacco loan program in an eight-state area.

The government guarantees the farmer a floor price for various grades of leaf he markets. If the bids fail to meet the minimum price requirement, then the tobacco is purchased by the Co-op at the floor price. The leaf is redried, stored and later sold by the Association.

"Certain markets are not careful about preventing sale of nested tobacco," the Association president declared. "We caught approximately 70,000 pounds of nested leaf last year—just a portion of that which probably went undetected."

(Nested tobacco is leaf of a lower grade which is placed in the center of a basket when brought to a warehouse floor so it will not show amid outside leaf of a better quality). The nested leaf was worth approximately 20 cents per pound less than the basket grade on the average, he asserted.

The Association now has 11 supervisors. Present plans call for the hiring of 32 additional experienced tobacco men who will attend a week-long school to train for their duties of following the burley circuit this winter.

A. Threlkeld, Corinth, head Association supervisor, and a Co-op director, said employing additional personnel was necessary to prevent the Co-op from becoming a "dumping ground" which would destroy the tobacco support program.

Albert Karsner, Owen County board member, explained that it would not be the inspectors' business to interfere in any way with the graders. Their job will be to prevent nested leaf, mixed tobacco and burley in bad condition from going to the Association, he said.

The Co-operative voted to retain the same rights as buyers to return nested tobacco when discovered after sale, but before redrying. The Pool exercised this right last year.

Jones said that a survey showed that a third of the suspended sales turned out to be "red card" tobacco and much of this ineligible tobacco was inadvertently placed in the Pool. The Association together with the State P. & M. A. and Burley Auction Warehouse Association are working on a plan that will prevent such a recurrence.

C. J. King, Nicholasville, the Association's sales supervisor, was elected assistant secretary-treasurer of the organization.

The annual directors election will be held in September, it was agreed. Burley members will meet in each county on September 17 to select delegates who in turn will meet in the various districts on September 19 to elect directors.

Sale of 1,129,000 pounds of association tobacco was announced by W. L. Station, executive secretary. The sale covered the period from May 4 to July 6. Buyers' names were not disclosed but Station said almost a millions pounds of the leaf was earmarked for eventual use in Germany.

Department Officers To Be Installed By Bullittsville Church

At the annual meeting of the Bullittsville Christian Church the functions of the church were reorganized into departments instead of committees. Each chairman or department head will be installed at the morning service Sunday, July 17th.

Departments and chairmen are as following:

Ben Kottmyer, congregational chairman; Lloyd Siekman, co-chairman; Mary Roberts, secretary; Frances Kottmyer, assistant secretary.

Department of Worship and Music: Jerry, Fowler, chairman.

Department of Evangelism and Church Enlargement: Howard Acra, chairman.

Department of Stewardship and Finance: Charles Engle, chairman.

Department of Missions: Shirley Anderson, chairman.

Department of World Order and Convention Life: Thomas Kenyon, chairman.

Department of Social Life and Recreation: Irene Gaines, chairman.

Department of Public Relations and Co-operation: Stella Nichols.

Department of Education: Vernon Anderson, Supt. of Sunday School; assistant, Charles Patrick; secretary, Dorothy Tipton; treasurer, Emily Furnish; pianist, Belva Ann Engle; assistant pianist, Irene Gaines; song leader, Minnie Hodge; assistant leader, Bessie Hill.

The pastor, Rev. A. C. Young announced that every Sunday for the next nine consecutive Sundays he will speak on one of these subjects. On Sunday, July 10th he chose "World Order and Convention Life." Such an emphasis will be held in October with the International Convention of the Disciples of Christ. His text was Numbers 11:25, "They prophesied but they did so no more . . . And Moses said, would that all the Lord's people were prophets." He pointed out that a leader can go no farther than the people will permit him.

EAST BEND CHURCH

The regular preaching service at the East Bend Methodist Church will be at 9:45 a. m. July 17th. Rev. Robert Pugh, the pastor, will bring the morning message. All are invited.

Three Boone Co. Teams In Win Column Sunday

In Kentucky Athletic Goods Semipro Baseball League.

Three Boone County teams chalked up victories in Kentucky Athletic Goods Semipro Baseball League Sunday. The winners were Bob and Gene, Belleview and Verona over Queen City, Gallatin and Falmouth nine respectively.

Bob and Gene trounced the Queen City Chevrolets 18-4 at the Florence park, banging out a total of 23 hits. Dutch Reibling recently acquired from Verona pitched four innings for the winners and was followed by Jack Sananger, the pair giving up six hits. Patrick started for the losers and was followed by six other hurlers. Neal Conner, Newport athlete back from a trial in the minors led the winners with four hits in five times at bat while Stanley Arnzen added three out of three. Ben Zaranka had a triple and double, while Miller had a pair of doubles.

Don Lenhoff was on the hill for Belleview as they trounced the Gallatin County nine 13-1 at the winner's park. Lenhoff allowed 11 hits and struck out 13. Belleview collected 14 hits off the offerings of Boaz and Hambrick. The locals scored three runs in the third and three more in the fifth and six in the sixth. Extra base hits were credited to Lenhoff, Bradburn, Edwards and Clore.

Constance suffered defeat at the hands of Aetna Oils after leading that team early in the game by a 3-1 margin at Glencoe Sunday. The Aetna nine rallied to take an easy 9-3 victory. Frank Teats was on the mound for Aetna Oils, while Uriage served them up for the Constance boys.

Verona chalked up another victory Sunday when they trounced the Falmouth nine by a score of 7-6. Verona collected eight hits off the offerings of Florence and Ralph Wright. Ryan and Steffen divided mound duties for Verona nine. The losers committed five errors to hurt their scoring chances.

Walton suffered defeat at the hands of the strong Hudepohl nine by a score of 11-0 at Martz playgrounds Sunday. Kinney and Risco on the hill for the winners allowed but four hits, while their teammates collected 15 from the offerings of Buford Smith and White.

Prominent Florence Man Summoned Wednesday

Was President of Florence Building and Loan Association

Dr. Thomas B. Castleman, 81, native of Gallatin County, died Wednesday at his home in Florence after an extended illness.

Dr. Castleman was president of the Florence Building and Loan Association and had served many years as Democratic committeeman in the Florence precinct. He was well known throughout this section of the State.

Dr. Castleman was a retired dentist and had officers in Florence for the past forty years. He was a member of the Florence Baptist Church.

He is survived by his widow, Mrs. Grace Yager Castleman; two daughters, Mrs. Osceloa C. Lucas, Florence and Mrs. Sheryl Chipman, Erlanger; and one sister Mrs. T. J. Turley, Owensboro.

Funeral services were held from the residence Saturday at 2:30 p. m. with Rev. H. L. Reid officiating. Burial was in Florence Cemetery.

Ralph Stith, Florence funeral director was in charge of arrangements.

Maynard-Hopkins

Mr. and Mrs. Charles Maynard, of Burlington announce the marriage of their eldest daughter Ruth Emogene to Charles Hopkins, son of Mr. and Mrs. Warren Hopkins, of Cincinnati. The ceremony was performed by Rev. L. J. Pole at the Methodist Church in Pleasant Ridge on July 2nd at 7:00 p. m..

The bride's only attendant was Miss Norma Lucas, of Cincinnati, who wore a pastel pink ankle-length dress with white accessories and a corsage of white rosebuds.

The bride wore a white marquisette ankle length dress with blue accessories and her corsage was red rosebuds.

The groom chose his brother, Howard, as best man. Both wore beige gabardine suits.

An informal reception was held after the ceremony at the home of the bride's aunt, Mr. and Mrs. F. E. Kline, of Kennedy Heights.

Following a brief honeymoon the bride and groom will reside at 3417 Woodburn Ave., Cincinnati.

Why Worry?

● I wonder why folks worry!

There are only two reasons for worry. Your health is probably good, or you are sick. If your health is good, there is nothing to worry about. If you are sick, there are only two things to worry about. You are either going to get well, or you are going to die. If you are going to get well, there is nothing to worry about. If you are going to die, there are only two things to worry about. You are either going to heaven, or you are not going to heaven. If you are going to heaven, there is nothing to worry about. If you are not going to heaven, there is only one thing to worry about. That is, how can you get into heaven?

There is nothing to worry about if you want to get into heaven. Heaven is a prepared place for prepared people. *The entrance requirements are the strictest that you have ever encountered, and yet God has made the way of access simple and plain.*

In your natural self you cannot find the way to God, for we are told in the Bible that "there is a way that *seemeth* right unto man, but the end thereof is the way of death." But God has a way by which He frees the sinner from the penalty and power of sin and prepares the sinner for His very presence. Find deliverance in these words: "For Christ also hath once suffered for sins, the just for the unjust, that He might bring us to God."

There you have it! Christ paid the penalty for your sins on the cross of Calvary that you might be right with God.

God knew full well that man, at his very Best, is just a poor wretched sinner. His justice demanded that we be punished with the penalty of death. But God is also a God of love. He sent His only Son to die for us! "For God so loved the world, that He gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life."

NOTICE TO CLEAR COUNTY RIGHT OF WAYS

Under Kentucky Revised Statutes Section No. 179.220 the law requires every owner and manager of lands bordering on the public County roads to clear away and carry from alongside the roads, all bushes, weeds, shrubs and overhanging limbs of trees and other obstructions, and keep all hedge fences along the road so trimmed that they at no time will become more than five feet high.

The Fiscal Court of Boone County, Kentucky, has entered an order for the clearing of right-of-ways as many roads in the County can not be properly maintained under present conditions, also many accidents are caused by this roadside obstruction.

The cooperation and assistance of all land owners and managers of lands bordering on the County roads will be very much appreciated.

NEW HOSPITAL KITCHEN CALLED "UNEXCELLED"

Frankfort, Ky., July 14—"Unexcelled anywhere" was the description given today to the new modern kitchen just recently completed at Central State Hospital, Lakeland, by its acting superintendent, Dr. A. M. Lyon, Commissioner of Welfare.

"The inmates not only of this institution, but the other mental institutions, are all fed balanced meals prepared in the most sanitary manner, and no one handles any food at the institutions unless they have met the State Board of Health requirements as a licensed food handler," added Dr. Lyon.

The Commissioner of Welfare took issue with the Jefferson County grand jury's recent criticism of food handling at the institution, citing the fact that there naturally was "some confusion" on the day the Hospital was getting its modern kitchen equipment installed.

"Had the grand jury waited a few hours longer, it would have been the climax to a fight long waged—for the Hospital was in process of getting rid of old equipment and replacing it with new," Lyon added. "The grand jury failed to mention that the change was taking place."

Dr. Lyon added that the "public at large may come to this hospital at any hour of the day and see our modern kitchen equipment and also the manner in which food is being handled. We invite them to come singly or in groups at any hour convenient to them."

The Commissioner added that every food receptacle is thoroughly sterilized, the food is handled with approved methods only by persons who have passed most rigid tests applied by the State Board of Health and continued:

"This is the most modern kitchen of any institution to be found in the entire Middle West."

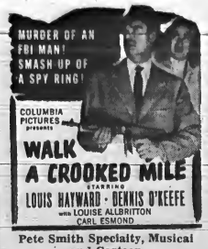
FIVE DAIRY SHOWS TO DRAW 1,200 CATTLE

Frankfort, Ky., July 14—Kentucky's five dairy cattle shows scheduled for the week beginning Aug. 15 bids fair to have more than 1,200 animals entered, Commissioner of Agriculture Harry F. Walters said today, while only 731 animals were entered in last year's contests which was the first ever held.

Walters said reports from 4-H Clubs and Vocational Agriculture groups already indicated that at least 1,200 animals would be entered. The State has made available $5,000 in premium funds to be distributed during that week-end and in some instances, local groups will add to the prize funds.

Shows will be held at Mayfield, August 15; Bowling Green, August 1; Campbellsville, August 17; Shelbyville, August 18 and Flemingsburg August 19th.

There will be special showmanship rings for FFA and 4-H Club entries at each of the shows competing for prizes. The shows will be limited to female animals and no club member will be permitted to enter more than three animals. All calves must have been owned by the one entering them at least sixty days before the shows.



Winners of the show rings will be made eligible to compete for the Commissioner's trophy at the Kentucky State Fair in September.

Arrangements for the district dairy shows are being made with the co-operation of the State Department of Agriculture, the 4-H Club Department of the University of Kentucky, the State Department of Vocational Agriculture together with local civic groups. In addition purebred breeding groups are offering additional prizes at some of the fairs.

Only Few Changes Made in Game and Fish Regulations

At Regular June Meeting Of State Game and Fish Commission.

Only a few changes were made in the Game and Fish regulations at the regular June meeting of the State Game and Fish Commission in the offices of the Division of Game and Fish, according to director Earl Wallace.

A training period for coon and opossum dogs was created and the season for the taking of these animals was extended under an emergency power granted the Commission and the Director at the 1948 General Assembly.

The Commission voted to allow the coon hunter to train his dogs in the fields by running possums and coons from October 1 until midnight November 19, during which time the hunter is barred from carrying guns. From midnight November 19 through January 31 was designated as the official coon hunting season during which coons and possums may be taken by guns and dogs. The trapping season for fur-bearing animals was left the same as last season. Those dates are December 1 to January 31, both dates inclusive.

The Commission voted to ban deer hunting this year. It was pointed out that deer in the area in which hunting was permitted last year have decreased in number until there is no damage being done farm crops and the Commission voted in favor of allowing the brood stock to remain in these areas to reproduce and stock these and other sections.

In an effort to curb the out-of-season rabbit and quail hunter, the Commission voted to ban the use of shotguns in the fields for any purpose from midnight November 5 until midnight November 19, the day before the open season on quail and rabbits. The Commission also voted to ban the sale of coon carcasses at any time in the year and to prevent the cutting or molesting of trees bearing coon dens. Also, the Commissioners barred the molestation or destruction of ground dens of coons.

All other regulations for fish and game were to remain the same, the Commission voted.

The complete season both dates inclusive and bag limits follow:

Squirrel season August 20 to Nov. 5. Bag limit 6 per day.

Quail season November 20 to January 10. Bag limit 10 per day.

Rabbits season November 20 to January 10. Bag limit 8 per day.

Grouse or native pheasant season December 1 to December 15. Bag limit 2 per day.

Opossum and Raccoon season November 20 to January 31.

Mink, skunk, muskrat and red fox, season December 1 to January 31.

Bullfrog season June 1 to December 31. Limit per day 15.

A person who has hunted two or more days in succession may have in his possession a total of not more than twice the above daily limits of any species.

ARE YOU 65?

"If you are 65 or over and have been laid off recently for any length of time, chances are you've got some money coming from Uncle Sam—you may be eligible for social security benefits," according to a statement made by Mr. Elbert M. Bohon, manager of the Covington, Kentucky office of the Social Security Administration, today.

Ill health, compulsory retirement rules of your employer, lay-offs, strikes—many things may cause you to be out of work. You should inquire at your local social security office to find out if you are entitled to receive social security payments while you're not working. If your wife is 65 or over she too may be eligible.

Very often, wage earners who become unemployed, think—"Oh, I'll probably be going back to work in a couple of weeks at least." However, this doesn't always happen. If you delay too long in filing for your benefits, you may lose some. Do not think that because you are receiving unemployment compensation you cannot apply for your social security benefits. If you are eligible for both, you may draw them both—at the same time.

Don't hesitate to write, telephone, or go in person to your social security office for information as to whether or not you are eligible to apply for social security benefits. They will be glad to give you the desired information and assist you in filing your application.

The Covington, Kentucky office of the Social Security Administration is located at 7th and Scott Streets in the Post Office Building, and is open from 8:30 a. m. to 4:30 p. m. Monday through Friday. The telephone number is HEmlock 5274.

Florence

Mrs. Geo. Miller and son G. Blayne were calling on the P. J. Allens Friday.

Fred Hess of Hartwell, Ohio, was calling on P. J. Allen, Thursday.

W. Keene Souther and daughter Mrs. Rogers Knox departed by bus on Thursday of last week for Akron, Ohio, where they joined Mr. and Mrs. Winfred Floyd for a motor trip to Niagara Falls. They also visited Washington, D. C. and the famous battlefield of Gettysburg Park which contains 16,000 acres and has 35 miles of roads. Rocks in the park still show scars of the bitter battle fought there many years ago. The party also traveled on the famous Pennsylvania Turnpike going through 7 tunnels one of them 2 miles long. They returned to Akron on Tuesday from where Mrs. Knox and Mrs. Souther returned to the Boone County Airport via American Air Lines.

Mrs. Margaret Pierce, who has been confined to Booth Hospital with a severe illness, has improved sufficiently to return to the home of her aunt, Mrs. Harry Dinn, of Florence. The community wishes her the best of luck.

Mrs. Fannie Eggleston and daughters Dorothy and Helen are spending two weeks with the former's uncle and aunt, Mr. and Mrs R. L. Brown.

Mr. and Mrs. Wilson Martin and daughter Linda, of Covington were guests Wednesday evening of Mr. and Mrs. Eldridge Carpenter.

We regret to report that Mrs. John Dolwick, Sr., is not so well at her home on Donaldson Highway. However, we wish her an early return to her usual health.

Funeral services for Thomas B. Castleman 81, were held from his late residence Saturday with a very fine discourse by Rev. H. L. Reid of the Florence Christian Church. Mrs. Roy Nesler read the poem "Crossing the Bar" by Alfred Tennyson and the songs were by Mrs. Margaret Terrill and Mrs. Elsie Yager. Dr. Castleman leaves his wife, Mrs. Grace Castleman, two daughters, Mrs. Osceola Lucas and Mrs. Sheryl Chipman. The Ralph Stith funeral home was in charge of arrangements and burial was in Florence Cemetery, beneath a profusion of beautiful flowers. The sympathy of the community goes out to the family.

Mrs. Belle Nowinski, of Princeton, Wis., made a surprise visit to her mother, Mrs. Jennie Rouse and other relatives the past week.

Miss Stella Carpenter, of Covington was the guest of relatives here Sunday.

The social given by the "Cadet Club" of the Florence Christian Church was well attended and a nice sum realized. A very entertaining feature of the occasion was the music by Janice Ligon, Ella Jean Rogers, Vera Dean Scott, Mary Presser, Robert Bloss and Howard Dean Bloss, Jr., directed by their teacher Dean Bloss. Another interesting feature of the evening was the showing of moving pictures a contribution of the Boone County Red Cross. The club desires to thank each and everyone who contributed to the pleasure and success of the evening.

Mr. and Mrs. Wm. Markesbery and sons Billy R. and Harold V. returned Sunday evening from a sightseeing trip to Niagara Falls.

Let's Figure
THE COST OF LIMING
When you buy agricultural limestone you make an investment that pays you handsome returns over a number of years. In figuring the cost of keeping your soil properly supplied with lime you should do so on the basis of cost per acre per year.
Just divide the amount of money you invest in the liming material applied to each acre of land by the number of years the application is effective. The answer will be a surprisingly small figure. You will find, as hundreds of thousands of farmers have found, that the increase in yields of better quality crops may easily be 3 to 10 times the annual cost.
Soil-liming costs are low—profits are high.

Union

Captain and Mrs. Tom Brown and children who are stationed at Monmouth Beach, N. J., are spending a month's leave at the farm near here.

Mr. and Mrs Kirtley Adams, of Covington, spent a few days with her sister, Miss Lillian Bristow.

Mrs A A Liggett is entertaining her grandson David Liggett, of Burmingame, Calif.

Some folks say they don't like to dream—some folks says, they do. But a beautiful dream, dreamed 18 years ago is a dream that's now coming true. August 7th the members and friends of the Union Baptist Church will enter into the lovely new church with grateful hearts and thanksgiving to dedicate the building to loving Christian service to God, and a lighthouse to our community. You are invited to enjoy this day of fellowship with us and share a delightful program through the day. Come!

The ice cream social given by the young people of the Union Baptist Church was quite a success. Thanks are extended to our kind Presbyterian friends for the use of their rooms.

Little Miss Phyllis Kirtley has as her house guest Miss Rena Bundy, of London, England.

Mrs. Allyne Riley and Mrs. Grace Clore returned home last week from a two weeks vacation with Mr and Mrs Floyd L. Riley, of San Francisco, Calif.

Mr and Mrs. Chas. M Rearn, Jr. of Latonia will move to their new home on the Mt. Zion Road in the next few days.

Mr and Mrs Ruben Kirtley and Mr. and Mrs Allen Newman were calling on the Lonie McMullen family, of Burlington, Sunday afternoon.

Mr and Mrs. Overton Sandlin had as their dinner guests Sunday, Rev. Foy Martin and family and Miss Genevieve Bleemore.

Miss Marietta Riley returned to her home here from St. Elisabeth Hospital, where she has been a patient for the past three weeks.

Mr. and Mrs Jas. Feldhaus, of Louisville, spent the week-end with relatives here.

Miss Mariann Tingle of LaGrange is the very pleasant house guest of Mr and Mrs Chas Hodges and family.

Mrs Rayola Anderson and daughter Penny and Mrs. Eva Crater and Mrs. Harvey Hicks returned home last Friday after spending a month at Mrs. Anderson's cottage near Millbrae, Wisconsin.

Mr. and Mrs. Wm. Rachal are in Wisconsin on a fishing trip.

Miss Joan Anderson and Mary Glenn Newman are in Louisville for a week's visit with Mr and Mrs. James Feldhaus.

CARD OF THANKS

I wish to thank the many friends, relatives, pastors, Firemen's Auxiliary, Homemakers for cards, flowers, and calls during my recent illness. All were appreciated very much. tp

Electric Cooking is **COOL**

For Cooking that's—
• CLEAN
• COOL
• FAST
• AUTOMATIC
• ECONOMICAL
It's *Electric* of course!

Flameless electric heat cooks the food without cooking the cook!

Electric range surface units send heat into utensils by direct contact—do not wastefully diffuse it. Electric ovens are heavily insulated and semi-sealed to keep heat inside where it belongs.

Result: your kitchen stays cooler because there are no flames and no wasted heat to send temperatures soaring.

For summer comfort and year 'round convenience, cook *electrically*. It's the modern way!

FACTS ABOUT FLY CONTROL

By Dr. D. B. LeDyar

In recent months everyone is in a furor about fly control. DDT was doing a great job against flies and suddenly the Government says "No more DDT on dairy animals." This naturally put everyone in an uproar.

The farmers ask, "What can we use now?" "Will the DDT we have been using poison our stock or us?" "Is DDT as harmful in beef cattle, horses, mules, swine, etc., as it is to dairy cows?" "Will our milk supply be outlawed if we use DDT anywhere on the farm?"

Whoa! Back up there. Let's go over the Government's statement on DDT again.

"Do not use DDT and similar chemicals on dairy cattle and in milk barns."

Notice that there is no recommendation for use against DDT on other animals or buildings around the farm other than those used in the production of milk.

The fact is . . . DDT is just as good as ever and it should be used widely and regularly for fly control on farm. The only reason the Pure Food and Drug Administration is opposed to its use on or around dairy animals is that it has the quality of being picked up by the body of the cow and small amounts are then passed out in the milk.

So far, DDT has not been known to cause any health problems in humans but milk is a food and as such the law says it must not be contaminated by any substance that might possibly be harmful to humans. Therefore, DDT should not be used on dairy cows since it can be passed through the milk and it might sometime prove to be a harmful contamintnant.

DDT is still "tops" for use on beef cattle, horses, mules, sheep, swine, barns (other than dairy barns), poultry houses, and farm buildings in general. Its residual action and ease of application, coupled with its economy still make it the insecticide of choice for most of the farm.

No—"What to do about dairy cattle, milk barns, etc?"

That's easy. Authorities now strongly recommend the old time-tested "shake of all insecticides" Pyrethrum, with its activity stepped up with Piperonyl Butoxide. This chemical increases the action of Pyrrethrins many times, making an insecticide that is more effective, longer lasting and very economical.

Prethrins 1 and II, activated with Piperonyl Butoxide, are readily available to all farmers in a new Fly Spray especially recommended for use on milk cows and in dairy barns. This product kills and protects against stable flies, horn flies, horse flies, deer flies, mosquitoes and gnats and will in no way be a milk contaminant. So it is now easy for farmers and dairymen to use a sure, safe fly killer without any fear of contamination or any chance of a reduction of their milk check.

Why Church Music?

Lesson for July 17, 1949

WHY church music? Hymn books are expensive, learning new hymns is a bother, choirs are a lot of trouble. Most preachers need more time for their sermons; why not cut out the music and let them have fifteen minutes extra? No sir; it won't do. Say what you please, the average church-goer knows better than that. He may never have thought it out and he might not have heard of the word "hymnology," but Mr. Average Churchman likes music in the church, even if he never opens his mouth himself.

Dr. Foreman

• • •

Liturgy

SINGING in church was not invented yesterday. In the Psalms, as in our own hymnals, some of the poems were originally written and intended for use in public worship. The word "liturgy" simply means the order of manner of service, and all churches have liturgies whether they give them that name or not.

Our familiar "Holy, Holy, Holy," was written for use in an early morning service; "Bread of the world" was written as a Communion hymn; "Break Thou the Bread of Life" while often used at Communion was not so intended, as you can tell by reading it carefully; it was meant for use just before the reading of the Scripture.

"Day is Dying in the West" is best used in an out-door service, "Ivory Palaces" was written one Sunday afternoon in North Carolina for use in an evangelistic meeting that night. It might interest you to leaf through your own hymnal and see how many hymns were written purposely for church use.

• • •

Songs of the Temple

THREE liturgical Psalms are our lesson selection. Use your imagination when you read them. As you read Psalm 24, think of a great procession marching through the streets of Jerusalem on a holy day and approaching the tall temple shining on the city's highest hill. Singing as they climb, perhaps one part of the congregation sings the question: "Who shall ascend into the hill of the Lord? Who shall stand in his holy place?" Perhaps another group of voices takes up the answer: "He that hath clean hands, and a pure heart . . ." As the great gates swing open, the chant rises: "Lift up your heads, O ye gates!" for the King of Kings, the Lord of Lords, is marching.

The little kings (in Israel and over the world) have come and gone; only the Lord of Hosts is the King of Glory. Singing the glory of God brings it before the mind far better than reading about it in a book!

Then the 84th Psalm is taken from what they called the "Chief Musician's Collection," evidently a part of what we now would call the choir library. It is the song of a man who loves the church and loves the people whom he finds there. Psalm 95:1-7b is also obviously a song for public worship, and still is sung every morning in churches around the world.

The Best is Not Too Good

IF in ancient times when God's people were learning to sing, the noblest poems of inspired men were set to the best music available and used for the honor of God and the help of man, then surely Christians ought to do no less.

If you had a friend coming to see you, one whom you respect and wish to honor, you certainly would not set the table with all the chipped-up old kitchen china and you wouldn't put wilted flowers on the table and you certainly wouldn't keep the radio tuned to the tin-panniest trash you could find on the dial.

No, if you have anything for him you want it to be of the very best. Why not so with God? The house of God is no place for cheap, bad music, jingly meaningless rhymes instead of noble hymns and psalms, tiresome grind-organ tunes or jazzy swing stuff instead of music that has real power and beauty. If nonsense is bad in a sermon, it is worse in a prayer and worst of all in a hymn. If mere noise is bad in a sermon, it is worse in a prayer and unbearably bad in a hymn.

Florence Firemen Plan Annual Picnic Saturday, July 23

Many Special Prizes To Be Given During Day; Other Attractions Planned

The Florence Firemen and the Ladies' Auxiliary of the Volunteer Fire Department extended a cordial invitation to the general public to attend their annual Festival to be given at the Fire House and Community Center grounds on Saturday evening, July 23, 1940.

Mrs. Garnett Lucas is general chairman of the affair aiding Mrs. Louella Houston, president of the Ladies' Auxiliary.

The festival is a yearly event given for the benefit of the new Fire House and Community Center. Special attractions will be the combination raffle consisting of a television set, juicer and mixmaster and an electric fan.

The kiddies will enjoy the pony track and the fish pond, and for the grown ups there will be bingo, delicious fish sandwiches and various kinds of refreshments, a country store, cake walk and many other attractive booths. The festivities will begin at 7:30 p. m.

Martin-Patrick

On Saturday evening, July 2nd, Miss Irene Fay Martin, only daughter of Mr. and Mrs. Darlton Martin, of Crescent Springs, became the bride of Mr. Charles Patrick, only son of Mrs. Cordelia Patrick and the late Mr. Sam Patrick, of Bullittsville, at the Bullittsville Christian Church, with Rev. Young officiating.

The organ prelude played by Mrs. Dolwick included a collection of bridal songs and wedding music. Mr. Crigler, friend of the family sang their favorite songs.

The bride, given in marriage by her father, wore a nylon marquisette gown with a hoop skirt, which was caught at the edge with tiny white rose buds. Her attendants were Miss Belva Ann Engle, matron of honor and cousin of the groom; Miss Margaret Williams and Miss Christine Lamb were bridesmaids, and wore gowns of pink and blue taffeta with picture hats to match.

Little Miss Carolyn Sue Pelly was flower girl and Master Gerry Roberts was ringbearer.

The groom's best man was Mr. Charles Martin, brother of the bride, and the ushers were Wilton Clore and Herbert Hazelstaff. They were dressed alike in tuxedos.

After the wedding a reception was held at the home of the groom's aunt and uncle, Mr. and Mrs. Chas. Engle, of Bullittsville, Ky.

The happy young couple left for Honeymoon Lane, Indiana, and upon their return home, they will be at their home to friends in Bullittsville.

Injuries Prove Fatal To Newport Man In Beaver Accident

Victim Succumbs At St. Elizabeth Hospital Three Hours After Accident.

Lee Eldridge, 49, of 209 Central Avenue, Newport, died three hours after being admitted to St. Elizabeth Hospital, Covington, from injuries received when he backed against a buzz saw on a farm near Beaver Wednesday of last week.

Mr. Eldridge, was taken to the hospital in a private ambulance. He was an employe of Howard Bregle, according to reports. Mrs. Tressa Riffe, Kenton county coroner returned a verdict of accidental death.

Mr. Eldridge suffered deep cuts of both arms and legs, according to reports. The accident happened so quickly that no one seemed to know exactly how it happened.

Funeral services were held at 10 a. m. Saturday in Newport, with burial in Evergreen Cemetery.

Elza Poston was ill several days this week.

Allen H. Stegner

Allen H. Stegner, 27, well-known Lloyd High School athlete in the late 1930's, died Wednesday at Booth Hospital, after a long illness.

He was a son of Mr. and Mrs. Ward Stegner, operators of Rainbow Tourist Cabins, Florence.

Mr. Stegner graduated from Lloyd in 1940 after compiling an enviable undergraduate record in baseball, basketball and tennis. He had a tryout with the Brooklyn Dodgers shortly after leaving school.

He served a brief time in the U. S. Navy and was given a medical discharge because of a heart ailment. He was a member of Walnut Hills Masonic Lodge No. 483, Cincinnati.

Besides his parents he is survived by a brother, Wayne E. Stegner, Louisville; a step-brother, John W. Kennett, Covington; two step-sisters, Mrs. Elsie Giancola and Mrs. Madeline Klein, both of Covington.

Funeral services were held Friday at the Florence Baptist Church 2:00 p. m., with burial in Highland Cemetery.

The Stith funeral home, Florence was in charge of arrangements.

Mrs. Martin returned to her home in New York, Saturday, after a visit with her daughter, Mrs. Don Davis. Mr. Davis and two sons returned home Friday night, after spending two weeks in New York.

Burlington Nine Defeats Pleasant Haven Sunday

E & W Suffer 6-4 Defeat Sunday At Hands of State Realty Nine.

Burlington turned on their heavy bats as they slugged out a 15-2 victory over Pleasant Haven at the local park Sunday in a Northern Kentucky Semipro League contest. In hanging up their sixth win of the season the locals pounded out 18 hits off the pitching of Worthington of Pleasant Haven. J. Woods led the winners with four hits including a double.

E. Deck was on the hill for Burlington and let the visitors down with six scattered hits and fanned a dozen batsmen.

E. & W. Trucks lost a 6-4 game to third place State Realty as veterans Joe Heving, Carl Dance and Nick Brown held the E. & W. team to eight hits. Schultz went the distance for the losers allowing 11 hits and fanning nine.

Other league scores were Charlie's Cafe 4 and Hilltoppers nothing; Silver Grove 4, Newport 0 and Rock Bar 3, Visalia 1.

Next Week

Sunday, E. & W. Trucks will meet the Burlington team at Burlington, with several other exhibition games on tap.

The Northern Kentucky Semipro League will begin elimination series Sunday, July 31. The elimination will be three losses and out, according to league officials.

Local Youth Opens Law Offices At Pineville, Ky.

Harold Kelly Clore, son of Mrs. J. R. Eddins, Burlington, has recently opened law offices at Pineville, Ky., and invites his many Boone County friends to visit him in his new location.

Mr. Kelly has been attorney for the Veteran's Administration in Louisville for a number of years, but resigned that post the latter part of June to go in business with his former roommate of law school, Paris Swinford, of Rockcastle County.

The new business will be known as Clore and Swinford with offices in the Smith-Cawood Building in Pineville.

In a recent letter Mr. Clore sent his regards to his Boone County friends and invites them to visit him whenever you are in that locality.

Highway Department Places 5-Ton Road Magnet In Action On State Roads

The possibility of punctured tires will be greatly decreased for Kentucky motorists this year, thanks to the Department of Highways' new five-ton road magnet which will patrol all state roads, picking up metal objects capable of causing punctures.

Highway Commissioner John A. Keck said crews from the Department's Division of Maintenance will be on the highways all summer operating the magnet which is mounted on a large truck. The brand new unit was made to order by the Bogis Equipment Co., Lexington, under the supervision of Tom Catlett, a former Highway Department equipment engineer.

"The highway magnet is the first of its kind to be operated on Kentucky roads by the Department of Highways," Equipment Director W. A. Tincher said. "It will be used to patrol all state roads, operating throughout the year except when the roads are covered with snow or ice."

Powered by a generator, the huge magnet is attached to the rear of the truck and may be lowered to within four inches of the pavement. It will pick up all metal objects capable of puncturing tires—nails, scrap metals, tools, tin cans, wire, etc.

"The machine, purchased for $6,800, picked up 25 pounds of puncture producing material on a recent six-mile trial run," Tincher said. "In each pound there are an estimated 100 possible punctures."

A record will be kept of all roads patroled and of the amount of debris picked up. "If the machine is found to be satisfactory, a second one may be added to our highway equipment," Tincher said.

Mrs. Emma Lucas

Mrs. Emma Lucas, a resident of Crescent Springs, Ky., for 36 years, passed away Wednesday afternoon at Booth Hospital, after a long illness.

She is survived by her husband, Ralph W. Lucas, a son Ralph F. Lucas, and one grandson, as well as three sisters, Mrs. Olga Welling, Los Angeles, Calif.; Miss Martha Weiner and Mrs. Tillie Neuring, both of Cincinnati, O.; and one brother Adolph Weiner, Norwood.

The remains were forwarded to Xenia, Ohio, Friday evening for services and interment in that city Saturday afternoon.

The Tallaferro funeral home had charge of the funeral arrangement.

Open House Held At Camp Ernst In Interest of Pool

Alumni Association Expected to Contribute Toward Project.

Open house was held at Camp Ernst on Gunpowder Creek Sunday afternoon for members of the Y's Men's Club of the Covington Y. M. C. A., the Camp Ernst Alumni Association, and friends.

Picnic lunches were prepared by those attending and everyone enjoyed the evening program.

The open house was scheduled in the interest of the drive being put on by the Men's Club to obtain funds with which to pay for construction of a $25,000 swimming pool at the camp. The club is relying heavily on the Alumni Association, made up of former campers, to obtain funds for the pool project.

The club has pushed through five projects since its organization in 1944, all of which were completed by club members who gave their time without pay.

The proposed swimming pool is the sixth project for the Y's Men's Club, and it is hoped the club will be as successful in this project as in past endeavors.

Such a pool is needed at Camp Ernst, and no doubt will soon be a reality.

Miss Doris Webb, of Guildford, England, who is visiting Mrs. Myers, also attended the meeting and gave an interesting, but short talk on the clubs in England, which are called Women's Institutes.

Big Bone Trounces Belleview Nine By Score of 29 to 12

Petersburg, Sand Run, Hebron and Constance Register Victories.

For most of the teams in the Boone County Saturday Afternoon Baseball League last week it was "hitter's day" as evidenced by the loop's scores. The biggest base circling event was the game between Big Bone and Belleview with the former winning 29 to 12. The visiting Big Bone team made their season record scoring spree on 28 hits from the offerings of Utz and Rouse. Everybody hit, but the longest smash was a home run by Red Carroll. Belleview touched Black, the winner's starting hurler, Gammon and Miller for 11 bingles.

Tight Game

Probably the best contest of the week was Petersburg's four to three win over Union at the winner's park. Petersburg had four runs on eight hits off the pitching of Ryan. Union scored their three on seven hits off the offerings of D. Deck. Carver and Mahan had two hits for the winners including a triple for each. Shinkle of Petersburg and Alexander of Union also knocked out three base blows.

Another Big Score

Sand Run defeated Florence at the loser's grounds by another "football" score of 18-11. The winner's had 21 bingles and Florence had 14. Pepper, Stephens and Judy paraded to the mound for Sand Run with Pund and A. Utz twirling for Florence.

Hebron Wins

Hebron knocked out 15 hits good for 11 tallies as they defeated Pleasant Haven who got but three runs on nine hits. Gillette and Garnett formed the winning battery with Gruelle and Rouse doing the pitching and catching for Pleasant Haven.

Constance 5-Burlington 2

Constance a five to two win from Burlington at the loser's lot Saturday as Blaebaum of the winners held Burlington to six hits. The winners had seven bingles off Woods.

Next Week

Constance at Big Bone
Burlington at Pleasant Haven a doubleheader.
Union at Hebron
Sand Run at Petersburg
Florence at Petersburg.
Union will meet Hebron at the Hebron park in a doubleheader at 1:30 p .m.

Bullittsville Stars Suffer Defeat Saturday

The Bullittsburg Stars were defeated Saturday, July 16 by the Bullittsville Tigers by a score of 3 to 2. Joe Pepper and McGlasson formed the Tiger battery, while Bill Holladay and Bruce Campbell formed the losing battery.

Hitting stars for the day were Jack Ligon with four for four and D. Stamper with two for two.

Bullittsburg will play at Sand Run next Saturday. Anyone interested in game with these teams, call Bill Holladay and it will be arranged.

Heavy Fines Meted Drunken Drivers

Aged Man Charged With Rape of 9-Year-Old New Haven Girl Monday

Arrested By Highway Patrolmen Gordon and Miller in Erlanger.

Robert Courtney Ford, 62, Union was arrested Tuesday evening by State Highway Patrolmen Gordon and Miller in an Erlanger barber shop, on a warrant charging rape of a 9-year-old Boone County girl. Ford was returned to Burlington by officials and placed in jail.

Ford is charged with the rape of Grace Jane Robinson, daughter of Mr. and Mrs. Oscar Robinson, tenant on the farm of Howard Briegel, U. S. Highway 42 near the Ohio Valley Beagle Club, where the crime was committed, according to a statement issued by the victim.

The girl stated that Ford had sent her to a nearby road house to obtain beer, and upon her return to the Ohio Valley Beagle Club Ford grabbed her and molested her. Upon returning to her home she was questioned by her mother and accused Ford of having raped her.

The child was taken to the office of Dr. Hudson, Florence, who stated she had been raped. The parents then brought the child to the office of Dr. M. A. Yelton for examination, who said the child had been molested and raped.

Ford, who has resided in and out of Boone County for the past ten years made his home in a cabin near Beacon Light on U. S. 42, and was employed at odd jobs in the carpenter trade. Upon being questioned by officers, he stated that he was not guilty, and had no knowledge of the crime.

Penalty of such a charge, if the accused is found guilty is death or life imprisonment.

Book Club Meeting Held

The July meeting of the Boone County Book Club was held recently at the home of Mrs. Stanley Ransom, with Mrs. L. G. Marshall, leader.

The subject was "History of Boone County" and "Capitols of Kentucky." Taking part in the program were Mrs. S. B. Nunnelley, Albert Rogers, Noel Walton, and Albert Pfalzgraf.

Other members and guests were Mrs. V. Williams, Garnett Tolin, Roy Lutes, R. C. Garrison, Stanley Ransom, Sr., and Thos. McCrann.

The August meeting will be with Mrs. Albert Rogers, with Mrs. Noel Walton as leader.

Mr. and Mrs. J. E. Boyd, of near Burlington announced the arrival of a 7 pound and 3¾ oz. boy born July 15th. A very unique announcement was received from the Boyds.

Novelty Bingo Is Planned For Benefit Of War Veteran

Wife Loses Life In Fall At Home Recently; Prizes Solicited.

Residents of the Valleyview Subdivision, Florence are sponsoring a novelty bingo July 27th at St. Paul's auditorium, Florence, for the benefit of a neighbor and World War II veteran who has suffered severe reverses during the past few weeks.

The veteran, whose name we will not mention lost his wife in an accident two weeks ago, leaving her husband three children, the eldest being six years of age. The bingo is for the purpose of helping this young man, as he has purchased a new home in the subdivision, and due to the accident has suffered both mentally and financially.

In a letter from one of the residents of Valleyview, we were urged to publicize the bingo, which is being given solely for his benefit. Tickets are 50c for one card. This entitles purchaser to a chance on a Philco table radio.

The group in charge of project are soliciting prizes from anyone who cares to contribute. All prizes can be brought to the home of Mrs. Wm. Meiners, where tickets will also be sold.

Don't forget the place and date St. Paul's auditorium, Florence, July 27th at 8:15 p. m. You are urged to attend, and assist in this worthy cause.

Florence Methodist Youth Fellowship Meeting Held Monday

The monthly meeting of the Florence Methodist Youth Fellowship was held at the home of Sue Sininger last Monday evening. For recreation the members enjoyed a ball game, which was won by the boys.

Bob Idol presided at the business session at which many things were discussed including the possibility of a youth choir.

Mae Sininger had charge of the program, after which all sang a number of songs with Mrs. Idol at the piano. New members welcomed by the group were Virginia Baker and Peggy and Jack Finfrock, who have moved into the community recently.

After the program the group was invited out on the lawn where a big bonfire had been built and there roasted "hot dogs" to make up the regular picnic refreshments, ending was roasting marshmallows.

Present at this very enjoyable meeting were Ella Pearl Bethel, Margot Shyrigh, Peggy Finfrocks, Virginia Baker, Mary Ellen Sidney, Mae Sininger, Sue Sininger, Bob Idol, Jack Finfrock, Buddy Marksebery, Bobby Mudman, Jean Allson Jones, Mrs. Rector Jones, Mrs. Robinson, Mrs. Idol and Mrs. Sininger.

The next monthly meeting will be held at the home of Mary Ellen Sidney on Sanders Drive, August 9th.

A CORRECTION

In an advertisement of R. P. Coleman, carried in last week's issue, a 2-acre tract with 5-room house, and bath, Union, Ky., was priced at $500.00. This price was an error, as it should have read $6,500.00.

Ice Cream Social Planned By Crusade Class of Bullittsville

The Crusade Class of the Bullittsville Church School presented the church with a beautiful new Communion Service this past Sunday. The service is made up of four highly polished aluminum cup trays and four loaf trays. Both are the interlocking type with bases and covers to match. The covers are adorned with a Maltese cross which also acts as a handle for lifting covers off during communion service. Mr. Ben Kottmyer made the presentation to the church and Mr. Jerry Fowler accepted the lovely gift for the church.

Proceeds of the ice cream social which is to be held Saturday evening, July 30th, will be used toward the Crusade Class projects of undergirding the local church where ever opportunity arises. The general public is invited to attend this ice cream party and participate in the games and fun which will be a part of the program. There will be ice cream, cake, sherbet, and drinks for all. Come and bring the family.

Mrs. Raymond Hightower, is convalescing nicely, following a major operation at Deaconness Hospital, Cincinnati, last Thursday.

Electric Cooking is **FAST!**

For Cooking that's—
- CLEAN
- COOL
- FAST
- AUTOMATIC
- ECONOMICAL

It's *Electric* of course!

Whether it's breakfast, lunch or dinner you're cooking, a modern electric range does a speedy job.

Today's electric ranges are fast—really fast. Food is brought to the right cooking temperature quickly and remains at the exact cooking level you choose. You get speed plus accuracy that means uniformly perfect results.

Modern electric cooking is not only fast. It is clean, cool, safe, automatic and time-releasing. Get the facts and you'll go electric. It's the modern way!

Gov. Clements Urges Raise Of Salary Limitations

Proposed Amendment To Be Voted On At November Election.

Frankfort, Ky. — "The most earnest and careful consideration" today was asked by Gov. Earle C. Clements for the raising of the $5,000 annual salary limitation amendment to figures more commensurate with present-day living standards. "Adoption of the amendment is of the utmost importance to all the citizens of Kentucky."

The proposed amendment to be voted on this fall would set the limit for state officials at $12,000 a year; for district officers, $8,400 and county officials at $7,200. The General Assembly would be authorized to fix the pay ceiling of the officials, and the Governor commented "It has been my experience that the legislative body never runs 'hog wild' in the matter of official salaries."

"Possibility the State may lose permanently the services of Robert K. Cullen as reviser for the Kentucky Statutes Revision Commission is another strong argument for adoption of an amendment to the Constitution permitting an increase in salary limits for its officials and employes," the Governor commented.

Cullen will leave for Oregon shortly on a leave of absence of several months to supervise statute revision work in that state at $8,500 a year. He receives the $5,000 constitutional limit in Kentucky, the same amount which he received when he accepted the post more than ten years ago. He will return to Kentucky late this year for service here during the next legislation session, and will then make a decision on whether to accept permanent employment in Oregon which would pay him $8,000 a year or more.

The Governor added that Cullen together with "many other valuable officials and employes have all been victims of the constitutional limitation on salaries and are virtual prisoners in a financial straitjacket.

"Cases such as Mr. Cullen only emphasize the difficulty under which the State operates in regard to retaining the services of high type and capable public servants, many of whom serve at a financial sacrifice," he continued.

"The amendment to be voted on this fall differs from other such amendments which have been defeated in the past. The one to be voted on this fall fixes the salary limit for State officials, which such amendments defeated in the past placed no limit on the salaries that could be paid.

"Adoption of this amendment is of utmost importance to all the citizens of Kentucky. I urge they give it their most earnest and careful consideration.

"Should it fail, it is possible that Kentucky will lose many of its valuable employes who have worked so long at a personal financial sacrifice. Defeat of the amendment would convince them that further service for Kentucky would be done without a future or any hope for any financial advancement."

Hill Top

Mr. and Mrs. Elmo Jergens entertained Sunday in honor of their little daughter Elmo, the occasion being her seventh birthday. She received many pretty and useful gifts. A delightful lunch was served and as the hour came for departing all wished her many more happy birthdays.

CARD OF THANKS

We shall never cease to be grateful to our relatives, neighbors and friends for their great thoughtfulness and many acts of kindness during the long illness and death of our loved one,

Dr. T. B. Castleman

We want to express our appreciation of the profusion of beautiful flowers, the sweet music, the appropriate remarks of Rev. H. L. Reid, the reading of the poem "Crossing the Bar," the pallbearers (men who had served with him so many years in the Building Association) and the kindness and consideration of Dr. H. R. Daugherty and W. Ralph Stith.

Signed, Grace Y. Castleman, Mr. and Mrs. Stanley Lucas, Mr. and Mrs. Floyd Chipman

Dearborn County Fair Scheduled July 25-30th

It's fair time again! Preparations have been completed for the 28th annual Dearborn County Fair at Lawrenceburg, after months of effort by members of the Fair board. The dates are July 25 to 30 inclusive, preceded by the annual Phi Bet Psi Charity Horse Show on Sunday, July 24.

The 1949 Dearborn County Fair will offer a complete, varied program, highlighted by some of the outstandnig entertainment talent of the nation. Customary attractions will augmented by new and different features, destined to please every patron.

The midway, with its interesting exhibits, stands, concessions, and shows, open on Monday, July 25. No admission charge will be made on that date, and as a closing feature, dancing will be enjoyed in the Art Hall. Tuesday's program includes the judging of hogs, sheep, and beef cattle, with the light weight horse pulling contest the principal evening attraction.

Wednesday will find morning and afternoon judging of Guernsey and Brown Swiss cattle, and the afternoon and evening entertainment will be the appearance of the Jole Chitwood Thrill Show, a program of death-defying feats of skilled driving. Chitwood's troupe presents some of the most difficult feats of hazardous driving ever to be staged, and his show is known the nation over.

Judging of Jersey and Holstein cattle, and other exhibits, will occupy Thursday morning, with heavy weight horse pulling contest the afternoon feature. The live stock parade is scheduled for the afternoon program. In the evening, Cowboy Copas, famed radio star and popular recording artist, heads the entertainment with the Grand Ole Opry troupe, including the well known comedian, Lazy Jim Day.

The fair's hound and dog bench show will be staged Friday morning with the circus presentation, Sawdust and Spangles, the afternoon and evening feature. Smittie's band ,an annual attraction, will be on hand Friday and Saturday.

The Sawdust and Spangles show, with new and different acts, will show Saturday afternoon and evening.

500 ENTRY BLANKS MAILED FOR HORSE SHOW

Over 500 entry blanks for the Phi Beta Psi Charity Horse Show have been mailed to horsemen in Indiana, Ohio and Kentucky. The show, to be held at the Lawrenceburg, Indiana, Fairgrounds, on Sunday, July 24, at 1:30 p. m., will consist of 11 classes, as follows: Pleasure horses, Junior five gaited, three gaited stake, western parade, saddle pony (46" to 56"), fine harness stake, saddle pony (under 46"), walking horse, children's

Responsibility [illegible] Scott Lowers Memorial five gaited stake.

A number of horsemen in this area are planning their entries and starting to enter the show who did not receive an entry blank may obtain one from Mrs. Oakey Crider, 11 W. Center Street, Lawrenceburg, Ind.

Fritz Jordan, of New Carlisle, O., will judge the show, and about $500 in prizes will be awarded. Miss Marjorie Diehl is general chairman of the show, the proceeds of which will go to charity.

NOTICE TO CLEAR COUNTY RIGHT OF WAYS

Under Kentucky Revised Statutes Section No. 179.220 the law requires every owner and manager of lands bordering on the public County roads to clear away and carry from alongside the roads, all bushes, weeds, shrubs and overhanging limbs of trees and other obstructions, and keep all hedge fences along the road so trimmed that they at no time will become more than five feet high.

The Fiscal Court of Boone County, Kentucky, has entered an order for the clearing of right-of-ways as many roads in the County can not be properly maintained under present conditions, also many accidents are caused by this roadside obstruction.

The cooperation and assistance of all land owners and managers of lands bordering on the County roads will be very much appreciated.

—BOONE COUNTY FISCAL COURT.

Who Should Pay For Roads?

Of late, there has been a marked increase in concern over the damage done to the nation's highways by heavy commercial trucks. It has been the subject of forthright comment by the U. S. Commissioner of Roads. Reports made by state highway engineers in Illinois and elsewhere, following factual surveys, indicate that modern roads would last almost indefinitely, with a minimum of maintenance, under normal passenger car and light truck traffic. But they simply can't stand the beating given them by the behemoths of the highway.

The Chicago Tribune has this to say: "We have no grudge against the trucking industry . . . All we expect is that it pay taxes sufficient to build the heavier highways that its trucks and trailers require. It isn't doing that now. Roads in this and every other state are being wrecked as fast as they are built, and faster than they can be repaired, and it is the oversize trucks that are doing it."

The trucking industry often calls attention to the large sums it pays in license fees, gasoline taxes, and other levies. But this money makes up a very small percentage of the ever-growing total we are spending on road building, heavier bridge construction and repairs. All the taxpayers are contributing huge sums to subsidize commercial trucking through the construction and maintenance of enormously costly highways of a type normal traffic does not require.

Is it too much to ask the trucking industry to stand on its own economic feet, and pay a fair price for the use of the highways that make its existence possible?

More Meat Is Coming

Meat doesn't go through the packing houses in a constant, undeviating stream. Unlike manufactured goods, the production of livestock is governed by certain natural laws. During the summer, supplies are ordinarily less plentiful than in other seasons and fewer animals are marketed by farmers and ranchers. The decline, in a supply and demand market, is reflected in high prices paid for livestock and in an increase in some wholesale meat prices. This summer, however, prices generally are well below the peaks that were reached last year.

The future outlook for meat, according to the American Meat Institute, is excellent. Supplies during the last quarter of 1949 are expected to run 15 per cent above the summer level. And next year, it is forecast, about 1,000,000,000 more pounds of meat will be available than in 1949. This will give the average American consumer 150 pounds of meat, as against 146 this year.

The Institute also says that expanded livestock production seems probable for the decade of the 50's, barring serious drouths. The factors are favorable—yields of feed grain are high, there may be much surplus wheat for feeding, pastures have been improved and producers have achieved a greater all-around efficiency. This is consistent with desirable national policy goals, since livestock contributes to soil building and improved land use, better nutrition, less dependency on foreign outlets for a market for grain products, and serves as a cushion against food shortages.

The American diet is largely built around meat. Those whose business is to make it available to us are doing a fine job.

Confounding Their Enemies

Speaking at the Edison Electric Institute's 17th annual convention, the chairman of the Securities and Exchange Commission said that the electric utilities today are "incredibly stronger and healthier" than they were 10 years ago.

That, in the light of the history of those 10 years, is a remarkable achievement.

The utilities went through a great war, in which demand for power reached vast proportions, it was extremely difficult to get capable personnel, and strict priorities on materials were a barrier to new construction. Yet every demand for electricity was met, and neither war production nor civilian or agricultural production was delayed a single minute for lack of power.

Other industries were in the same boat due to war conditions. But the private electric utilities have been the outstanding target of the socialistic snipers.

In the face of all difficulties, the utilities have the greatest expansion program in their history now underway. Service was never better. Within a relatively short time there will be a wide safety margin between potential supply and actual demand. And, in about two years, practically every farm in the country will have central electric service available, if it wants it.

Free industry makes a nation great and keeps it great.

Elsmere Youth Injured Saturday In Accident

Was Operating Dirt Loader on Richardson Road.

Joseph Conley, 26, Garvey Avenue, Elsmere suffered body injuries and a laceration on the head, while operating a dirt loder for the Marshall Construction Co., of Florence, on Saturday of last week.

According to reports, Conley was filling in over a basement wall and his machine was driven too far over the wall and tipped up, pinning the operator between the seat and a large steel beam. He was held in this position for several minutes before he could be released by a truck driver who was nearby.

He was rushed to St. Elizabeth Hospital, Covington, where it was discovered he had three broken ribs, several bruises and a large cut on the head. His condition is reported as good, and he will soon be able to be back at his post with the construction company.

Covington Man Burned Severely In Gasoline Explosion

While Working On Beaver-Big Bone Road Last Friday.

Robert Deck, 33, of 1221 Pike St., Covington, received second degree burns on his arms, face and head last Friday while employed as a laborer by L. E. Bergin, contractor, also of Covington, who has the contract on the Beaver-Big Bone road in Boone County.

Deck was reported to have started a small gasoline motor, and as he was leaving, the gas tank exploded, throwing burning gas on his body and clothing. He ran to a nearby creek and jumped into the water to extinguish his clothing, but had been severly burned on the arms, face and head.

He was rushed to St. Elizabeth Hospital, Covington, by State Patrolman Miller and R. L. Rouse, where he was treated for second degree burns. His condition at present is reported as fair.

Four-H and Utopia Fair Scheduled For August 12th and 13th

Boys and Girls Urged To Make Exhibit in Each of Projects Enrolled.

The seventeeth annual Boone County 4-H and Utopia Fair will be held at the fairgrounds in Burlington on Friday and Saturday, August 12-13, according to Bill Davis, County Agent.

Exhibits can be made in all 4-H club projects for both boys and girls. Boys projects exhibits will include corn, tobacco, vegetables, hogs, sheep, dairy cattle, beef cattle, poultry and rabbits. Girls' project exhibits will include sewing, canning, foods and room improvement. All 4-H boys and girls are urged to make an exhibit in each project in which they are enrolled.

Utopia club exhibits can be made in corn, tobacco, vegetables, poultry, sewing, canning and landscaping.

Open class exhibits will include all of the above mentioned classes and twenty-eight rings of horses and ponies in the horse and pony show and a team pulling contest.

An important ruling in the dairy classes was adopted this year. All cattle exhibited in 4-H and open classes must be tested and certified free of Bangs disease within 30 days preceding the show or furnish proof of calfhood vaccination.

Registration of exhibits will be made from 9:00 a. m. to 12:00 Friday morning. Exhibits will remain until 4:00 p. m. Saturday. Horses and ponies may enter classes any time before the show and may leave immediately after the show. The schedule of activities will be as follows:

Petersburg Meetings To Begin August 3

Rev. Barnard Edwards

A special evangellstic effort to continue ten days will be begun at the Petersburg Christian Church on August 3 with the Rev. Barnard (Barney) Edwards of Mayslick as the evangelist.

Mr. Edwards, pastor of the Mayslick Christian Church, is a Virginian by birth. He was graduated from Lynchburg College in 1937 following which he studied for one year in the Divinity School of the University of Chicago. At present he is continuing his studies at the College of the Bible in Lexington. He has held pastorates with Christian churches in Blacksburg, Narrows and Bristol, Virginia.

An excellent baritone soloist, Mr. Edwards will sing each evening in addition to bringing the message. The pastor, the Rev. Claude MacDonald will be in charge of the song service each evening beginning at 7:30.

Elimination Series In N. Ky. Semipro League Begins Sun.

Final Games Played Sunday; Burlington Victors Over E. & W

A three and out elimination series will begin this Sunday in the Northern Kentucky Semipro Baseball League with the following schedule on tap:

Burlington at Visalia.
Bruns Jug at Sandfordtown.
E. & W. at Pleasant Haven.
Rock Bar at Hilltoppers.
State Realty at Silver Grove.
Newport at Charlie's Cafe.

In the final games of the regular season last week Sandfordtown trimmed the league leading Charlie's Cafe outfit 4-1; State Realty won over Visalia 7-4; Newport beat Pleasant Haven 9-5 and Silver Grove beat Hilltoppers 11-3.

In an exhibition contest Burlington showed unexpected all-around play in plastering a good E. & W. team by a 11-4 score at the local park. Paced by the slugging of Jim Ryle who had two triples and a single and the steady pitching of E. Deck, Akins, Woods and Vallandingham, the local team was never in danger. Deck and Akins allowed three hits each in three inning stints, Woods gave one hit in two innings and Vallandingham allowed one hit in one round. Deppenbrock, Crone and Shultz worked on the hill for the E. & W. outfit.

Double Bill Slated In "Outlaw" League At Burlington Saturday

The Boone County "Outlaw" League will treat fans to a double-header at the Burlington ball park Saturday, July 30.

In the opening game Charley Pepper will bring his Hebron club to grips with the slumping Bullittsville Tigers. The Tigers are expected to give the "Hot Peppers" a close contest, according to manager John Whitaker. The Tigers have dropped two close decisions to the All-Stars 3-2, and 4-2.

In the second game of the twin bill, 2the Bullittsburg All-Stars tangle with the Burlington leftovers. The All-Stars are riding the crest of a two-game winning streak and are favored over the newly organized Leftovers.

Bill Holliday, with two victories under his belt will serve them up for Bruce Campbell's squad. Walter Brown hasn't announced a hurler as yet, but promises to give the Stars a good game.

Some of the following stars will see action in the fun-fested classic: Joe Pepper, Jack Ligon, "Peg" Wilson, "Top" Porter, Phil Yelton, Bruce Campbell, McGlasson and other topnotch performers.

Petersburg Holds League Lead By Defeating Sand Run

Union-Hebron Split Twin Bill; Second Game Goes Fifteen Innings.

Petersburg held on to their league lead in the Boone County Saturday Afternoon League last week when they won a six to two victory over Sand Run at the winner's park. The league leaders paced by L. Deck and Carver with three hits each had little trouble in hanging up the win. D. Deck was on the mound and held the Sand Runners to 12 scattered bingles. Judy and Smith formed the losing battery.

Union-Hebron Split

Union and Hebron split a league double header at Hebron Saturday when the home team won the opener four to three and Union took the final four to one in a fifteen-inning thriller.

In the first game Hebron had four runs, 11 hits and two errors and Union had three runs, eight hits and two errors. Gillette and Hogan formed the winning battery with Vest and Bauman doing the pitching and Moore the receiving for the losers.

The second game went fourteen innings without a score when Check Ryan of Union and Measner of Hebron hooked in an airtight pitching duel, but in the top of the fifteenth Hebron pushed over a tally that appeared to mean victory but the visitors came back in the final half of the inning and scored four runs. The big blow of the winning rally was a triple by Hayes with two mates aboard. Ryan gave up seven hits and fanned 13 and Measner allowed 11 hits and struck out 11.

Breed Heifers Only When Well Developed

Dairy heifers should be well developed before being bred, and the age of breeding will depend somewhat on their size, according to dairymen at the Agricultural Experiment Station, University of Kentucky.

Jersey and Guernseys, if well developed, may be bred at 15 or 16 months of age and the larger breeds at 18 to 20 months. If a heifer is small, let her grow another two months before breeding.

Within each breed the larger cows are the more profitable, it is noted. Heifers should be well developed and grown out to make good replacements.

Camp Ernst Will Open Girls' Period August 2

Today the Covington Optimist Club will be guests of the camp and will engage the Jr. Optimist Boys in the traditional baseball game.

The girls camp will be under the direction of Miss Martha Bunch.

Bob & Gene Verona and Belleview Take KAG Games Sunday

Grants Lick Suffers Set-Back At Hands of Bob & Gene by Score of 8-2.

Bob and Gene's red-hot nine in the KAG baseball league kept their league winning streak going last week when they trimmed the second place Grants Lick nine 8-2 at the loser's park. The loss knocked Grants Lick out of a chance to win the league title and served as a warning that the Bob and Gene outfit will be tought in league elimination contest coming up after one more week. Reibling pitched for Bob & Gene and Nagel and Smith tossed them up for the losers.

In other league games Belleview got back to winning ball with a 11-0 plastering against Walton. Lenhoff, Belleview moundsman, was the big noise both offensively and on the hill. Verona was hard pressed to get out with a 3-2 win over Constance. Falmouth defeated Gallatin County 11-0 and Aetna won over Queen City 9-1.

In the game between Verona and Constance, Urlage was on the hill for Constance striking out 4, walking 2 and allowed 8 hits. Ryan and Steffen served them up for the winners, allowing but four hits and struck out 11 men. Bauman was credited with driving the winning run across the plate for Verona when he singled in the tenth with a man on second.

Bullittsburg Trounce Bullittsville By 4-2 Count

In a closely contested game Saturday, Bullittsburg Stars defeated the Bullittsville Tigers 4 to 2. Bullittsburg had 9 hits and 4 runs, while Bullittsville had 7 hits and two runs.

Both Holladay for the Stars and Pepper for the Tigers were in good form with the former having 8 strikeouts while the latter had nine.

McGlasson contributed the fielding feature of the day making a circus catch after a long run of D. Patton's bid for a double. Ligon again led the Stars in the hit column while M. Moore with two singles was tops for the losers.

Batteries: Bullittsburg, Holladay and Campbell; Bullittsville, Pepper and Pelly.

Cottage Prayer Meetings Planned

The Bullittsburg Baptist Church in preparation for their revival will have cottage prayer meetings beginning Monday, August 1 at Mr. Mark Holladay's home; Tuesday, August 2 at the home of John Sutton; Wednesday night, August 3 at the church and remaining two nights will be announced. All Sunday School teachers are urged to bring a written prayer list to these meetings.

These services will begin each evening at 8:00 p. m.

Burlington Splits Double Bill With Pleasant Haven

Ivan Gulley On Hill For Burlington in Final Game, Allowing Only Five Hits.

Burlington and Pleasant Haven divided their double bill at Pleasant Haven with the home team taking the first game six to five and Burlington the final four to three. Both games were close and well played. E. Guillon and McKinney formed the winning battery for Pleasant Haven with Smith and Gulley pitching and catching for Burlington in the opener.

Ivan Gulley let the home team down with five scratch hits hits, fanned 14 and didn't allow a bingle until the fifth inning in the second game. C. Guillon pitched for the losers and gave up seven hits.

J. Gulley led the Burlington attack in the opener with a four for four day including a double. C. Guillon had four for Pleasant Haven. In the second game Guillon was again the big noise with two hits and Stewart had three for the winners.

Results of the Constance-Big Bone tilt were not known but it was unofficially reported that Constance won. Belleview and Florence were rained out.

Next Week

Burlington at Petersburg.
Belleview at Hebron.
Constance at Sand Run.
Florence at Big Bone.
Pleasant Haven at Union.

Bullittsville Homemakers Reminded of Basket Dinner

Bullittsville Homemakers are reminded of the basket dinner and picnic to be held at the home of Mr. and Mrs. Earl Souther, Sunday, July 31st. It will also celebrate the Souther's silver anniversary.

August Best Month For Sowing Alfalfa

The best time to sow alfalfa in Northern Kentucky is Aug. 5 to 20, and in Southern Kentucky, Aug. 15 to Sept. 1, according to a circular of the College of Agriculture and Home Economics, University of Kentucky. Land should be prepared as long as possible before sowing.

For best alfalfa production, liming is needed in a large part of the state. At the Experiment Station Farm at Lexington, two tons of limestone to the acre increased the yield of hay from 3,239 pounds to 5,804 pounds to the acre a year. Four tons increased the yield to more than three tons of hay to the acre. Outside of the Bluegrass region, it may be necessary to use phosphorus.

When good growing weather prevails, six or seven pounds of seed to the acre will do on a perfect seedbed; 10 or 12 pounds are considered better.

The circular, "Growing Alfalfa in Kentucky," may be had from offices of county or home agents, or from the college, Lexington.

"Donnie" Kirkpatrick, son of Mr. and Mrs. Donald Kirkpatrick was ill several days this week.

Cincinnati Man Beaten, Robbed By Companion Friday

George Parker and Son Left In Woods on Walton-Beaver Road.

George Parker, of Cincinnati, was beaten and robbed by a companion in a woods on Walton-Beaver Road, Friday night, and left in the woods by the attacker.

According to Sheriff Rouse, Parker, his 13-year-old son and Lee Hutchinson, all of Cincinnati, left the Parker home for the woods on Walton-Beaver road, where they planned to try out some coon dogs owned by Parker. Hutchinson had asked to purchase the dogs and had requested the try out.

While walking through the woods, Hutchinson suddenly slugged Parker, knocking him to the ground, then kicked him several times in the face, according to Sheriff Rouse. Hutchinson took $1.65 in money from Parker and a watch valued at $75.00 from his 13-year-old son. The attacker then left the father and son in the woods, returning to Cincinnati. The victim and his son walked to Walton following the incident.

Sheriff Rouse stated that the victim of the assault could give no reason for the attack.

Parker signed a warrant for the arrest of Hutchinson charging him with assault and battery with intent to kill and rob. Hutchinson was arrested by Cincinnati authorities Saturday, and refused to waive extradiction papers. Sheriff Rouse will obtain papers from the Governor of Kentucky and Ohio and will return him to Boone County this week.

Officials of Saturday League Will Meet Aug. 1

There will be a meeting of managers and officials of the Boone County Saturday Afternoon Baseball League Monday evening, Aug. 1, at the courthouse in Burlington, according to Robert Eads, league president. The meeting will begin at 8:00 p. m.

All managers or their official representative must be present at this important meeting, Mr. Eads stated. Several items of importance, including plans for elimination series, will be handled at the meeting.

Mrs. Annie Denny

Mrs. Annie Denny, 72, died Wednesday of last week at her home, Bluegrass Avenue, Elsmere. She had been a resident of Elsmere for the last 21 years and was a member of the Elsmere Church of Christ.

She is survived by two daughters, Mrs. Bertha Isaacs and Miss Lula Denny; two sons, Davis Denny and Charles Denny; five grandchildren and two great-grandchildren.

Funeral services were held Saturday at 2 p. m. from the Tallaferro funeral home, Erlanger with Rev. J. R. Ensign, pastor of Erlanger Church of Christ officiating. Burial was in Florence Cemetery.

One Hundred Attend Field Meeting, Tuesday

Pastures Grass Discussed By College of Agriculture Specialists.

Approximately 100 persons attended the dairy and pasture field meeting held at the farm of Robert Youell, Tuesday, July 19th.

The group had an opportunity to see the excellent Jersey herd of Mr. Youell's that average 425 pounds of butterfat for the past 5 years. The majority of the discussion by Mr. Johnstone and Mr. Foster dealt with the importance of having luxuriant, long growing pastures, in a livestock farming operation. Various pasture grasses such as bluegrass, orchard grass, timothy, red top and Ky. 31 fescue were discussed along with the legumes like lespedeza, alfalfa and ladino clover.

Mr. Johnstone strongly recommended the heavy feeding of pastures with both manure and commercial fertilizers, the addition of abundant legumes to pasture mixtures and early mowing of pastures to keep down weeds and keep the grasses palatable and tender for a longer period.

The Boone County Bankers' Association served refreshments after the meeting and presented Mr. and Mrs. Youell with a beautiful table lamp in appreciation of their wholehearted cooperation in the meeting.

Conservation Conversation

By J. C. Acree

Municipal and Roadside Parks

The Northern Kentucky Chapter of the Soil Conservation Society of America held its annual picnic at Mt. Airy Park, recently.

Cincinnati is to be congratulated on the development of the park. It consists of thirteen hundred and forty-four acres. There are several miles of blacktop roads, twenty-one miles of trails, seventeen picnic areas, four hundred and thirty-nine picnic tables, seventy-nine camp stoves, drinking water, swings and almost anything that is needed for an outing. About the only criticism that could be made of the area is that several small ponds or reservoirs would be advisable so water would be available for birds and small animals.

Over a million five hundred thousand trees have been planted in this area and of course there was equally as many native trees. One can hardly realize that this area had been eroded land. The glaciated soil lying above the lime rock formation is deeply gullied but the leaves and twigs that have fallen from the trees have made a protective moss over this area and water is absorbed and held back.

Mr. J. A. Gibbs, Regional Forester of the Soil Conservation Service gave an interesting talk on parks and their value to the community.

It was suggested that the society sponsor the building of one or more roadside parks in Northern Kentucky. We are fortunate in Boone County by having a roadside park on U. S. 42 near Beaver. The highway department is at present doing a great deal of work on it.

Members and guests present at the Mt. Airy picnic were: Julian M. Dyer, Mr. and Mrs. David Clarke, Mr. and Mrs. Richard Morris, Mr. and Mrs. W. E. McGaughey, Mr. and Mrs. Ansel McCord, Mr. and Mrs. Hubert Odor, Mr. and Mrs. J. Stark Davis, Mr. and Mrs. I. V. Steger, Mr and Mrs. K. R. Black, Mr. and Mrs. W. R. LeGrand, Mr. and Mrs. E. J. Noffsinger, Mr. and Mrs. Dawson Lanter, Mr. and Mrs. J. C. Acree, K. Keith, R. C. Johnson, T. E. Richmond, Loretta Spilman, Mrs. T. H. Ford, Mrs. Frank Clarke, Mrs. Raymond Odor, Edith Odor and Alfred Richardson.

The next meeting will be held in late August at Warsaw, Ky., and the farm editor of The Courier-Journal will be asked to deliver the luncheon address.

When is a fool?

The story is told of a king's fool whose job was to entertain the royal family. He was given a staff and told to keep it until he met a greater fool than himself. One day the king was taken suddenly ill. He became weaker and weaker. The fool came to the king's bedside.

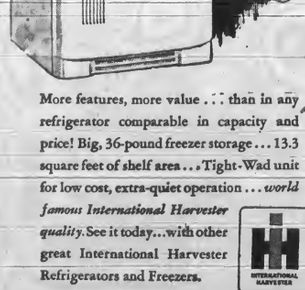
"Alas," cried the king, "I am going on a long journey."
"Where is my lord going?" asked the fool.
"Ah," sighed the king, "I do not know."
"And when will the king return?" asked the fool.
Said the king, "I shall not come back."
"And has my lord prepared for that journey?" asked the fool.
"Alas . . . I have not . . . and I am afraid," cried the king.
As the fool knelt by the bedside he slipped his staff into the king's hands. "My lord," he said, "thou art a greater fool than I, for you are going on a long journey from which you will never return and you have made no preparations." -

A man is a fool when he neglects to prepare for his eternal destiny. The life is so crowded with duties and activities that it is very easy to forget about eternity. But eternity is ahead, and everyone must take that long, long journey . . . into eternity!

How wonderful it is that God has pointed out just how to prepare for this long journey. God has spoken through His Son, Jesus Christ, and Jesus said, "I am the way, the truth, and the life: no man cometh unto the Father but by me."

To miss Him is to miss salvation—to miss Him means that you are unprepared for that journey into eternity.

The reason Jesus is the way is that God judged Him for the sins of the world—for your sins. The moment you believe in your heart that Jesus died for you, and accept Him as your Saviour, you are saved.



"How shall we escape if we neglect so great salvation?"

Here's what Professor Emil Truog of the University of Wisconsin, one of our foremost soil scientists, has to say about soil liming:

"About three-fourths of the cultivated land in our humid regions needs lime. What would happen if farmers stopped applying it? Just this: Yields on lands where more than half of our agricultural crops are now produced would start to go down. For a few years we would not notice the decline very much. In a decade it would become quite pronounced. In 30 years or so the yields might be cut in half; in 50 years the result would certainly be hunger and disaster. And not only would harvests drop; control of soil erosion would become increasingly difficult."

Make liming a regular part of your farm program. Lime a part of your farm each year. It costs so little and the returns are high.

WOMEN CHANGING NAMES THROUGH MARRIAGE SHOULD APPLY FOR NEW S. S. CARD

Women who expect to be employed in canning factories this year should obtain new social security cards now if their names have been changed by marriage since their original cards were issued, Edward J. Betts, Field Representative of the Covington, Kentucky Social Security Administration office, suggested today.

"Each year, when the canning season starts, we receive hundreds of urgent requests to issue new social security cards for women who have either lost their old ones or have changed their names," Mr. Betts said. "It takes from four to eight days to locate the correct number so that we can issue a new card. This causes inconvenience to the employees, so some of the canning plants prefer not to hire workers until they have social security cards, or delay payment of wages."

Mrs. Betts recommended that persons who have lost their social security cards, or who have changed their names, should write or call at the Social Security office in the New Post Office Building in Covington and apply for their new account number card well in advance of the time they plan to start working.

NOTICE TO CLEAR COUNTY RIGHT OF WAYS

Under Kentucky Revised Statutes Section No. 179.220 the law requires every owner and manager of lands bordering on the public County roads to clear away and carry from alongside the roads, all bushes, weeds, shrubs and overhanging limbs of trees and other obstructions, and keep all hedge fences along the road so trimmed that they at no time will become more than five feet high.

The Fiscal Court of Boone County, Kentucky, has entered an order for the clearing of right-of-ways as many roads in the County can not be properly maintained under present conditions, also many accidents are caused by this roadside obstruction.

The cooperation and assistance of all land owners and managers of lands bordering on the County roads will be very much appreciated.

—BOONE COUNTY FISCAL COURT.

IN MEMORY

Of my mother, Mrs. Emma Freeman on her 82nd birthday, July 28. God seen her way she growing frail,
Her eyesight growing dim,
And so He sent an angel down
To bring her home to him.

So I will live in quiet faith
Until some morning fair,
He will send an angel down again,
And I will join her there. 11-p

Sadly missed by Daughter Jo.

CARD OF THANKS

I wish to take this means of thanking everyone who helped and offered to help in my trouble at the Geo. Rouse Bridge, last Wednesday. 11-pd

Heavy Vote Expected In Boone County Primary Saturday

Interest Increasing As Primary Date Nears, According To Reports.

Predictions are for a heavy vote in Boone County in the forthcoming primary election Saturday, August 6th, when voters will select county officials for the next four years. Offices to be voted upon at the primary are County Attorney, County Court Clerk, Sheriff,, Jailer and Magistrates from the second and third districts.

Reports from various sections of the county indicates that the "political pot" is beginning to warm up, and that interest in the various races is on the increase. With increased interest in the various races, it is belived that a heavier vote will be polled than was anticipated several weeks ago.

It is the duty of every registered voter to go to the polls Saturday, weigh each candidate seeking office and cast his vote for the one he believes will fill the office most efficiently, and to the best interest of the county as a whole.

All candidates in the various races are urging a large turnout on election day.

Ballots will be counted Saturday evening, and complete returns will be announced by precincts, as they are counted, over an amplifying system which is being furnished by R. P. Coleman, Real Estate and Auction Agency, of Florence. The system will have sufficient volume to carry through the entire town, it was announced. This courtesy will be appreciated by those visiting the county seat for final election returns.

Mrs. Lucy E. Ryle

Mrs. Lucy E. Ryle, 73, well known former Burlington woman died Tuesday morning at her home 111 Hulbert Ave., Erlanger, after an extended illness.

Mrs. Ryle was a native of Boone County, having moved to Erlanger two years ago. She was a member of Erlanger Baptist Church.

She is survived by her husband, John W. Ryle; 1 son Wallace C. Ryle; two grandchildren; 1 sister, Mrs. Arch Rouse, Boone County; one brother Irvin Rue, Norwood, O.

Funeral services will be conducted this afternoon (Thursday) at 2:00 p. m. from the Burlington Baptist Church with burial in I. O. O. F. Cemetery, Burlington.

Philip Taliaferro, Erlanger funeral director is in charge of arrangements.

Mrs. Louisa Newton

Funeral services were held at 2:00 p. m. Friday at the Chambers and Grubbs funeral home, Florence, for Mrs. Louisa Newton, who died Wednesday at Booth Hospital, Covington, after an illness of several weeks. She was 82 and a member of the Methodist Church.

Mrs Newton is survived by one son, George Newton, Florence.

Many Classes Offered Exhibitors In 4-H-Utopia Fair

Team Pulling Contest Will Be Open To World; Catalogues Printed.

The Boone County 4-H and Utopia Fair will be held on Friday and Saturday, August 12th and 13, according to Bill Davis, County Agent.

Many classes are offered for exhibitors and catalogues may be obtained at the County Agent's office or in local stores. A complete premium list published in this issue of The Boone County Recorder lists all classes.

An important change has been made in the rules for the dairy show. This year all dairy entered must be tested and certified free of Bang's Disease or furnish proof of calfhood vaccination.

The team pulling contest this year will be open to the world. The statement in the catalogue pertaining to the team pulling contest, limiting entrants to Boone County is in error.

Four-H members may exhibit in all open classes as well as 4-H classes, it was announced.

Admission to the fair this year will be 50 cents for adults and 25 cents for children under 16 years. Only one charge will be made each day. Four-H members will be admitted free.

Bullittsburg Revival Dates Announced

Rev. R. A. Johnson

Revival services will begin at the Bullittsburg Baptist Church Monday night, August 8th and will continue through Friday night, August 19th, it was announced this week.

Rev. Roy A. Johnson, pastor of the Burlington Baptist Church will be the evangelist and Rev. E. Lionel Patton will direct the song service.

Services will be held each evening at 8:00 p. m. The public is cordially invited to attend these services.

National Air Show Planned At Local Airport Aug. 27-28

One Hundred Fifty of World Famous Pilots Will Participate.

The Nation Air Show planned August 27 and 28th at the Greater Cincinnati Airport, Boone County, will probably attract one of the largest crowds to this section in many years.

Members of the Northern Kentucky Chapter of the National Aeronautic Association have pledged cooperation in making the show a success.

Robert M. Isenberg, manager of the airport reports this will be one of the greatest shows held in this section of the country and might even exceed the annual National Air Races held at Cleveland.

The show will be in charge of Bill Sweet of Cleveland, and will be composed of pilots from three air branches of the armed forces. Approximately 150 of the world's most famous pilots are expected to take part in the event.

Planes to be used in the show will be Army Aqua Jets, the Navy Blue Angles and the Marine Air Force in attendance and participating. There will be a 10,000-foot delayed parachute jump with the Navy Constitution taking part.

Ten gates and entrances to the airfield are being built and that extensive plans are being made for the show.

The Navy will exhibits a jet plane known as the "Bear Cat" which attains a speed of 500 miles an hour and which will climb 10,000 feet in 100 seconds.

Retirement Surprise Party Given Burlington Man Sunday Afternoon

John Holbrook, retired Burlington government employee, was completely surprised Sunday afternoon, when a group of former fellow-workers gathered at his home for a surprise retirement party.

Mr. Holbrook was attending a baseball game when two of the group called and hustled him to his home, where he found a large group assembled to celebrate the day. The American flag and the engineers flag was flying in his yard when he arrived home.

Fellowworkers and their families present to enjoy the day were Mr. and Mrs. Clyde See and family, Mr. and Mrs. Granville Bondurant, Mr. and Mrs. Raymond See and family, Mr. and Mrs. James Bailey, Sr., Mr. and Mrs. James Bailey, Jr., and family, Mr. and Mrs. Robert A. Bailey and daughters, David Bailey, Jan N. Hartford, George M. Burnside, all of Rising Sun, Ind.; Mr. and Mrs. John Woods, of Bromley; Mr. and Mrs. John Hempfling, of Constance; Mr. and Mrs. H. Appel, Mr. and Mrs. Merle Coxson, Earl Kitchen, Bill Carroll, Arthur Stratemeyer, son and family, of Cincinnati, O.; Mr. and Mrs. Eugene Frodge, Manchester, O.; Mr. and Mrs. Clyde Steelman, Taylorsport; Mr. and Mrs. Wm. Shedeman, Chilo, O.; Mr. and Mrs. Frank Kabler, Felicity, Ohio; Mr. and Mrs. Geo. Golnes and family, Sayler Park, O.; George F. Matt, James Matt, Beatrice Matt, Robert S. Brooks, Newport, Ky.; Charles Hund, Henry Klein, Bernice Swrid, of Newport; who furnished the music; Mr. and Mrs. Russell Ryle, Mrs. Nellie Ryle, Mr. and Mrs. R. H. Wilson, Paris C. Kelley and son, Frank Buckler, Mr. and Mrs. Robert Williamson, Mrs. Beulah Philson, of Burlington R. 2; Mr. and Mrs. Wilbur Dennison, of Hebron; Mrs. James Kelly, Mr. and Mrs. Raymond Holbrook and family, Mr. and Mrs. Dudley Rouse and family, Mr. and Mrs. John Holbrook and Marie.

The surprise group arrived well prepared for an afternoon of entertainment for the honor guest. The Ludlow string band furnished music throughout the afternoon, and the group spread a delightful lunch on tables which they had prepared for the occasion.

Mr. Holbrook was presented with a beautiful Striet Slumber Chair and other gifts. One of the surprises for the honor guest was the return of his old locker which he had made several years ago.

Mr. Stratemeyer one of the guests is in charge of the repair station at Fernbank during war years, and Granville Bondurant, another guest is in charge of the repair station at Louisville. Clyde See is in charge of work party No. 2 on the Ohio River. There were eighty present for the celebration.

Hudepohl Nine Take Championship In KAG League

By Virtue of Victory Over Bob & Gene Nine Sunday by Score of 2-0.

The KAG baseball league closed its regular season play last Sunday with the Hudepohl team as winner with 12 wins and two losses. The Hudepohls won their final game and the league championship by virtue of a 2-0 win over Bob and Gene. It was a pitcher's duel all the way with Gordon Kinney on the mound for the winners and Dutch Reibling for Bob & Gene. Kinney allowed only seven scattered hits the nine goose eggs he handed the losers ran his string of scoreless innings to 25.

Reibling gave eight hits, struck out three and walked three for the losing cafemen.

Grants Lick took second place in the league with a record of 11 wins and three losses. They trimmed Constance by a 11-0 count Sunday.

Verona took over third place in the final standings with a 10-3 record by beating Gallatin County 16-2 at Verona. Bill Mumm tossed the winner for Verona allowing only 7 hits and striking out 10 batsmen. Verona collected 22 hits off the offerings of Dalton and Moore for the losers. Bauman and Brown led the attack for the winners while Boots led the attack for Gallatin County.

Belleview lost to Schoenling Beers by a 7-5 score at Belleview. Goesch-en pitched for the winners and Lenhoff was on the hill for Belleview.

Walton lost to Aetna Oils by a 18-5 score. Ryan, White and Dempsey pitched for Walton with Teetz on the hill for Aetna.

Elimination play in the KAG will begin Sunday. The first round drawing has not been announced as yet.

Bob & Gene will play Grosback at the Covington ball park Wednesday night at 8:15 p. m. This is the first game of the elimination series. Ray Mingery will be on the mound for Bob & Gene.

Co. Health Nurse Resigns Position

Miss Elizabeth C. Lowry, Boone County Health Nurse for the past ten years, tendered her resignation to this position in a letter to Judge C. L. Cropper, dated July 30, 1949, effective immediately.

Miss Lowry has served as Boone County Nurse for the past ten years, and has filled this position in a splendid manner, assisting in the welfare of many families in practically every community of the county.

Her letter in part, follows:

"Due to the serious illness of my sister Mrs. Allen Bratton, of Princeton, W. Va., I am resigning my position as County Nurse in Boone Co. I am doing this with a great deal of regret, as it was a pleasure to work in Boone County."

Miss Lowry was at the home of her sister in Princeton, W. Va., at the time the letter was written, and expects to remain there until the condition of her sister is much improved.

Mrs. Bess Rouse was shopping in Cincinnati last Tuesday.

Patton-Grant

Miss Mary Jo Patton, of Ider, Alabama became Mrs. Chester Grant, Jr., on June 4th in the Ider Baptist Church. Their vows were pledged before a background of fern offset by baskets of white gladioli and candelabra of white tapers surrounding the altar. Rev. E. Lionel Patton, pastor of Bullittsburg Baptist Church, and brother of the bride, officiated with the Rev. J. Wiley Honea, assisting.

The bride was given in marriage by her brother, Mr. Parker Patton. She was gowned in traditional white satin, designed with sweetheart neck and fitted bodice, the full skirt extending into a court train and the sleeves tipped her wirst tiny point. Her fingertip veil of illusion was held in place with a crown of seed pearls. She carried a white Bible topped with a white orchid completed with floor-length satin ribbons.

Mrs. Robert Hitzfield, sister of the groom, served as matron of honor. She wore a gown of pale green net and carried a bouquet of yellow rosebuds.

The bridesmaids were Miss Virginia White, Birmingham, Ala., Miss Corene Young, Mobile, Alabama, Misses Wanda Nobies and Polly Hurtt, of Ider, Alabama. Little Miss Janice Honea scattered flowers in the bridal path and little Miss Martha Gale Williams and Stella Fay Parmer were train bearers. The ring bearers were Master James Adams and Curla Williams, of Chattanooga.

Mr. Bill Patton, brother of the bride served the groom as best man. Ushers were Jack Patton, Bennie Grant, Dub Patton and Jack Everett.

Mr. Grant is the son of Mr. and Mrs. Chester Grant, Sr., of Burlington, Ky. He is connected with McCullough Seed Co., Cincinnati, Ohio. He was graduated from Hebron High School in 1943 and served three years in the armed services in Europe.

Nuptial music was furnished by Mrs. John Bowman with Tommie McCurdy singing "Because." A duet by Miss McCurdy and Miss Laurel Bert Bowman, "I Love You Truly" followed the ceremony.

A reception was held at the home of the bride's parents, Mr. and Mrs. Ernest Patton, immediately following the ceremony. A five-tiered cake centered the bride's table, which was covered with lace. Those serving were Mrs. Brunell Dawson, Mrs. Ernest King, Mrs. Jimmy Williams, Mrs. Marie Williams and Mrs. Jarket Patton. Approximately two hundred guests were served.

Out-of-town guests were Miss Corine Young, Mobile, Ala., Virginia White, Birmingham, Ala., Mr. and Mrs. Bill Patton and daughter, Patsy, University, Ala., Mr. and Mrs. Parket Patton and daughter Billy Jean of Birmingham; Mr. and Mrs. Lionel Patton and Mrs. J. W. Boyd, of Louisville, Ky.; Mr. and Mrs. Wilbur Gray, of Burlington, Ky.; Mr. Jack Ligon and Miss Margaret Pepper, of Burlington, Ky.; Mr. and Mrs. J. P. Haley and son Jimmy, of Birmingham; Mrs. Chester Grant, Sr., and Bennie Grant, of Burlington, Ky.; Mrs. Robert Hitzfield of Lawrenceburg, Ind.; Mr. and Mrs. Haroid Hayes, Fort Payne, Ala.; Mr. and Mrs. Will Austin, Risipg Faw, Ga.; Mr. and Mrs. John York, Birmingham; Mr. Red Hurtt, Jacksonville, Ala.; Walter Wallace, Crossville, Ala.; Beryl and Gerthel Fuller, Mr. and Mrs. Frank Harris, Chattanooga, Tenn.; Mr. and Mrs. Hardeman, Mrs. Bertha Patton and Betty Trenton, Ga.; Mr. and Mrs. Bim Patton, Chattanooga, Tenn.; Dub Patton, Trenton, Ga.; Jack Patton, Howard College, Birmingham, Ala.

After a southern wedding trip in Alabama and Florida, the couple are at home in Burlington, Ky.

Dedication Services Planned By Union Baptist Church Sun.

All-Day Meeting and Basket Dinner Announced By Committee.

Dedication services of the recently completed Union Baptist Church building will be held Sunday, Aug. 7th, according to an announcement released this week.

The new brick structure is complete in every detail, with large auditorium, class rooms, baptistry and modern in every design. The new building is a credit to the town and county in which it is located.

All-day services have been planned, with a basket lunch at the noon hour. Sunday School will begin at 10:00 a. m. with morning worship at 11:00 a. m.

The dedication program will open at 2:00 p. m., with Rev. R. A. Johnson, pastor of Burlington Baptist Church, bringing the dedicatory message.

Invitations have been issued to all churches and the general public throughout the county to attend these services.

Mrs. C. L. Cropper and Mrs. Mae Lassing spent the week-end with Miss Mary Bess Cropper, of Murray, Ky. They returned Monday and were accompanied by Miss Cropper who will spend the next few weeks here.

Revival Services Announced For Belleview Baptist Church Aug. 14-24

"Let Go and Let God" has been chosen as the theme for the revival to be held at the Belleview Baptist Church August 14-24. This series of services will begin with the regular eleven o'clock worship on Sunday, August 14th. The week-day services will begin at 8:00 p. m.

Rev. James Hurt, a native of Louisville, Miss., and at present completing his work at the Southern Baptist Seminary, will be the guest song lader. Rev. Hurt is is a capable leader and a devoted minister.

The pastor of the Belleview Chruch, Rev. Otis Brooks will do the preaching, using the theme as a background idea he will preach from the Gospel of John on the subject "What the Living Christ Can Do For You."

The Belleview Baptist Church extends a most cordial invitation to the people of this area to join with them in these services. The pastor said, "we are anticipating a great meeting and know that all our friends will want to have a part in it."

BAND PRACTICE SCHEDULED

Combined band practice for the Boone County school band will be held at the school auditorium, Burlington, Monday, August 8th at 8:00 p. m. All members of the organization are requested to attend.

The band will furnish music at the 4-H and Utopia fair Friday and Saturday, August 12th and 13th.

Injuries Prove Fatal To Cincinnati Couple In Accident Near Walton

Driver and Niece Killed Instantly When Car and Trailer Truck Collide On U. S. 25 Early Sunday Morning.

Eldon Hansford, 37 of 221 W. 15th Cincinnati, and Betty Lou Stone, a niece and 8-year-old daughter of Mrs Vertus Hansford were killed instantly and three others were injured in a collision between an automobile and an automobile-carrier truck on U. S. 25 near Walton, early Sunday morning.

Mrs. Betty Hansford, 26, wife of Eldon Hansford, and Mr. and Mrs. Vertus Hansford were removed to St. Elizabeth Hospital for treatment.

The accident occurred about two and a half miles north of Walton. The car traveling south, was turned completely around by the impact and was impelled 35 feet off the highway, according to Robert Miller, State Highway Patrolman, who was in charge at the scene of the accident.

The truck, driven by Joseph Roe, of Royal Oak, Mich., continued on its path for 100 feet, then went off the highway. Roe was driving his own tractor and was towing a trailer belonging to the Commercial Carrier Co., Detroit, car transporters.

Eldon Hansford and Betty Lou Stone were thrown out of the car by the impact. Mr. Hansford was found pinned under the left front part of the car. Mrs. Betty Hansford, who was sitting in the front seat, opened the door of the car and stepped onto the highway, then collapsed. Mr. and Mrs. Vertus Hansford, who were in the rear seat, left the car from the side that was torn off and were found unconscious near the machine.

Hospital attendants reported that Mrs. Betty Hansford received severe cuts on her face and legs. Mrs. Laura Hansford, suffered bruises on her face and severe shock. Vertus Hansford, a brother of Eldon Hansford was treated for minor injuries and released from the hospital.

Joseph Roe, driver of the truck, was charged with involuntary manslaughter and was released Monday under $1,000 bond.

Those injured in the car were taken to St. Elizabeth Hospital by the ambulance of Chambers and Grubbs, Walton, and Eldon Hansford and Betty Lou Stone were removed to the funeral home for preparation. The body of the child was shipped to Hazard, Ky., for services and burial, while the body of the man was shipped to Somerset, Ky., for services and burial.

Two Suffer Injuries In Walton Accident Early Saturday

Party Enroute From Dayton, O., to Tennessee For Vacation.

A Dayton, Ohio couple and their son and daughter escaped serious injury early Saturday when their auto was involved in a mishap in Walton, according to reports from St. Elizabeth hospital, where the injured were taken for treatment.

Frank Daniels, wife and two children of Dayton were enroute to Tennessee where they planned a vacation trip. Mrs. Daniels suffered cuts and bruises of the face, possible rib fractures and complete shock. Her head struck the windshield.

Mr. Daniels suffered bruises of the chest, but X-ray examination revealed no fractures. He was treated and released.

No other car was involved in the accident, it was reported.

Petersburg And Constance To Tangle In Saturday League

All Games In League Rained Out Last Saturday.

The feature game of the Boone County Baseball League next Saturday will be first place Petersburg against second place Constance at the Hebron ball park. Another good contest should be Hebron, fourth place, against Sand Run, sixth. The remainder of the schedule shows Pleasant Haven at Florence, Belleview and Union at Verona and Big Bone at Burlington.

No Games Last Week

All games in league play were rained out last Saturday. At a league meeting Monday evening it was decided by league managers that the games postponed Saturday would be played at the end of the season if a tie existed among any of the top four teams.

It was also announced at the meeting that all home games remaining on the Union schedule will be played at the Verona ball field.

Burlington Drops First Game; E. & W. Mark Up Victroy

In First Round of Elimination Play in Northern Ky. League.

Burlington lost their first game in the opening round of elimination play in the Northern Kentucky Semipro Baseball League play last Sunday by a 10-1 score at the hands of Visalia at the winners park. All of Visalia's tallies were scored in the first two innings. After this scoring splurge on some weird defensive play by the locals the Visalia team was unable to score off the offerings of E. Deck, Burlington pitcher. Bishop tossed the winner.

E. & W. Trucks won their round with an 8-3 win over Pleasant Haven at the loser's lot. Schultz and Pund were on the mound for the winners with Gullian pitching for Pleasant Haven. Rouse led the E. & W. attack with three hits, including a double and triple.

Other scores were Bruns Jugs 6 and Sanfordtown, 3, Hilltoppers 4 and Rock Bar 1, Charlie's 5 and Newport 0 and State Realty 3 and Silver Grove 2.

Second Round (Sunday)

Silver Grove at Visalia.
Newport at Hilltoppers
State Realty at Sanfordtown.
Bruns at Pleasant Haven.
Charlie's at Burlington.
E. & W. at Rock Bar.

Farm Debt Shows No Increase In State Says Local Banker

Despite Millions Spent On Farm Improvements; Savings At Record High.

While Kentucky farmers have spent millions of dollars for improvements, soil conservation, and the purchase of new equipment since the war's end, farm debt has made no significant increase; and savings in cash, bank deposits, and United States Savings Bonds are at record levels, according to A. B. Renaker, President of the Peoples Deposit Bank, who represents the Kentucky Bankers Association as a county key banker.

"Kentucky farm families are going through these final months of adjustment from a war to peacetime economy with very little disturbance," Mr. Renaker said. "They are maintaining a sound financial position, and while they are using more credit for improvements and new equipment, their obligations are being paid off in relatively short time, and they are adding to their already substantial financial reserves."

Reporting on the results of a fifth national survey of bank lending made by the Agricultural Commission of the American Bankers Association, Mr. Renaker said that "total farm debt held by the banks of the state at the beginning of 1949 was only about $80,000,000 compared with $69,000,000 on January 1, 1948. In addition to this amount, there are $533,000 in Commodity Credit Corporation loans held by the banks cooperating with the government's farm price support program."

In 1948, the last full year of operation, the 350 Kentucky banks serving agricultural communities loaned $43,424,000 to 100,049 farmers. This represents a total of 42.8 per cent of the farmers in the state. Of the total amount, 60,836 farmers borrowed from the banks to finance production in an aggregate amount of $38,810,000. Of these loans, only $38,253,000 remained outstanding at the beginning of 1949. During the year, there were 16,354 farmers, representing only 6.9 per cent of the farmers in the state, who made farm real estate loans in an aggregate amount of $24,808,000. The prosperity of the farmers is shown by the fact that of these long term debts, only $42,206,000 were outstanding at the beginning of this year. The total bank-held farm debt on January 1, 1949, was $80,459,000.

"The farm mortgage debt in Kentucky remains only about one-half of what it was in a comparable period after World War I," Mr. Renaker pointed out.

Mr. Renaker stated that farm borrowings are usually a reliable indicator of the economic condition of agriculture and that one of the brightest aspects of the present situation is the fact that the average loan per borrower during 1948 for production purposes was only $686, and the average loan made on farm real estate was only $1,505.

"Cash reserves held by Kentucky farmers, which are being consistently increased, are estimated to be sufficient to retire all farm debt," Mr. Renaker said. "However, the farmers are wisely holding the reserves as a safeguard against emergencies and to enable them to buy new equipment and make farm improvements. The big demand for new equipment to replace that worn out during war years appears to have been satisfied. There is a statewide trend among farmers to improve livestock and crops and to practice modern conservation methods and land management. This trend insures a steady improvement in the condition of agriculture for many years in the future."

SCRIPTURE: Psalms 33; 103; 139:1-6, 13-16.
DEVOTIONAL READING: Psalms 139:1-6, 13-16

Thank God for God!

Lesson for August 7, 1949

WHILE the little children are thanking God for birds and bees and oatmeal, let us grown people rise and offer some adult thanksgivings. Reading the Psalms of praise which are this week before us, we get the impression that these poets were grateful above all not for anything God had given but for God himself. Thank God for God! sings through every line.

Dr. Foreman

Suppose there were no God? He is the Creator of all; without him nothing else can be. The picture of time and space, of molecule and atom and electron, the mighty power that holds all together; the emergence of life, of mind, the possibility of thought, of values, whatever is and whatever can be, is because he wills it so. That there is energy in the atom, light in the sun, refreshment in the rain and power in the lightning—that these things can be and that anything can be, we thank God.

• • •

No Unrighteousness in Him

SUPPOSE God were not good? A vast and vicious devil, his immense mind brimming with intelligence and malice, could perhaps have contrived a universe more enormous than this corner of one which is known to us. A creative devil—what pangs he could have invented to torture his creatures!

It may be, indeed, that only on this earth is there rebellion against the Creator, and that elsewhere in God's dominions all is peace. But suppose it were true that all the evil in the world was ordained by some Creative Hatred?—all the goodness in the world only an illusion, a deception?

Suppose it were the intent of some devilish maker of man finally to destroy all his creatures, or worse still, to make every creature long bitterly for death but find none? Let us thank God for God, the God of mercy whose loving kindness endureth forever.

• • •

He Knoweth Our Frame

LET us thank God for his providence. He did not create and then forget us, nor give us so much freedom that we could destroy his majesty or bring to naught his mighty plan. Let us thank God for his infinite love and interest that spares and speeds us, his knowledge of our frame, his remembering even the hairs upon our heads. Let us thank God that being infinite he can have a care for the infinitesimal, and that not a sparrow falls to the ground without our heavenly Father. Let us thank God whose care for us is such that without his knowledge not the least of his creatures can fall asleep.

From death and disaster we and the nation and the world have been saved, time and again. Frail is the craft in which the human spirit is launched through this pathless universe; yet it holds, and will hold, because the universe is there by his almighty decree.

In spite of the chaos of men's unruly wills, in spite of we know not what rebellions in the spirit world, he sees to it that not one good is ever wholly lost.

• • •

Who Redeemeth Thy Life

LET US PRAISE God for his promise and for his faithfulness. That he has not left us to our sins nor given us up though long we scorned him; that his divine patience outlasts the hasty heart; that he spared not his own Son but freely gave him for our sakes; that none who come to him will be cast out; that the God who creates is the God who redeems, we praise him from a heart of love. As the Psalmist of old knew himself as one of the children of the Covenant, so may every man who takes God's promises and makes them his heart's own.

To take this God for my God—this is the beginning and the end of religion. To step out on his promises as on a bridge that stands secure above all the floods of eternity.

To trust his faithfulness though all the race of man were liars; to look down the vista of the years without fear, knowing that the God of our fathers will be the God of each succeeding race, that his mercy is everlasting to everlasting and that his kingdom ruleth over all—this is to know him, and this is life eternal. Thank God for God!

TO THE VOTERS OF BOONE COUNTY

Since this is the final week of the Primary Campaign I wish to take this opportunity to express my sincere appreciation for the many courtesies extended to me during my campaign for the office of County Attorney. I fear there will be some voters that I will be unable to see personally before election day, should this be so, I take this means to earnestly solicit your vote.

It is my sincere wish that all the voters of Boone County go to the polls on Saturday, August the 6th and exercise their franchise by casting their ballot for the candidate of his or her choice.

When a kitchen is Practical and Pretty

Of course – it's Electric!

Yes, you'll find the most modern and attractive kitchens in town are electric. And being electric, they're tops in work-saving convenience.

The step-saving electric refrigerator, with its ample space for fresh and frozen foods . . . the automatic electric range that cooks whole meals all by itself . . . and the electric sink and dishwasher make meal-getting a pleasure instead of a chore.

Some day you'll have a dream kitchen of your own—and it will be electric, of course. We'll gladly help you plan it and show you how you can build it step by step.

Florence

Rev. S. J. Bradley is conducting a revival at Big Spring, Ky., near Louisville.

Mrs. W. R. Miller entertained a niece, Miss Nita Paul Renaker, of Covington, the past week-end.

Mrs. S. J. Bradley and Mrs. Robt. Myers were hostesses recently at the home of Mr. and Mrs. John Baucom of Richwood with a delicious birthday dinner, the honor guests being Mrs. W. R. Miller, Mrs. Baucom and Rev. Bradley. A feature of the occasion was the traditional birthday cake which was delicious and beautiful. Numerous gifts were received by the celebrants and we join in wishing them many happy returns of the day.

Information was received by Geo. B. Miller, Mrs. Madge Holding and Mrs. Mattie Griffith of the passing of their sister Mary in California. Mrs. Holding and Mrs. Griffith departed by plane to attend the funeral service. Sympathy is extended the family.

Mrs. Harry Daugherty has as house guests, her mother, Mrs. Jas. Karrick and sister, Miss Louticia Karrick, of Salt Lick, Ky.

Carl Foltz and sons are owners of a new Allis-Chalmers combine.

Miss Loraine Utzinger spent several days recently with her aunt, Mrs. John O. Richards and Mr. Richards, of Covington.

Mr. and Mrs. Frank Stahl and Mr and Mrs. Will Ainsle and daughter, of Cuttat, IN., are visiting the J. T Stephenums and other relatives here

Ed Evans, of Hebron, Chas Luchte, Edgar Utzinger and Cam Kennedy attended initiation ceremonies at the Masonic Temple Covington for several candidates from the Lakeula Lodge

Mrs. Hiratt Spaulding, who is spending the summer with her parents, Mr and Mrs. Ben Carpenter is visiting with her husband in Daytona Beach, Fla

Mrs. Leslie Rose has returned from St. Elizabeth Hospital and is recovering nicely

Mr. and Mrs. Harry Tanner and Mr. and Mrs. Bruce Easterday and son were guests of Jack Busby and wife, of Hamilton on Sunday of last week.

The "Evening Circle" of the W. S. C. S. of the Florence M. E. Church are very grateful to all who contributed to the success of their lawn fete on Friday evening.

Dr. O. W. Robinson was transacting business in Maysville, one day last week.

Mrs. Bruce Easterday entertained with a plastic party on Friday evening.

Mr. and Mrs. Cam Kennedy attended the L. & N. Railroad Veterans picnic at Kenton Lakes on Saturday. Due to the inclement weather the picnic will be repeated on Friday, Aug. 5. All employees of the L. & N. Railroad and their friends are invited.

Mr. and Mrs. Clayton Brown, Jr., have purchased the new home on the former Cahill property owned and recently completed by C. A. McKibben

We regret to report that Kenneth Stamper has been ill quite some time and was recently in a hospital for observation. However, we all hope he will soon be on the road to recovery.

The "Day Group" of the Women's Society of the Florence M. E. Church will meet in connection with the "Evening Circle" at the church on Tuesday evening, Aug. 9 at 8:00 p. m. Mrs. W. E. Parks, Covington district president will be the guest speaker.

A. P. Renaker was visiting relatives in Florence on Sunday

Miss Alma Middendorf, who has been spending her summer vacation with Alma Schwinnid and Mrs. Sophia Biedenhorn and family has returned to her home in Atlanta, Ga.

Miss Mary Catherine Aylor, daughter of Mr. and Mrs. Guy Aylor, of Goodridge Drive is enjoying her summer vacation in Michigan and other Northern points of interest.

Pfc George Baker, of the U. S. Marines arrived from Camp Lejeune N. C. the past week to spend twenty days leave with his family

Sincere sympathy is extended to Mr. and Mrs George Newton in the passing of his mother, Mrs. L. N. Newton, the past week. Services were conducted on Friday afternoon from the Chambers & Grubbs funeral home.

Mrs. Myrtle Hoffman is enjoying an extended summer vacation trip to New York City, N. Y., and other interesting northern points

Mrs. Lloyd Rouse, of Lloyd Ave., has been ill at her home the past week. Her many friends wish for her a quick recovery

NOTICE TO CLEAR COUNTY RIGHT OF WAYS

Under Kentucky Revised Statutes Section No. 179.220 the law requires every owner and manager of lands bordering on the public County roads to clear away and carry from alongside the roads, all bushes, weeds, shrubs and overhanging limbs of trees and other obstructions, and keep all hedge fences along the road so trimmed that they at no time will become more than five feet high.

The Fiscal Court of Boone County, Kentucky, has entered an order for the clearing of right-of-ways as many roads in the County can not be properly maintained under present conditions, also many accidents are caused by this roadside obstruction.

The cooperation and assistance of all land owners and managers of lands bordering on the County roads will be very much appreciated.

—BOONE COUNTY FISCAL COURT.

TO THE PEOPLE OF BOONE COUNTY

I want to show my appreciation for the kindness and encouragement they have shown me in my campaign.

If elected Sheriff of Boone County I will have sufficient number of men to patrol some of our needed rural roads.

I cannot promise to make the best Sheriff the County has ever had, but I do promise to equal either of my opponents.

Sincerely,

BILL SULLIVAN.

THE *Best* BUSINESS IN THE WORLD

Deserves THE *Best* FINANCING in the world!

There's no better, no more friendly source of long-term, low interest rate farm loans than the cooperative, farmer-owned system of national farm loan associations. It is through these associations that more than one million farmers have obtained Federal Land Bank loans. Every farmer who gets a Federal Land Bank loan becomes a member of his local national farm loan association. Only farmers can become members and only members can vote in the association affairs.

Yes, farming is the best business in the world. And, Federal Land Bank loans are the best financing in the world. They're first choice with farmers throughout the nation.

Remember this,—there are no application fees, no appraisal fees, and no renewal commissions. So, protect your business, your future, and your family. Finance the farm you buy, or refinance debt you now have through your locally-owned, farmer-control national farm loan association with a long-term, 4 percent Federal Land Bank loan.

For your convenience I will be at the Old Recorder Building in Burlington each Friday at 10 to 12 a. m.; and at other times at my office in the Wigginton Building in Williamstown.

TO THE CITIZENS OF BOONE COUNTY

I am glad to announce to the citizens of Boone County that Miss Glenrose Williams, former Sheriff of this County, has agreed to serve as office Deputy if I am elected to the Sheriff's office, and we will both very much appreciate the support and influence of the voters of Boone County.

I deeply appreciate the friendship and help given to me by the people of this County in my campaign and if elected Sheriff will do all within my power to assist in the continuation of good government in Boone County.

WENDELL H. EASTON

Mr. Wendell H. Easton, candidate for Sheriff of Boone County, has asked me to serve as his Office Deputy during his term of office, and I have gladly agreed to accept this position. After the death of my father, the late J. T. Williams, I was appointed Sheriff to complete his unexpired term and Mr. Easton served as my Deputy. He made a good officer and gave his full cooperation.

I will greatly appreciate having my friends and the friends of my late father, J. T. Williams, support and elect Mr. Easton as Sheriff of Boone County.
